President's Perspective

Congratulations to the 2012 Board members who were voted in at our Election Dinner last month. We would like to have seen more new blood fill some of these positions but in reality, people's lives are very busy so Club administration normally falls on retirees. It really doesn't take much time to run the Club but we are always in search of new ways to make it easier. One of the things we will try out next year is holding some of the board meetings via some sort of teleconferencing. If you have ever been tempted to volunteer, this should push you over the edge.

Our weekend getaway in Borrego Springs was really fun. You can read all about it on page 8. It had been a really long time since we drove to an "overnight" and we were a little antsy regarding the interest we would be able to generate. But the drive was beautiful and the resort treated is like kings. We had a turnout of 9 Jaguars which was just the right size. We got so many compliments on the event that I'm sure you'll be seeing another "overnight" opportunity in 2012.

If you are planning to attend the San Diego International Auto Show be sure and visit our Club display. This is a first for us and we are all really excited about it. And please don't forget to RSVP for our gala Holiday Party. Check out the details in this issue and on line at www.sdjag.com. I look forward to seeing you all there!

Well, that's it for me. You won't have old Stick to kick around anymore. My 2 year reign of terror is over. The people have spoken etc. etc. I can't tell you how much fun it's been for me these last several years. I have gotten to know so many of you better and the events we've held have been exceptionally fun. I would like to humbly take all the credit for our recent successes, but as all of you know, a president cannot run a club alone. I was fortunate to be surrounded by board members who were truly dedicated, talented, and most important, funny. Thank you all for your support and all the great laughs.

You are going to love Grant Rummell as President. He is full of life, energy, fun, and experience. Let me know if you can think of anything else he is full of. 2012 should be a fun and memorable year.

Ta ta,
Stick

Paul Novak's rare 1990 V12 VDP

Paul writes:

Another Jaguar (my sixth) followed me home in September, a 1990 V12 Vanden Plas. The first owner lived in British Columbia, Canada and traded this car in for a new Jaguar in 2003. After passing through several ownerships, it was sold in 2004 to the third owner who lived in the San Jose area and who imported it into the USA. Successful registration required extensive work with the Environmental Protection Agency and the California Air Resources Board because none of these cars were ever sold new in the USA. I found this car was for sale in March through some Jaguar enthusiast friends. By coincidence (fate?), Debby and I were in San Jose in September to visit

our son and his family, and I made arrangements to see the car. Jaguar stopped selling the Series III XJs in the USA in 1987, but they continued selling them in the rest of the world until 1991. This car could not be purchased new in the USA. There are several features different from Series III Vanden Plas cars sold in the USA that are sure to keep the judges on their toes. The Jaguar Racing Green exterior/Magnolia interior was a special order color combination believed to be the only one in existence. I had an uneventful and amazingly smooth and quiet 500 mile drive home from San Jose to Ramona on 8 September (the day of the big power outage), and then shortly afterwards I brought my new 1990 V12 Vanden Plas to the 2 October British Car Day where it won one of the three trophies awarded to Jaguars that day. It's a beautiful car and one that I will proudly enter in many car shows in the future. I plan to work on it over the winter and then compete it in the JCNA 2012 concours season.

If you would like your car to be featured in *Jaguar Tracks' Member Showcase*, please send your picture, along with information about your car (including any little story you may have about it), to your newsletter editor, Susie Q Beshear, at susieQrealestate@yahoo.com.

SDJC Borrego Springs Getaway

Article by Dan Jensen

Photos by the Holmes family and Vic Chang

Undeterred by wet and windy conditions the night before, 21 SDJC members and family gathered at North County Fair in Escondido on Saturday morning, November 5, for a drive to/overnight stay at the Borrego Springs Resort and Spa. The weather turned out to be superb, clear and cool, providing great driving for the two E-types driven by Paul and Debbie Novak and Bob and Ali Proctor and the more modern Jaguars driven by other members.

The drive, which was organized by Grant and Nedra Rummell, wended it way north via back roads to Temecula and then turned east for lunch at the rustic Stagecoach Inn in Aguanga, easily located by the road-side signs for their great ice cream cones. Lunch took place on the outdoor patio where we celebrated Stew Baily's birthday along with Barbara and their son Noel and daughter Lyn. The "birthday cake" was provided by Barb and came in the form of bowls of Stagecoach ice cream. Umm, good! The Jags were then fired up again for the drive toward Warner Springs and down the mountains into Borrego. The 3-hr drive offered spectacular views, due in part to the clean, fresh air following the previous day's storm.

