OCTOBER

NEWS from the SAN DIEGO JAGUAR CLUB

2011

**INSIDE TRACKS:** White Elephant Sale and Tropical Party  
Back Tracks / Where in the World?

# President's Perspective

By the time you receive this in the snail mail, our October Club event, British Car Day, is probably just a fond memory. We'll have an article about it in the November issue. The next events to think about are the SDJC Borrego Springs Get Away which I am personally really looking forward to. It's been a long time since we as a club had an overnight. And I am extremely happy to announce that we were able to procure our favorite haunt, Phil's BBQ for the Election Dinner! Politics and pulled pork; It doesn't get any better than that! You'll find more about both those events in this newsletter.

The White Elephant Sale and Tropical Party turned out great even though I do say so myself. The Club made a tidy \$484 from the sale. Club member George Klein, as auctioneer, was a riot! You can read about it on page 8.

This is the month we call on all members to think seriously (or semi-seriously) about becoming a member of the board. We meet once a month for about an hour and a half. We have volunteers for some of the positions already but are always looking for new blood. It would be nice to see some younger clear headed members on the ballot. You'll find more on this subject on page 17.

I don't know about you, but I'm saving up my pennies to purchase a new Jaguar C-X 16! We're finally getting a true replacement for the E-Type.

Ta ta,  
Stick

Lou just got a new toy and it's a beauty! Here's what he says about it:

I recently was fortunate enough to acquire a 1954 XK120 disc wheel roadster, and am very excited to be working on it to get it back on the road. Hopefully it will be roadworthy in the next few weeks if heroic measures are taken by myself and fellow SD Jaguar Club members. The care has been a driver, and I hope to be driving it soon. Here it is in a popular Jaguar pose, coming off a tow truck.

If you would like your car to be featured in *Jaguar Tracks' Member Showcase*, please send your picture, along with information about your car (including any little story you may have about it), to your newsletter editor, Susie Q Beshear, at [susieQrealestate@yahoo.com](mailto:susieQrealestate@yahoo.com).

# White Elephant Sale and Tropical Party

Article by Stick Holmes

## Photos by the McDonalds

“White Elephant” is an idiom for a valuable but burdensome possession of which its owner cannot dispose. In our case, for instance, Bob Harding acquired a new steering wheel for his E-Type, but now what does he do with the old one? He brought it to our White Elephant Sale where it was auctioned off to the highest bidder. The proceeds went to the Club. The Club gets the money, and Bob frees up some room in his garage. Win win.

Set up and ready to party!

Many valuable and thoughtful items were donated to the Club this year including car parts, tools, Jaguar memorabilia and art. But not everything was automobile related. There were items of clothing, vases, hats, antiques and a number of other fascinating items to pique almost everyone's interest. SDJC member George Klein was kind enough to volunteer to be our

auctioneer. His keen sense of humor and quick wit greatly added to the entertainment of the sale.

35 members participated in this month's event which was held in the back yard of my house on Saturday, September 17<sup>th</sup>. Haley and her 2 friends Briena and Hannah escorted guests to the backyard and kept a ready supply of food and drink. Toby the Terrible Terrier was Johnny-on-the-spot in case someone spilled a morsel.

I don't know why I purchased a glass vase from a 1932 Cadillac. It seemed like the thing to do at the time. It had been donated by Pete Picksly who, in turn, bought Bob Harding's old E-Type steering wheel. His plan is to keep attending these annual events and eventually, piece by piece, wind up with the entire car.

The Club took in \$484.00 from the sale! Not bad. Those of you who were unable to attend this year, I hope you'll sign up next year. I am planning to donate a valuable vase from a 1932 Cadillac.

Pete Picksly has a nice start on his E-Type

# Where in the World...?

By Paul Novak

## Where in the World were Jack and Shiela Rabell?

The picture of Jack and Shiela Rabell in the June Jaguar Tracks was taken in April 2011 when they were at the home built and used by Frank Sinatra for a photo shoot with singer Justin Timberlake and Dutch model Lara Stone. The location is in the Palm Springs, CA area, Rancho Mirage to be exact. The shot location and story were in the July edition of Vanity Fair magazine. Jack brought one of his cars for use in the photo shoot. Many thanks to Jack and Shiela for sending in their "Where in the World..." picture.

We had one correct guess of the Palm Springs location by our former newsletter editor Bob Celli (honest, I didn't give him any clues). Congratulations Bob for guessing the location of our June 2011 "Where is the World..." picture.

