# President's Perspective

Do we have news in April? Yes we do--- some good and some not as good. First, the new SDJC window decals have arrived and are much better than April Showers. These little beauties will decorate your Jag much better than spring flowers. Smaller than the old decals, they are a stunning reproduction of our club logo. The cat in the logo now truly looks like a Jaguar, instead what I called a greyhound (as in dog) trying to play like a jungle animal. AND it's leaping in the right direction, but that's another story. And the news keeps getting better!! They are now the static cling type of sticker. That means you have another excuse play with your favorite toy in the garage, putting the decal here, then moving somewhere else all night long. Okay I'm getting a bit carried away. But now (drum roll optional) they are reusable as you upgrade your favorite toy. Oh my goodness, what did we do? We will now sell less of the decals. Oh well, at least the valley of plastic trees will be happy. They are on sale at our coming events at the special price of \$2.00, a good reason to attend an event. Later they will on sale for the price of well---- \$2.00.

Speaking of events, the 7<sup>th</sup> annual new members night at the San Marcos Country Club will be held at on April the 13<sup>th</sup>. Yes, it's Friday the 13<sup>th</sup>, but with the great raffle prizes from Diane, the longer tire kicking session in the special parking lot because of daylight savings time, we can put that old story to rest forever.

And the following week comes the opportunity to drive with all kinds of British cars at the 17<sup>th</sup> annual Rolling British car day on April the 22nd. It's a bit different venue this year, with two starting locations for your convenience.

The national meeting of JCNA was just recently held in Arizona. At the meeting the delegates voted to increase the dues paid to the national organization by \$8.00 per year, up from the current \$22.00. We remit the national dues from the amount we charge SDJC members. Your board did not agree with this change and or club voted against this change, although we recognize the right of JCNA to make the change, and understand their desire to have a sound financial footing and the potential ability to improve the services they offer. The change does not take place until next year. The SDJC board must address what changes to make in the dues charged local members in the coming months. Any input by any member will be appreciated. At present we are fortunate that we have been able to manage our clubs finances for the last few years to have a small surplus each year, so we have some flexibility in what we action we need to take.

Let's wave those proper English driving gloves when passing each other.

Grant

The Woolleys write: Bowing to peer pressure or perhaps it is a contagion spreading through the club, Bill and Debbie Woolley fell victim and acquired an XJR 100! Yes, Stick, we want to have even more fun!!

After viewing all the lovely XJs at various club shows and events, the seed (or disease) was planted. We started thinking how much easier it would be to share the "Jag experience" with family and friends if we could comfortably carry more than one passenger. We stumbled across, of all things, an XJR 100 for sale in LA. We are now the second owners of this gorgeous automobile, an exciting match to Bill's XKR 100. Both are 2002 commemorative limited edition vehicles released to honor Sir William Lyon's 100th birthday. The car is Anthracite with red stitched black leather interior and grey stained bird's eye maple trim. The engine is the supercharged 4.0 liter V8. It has 19 inch BBS Montreal wheels with Brembo brakes along with many other luxurious features. Now, with three XKs and one XJ, we hope this compulsion/virus has run its course. Who's next?

If you would like your car to be featured in *Jaguar Tracks' Member Showcase*, please send your picture, along with information about your car (including any little story you may have about it), to your newsletter interim editor, Stick at [stick767@cox.net](mailto:stick767@cox.net).

# SDJC AT JOE'S CRAB SHACK

Article by Nedra Rummell

Photos by the McDonalds

All week we followed the upcoming dreadful weather forecast for Sunday – more rain, hail, wind – all elements not conducive to driving our beautiful Jaguars on Sand Diego's streets and highways. Sunday morning we were pleased with 50 RSVPs for lunch, but worried the weather would force many cancellations, since we experienced 35 mph winds and hail. By 11:30, the skies were clearing and to our delight, 40 faithful members joined us at Joe's Crab Shack at the Rowing Club.

Joe's staff was attentive and did their very best to make it a great day, even posting a young man on the lot to give each Jaguar the proper windshield parking permit. Everyone must have been suffering from a little "cabin-fever" as it was a fun and lively crowd. As the guests entered our reserved room, they could peruse the fun and useful raffle gift display presented by Raffle Queen Diane and her faithful helper (me).