The group gathered Sunday morning for breakfast overlooking the golf course, after which several members treated themselves to spa treatments. Unfortunately, the combination of cool weather, wind, and some tired bodies, the golf "scramble" had to be deferred to a future event.

We split up for the drive home which offered some of our new challenges with rain in the Julian area and snow on the 79! Nonetheless, everyone, including the E-Types, made it home safely after a memorable weekend.

Thanks to the staff at the Borrego Springs Resort for providing a great venue for the event.

Editor's note: And a **BIG** "thank you" to Dan and Jorgene Jensen for coordinating our stay and Grant and Nedra for planning the drive.

Where in the World...?

by Paul Novak

Where in the World was Haley Holmes?

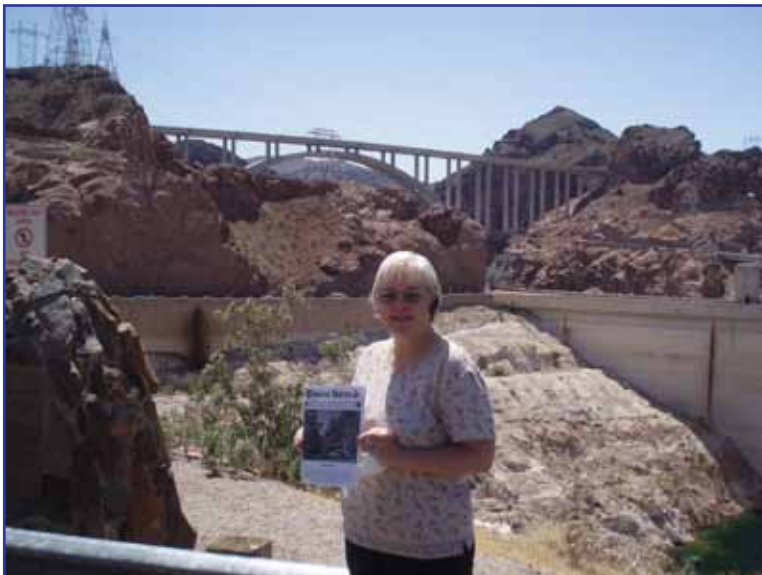

The picture of Haley Holmes in the November Jaguar Tracks was taken in July by her mother Karen when they were in Nice, France by the Hotel Negresco. Many thanks to Stick, Karen, and Haley for sharing their nice "Where in the World..." picture.

We had one correct guess by Lisa Ellis and two close guesses (but no cigars) of Cannes, France by Brian Ellis and George Klein. Lisa is hereby and forever extended all the bragging rights and privileges thereof, especially if it makes Brian uncomfortable.<grin>

Where in the World were Katherine Partain and Karen Holmes?

Starting this month and for the next several months I plan to run two "Where in the World..." pictures to catch up with the backlog of pictures. The first one is of Katherine Partain from a trip she went on in May and the second is a picture of Karen Holmes from a trip she went on in July. If you want to see color pictures with more detail, log onto our SDJC website and look at our current Jaguar Tracks issue: <http://www.sdjag.com/>

Submit your guesses by calling my home phone number (760) 789-2510 or by email at P.M.Novak7@gmail.com. Take your Jaguar Tracks on your next trip, take some pictures and send them to me with details of the date, location and any information about the picture that you would like to share with others. The picture must include a San Diego Jaguar Club member and a visible copy of Jaguar Tracks.

Whether you need parts for your XJ 2010 or your Classic Series III, Coventry West has all your Jaguar needs. We are one of the largest vendors of new, rebuilt, and used parts & accessories in North America.

We are a direct importer and distributor for Jaguar, Bosch, Hella, Sachs, Mintex, NGK spark plugs & NTK oxygen sensors. We stock over \$1 Million in high quality, OE, OEM & aftermarket parts.

Our sales staff knows Jaguars inside and out. We own them, drive them, race them and participate in automobile enthusiasts and club arenas. Give us a call today. Most orders placed by 4pm EST are shipped same day!

That Jaguar moment...

by Eric Watkins

I suppose everyone has that moment. The one where you suddenly see a Jaguar and say: "Yep, that's the car for me." I've never had that moment with any other car, just so you know. And it's a moment that I'll always remember.

Although born just outside the factory gates in Coventry, as my Dad likes to tell people, I don't have any recollections of Jaguars until my teen years in San Diego.

By then, I was driving an MGTD that my Dad and I had restored from the ground up. It was a beautiful little car, a pale yellow one, and I took great pride in driving and maintaining it.

