President's Perspective

I love California! It rained again in May and once again, we got to witness all the car accidents. I was talking to a friend of mine who told me his wife had been involved in an accident during the rain. I asked him if it was her fault and he said no, that she was approaching a red light and slid into the car in front of her. So I said, "Well, then it was her fault," and he actually said this to me, "No, I told you it was raining!"

Years ago I watched a news item here on a local television station that said authorities were looking into the possibility of sabotage when 9 cars slid off an interstate exit ramp in the same place. They thought perhaps someone had dumped some motor oil on the ramp. Then they casually mentioned the fact that it was during a heavy downpour and the drivers were speeding and that might have been a contributing factor. I don't make this stuff up! It's all part of life's cruel burlesque.

Concours season is officially under way with Los Angeles under our belts. Next up is our own in July. Remember, it's not just a show—for those not interested in the competition, it's a picnic! And if you register your car as Display Only, you can drive your car (with picnic basket) right into the show area without fear of being judged.

June is a very busy month for the Club so hawk the Club Calendar of Events in this issue and on our site www.sd-jag.com. Bear with me as I will be emailing lots of event reminders this month. When you get these, please check your calendar and RSVP on the spot. It's much harder to plan an event when we don't know how many are coming until the last minute.

Thank heaven the rainy season is over! Maybe those pesky saboteurs will leave us alone and let us speed and tailgate as is our wont.

Ta ta,
Stick

Where in the World..... Were Jack & Shiela Rabell?

by Paul Novak

The picture of Barbie and Jerry Newmin in the May *Jaguar Tracks* was taken in February 2011 at the Victoria Falls Hotel overlooking Victoria Falls Bridge, with the mist rising from Victoria Falls, in the Republic of Zimbabwe. Many thanks to Barbie and Jerry for sending in their "Where in the World..." picture. As of the cut-off date we had two incorrect guesses, but no one correctly guessed the location of our May 2011 "Where in the World..." picture.

Where in the World were Jack and Shiela Rabell?

The picture for this month's "Where in the World..." was sent in by Jack and Shiela Rabell from their recent trip in April 2011. This is another challenging "Where in the World..." picture and I hope you have fun trying to identify the location. Remember if it's hard to determine where this month's picture was taken by looking at the black and white picture in your copy of *Jaguar Tracks*, log onto our SDJC website and look at the picture in color in our library of *Jaguar Tracks* issues for a color picture with more detail. Here's the SDJC website location: www.sdjag.com.

Please submit your guesses for this month's picture by calling me at home (760) 789-2510 or by emailing me at P.M.Novak7@gmail.com by May 14. Please note this is a new email address. Take your copy of *Jaguar Tracks* on your next trip, take some pictures and send them to me so that they can be used in future "Where in the World..." articles. The locations of your pictures can be local or world wide, but one of our club members must be in the picture and somewhere in the picture there must be a visible copy of *Jaguar Tracks*.

Where in the world were Jack and Shiela Rabell?

SDJC Drives to The Eagle and the Bear

27 SDJC members in 14 cars motored their way from Alpine, through the Mt. Laguna environs ending up at The Eagle and the Bear Restaurant for a leisurely lunch Saturday, April 23rd.

The drive, hosted by Dan Jensen, began in the Starbucks parking lot in Alpine. Most of us were anxious to get a look at Craig and Sue Turner's latest acquisition, a 1967 3.8S (see artsy photo left).

After an interesting departure from the parking lot, the drive went smoothly to our first stop at Lake Cuyamaca where we stretched our legs and socialized.

Craig and Sue in their new 3.8S followed by the Rummell's XK and the Hodge's XF

A long line of Jaguars

The route was beautiful and the weather could not have been nicer. Warm enough for us to put the boot down yet cool enough to keep the older Jags from overheating. After a brief respite, we motored on our final leg to the restaurant.

Joe Harding used the drive as an excellent opportunity to tune the three new Webbers he recently installed on his E-Type. He would race out in front of the rest of us. Later, we would pass him by the side of the road, bonnet up, tweaking and adjusting.

Dan and Jorgene had discovered this restaurant earlier while out on a jaunt of their own and immediately thought of it as a great venue for a Club event. They were right! The fare was tasty and plentiful at this family-owned restaurant and the service was superb! Great work Dan and Jorgene! Thank you for a splendid SDJC outing!!

BACKTRACKS

by Eric Watkins

Homage to the Lord Mayor of Coventry

So, where was I? Oh, yes, about to explain why I was reading the July 29, 2010 Report of the Director of Customer & Workforce Services concerning the lease of the Lord Mayor's Civic Car, which carried the number plate 1COV. Well, it all came about this way...

