JAGUAR

Presidential Perspective

Our club has had two great events since I wrote my last perspective. Paul Novak hosted our fourth "SDJC Dyno Day" at the Dyno Shop in Santee. I had not attended this event in the past so I was not sure what to expect. Well, it turned out to be a blast. I found out my XK8 puts out about 100 hp less than the XKR! No bragging rights for me so I guess I'll just have to find a nice XKR. For those who may think this is not their "cup of tea", I highly recommend giving this event a try and you might be surprised at how much fun you will have!

Our second and very special event was the San Diego Zoo tour and luncheon. We had another fantastic turnout, including new members Deni Greene, Mark Burhart, James Harkins, Howard and Lynne Stark and Mendi Wyatt. The event staff at the zoo arranged for a bus tour and a surprise visit to both jaguar enclosures! At the conclusion of our luncheon, we presented a check for \$1,000 to the zoo in honor of their jaguars. I hope that our club will continue this tradition of supporting the zoo. I would like to thank Ray Waite who was responsible for this event and in helping the SDJC reestablish its relationship with the zoo. For more details and pictures, please see the zoo article in this issue.

As the last four events have been catered lunch or dinner events, our next event will be free! Bob and Ali Proctor have put together a leisurely drive through the beautiful plains and mountains of our San Diego East County. Details can be found in this issue. While it is free, we still need a count of attendees, so make sure you email Bob if you plan to attend this drive.

I want to thank Pete Picksly for stepping up and volunteering to be our San Diego Automobile Museum representative. Our past Property Manager, Mike Smith, has stepped down so we are looking for one of our members to take over this easy position. Your job would be to maintain the inventory of the club's property which includes our tents, banners and miscellaneous items used for our concours. Most items are stored in a small rental unit the club rents. Please contact me or any board member if you would like to help out your club by volunteering for this position.

Lastly, I would like everyone to check their spam settings. As more internet mail providers try to stop spam, I am getting more emails that I send out in groups returned as not delivered. If you could check your spam settings to allow these emails, I would appreciate it. Usually it is as simple as having my email, jstamets@gmail.com in your contacts list. Bob Proctor will also be sending updates on our events, so please add his email to your contacts list. Bob's email is robertproctor@roadrunner.com. If you have not been receiving any of our emails, please drop Bob and me an email so we can update our email contact list.

Cheers,
Jay

Directions to SDJC Concours

Spanish Landing is on the south side of Harbor Drive directly across from the Terminal 2 exit from San Diego International Airport (Lindbergh Field). From I-5, follow the signs to the Airport. This will place you westbound on Harbor Drive. Go past the Terminal 1 and Harbor Drive traffic signals and watch for the Spanish Landing signs. Turn left into the park at the traffic signal for the exit from Terminal 2. There will be San Diego Jaguar Club Signs marking the location.

The San Diego Jaguar Club plans this as a show and a picnic. If you are traveling from out of town and cannot pack a picnic lunch, box lunches can be pre-ordered on the registration form, and soft drinks and water will be available for purchase on site for \$1.

Overnight motor home and trailer parking is not allowed in Spanish Landing Park. There are county, state, and privately operated parks that accommodate overnight stays. One such is De Anza Harbor Resort at 2727 De Anza Rd., about seven miles from Spanish Landing (619-273-3211). There is often space past the west end of the Concours field that can accommodate day-of-show trailer and tow vehicle parking. If available, space is allotted on a first-come, first-served basis.

All entrants are requested to bring a fire extinguisher.