It was that pride that got me behind the wheel of my first Jaguar: a beautiful pale yellow XKE. At the time, I was working at a little car wash down on Morena Boulevard.

Talk about a slow and boring business! We had so little to do that the owner – a former Navy guy – had us using tooth picks to clean grains of dirt out of the sprayers. I'm sure it was important work.

At the job, I used to make a point of parking my MG in the same spot every day, a place in the sun where everybody could see it. I guess that's why the guy came into the car wash with his Jag.

Up he rolled. This was in the summer of 1965. E-Types were new then, and this one was brand new. Yellow. It purred to a stop. The door opened. The driver hopped out.

"Who owns that MG over there?" he asked. All the other car wash guys looked at me. "I do," I said. "Okay, then," he said. "You're the guy who's gonna take care of my car today."

The other guys shot me envious looks. No more tooth-pick patrol for me.

He had me hop in the car, and drove it back over to his work. He got out. "Okay, Kid. It's all yours. Come back at 4 this afternoon. Washed and waxed."

Was I in heaven or was I in heaven? I slid back into the car: This time behind the wheel. I switched on the engine. It roared to life. I pressed in the clutch, put 'er in first, and slowly exited the parking lot.

I wanted that drive back to the car wash to last forever. I wanted it to be as fast as possible, too. I wanted that afternoon to last forever. I wanted that car to last forever, too.

I just loved that car. It stayed with me long after I drove it back to its owner. Years and years after. It was clean through and through. It sparkled. It shone. It purred. It was mine for a day. Age 17, if you know what I mean.

Over the years, I have never forgotten that day. My little MG, long gone now, was the ticket to my one and only drive in a Jaguar. E-Types came and went, too. But the memory stayed.

Years later, I began to notice those new Jags – the XK8's and XKR's. They took me back to that first drive. In the new cars, I saw the past and it was the summer of 1965 all over again.

That yellow Jag. My XKR is as shapely as that XKE. It's platinum. But somewhere inside of me doesn't quite believe that. Inside, I'm sure it's really yellow.

What's that painting by Salvadore Dali? The Persistence of Memory? That's my moment... what's yours?

On a wet and cold Saturday, November 12th, the San Diego Jaguar Club held its annual Election Dinner. Dannie and Craig McLaughlin were our most gracious hosts and set up a tummy pleasing evening at Phil's BBQ in Point Loma. Patsy Millard and Dannie McLaughlin manned the check-in table. Haley Holmes and her friend Nichole were in charge of an exciting raffle. I was in charge of sampling the beverages.

During the cocktail hour Kevin Leap of the New Car Dealers Association of San Diego gave the Club a briefing regarding our display at the upcoming San Diego International Auto Show.

Dinner was delicious as usual with a menu of BBQ ribs, chicken, pulled pork, potato salad, baked beans, and cobbler. Phil's staff set us up in our own building with Jaguar Only parking just outside the door. Pretty classy.

Jaguar San Diego sent a representative with a beautiful new XJ for display which we placed right in front. The representative, John Gardner and his lovely wife Kathleen were very keen on our Club and as Jaguar owners themselves, decided to join. He said Jaguar San Diego is very excited about establishing a close relationship with our Club.

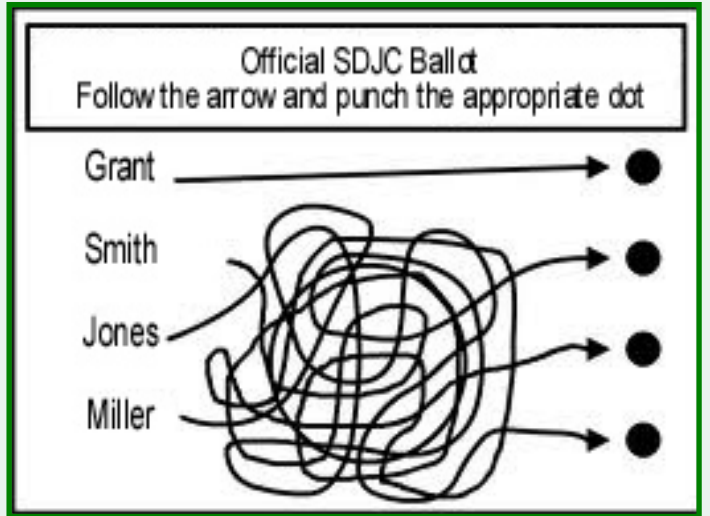

Outgoing President Stick Holmes skulked about the place grouching about being railroaded out of a cushy political position.

