Lunch:

Make sure to use the correct option when ordering lunch, or you might be double charged.

Smokin' BBQ Lunch Add-on [Showing a Jag]:

Choose this option if you are showing a Jag in Judged or Display. Enter the number of lunches you want in the boxes for chicken and/or tri tip. This will add \$22 per lunch to your cart.

Smoking BBQ Lunch Only [Not showing a Jag]:

Choose this option if you are ordering lunch and NOT showing a Jag in Judged or Display. If you choose lunch through the Jaguar Entrant Add-on, the system will double charge you. This box is only for your lunch; you may order additional lunches through the 'Guest Registration' option at the bottom of the registration form.

Helping at the Concours:

Check whether or not you will help with set-up, parking, and/or hospitality.

Affirmations:

Check you have read and agree to the Concours rules, event participation, and release of liability. The only choice is "Yes." If you do not agree with the Concours Rules for the Entrant, JCNA Event Participation, Acknowledgement and Release of Liability, or anything else listed or required for this event, your only course of action is to not register or attend.

By clicking your registration submission, you affirm you have viewed and agree to the Concours Rules for the Entrant, have viewed and agree to the JCNA Event Participation, and have viewed and agree to the Acknowledgement and Release of Liability.

Public List of Event Registrants:

Check if you want your name included in the list of event registrants [only viewable to SDJC club members]. Uncheck if you do not want your name viewable.

Guest Registration:

This option is available to those who only registered for the Smokin' BBQ Lunch and are not showing a Jag. This is where you enter additional lunches. Enter the number of additional lunches you wish to order. Remember, you should not have entered additional lunches in the 'add-on' section above.