Last autumn, I happened to be in Coventry and walking down Little Park Street with my cousins, Eleanor and David Coward. As we ambled along, a gorgeous dark blue Jag purred by and I was struck by its license plate: 1COV.

"Wow!" I said to my cousins. "Who owns that Jag?"

"Oh," said Eleanor. "That would be the Lord Mayor's car. You can tell by the number plate. And he's inside. Can you see? He's wearing that gold chain. You can just make it out."

And so I could.

We ambled on, heading for the city center. But the image of that Jag and its 1COV license plate lingered on... and on... and on. It lingered all the way on, until I returned to California.

I wanted to check with the Department of Motor Vehicles. I wanted to see if 1COV would be available on a personalized plate. It was. Great! I could just see myself sporting that plate on my shiny XKR.

It wasn't that I expected anyone to think of me as the Lord Mayor. No, that wasn't it at all. I just thought it would be fun to have that plate. So, I keyed in my request on the DMV website and waited for the plates to arrive.

There weren't exactly right the first time around. The 1COV needed to be exactly centered – at least in my own mind. And here it was, flush left.

I explained the problem to the DMV clerk. He looked at me a little oddly, as though I – and not the plate – was a little eccentric. He slipped the plate back into its envelope.

“We'll try again,” he said. And they did – with exactly the same result.

That time around a nice lady at the DMV tried to explain that they could not center an even four-digit number sequence. California plates have space for seven digits, an odd number, she said.

“You can't divide three left-over spaces by two and come out even,” she said.

“I think you can,” I said. “Three divided by two is one and a half.”

She looked at me thoughtfully, and said: “You're right.”

Three weeks later, the DMV very kindly called me all the way from Sacramento to say my personalized plates were on the way and to apologize for any inconvenience.

That, I said to the lady on the 'phone, is REALLY personalized service. I could hear her smile in return...

Imagine my surprise a few days later to open my mailbox and find a long slim envelope from the DMV. Could it be...? Yes, it was: the shiny new license plates that read: 1COV.

I'm sure the Lord Mayor of Coventry won't mind, once I screw up the courage to tell him. Nor, for that matter, do I expect anyone to call me “Your Lordship” when they see me with these plates on my car.

But I sure won't mind if people address me by my new nickname: Duke.

Directions

Spanish Landing is on the South side of Harbor Drive directly across from the exit from Terminal 2 of the San Diego International Airport. From I-5 follow signs to the Airport. This will place you on Harbor Drive. Go past Terminal 1 and Harbor Drive traffic signals and watch for the Spanish Landing signs. Turn left into the park at the traffic signal for the exit from Terminal 2. There will be San Diego Jaguar Club Signs and balloons marking the spot.

San Diego International Airport Area

For a comprehensive list of hotel information in the San Diego area, please visit our web site at www.sdjag.com. Click on the Concours page.

The San Diego Jaguar Club plans this as a show and a picnic. If you are traveling from out of town and cannot pack a picnic lunch, box lunches, soft drinks and water will be available on site for a nominal fee. Lunches may be reserved on the registration form.

Motor Home and Trailer Parking is not allowed in Spanish Landing Park, but there are many county, state, and privately operated parks that accommodate such rigs. One such is De Anza Harbor Resort at 2727 De Anza Rd., about seven miles from Spanish Landing. Phone 619-273-3211.

All entrants are requested to bring a fire extinguisher.

2011 JUDGE TRAINING

While there were few rule changes this year, we are always striving to improve our judging, to retain our certification currency and to share our learning experiences. All San Diego Jaguar Club Judges are prompted to attend and all club members, who have any interest in the JCNA Judging program, are most welcome.

This training session will:

- Explain the latest rule changes and review score sheets and all rules.
- Provide the opportunity for taking the Judge's Test to maintain Judge currency or to begin the Judge Certification process, (tests may be downloaded from the <jcna.com> site),
- Discuss recent concours judging problem areas.

For homework, please go to the <jcna.com> Concours Center and print copies of the Rule Book page changes to update your existing copy or to download and print the entire re-formatted 2011, 10.1 Edition.

This session will be at **Tom Krefetz' CLASSIC SHOWCASE, Saturday, June 19th** in Oceanside. Tom will include a tour of his facility where we'll have the opportunity to admire his cars and the restoration process.

San Diego Jaguar Club Board of Directors' Meeting Minutes

May 18, 2011

The meeting was called to order at Vision Pulse Creative Event & Meeting Center at 6:30 p.m. by the President, Stick Holmes. The following board members were present: Grant Rummell, Nedra Rummell, Dan Jensen, Craig McLaughlin, and Dannie McLaughlin. Also present were Chief Judge Dick Cavicke, and Assistant Chief Judge Paul Novak.

