Presidential Perspective

I would like to update everyone on my move to Arroyo Grande. As many of you know, Ann and I have been planning to move there since last summer, to be near our son and daughter-in-law. We are in the process of building a home in "AG", as the locals call it. We recently put our home in Escondido on the market thinking it would take a month or so to sell. It, of course, sold the very first day! Needless to say, I will be relinquishing my duties as your president in May. I have been very fortunate that the current board members and committee chairpersons are all very experienced and dedicated people and have made my short term as president very easy. Your board will announce my replacement after the April board meeting.

Your board also has some exciting news to report to you! We are extremely proud to announce that your past President, Editor and Webmaster, Richard "Stick" Holmes, has been awarded the Jaguar Clubs of North America's "Andrew Whyte Service Award" for 2013. This award recognizes an individual who has demonstrated unity, cooperation and good relations within the JCNA network. Stick was a prime example of a person who endeavored to be of assistance to everyone whenever he could! The Andrew Whyte Award will be presented at this year's JCNA AGM on April 6, 2014. Paul Novak, our JCNA delegate to the AGM, will accept the award for him. We will then present the award to Stick at our 50th Anniversary Concours in July. Again, congratulations to Stick on this well deserved recognition!

For those of you who missed our "Drive to Nowhere", it was one of the best drives I have ever been on! We started out in San Diego on Clairemont Mesa Blvd and headed up to Ramona, then on to beautiful Julian and back down to La Mesa for lunch. The weather was absolutely perfect! Many thanks to our fearless tour guides, Bob and Ali Proctor, for organizing this wonderful drive. It was anything but a "drive to nowhere"!

In April we have two club events! The first one will be on April 12th and is a club drive to "The Detailing Pros" in Huntington Beach. We will receive tips and training on proper detailing of our Jaguars and hopefully get some hands on experience. Our second event is the popular annual British Rolling Car Day. If you have never attended this drive, you have been missing out on meeting some great folks with similar British car interests. You will see and smell everything from pre-war MGs and Morgans to the latest Jags and Aston Martins. This drive is being organized by Tom Wright, who is our club's representative to the BCCC and is also their newly elected President. Please see details on both events in this issue.

Lastly, I am sad to report the passing of two of our members. Lou Trippi, who joined our club in 2009, passed away after a short illness in January. More recently, Glenn Simpson passed away in February. Glenn was a long time honorary member of our club and was our president in 1980 and 1981. You will find a nice "In the Rearview Mirror" article on Glenn written by Randy Prine in this issue. Our hearts and thoughts go out to both families.

Directions to SDJC Concours

Spanish Landing is on the south side of Harbor Drive directly across from the Terminal 2 exit from San Diego International Airport (Lindbergh Field). From I-5, follow the signs to the Airport. This will place you westbound on Harbor Drive. Go past the Terminal 1 and Harbor Drive traffic signals and watch for the Spanish Landing signs. Turn left into the park at the traffic signal for the exit from Terminal 2. There will be San Diego Jaguar Club Signs marking the location.

The San Diego Jaguar Club plans this as a show and a picnic. If you are traveling from out of town and cannot pack a picnic lunch, box lunches can be pre-ordered on the registration form, and soft drinks and water will be available for purchase on site for \$1.

Overnight motor home and trailer parking is not allowed in Spanish Landing Park. There are county, state, and privately operated parks that accommodate overnight stays. One such is De Anza Harbor Resort at 2727 De Anza Rd., about seven miles from Spanish Landing (619-273-3211). There is often space past the west end of the Concourses field that can accommodate day-of-show trailer and tow vehicle parking. If available, space is allotted on a first-come, first-served basis.

All entrants are requested to bring a fire extinguisher.