## Where in the World were George and Terry Klein?

The two pictures for this month's "Where in the World..." were sent in by George and Terry Klein from their recent trip in April 2011. These are some more challenging "Where in the World..." pictures and I hope you have fun trying to identify the location. Remember if it's hard to determine where this month's pictures were taken by looking at the black and white picture in your copy of Jaguar Tracks, log onto our SDJC website and look at the pictures in color in our library of Jaguar Tracks issues for a color picture with more detail. Here's the SDJC website location: <http://www.sdjag.com/>

Please submit your guesses for this month's pictures by calling my home phone number (760) 789-2510 or by emailing me at [P.M.Novak7@gmail.com](mailto:P.M.Novak7@gmail.com) by 14 October. (Please note that this is a new email address for me.) Take your copy of Jaguar Tracks on your next trip, take some pictures and send them to me so that they can be used in future "Where in the World..." articles. The locations of your pictures can be local or world wide, but a San Diego Jaguar Club member must be in the picture and somewhere in the picture there must be a visible copy of Jaguar Tracks. Other than that, use your imagination and have some fun.

Whether you need parts for your XJ 2010 or your Classic Series III, Coventry West has all your Jaguar needs. We are one of the largest vendors of new, rebuilt, and used parts & accessories in North America.

We are a direct importer and distributor for Jaguar, Bosch, Hella, Sachs, Mintex, NGK spark plugs & NTK oxygen sensors. We stock over \$1 Million in high quality, OE, OEM & aftermarket parts.

Our sales staff knows Jaguars inside and out. We own them, drive them, race them and participate in automobile enthusiasts and club arenas. Give us a call today. Most orders placed by 4pm EST are shipped same day!

# 2012 SDJC Officers

## Call for Nominations

The SDJC is now accepting nominations for the seven elected officer positions for 2012. Those positions are: President, 1st Vice President-Activities, 2nd Vice President-Membership, Director, Treasurer, Secretary and Newsletter Editor.

Serving on the Board requires some work, but can be very rewarding. You will help in setting the path forward, creating a Club that will contribute to the pleasure of owning and driving the Jaguars of the future. In addition, it's a chance to get to know more members and become intimately involved with Club activities.

If you are interested in serving the Club, or know someone who is interested, please call or email Mike Smith, head of the nominating committee: (619) 787-1926, [Black\\_Cat@90XJ-S.com](mailto:Black_Cat@90XJ-S.com).

The elected officers are listed below along with a brief description of duties. In addition, nominees for Membership, Treasurer, Secretary and Newsletter Editor should be familiar with the software used for those functions.

- The President is responsible for the overall coordination of the Club's operation, and is required to preside over the monthly Board meetings. In addition, the President writes a monthly column for the Jaguar Tracks.
- The 1st Vice President-Activities is in charge of coordinating the Club's events including tours, rallies, the Annual Concours, etc.
- The 2nd Vice President-Membership manages the Club's membership records which are kept in Excel, and MS Word reports to the Board monthly on changes in the Club's membership count, communicates with new and prospective members and coordinates with the national club, JCNA.
- The Directors are responsible to the membership and will report to them regularly.
- The Treasurer is responsible for the accounting and administration of the Club's funds, including payment of bills and production of a monthly financial statement. The Club's finances are kept in Quickbooks, (non-profit company edition), so familiarity with that software is a big plus. The treasurer reports monthly at the regular Board Meetings.
- The Secretary documents the Club's administration through the production of minutes of each Board meeting, preparation of the meeting agenda and attendance at the meetings. These records are kept in Word format.
- The Newsletter Editor is responsible for publishing the Jaguar Tracks each month. This is accomplished using; Adobe InDesign 5.5, and MS Word.

In addition to the elected officers, the Board includes fourteen other members appointed by the President. These positions may be on page 27 of this newsletter. If you are interested in serving in any of these positions please contact me.

All nominees should be prepared to attend a monthly Board of Directors meeting which is generally held on the Wednesday; following the second Friday of each month at a central location. The meeting begins promptly at 6:30PM and normally concludes by 8:00PM.

## Jaguars leap in value at RM Auctions

Jaguars did well at RM Auctions in Monterey last month, with ten cars sold for a total of \$1,861,750 or an average of \$186,175 per car. Perhaps the most impressive was a 1938 Jaguar SS100 3.5 Liter Roadster, one of just 118 original 3.5 liter examples, which was estimated at between \$700,000 and \$800,000. Its actual going price was just below the lower estimate at \$687,500.

A 1990 Jaguar XJ220 came in at number two on the list, attracting a bid of \$231,000. RM described the car as finished in the original classic silver with a grey leather interior and a remarkable 2,900 original kilometers on its odometer.

The car was built in August 1993, and it is one of the group of 37 unsold XJ220s that were carefully stored,

sparingly driven, and serviced at the Jaguar factory in Coventry.

Third down the list in terms of the bidding was a 1960 Jaguar XK150 3.8 Drophead Coupe, which reached \$225,500 – perfectly within the range RM had estimated at \$210,000-\$250,000. This is a fairly rare car, too, as only about 2,680 were built through the end of production in mid-1961. Of these, about 586 were 220-bhp, 3.8-liter cars, including S838668DN, the car sold at Monterey.