Secretary's Report The Secretary reported that the minutes of the April meeting were unanimously approved in writing by the Board members prior to this meeting.

Treasurer's Report Having just returned from a business trip, the Treasurer gave only a brief report, but indicated that Club expenses are at a reasonable rate and that he will present a full report of Club finances at the next meeting.

First Vice President's Activities Report Events Review: Those attending reported that the drive to Mt. Laguna was scenic and lunch at the Eagle and Bear was enjoyable; Stick reported that the Rolling British Car Day was well attended with 120-130 cars participating. There were problems with the location of the drive with participants running into traffic along the coast, but that will be corrected next year by moving the drive to East County. Events Preview: There are 66 or 68 signups for the New Members' dinner on 5/20 at San Marcos County Club and Paul will bring slides from past Concours to showing during dinner; As of this meeting, there are only two sign-ups for Concours 101 scheduled for 5/21. Stick sent out a reminder e-mail to Club members and an announcement will be made at the New Member's dinner to try and generate more interest; The Greatest Show on Turf, which was scheduled for 6/4, has now been changed to 9/11 and will be held at Liberty Station; 6/12 – Village Walk at Eastlake with dinner at the Brigantine is still on; 6/18 – Judge's Training at Classic Showcase is still on; The 6/25 – lunch at Dana Point Yacht Club, a joint event with the JOCLA is in flux due to personnel changes at the yacht club. More information about this event will be posted on the website; 6/30 – Katherine Partain has organized SDJC at the Fair; 7/17 – SJDC 47th Concours d'Elegance at Spanish Landing is proceeding as planned; 8/13 – Afterglow will start at the Mortland residence for cocktails followed by an early dinner at their country club; 9/17 White Elephant Sale at the Holmes residence; A tech session is scheduled for sometime in the fall at Classic Showcase; 11/5 and 11/6 – drive/rally and overnight stay in Borrego Springs; 11/12 – Election dinner. Dannie will investigate a change of venue – perhaps somewhere in Poway; 12/17 – Holiday Party will be at Trellises, Town and Country Resort. Details will be available on the Club's website nearer to the date of each event.

Membership Report Nedra proposed the following individuals to the board for membership: Marty & Laura Rader-Potashnick and Ed & Karen Soens. Upon a motion by Grant and seconded by Craig, these individuals were unanimously approved. Nedra also reported that the Roster is finished and copies will be handed out to all those attending the dinner on Friday, thereby saving the Club a significant amount in postage. Members unable to attend the dinner will receive their roster by mail.

Newsletter Editor's Report Stick reported that unfortunately Eric Watkins will not be taking over as Newsletter Editor from Bob Celli, so that position on the Board is again available. Bob and Stick will continue to jointly work on the newsletter until a replacement can be found. Bob informed Stick that the June issue of the Jaguar Tracks is ready to go.

Functional Chair Reports Craig reported that there was discussion at the last BCCC meeting about making the car show this year even better than the last one with a change in the order of the awards presentation and improving availability of food. Dan reported 8 sign-ups have been received for the Concours. The insurance for that event is in place and he and Stick will have a meeting planned with the Port Authority. Letters have been sent out to potential donors for items for goody-bags. A request has been made to JCNA for sponsorship funds; Dick and Paul are in charge of trophies; Jim and Dawn Boese will be asked to head up scoring again, with Craig assisting. Dannie suggested this might be a good opportunity to look at the surveys returned by Club members in order to contact those who indicated a willingness to help out at Club events.

Old Business – 1) Craig reported that we are still waiting to hear from the Secretary of State regarding the articles of incorporation and that he will have a draft of new Club bylaws at the next Board meeting; 2) the Club has purchased one new tent, repair parts for one of the old tents, and a new banner. Stick showed Board members the new banner and everyone agreed that it looked great and that \$87 was money well spent; 3) Stick will bring the remaining grill badges and adapter to the New Members' dinner for purchase; 4) Nedra will report on the logo patches at the next Board meeting; 5) Stick reported meeting with Kevin Leap regarding the Club displaying Jaguars – especially E-Types - at the San Diego International Auto Show at the end of the year. Several members have indicated an interest in participating in this event and the Club will be allowed to set up a table with membership applications and logo wear. Kevin will be at the White Elephant Sale in September to present more information to Club members.

As there was no New Business or further business the meeting was adjourned at 7:40 p.m. The next board meeting will be held on June 15, 2011 at 6:30 p.m. with the place to be announced.

Respectfully submitted by Dannie McLaughlin, Secretary