It's official !!!

After dinner and during a delicious dessert, we got down to some serious business with President Stick Holmes conducting a business meeting during which Dick and Ginny Cavicke were awarded a lifetime Honorary Membership for 27 years of dedicated service to the Club.

Secretary Dannie McLaughlin held the official election resulting in no surprises. There was a great deal of celebration.

I don't think we could have found a more perfect venue. With our own building, parking spaces, and the best BBQ in San Diego county, we made out like champs. The Club sincerely thanks the McLaughlins for hosting such a hugely successful event!!

San Diego Jaguar Club Board of Directors Meeting Minutes

November 16, 2011

The meeting was called to order at Vision Pulse Creative Event & Meeting Center at 6:30 pm by the President, Stick Holmes. The following board members were present: Vic Chang, Mike Smith, Dan Jensen, Nedra Rummell, Grant Rummell, Craig McLaughlin, and Dannie McLaughlin. George Klein was also in attendance.

Secretary's Report. The minutes of the October meeting were unanimously approved via e-mail by the Board members prior to the meeting.

Treasurer's Report. The Treasurer reported that, compared to 2010, income is up, expenses are down, and overall the Club is in a healthy position financially. Advertising revenue continues to be strong and membership numbers are holding strong as well.

First Vice President's Activities Report. Events Review: Dan reported that the drive to Borrego Springs was a success with 23 people in attendance. Board members enjoyed the fact that one price covered both lodging and the Saturday evening dinner expenses; there was also a good turnout for the Election Dinner at Phil's Barbeque, where the slate of officers and revised Club bylaws were approved unanimously. Events Preview: 12/17 - The Holiday Party will be at Trellises, at a cost of \$50 per person with the Club providing appetizers and wine before the dinner. Dan requested that Stick send out an e-mail reminding Club members of the date; 2012 Events – Board members briefly discussed events for 2012 including a Drive to and Picnic at Orfila Vineyards in January, and making the JOCLA Surf and Turf Drive the club event for February; a general discussion followed regarding 2012 events with an emphasis on keeping venue locations easily accessible to the majority of Club members. As always, details will be available on the Club's website and in the newsletter closer to the date of each event.

Membership Report. Nedra proposed the following individuals to the board for membership: Al and Karen Bates and Tom Wright. Upon a motion by Grant and seconded by Mike, these individuals were unanimously approved. Nedra also mentioned that the deadline for membership renewal is 1/13/12 and asked Stick to publish the renewal form in the next issue of the Jaguar Tracks.

Newsletter Editor's Report. Stick reported that he and Susie Q are scheduled to meet tomorrow to work on the December issue of the newsletter and other editorial transitioning details.

Functional Chair Reports. As Club representative, Craig reported that the BCCC meeting was held on 11/7/11 and was mainly a review of British Car Day. Ideas for next year's show were discussed including making it a 2-day event with a dinner the evening before the show in order to attract more out-of-town participants. Dan reported that he will be sending out invoices for 2012 to advertisers for the newsletter as well as the website. Grant mentioned that advertising revenue is almost fully covering the costs of printing and mailing the newsletter.

Old Business – 1) Stick reported that several Club members have indicated they are willing to participate in the San Diego International Auto Show. Kevin Leap will provide release forms for participants and Stick will get out final details and VIP passes to those bringing cars to the show. Stick also mentioned that the Club will need volunteers to represent the Club and hand out membership applications at our vendor table; 2) Stick reported that the new signs for the Concours have been ordered; 3) Craig will e-mail Paul Novak with regard to a local source for Concours trophies for 2012; 4) Craig also reported that he contacted Rex Ryan about obtaining storage space in his garage for Club equipment and will follow-up with Rex with regard to garage access to see if this is logistically feasible. Paul will retain the trophy case in his garage until Jaguar San Diego has completed their dealership showroom; 5) the Board again discussed new brochures. With regard to printing costs, Stick will follow-up with Allegra and JCNA, Dannie will follow-up with a source she has, Nedra will follow-up with Vista Print and a representative from Vision Pulse will also provide the Club with a bid.

New Business – 1) The Board discussed the benefits of using PayPal or credit cards to pay for memberships, Club events, and to purchase Club logo items, and were in agreement that Grant and Nedra should investigate the costs associated with these options and report back to the Board at the next meeting.

As there was no further business, the meeting was adjourned at 7:35p.m. The next board meeting will be held January 11, 2012 at 6:30 p.m. at Vision Pulse.

Respectfully submitted by Dannie McLaughlin, Secretary