CONCOURS GUIDANCE FOR THE ENTRANT

1. All cars will be judged in accordance with current JCNA rules.
2. Ensure that your "Entrant Data" appears correctly on your score sheets. In order to compete for JCNA regional or North American standings, you must be a JCNA member at the time of showing. Your name and JCNA member number, entered on the score sheet, must appear the same as on your JCNA membership card.
3. The vehicle Entrant or a member of his/her immediate family or trust:
 - a. Must be present during judging and is responsible for showing the car.
 - b. Will be given the opportunity to provide proof of authenticity for any items noted by the Judging Team for non-authentic point deductions.
 - c. Must initial those non-authentic deductions, which stand.
4. The component judging method will be used. When the judges arrive at your car, please have the boot lid, doors, windows and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in JCNA concours). If appropriate for your car model, side curtains, tonneaus and boot covers should be displayed nearby.
5. Factory and/or aftermarket floor/overmats should be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
6. Judges are NOT permitted to touch the car without the Entrant's permission. Entrants will please open and/or close the windows, doors, bonnet and boot lid if and when requested.
7. Spare tires need not be removed for judging. However, Champion Division Entrants should be prepared to remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
8. Driven Division entries will NOT have their boot nor engine compartments inspected. However, the judging team will require that bonnets be opened to verify the cars have proper Jaguar engines.
9. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. ENTRANTS WILL PLEASE AVOID ANY EXTRANEIOUS CONVERSATION WITH THE JUDGES.
10. Following Operation Verification, Entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15 minute period, the Entrant should contact the Judging Team Leader in order for the item to be re-verified and the deduction adjusted if warranted.
11. Entries may NOT exit the display area prior to the end of the concours without the permission of the Chief Judge or Concours Chairperson. If an early departure is approved, a safety escort must be provided.

THANK YOU FOR YOUR PARTICIPATION AND COOPERATION

50th Anniversary Preparations

We should all be aware that July 13, 2014, marks the 50th anniversary of the San Diego Jaguar Club's premier annual event, our Concours d'Elegance. Director Lloyd Prosser has a committee making preparations for an appropriate way to celebrate this year's show. Presently, they are in brainstorming mode seeking input from members. If you would like to join this effort, contact Lloyd at 760-717-2916. He will be happy to introduce you to the committee.

From the 2013 Concours: J. Craig Venter & Heather Kowalski won best in class C01B, Best in Show and the Bill Tuchscher Memorial Award with their 1948 Jaguar 3.5 Litre MK IV Saloon.

Our concours is an officially sanctioned JCNA event. As a result, we receive entrants from all over the Southwestern United States. The beautiful venue at Spanish Landing in San Diego, provides a show field on the lawn with shade trees and a stunning view over open water toward Harbor Island and its many marinas. We typically arrange over 50 classic Jaguars on the field in an artful fashion that does not crowd the cars. The arrangement allows space for entrants to have a picnic setting next to their cars and photography enthusiasts to capture images of their favorite vehicles.

From the 2004 Concours: Richard Darnell's 1932 SS1 Coupe

From the 2004 Concours: Bill Rooklidge's 1953 XK 120 FHC.

Cars from Concours Past

From the 2012 Concours: Stick Holmes' 1960 Jaguar MK IX Saloon.

Cars are judged in the morning and trophies presented in the early afternoon leaving participants the remaining part of their Sunday to relax and wind down. If you have never attended or participated in one of our concours events, you must not miss this year's 50th anniversary show. It promises to be a top quality experience and highlight of the year.

From the 2007 Concours: Preservation Class winner, Jim Hallameyer's 1969 Jaguar E-Type OTS

From the 2013 Concours: A veteran of many shows, championship class winner and recipient of the 2012 Bill Tuchscher Memorial Award, Ken and Ann Smith's 1961 Jaguar XK 150 DHC.

San Diego Zoo Tour and Luncheon

Sunday, February 9, 2014

article by
Jay Stamets

San Diego Jaguar Club members gather to enjoy another outstanding event!

Fifty four members of the SDJC were guests of the world famous San Diego Zoo for an event hosted by club member Ray Waite. As we gathered at the zoo's entrance, we were greeted by Ray's good friend, Marni Hayman, the zoo's Gift Planning Manager. Rachel Poulsen, the zoo's Event Planner, was also on hand to personally ensure our event went off without any glitches. Marni then introduced us to Stacy, our private tour guide! Staci, who has a great, outgoing personality, lead us to our double decker bus for an exclusive two hour tour.