*It was a dark and stormy noon.....*

*Rex and Julie Ryan*

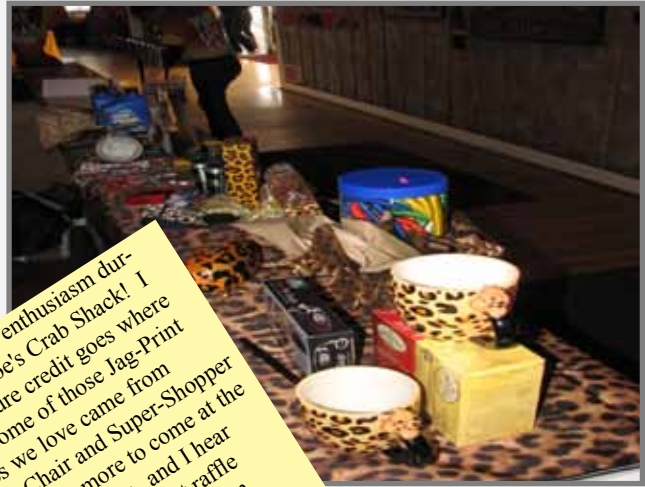

*The Tripis and the Turners arrive*

*Continued on next page*

*New members Pamela Swintek Garrett Stroud*

Thanks for all your enthusiasm during the raffle at Joe's Crab Shack! I want to make sure credit goes where credit's due; some of those Jag-Print Glitzy prizes we love came from Membership Chair and Super-Shopper -- Nedra! There's more to come at the New Member's Dinner...and I hear Nedra has a few more great raffle prizes to add! I'm shopping...I'm shopping... Wow, I LOVE this 'job!' See you at the next event, Diane Mc D

We were delighted to have so many "new members" on our guest list. Gym buddies Nimai Choski and Kurtis Thrasher arrived early and immediately were in the vortex of conversations. Kurtis claimed the animal print hair brush and jeweled nail file was his – as a gift for his girlfriend of course. As the raffle begin he paced the floor hoping his number would be called and reminding everyone, the hairbrush was his, resulting in much laughter. After winning the second time, Fran Kearny grabbed the fabled brush and immediately gave it to Kurtis, one happy SDJC member! Way to go Fran, nice gesture!

*Diane McDonald with Haley and Karen Holmes*

*New member Mitch Steller and his son, Todd*

*Tolley Williamson wins a prize!*

*Continued on next page*

*Kathleen (with cutting-edge funnel hat) and Al Steele*

The back table won the “luckiest” table with around 8 winning tickets. I want to sit with them next time! Another new member, Garrett Stroud, also had a winning ticket and secured a beautiful animal print sun glass case for his girlfriend and new member Pamela Swentek. Rex Ryan signed Garrett up for the club after selling him one of his Jaguars. Mitch Steller was attending his first SDJC with his son, Todd, who is on a path to become a professional golfer. Maybe he can teach some of our “old”....oops “senior” duffers something new. Although new members Gary Shipley and Steven Maucoat did not have a winning ticket, they did secure a prime elevated seat to see all the activities and fun. Unfortunately, this will be the last event in 2012 for the Tripi’s as they will be leav-

ing their winter home in Escondido and returning to Buffalo, which thankfully is not as cold and frigid this year. We wish them a safe trip home. We also hope Haley Homes a wonderful trip as she is leaving Tuesday for a school outing to Paris, lucky Haley!

Grant Rummell reminded everyone of upcoming events, especially the La Jolla motor Classic, Rolling British Car Day, and New Members Night. Please refer to the events in this edition and make your reservations as soon as possible. 🍀

Thank you Nedra and Grant for setting up and hosting yet another truly fun and memorable event! Ed.

# Where in the World...?

by Paul Novak

## Where in the World was Karen Holmes?

The two "Where in the World..." pictures in the March Jaguar Tracks were sent in by Stick Holmes from a trip that his wife Karen and daughter Haley went on in July 2011.

According to Stick the first picture of Karen was taken in Barcelona, Spain and the second picture of Karen was taken in Venice, Italy.

Kathleen Steele was the first to correctly guess that the second picture showed Karen in Venice.

George Klein also guessed the second picture cor-

rectly. Mitch Cohen guessed that Karen was at The Venetian Hotel in Las Vegas in the second picture (a thought that also crossed my mind). Craig Wright is this month's winner because he was the only one who correctly guessed the locations of Karen in both pictures. Craig is hereby and forever extended all the bragging rights and privileges thereof.

