

**San Diego Jaguar Club
2023 Concours Rules for the Entrant**

1. All cars will be judged in accordance with current JCNA rules.
2. Please ensure your 'Entrant Data' appears correctly on your score sheets – make any corrections. In order to compete for JCNA Regional or North American standings, you must be a JCNA member at the time of showing. Your name and JCNA Member Number, entered on the score sheet, must appear the same as on your JCNA Membership Card.
3. The Chief Judge will announce “Rags Down” and the commencement of judging no earlier than 10 am. Cleaning any part of a Jaguar entered in a judged division after judging has commenced is cheating. Violators will be subject to immediate disqualification by the Concours Chairman and/or Chief Judge.
4. The vehicle Entrant or a member of his/her immediate family or trust:
 - Must be present during judging and is responsible for showing the Jaguar.
 - Will be given the opportunity to provide proof of authenticity for any items noted by the judging team for non-authentic point deductions.
 - Must initial those non-authentic deductions, which stand.
5. The component judging method will be used. When the judges arrive at your Jaguar, have the boot lid, doors, windows, and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in a JCNA Concours). Side curtains, tonneaus, and boot covers shall be displayed nearby (if appropriate for your car model).
6. Factory and/or aftermarket floor/overmats shall be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
7. Judges are NOT permitted to touch the vehicle without the entrant's permission. Entrants will open and/or close the windows, doors, bonnet, and boot lid when requested.
8. Spare tires need not be removed for judging. Champion Division Entrants shall remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
9. Driven Division entries will NOT have their boot nor engine compartments judged; however, the judging team will require the bonnets be opened to verify vehicles have proper Jaguar engines.
10. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. Entrant will please avoid extraneous conversation with the judges.
11. Following Operation Verification, entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15-minute period, the entrant shall contact the Judging Team leader in order for the item to be re-verified and the deduction adjusted if warranted.
12. Entries (vehicles) may not exit the judging or display area prior to the end of the Concours Awards Ceremony without the permission of the Concours Chairman. Leaving early is a violation of JCNA Concours rules and a violation of our contract with the Port District; it jeopardizes our ability to return. Leaving early without permission will subject you to disqualification at this and future SDJC Concours. If an early departure is approved, a safety escort will be provided.