Staci's knowledge and love of the zoo and its animals became obvious as she discussed the many animals and plants on our tour route. Special highlights of our tour were stops at the zoo's two Jaguar enclosures. The first enclosure houses their two breeding spotted jaguars where we got to watch the gorgeous male jaguar named Guapo find his special Sunday treat. Yes, it was a big, fat, white, furry, frozen bunny. As Guapo enjoyed his treat, his keeper, Chad, briefed us on jaguars, explained the zoo's jaguar program and answered our questions. Our tour next took us to visit our club's mascot Orson. Orson is the zoo's 21 year old black jaguar. In human years, Orson would be 95 years old but, the old boy's black coat is still shiny and beautiful and he is in excellent health for his age. His keeper, Todd, placed a rabbit in a box which was tied up in a tree and Orson took no time at all finding his treat! Todd gave us a talk about Orson and answered our questions. It should be noted that in the past, the SDJC has donated money to the zoo in honor of our Orson and the zoo's jaguar program. Hopefully, this tradition will continue in the future!

Our bus tour and jaguar enclosure visits soon came to an end and we were dropped off at the zoo's Rondavel conference room for our luncheon buffet. We were greeted by animal trainer Zabrina, who gave us an engaging live animal presentation. At the conclusion of our luncheon, SDJC member Ray Waite presented a check from the San Diego Jaguar Club in the amount of \$1,000 to Mark Stewart who is the zoo's executive in charge of membership. Mark then gave us a short presentation on the zoo's mission and goals in preserving endangered species worldwide. Diane McDonald concluded this wonderful event with her always popular raffle! Thanks Diane for another great raffle!

SDJC member Ray Waite, who sponsored this event, and Club President Jay Stamets, present a check in the amount of \$1,000 from the San Diego Jaguar Club to Mark Stewart, the San Diego Zoo's Executive in charge of Membership. SDJC members have contributed regularly over the years to the Zoo's preservation efforts benefiting the jaguars, specifically our favorite jaguar, Orson.

Here Comes ^{the} Judge

By Paul Novak, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance to help you understand more about this interesting aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun.

The Concours 101 training session, set for 3 May, is an orientation class for those interested in learning more JCNA Concours. The Judge Refresher Training sessions, set for 3 May and 21 June, is the annual briefing that JCNA Certified Judges must attend to maintain their certification and is also part of the required training for those interested in becoming a JCNA Certified Concours Judge. More details on this upcoming training are provided on page 27 in this issue of Jaguar Tracks.

The foremost purpose of the JCNA Concours is to encourage Jaguar owners to preserve, maintain, and present their Jaguars in as clean and authentic condition as possible. A secondary purpose is to celebrate all Jaguars and their owners by creating an event where people may share all degrees of interest in owning, driving, maintaining, and restoring Jaguars. The JCNA Concours year runs from January 1st through November 30th. Each JCNA affiliated club, that has met JCNA training and certification prerequisites, may hold one JCNA sanctioned Concours d'Elegance per year. Our Concours will be on 13 July. In order for scores to be eligible for annual JCNA Concours Standings each event must offer: Champion Division, Special Division, and Driven Division competition.

JCNA is an international organization with 67 clubs in 6 regions including clubs in Canada and Mexico. As members of the San Diego Jaguar Club (SDJC) we have a great location because we can easily attend concours events hosted by nearby clubs and compete for Regional or North American Awards (note that there is no such thing in JCNA as a "National Award" because JCNA is international). In addition to participating in our local concours, our members routinely travel to compete in concours events held by clubs in Los Angeles, Temecula, Phoenix and Tucson. Traveling to those locations is an opportunity to meet and share in fun activities with other Jaguar owners and learn more about how they enjoy their Jaguars, their club's activities and their JCNA membership.

JCNA Concours d'Elegance Quick Facts

- Concours pronunciation, singular or plural, sounds like "konkooor".
- JCNA concours translation: a beauty contest for Jaguars.
- JCNA was founded 1/16/1958 and concours has always been a major JCNA program.
- The SDJC was founded in 1959 and our first concours was held in 1964.
- In 2014, SDJC will hold our 50th Annual Concours d'Elegance.
- Concurrent activities can include picnics, lunches, awards banquets and entertainment.
- The JCNA Concours Rule Book can be downloaded for free at: www.jcna.com

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by email at P.M.Novak7@gmail.com.