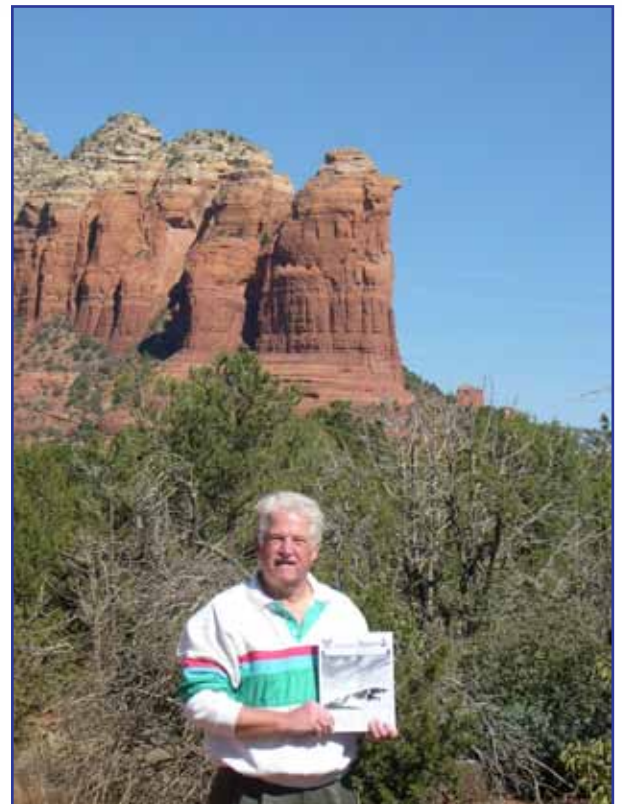

Many thanks go to Stick and Karen Holmes for sharing their "Where in the World..." pictures and to all those who sent in their guesses.

---

## Where in the World was Paul Novak?

I have reached the end of my picture backlog and back to having only one "Where in the World..." picture in this issue. My wife Debby took this picture of me at a location that we visited this past week. If you want to see the picture in color and with more detail, log onto our SDJC website and look at our current Jaguar Tracks issue: <http://www.sdjag.com/>

Submit your guesses by calling my home phone number (760) 789-2510 or by email at [P.M.Novak7@gmail.com](mailto:P.M.Novak7@gmail.com). Take your Jaguar Tracks on your next trip, take some pictures and send them to me with details of the date, location and any information about the picture that you would like to share with others. The picture must include at least one San Diego Jaguar Club member and a visible copy of Jaguar Tracks.

The most important factors to consider in choosing a Jaguar parts vendor are EXPERIENCE and KNOWLEDGE.

The staff at Coventry West has over 100 years of combined experience in Jaguar parts. That knowledge is available to you every time you call!

Coventry West is your best source for new, used and rebuilt Jaguar parts. We have a large inventory of genuine, OEM, and aftermarket parts all under one roof, meaning...

We have what you need at a price to fit your budget.

## IN THE REAR VIEW MIRROR

by Randy Prine, Club Historian

Marian Butler, a long-time member of the San Diego Jaguar Club, passed away February 6, 2012 in Florence, Alabama.

Marian and Jack Butler joined the SDJC in 1979. They entered their XK-120 FHC in the Concours d'Elegance that year and won First in Class. Marian was an enthusiastic member of the club, hosting social gatherings and business meetings at her lovely Mt. Helix home. She served as president in 1982 through 1984 and represented SDJC at the Jaguar Clubs of North America Annual General Meetings through the years. Along with Mary Lou Owen, she represented our club at the British Car Council for six years. She was on the planning committee for the Ascot Antique and Classic Car Show for the American Cancer Society, which our club sponsored in 1981, '82 and '83.

Marian and her daughters, Tara and Rhetta, moved to Florence, Alabama in the late 1980's. A private memorial service will be held in April. If you would like to send a card to Tara and Rhetta, Marian's address is: 610 Londondary Road, Florence, Alabama 35630.

# BACKTRACKS

## Jaguar's glory day at Torrey Pines

by Eric Watkins

Is anyone out there old enough to remember the old race track at Torrey Pines? I can – just barely. I remember coming up Highway 1 from Del Mar one day as a kid in the 1950s and seeing a whole lot of bright colored sports cars, with white racing stripes down them and black numbers against white dots. It was exciting, even in the split second as we passed by. I still remember that sight, every time I drive by the underpass near today's Torrey Pines Golf Course.

As the years came and went, I began to wonder what had happened to the old race track up there. But no one else seemed to remember it, and there was no information to be found about it anywhere. Then came the Internet, and suddenly it was possible to link up with people who not only remembered the track but shared what they knew. Now, one website even has video footage from the last-ever race, which was held there in January, 1956.