A 1963 E-Type 3.8 Series I Roadster came in fourth among Jaguars at the auction, attracting a bid of \$132,000 against the earlier bid range of \$125,000-\$150,000. RM's description of this car will absolutely please at least one or two members of SDJC. "Having undergone a complete, no-expense-spared restoration by Jaguar specialists Classic Showcase of Oceanside, California, it displays a very high degree of craftsmanship."

Lot 110, the fifth highest on our list, was a 1966 Jaguar E-Type Series I 4.2-Liter Fixed Head Coupe. The initial estimate of this car came in at \$115,000-\$140,000. The winning bid came in at \$123,750 – and not surprisingly, either. Another sample of the handiwork accomplished by Oceanside's Classic Showcase, this Jag was described as "ideal for a discriminating Jaguar collector's collection."

Rounding off the top ten were: a 1948 Jaguar 3.5-Liter Mark IV Drophead Coupe which went for \$110,000 against an estimated \$90,000-\$120,000;

a 1953 Jaguar XK120 Fixed Head Coupe, which also went for \$110,000 – just under its estimate of \$120,000-\$140,000;

and a 1956 Jaguar XK140 MC Roadster, which was estimated at \$70,000-\$90,000 and went for \$82,500. Tenth on the list was 1969 Jaguar E-Type Series II 4.2-Liter Fixed Head Coupe, which sold for \$55,000 or just below its estimated value of \$60,000-\$80,000.

All in all, a splendid time was guaranteed for all.

# *San Diego Jaguar Club Board of Directors Meeting Minutes*

## *September 14, 2011*

The meeting was called to order at Vision Pulse Creative Event & Meeting Center at 6:30 pm by the President, Stick Holmes. The following board members were present: Nedra Rummell, Grant Rummell, Vic Chang, and Dannie McLaughlin. Also present was George Klein.

Secretary's Report. The minutes of the August meeting were unanimously approved via e-mail by the Board members prior to the meeting.

Treasurer's Report. Grant Rummell provided the Board with "Balance" and "Profit and Loss" reports. Financially, the Club is slightly ahead vs. this time last year. All the bills for the Concours are in, dues are still coming in, and advertising revenue is up.

First Vice President's Activities Report. Events Preview: 9/17 – Stick reported planning for the White Elephant Sale at his home is in its final stages and there are already 30-35 sign-ups; 10/1 – several Club members will be attending the IEJC Concours and Stick has made arrangements with a local restaurant for dinner; 10/2 – British Car Day is on track with Craig McLaughlin handling the trophies on behalf of the Club; 11/5 and 11/6 – Grant presented a tentative route (approximately 100 miles and 2 hours) for the drive and overnight stay/golf at Borrego Springs Resort and Spa. Lunch will be at the Stagecoach Inn which is the mid-way point; 11/12 – Dannie McLaughlin reported that the election dinner will be held at Phil's Barbecue which has always been a popular spot with Club members. She is working on the menu and finalizing details with the restaurant; 12/17 – The Holiday Party will be at Trellises, as planned. The Board approved using Club funds for appetizers and wine so keep the cost of Club members as low as possible. Details will be available on the Club's website and in the newsletter closer to the date of each event.

Membership Report. Nedra proposed the following individuals to the board for membership: Bonita Chamberlin & Dick Long; Tom & Barbara Donahue; and Gary Shipley & Steven Maucoat. Upon a motion by Grant and seconded by Vic, these individuals were unanimously approved. Nedra reported that Bob Celli has agreed to help design and update the membership registration brochure.

Newsletter Editor's Report. Stick reported that he has the updated software for the Jaguar Tracks and that he and Susie Q are still in the transition/learning phase and that Susie Q will soon be taking over as Newsletter Editor.

Functional Chair Reports. There were no Functional Chair reports.

Old Business – 1) Dannie reported that Craig will have a draft of the bylaws to all Board members next week; 2) Nedra reported that she spoke with the JCNA membership chair regarding how to handle honorary membership status and was told that the Club is free to address this as we wish. The Club will include procedures in our new bylaws; 3) Nedra presented the new logo patches to the Board and Board members purchased several on the spot. Nedra will bring them to the next few events and then turn them over to the logo czars; 4) Stick has not heard anything recently regarding the San Diego International Auto Show to be held late December and he will follow-up on this; 5) Dannie reported that she has mailed out all 12 of the corral passes she received for the Coronado Speed Fest; 6) New Concours direction signs and locally sourced trophies will be addressed at a later date; 7) Mike Smith is working on securing storage space for Club items; 7) Nedra has the British flag and will bring it to British Car Day.

New Business – 1) The Club is looking for individuals to fill the offices of President and First Vice-President as well as one Directorship; 2) Based on a vendor e-mail sent to several Board members, Stick will investigate obtaining a sample of a logo watch.

As there was no further business, the meeting was adjourned at 7:35p.m. The next board meeting will be held October 19, 2011 at 6:30 p.m. at Vision Pulse.

Respectfully submitted by Dannie McLaughlin, Secretary
