Registration is open for the Smokin' BBQ – Tri Tip and Chicken.
Concours and lunch costs are the same as 2020 – we did not raise the prices.

Join us on Saturday, October 16, 2021 as we take part in a fun day of Jaguars, live music, great food, and camaraderie! This year's event is again being held at Classic Showcase in Oceanside, from 8 am to 3:00 pm. Classic Showcase is easily accessible from the I-5, CA-78, and CA-76 highways. We hope to see you here!

This event is for Jaguar club members and their guests, Jaguar owners at large, and the general public. We will have plenty of bottled water available and there will be hand sanitizer in pump bottles at Hospitality to use.

Breakfast:

Get your complimentary bagels, coffee, orange juice, and bottled water in the picnic area across from Hospitality (while supplies last).

Help!

First, Mark needs help with setting up the canopies, tables, table covers, chairs, signs, banners, judges' area, and hospitality area from 6 am to 8 am. Even with half a dozen people working, we will barely be done by 8 am.

Second, Mark needs three to four people to help with parking by directing drivers to their proper space from 7:30 am to 9:30 am (you'll have a map for that). Display entrants are great for this.

Third, we need twelve people to staff the hospitality table for one-hour shifts, from 8 am to 2 pm. Staffing will be two people per each one-hour shift. Duties include keeping the breakfast buffet and water coolers stocked, collecting gift bag tickets, handing out gift bags and gift bag items, signing up people for the tours and seminars, collecting money for BBQ lunch orders, and directing attendees to where the different events are being held (you'll have a map for that). Interestingly, the majority of our previous Concours hospitality staff have left the club by moving out of state, so we are in dire need of replacements. Mark will train you; it's not that hard.

The registration form has an option to sign up to help.

Judges, please contact Chief Judge Pete Rieth for your assignments.