*The winning Jaguar on race day with its "flames"*

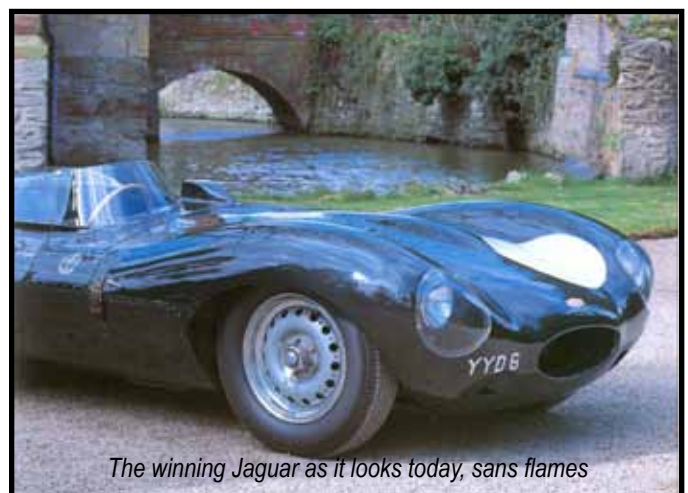

Anyone who loves Jaguars is going to cherish this four minute piece of footage by John McClure for it opens with some splendid shots of the first-ever D-type ever imported into California: Jerry Austin's XKD 527, which shipped from Coventry in November 1955. In this film, the car boasts what the reviewer calls "a temporary flame-job" – something he likes a lot, saying "who would have guessed how bad-ass a Jag D-Type looks with flames?"

Some 10,000 people were on hand to witness the event, according to coverage by Gus V. Vignola in the January 27-February 3, 1956 issue of "Motor Racing." Indeed, Vignola opens his account with a humorous, if somewhat unflattering portrayal of Jaguar officials among the crowd: "All the Jaguar top brass, sub-brass, top flunkies – in the dumps of despair since the new D model fizzled last month at Palm Springs – perked up like a cannibal at a nudist camp along about dusk Jan. 14 at Torrey Pines."

Of course, their excitement came as a result of the first place finish of Jerry Austin's D Type. "For the pride and joy from Coventry, England, had boomed across the finish line to get Al Torres' checkered flag – an easy winner by three laps and 47 seconds in the third and final six-hour endurance race staged there..." Vignola summed up the meaning of the event for Jaguar officials, saying that, "It was the third endurance victory here in as many tries for the Jaguar, a fairish sort of a record and a silencer for all the loutish know-it-alls who have been rapping the marque."

For others, though, it was a day of mixed feeling for others, including a young lad named Fred Puhn. Just after arriving at the course that day, young Puhn turned and caught sight of a very special car. "It was a white D-Jaguar, the first one we had ever seen. We ran in a confused mass over to the car. Pierce Woods himself, the driver, sat in the cockpit, warming up the engine. Suddenly, said Puhn, "the quiet chugging rose to a tremendous howl that echoed among the giant trees and shattered the misty silence."

McClure's film shows us that white D Type roaring around the track that day, a memorable event in Jaguar history. For Puhn, though, the excitement of seeing those new D Types was tempered by the loss of the Torrey Pines Race Track, soon to be turned into the world-famous golf course we all know today. "This was the greatest road race course in the world," said Puhn, "and I admit we all shed a few tears as we looked at it for the last time."

*The winning Jaguar as it looks today, sans flames*

# 17th Annual Rolling British Car Day

**Two starting points:** Temecula and San Marcos. Both locations meet at 9; leave at 10. Both locations have gas stations nearby; both have places to grab a coffee/tea and some snacks; both have restrooms available. More details about the starting locations are on the web site ([www.sandiegobritishcarday.org](http://www.sandiegobritishcarday.org))

**This will be the most fantastic Rolling British Car Day EVER!** Both routes will travel through scenic back-country, twisty roads, with our famous “Wave & Smile” opportunities. No trip through downtown La Jolla this year—or EVER AGAIN! The two routes will converge, and we will parade the last 15 or so miles to our fabulous SECRET location.

