Event Information

Cancer Survivor's Park at Spanish Landing Park East
3600 North Harbor Drive, San Diego, CA 92101

Join us on Saturday, July 9, 2022 as we take part in a fun day of Jaguars, music, great food, and camaraderie! This year's event is returning to Spanish Landing Park, right across the street from San Diego International Airport.

This event is for Jaguar club members and their guests, Jaguar owners at large, and the general public. We will have plenty of bottled water available and there will be hand sanitizer in pump bottles at Hospitality to use.

Continental Breakfast:

Get your complimentary donuts, coffee, orange juice, and bottled water at Hospitality while supplies last.

Lunch:

Delish Dogs is again providing lunch from 11 am to 2 pm. There will be 100% beef hot dogs, chili dogs, Chicago dogs, pineapple express, polish sausage, chicken sausage, and veggie dogs. Sides include chili bowls, nachos, jumbo pretzels, and chips (subject to change without notice). Payment for lunch is directly to Delish Dogs at the park.

Help!

1. Mark needs help with setting up the canopies, tables, table covers, chairs, signs, banners, judges' area, and hospitality area from 6 am to 8 am. Even with half a dozen people working, we will barely be done by 8 am.
2. Mark needs three to four people to help with parking by directing drivers to their proper space from 7:30 am to 9:30 am (you'll have a map for that). Display entrants are great for this.
3. We need twelve people to staff the hospitality table for one-hour shifts, from 8 am to 2 pm. Staffing will be two people per each one-hour shift. Duties include keeping the breakfast buffet and water coolers stocked, collecting gift bag tickets, and handing out gift bags and gift bag items.

The registration form has an option to sign up to help.

Judges, please contact Chief Judge Dave Allen for your assignments.

With the everchanging rules regarding COVID-19, we ask that all attendees follow the most current state and CDC requirements regarding social distancing and the wearing of face masks when out in public.