Our final destination is truly beautiful and unique. We are being hosted by a fabulous group of folks. Here’s a few clues about our destination:

- Connections to John Wayne and John DeLorean
- We will be parking on beautiful grass—with views that are post card quality!
- Very exclusive, very private and extremely beautiful
- If your car isn’t running . . . you can fly in!
- You will not be able to see any office buildings . . . nor hear any highways!
- Our hosts will be joining us with some of their collector cars
- We doubt you have ever been there before!
- Our gracious hosts will be providing a freshly prepared British theme lunch and beverages (including beer, ales and wine)—see website for the exact menu. Purchase of the lunch is cash only.

We want to keep you in suspense about the destination for awhile! More hints will appear on the web site and the e-mail notices. However, in April, we will go public, so that babysitters and others will know where you’re going!

**Because our hosts are preparing this feast for us, we need a committed headcount this year.** This is different than previous years! Please go onto the web site and register and pay (PayPal or check) for your “Rallye Pack” (\$10.00) NOW!! Your pre-paid Rallye Pack is your confirmation, your route directions, your gate pass, your windshield placard for our impromptu car show, registration & other materials for British Car Day, and some fun goodies. Rallye Packs will be distributed at the two starting locations.

Although we will make a limited number of Rallye Packs available the morning of the event, we can not over-emphasize the importance of registering and purchasing your Rallye Pack NOW! Thanks in advance.

You will need:

- We will be eating on the grass, under beautiful shade trees. You will need chairs, perhaps a blanket, and a table if you have one.
- You are welcome to bring your own picnic and beverages as always . . . but we do hope folks will support the British theme lunch being prepared!
- **Lunch and other “shopping opportunities” are cash only. No credit cards or checks.**
- As with all Rolling British Car Day events, you will need to provide your own vehicle and liability insurance, and sign a release to that affect.

Rain? The event will take place even should it rain. We will park on asphalt, and eat under cover. The destination is still beautiful, and the routes will still be scenic!

# *San Diego Jaguar Club Board of Directors Non-Meeting Minutes*

## *March 7, 2012*

There was no physical meeting of the Board in March. We couldn't get enough members together for the required quorum. The following items were discussed via email:

1. Arranging for Dan Jensen to be check signer. – Dan, I'm getting kicked out of house tomorrow so house-keeper can do her job without my supervision. Are you free anytime tomorrow? I'm thinking of going down to the boat and install internet. There is a branch 455 Island Street downtown if you are free or I could meet you at some other branch more convenient to you. Also Lunch?
2. AGM has advised that next year's AGM will be in Mexico City. They are asking if we will send delegates and how many might go from the club. It's not on Nedra's and I's list of places to visit anytime so comments before I query the whole membership.
3. Nedra is concerned about any increase in dues we might need because of an increase in JCNA dues. Understood but think we should wait and see what happens at AGM.
4. Event in May. Mike has made significant progress on planning a drive and train ride at Campo. I propose we can schedule mid May, Sunday the 13th and ask Mike to keeping working out details.
5. Event in March – Joe's Crab Shack – Blast will be sent out this week to gather more members.
6. Event in April – Deposit made and hopefully still on schedule for April 14th.
7. Pricing new fancy brochures – Nedra has info and I will ask her nicely to distribute.

### ANYTHING ELSE I HAVE MISSED?

#### Grant

These items will be further addressed at the April meeting.

On a motion electronically made by Stick Holmes and metaphysically seconded by Craig McLaughlin, the following new members were approved unanimously:

# 2012 JCNA Judge and Concours Training

The JCNA Concours Season is already underway and there are several fun shows scheduled here in the JCNA Southwest Region, many of which are within reasonable driving distance of San Diego. Our own SDJC Jaguar Social and Concours will be held on Sunday, July 22. Between now and then, it's important that SDJC Judges and Entrants alike familiarize themselves with the concours rules effective this year by attending one of the two scheduled Judge and Entrant orientation sessions. Both sessions will:

- Instruct Judges and Entrants on the latest rule changes,
- Provide the opportunity to take the Judge's test to maintain Judge currency or to begin the Judge Certification process, (tests may also be downloaded from the <jcna.com> site, and
- Inform new Entrants, or those with only casual curiosity, what concours are all about.

For homework, please go to the JCNA Website Concours Center <jcna.com> and download the entire 2011, 10.1 edition of the JCNA Concours Rule Book (updated April 2011) with changes approved at the 2011 AGM and review the rule book. The changes approved at the 2012 AGM are still being worked and should be available very soon (but very few pages have changed since last year.). A limited number of JCNA Concours Rule Books will be available for your use during the training sessions. If you already have a copy of the JCNA Concours Rule Book, please bring it with you to the training session. You are welcome to join us whether or not you have a specific interest in concours or judging.