CONCOURS GUIDANCE FOR THE ENTRANT

1. All cars will be judged in accordance with current JCNA rules.
2. Ensure that your "Entrant Data" appears correctly on your score sheets. In order to compete for JCNA regional or North American standings, you must be a JCNA member at the time of showing. Your name and JCNA member number, entered on the score sheet, must appear the same as on your JCNA membership card.
3. The vehicle Entrant or a member of his/her immediate family or trust:
 - a. Must be present during judging and is responsible for showing the car.
 - b. Will be given the opportunity to provide proof of authenticity for any items noted by the Judging Team for non-authentic point deductions.
 - c. Must initial those non-authentic deductions, which stand.
4. The component judging method will be used. When the judges arrive at your car, please have the boot lid, doors, windows and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in JCNA concours). If appropriate for your car model, side curtains, tonneaus and boot covers should be displayed nearby.
5. Factory and/or aftermarket floor/overmats should be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
6. Judges are NOT permitted to touch the car without the Entrant's permission. Entrants will please open and/or close the windows, doors, bonnet and boot lid if and when requested.
7. Spare tires need not be removed for judging. However, Champion Division Entrants should be prepared to remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
8. Driven Division entries will NOT have their boot nor engine compartments inspected. However, the judging team will require that bonnets be opened to verify the cars have proper Jaguar engines.
9. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. ENTRANTS WILL PLEASE AVOID ANY EXTRANEIOUS CONVERSATION WITH THE JUDGES.
10. Following Operation Verification, Entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15 minute period, the Entrant should contact the Judging Team Leader in order for the item to be re-verified and the deduction adjusted if warranted.
11. Entries may NOT exit the display area prior to the end of the concours without the permission of the Chief Judge or Concours Chairperson. If an early departure is approved, a safety escort must be provided.

THANK YOU FOR YOUR PARTICIPATION AND COOPERATION

Cars from Concours Past

The first show of the San Diego Jaguar Club was held in 1959 in Balboa Park, San Diego, California. Our first Concours d'Elegance, sanctioned by Jaguar Clubs of North America, was held in 1964.

From the 2011 Concours: Jack Rabell prepares his 1954 Jaguar XK 120 FHC. This car is a JCNA North American award winner and veteran of numerous shows and club events.

From the 2013 Concours: Rob Cohen's 2012 Jaguar XKR Coupe. This car is a champion division winner in concours as well as a competitor on the race track.

From the 2011 Concours: Rex Ryan's XKSS.

From the 2013 Concours: Steven Hawley's 1964 Jaguar 3.8 Litre S-Type Saloon.

From the 2004 Concours: Jim Roberts' 1969 Jaguar E-Type OTS. First place winner in Driven Division. Perennial favorite at many shows and club events.

From the 2011 Concours: An impeccably restored 1966 Jaguar E-Type OTS helps us celebrate the 50th Anniversary of the E-Type; one of the most beautiful cars ever produced.

P&P Drive to Nowhere

Saturday, March 15, 2014

article by
Bob Proctor

San Diego Jaguar Club members touring the San Diego back country.

The Harding's XK 120 and the Williamson's XK8 follow Jay Stamets' XK8 on Wildcat Canyon Road.

Over 20 Jaguars and 50 SDJC members arrived early on a glorious Saturday morning for the 1st P&P Drive to Nowhere. Earliest model Jaguar, a 1954 XK120, belonged to Joe and Deborah Harding. Latest model Jaguar, a 2014 F-Type, belonged to Kurt Astroth. All the Jaguars were tuned, shined, and ready to go!

We gathered at 9:00 am at McGrath Shopping center on Clairemont Mesa Blvd. There was plenty of time to grab that morning cup of coffee and mingle with the other Jaguar enthusiasts before getting the previously top secret instructions from drive organizer Bob Proctor.

We headed out to hit the road around 9:45 am for a leisurely drive through some of the prettiest roads in San Diego County. After heading east on the 52 we meandered up Wildcat Canyon Rd. through Barona and on into Ramona. After optional pit stops in Ramona, Santa Ysabel and Julian, we took the 79 past Lake Cuyamaca and into the Cleveland National Forest south of Interstate 8. People who wanted to could exit the drive here at this point. We swung onto Lyons Valley Road and Skyline Truck Trail before heading down into Jamul and grabbing the 94 to La Mesa where members gathered for lunch.

With the number of hairpin turns and edge of the canyon roads kept to a minimum, thanks to Ali Proctor, members arrived in La Mesa with big appetites and big smiles. Members had their choice of eateries and gathered in small groups to dine and hang out with friends both old and new. Special guests from Sweden, Goren and Solvig Wigen, joined Pete Picksly in his 1990 XJ6 VDP for the 115 mile drive.

Please look for the next SDJC P&P drive!

Joe Harding's 1954 XK 120 is a veteran of many tours.

It was a real treat to play host to Goren and Solvig Wigen from Sweden. They made the Drive a truly international event!

Members should stay tuned for the next Drive. You won't want to miss it.

Many Thanks to Bob and Ali Proctor for organizing this P&P Drive to Nowhere.

Glenn Simpson

10/06/1935 - 02/18/2014

According to Glenn's mother, the first words he spoke were "car-car". So, you know his love for cars started very young. When he was 16, he owned four cars at one time. His hobby and whole world at that time revolved around drag racing. In college, Glenn had a sponsor with a car and raced to earn money for his education. After college, Glenn got into racing Porsches with the ultimate experience being at Riverside Raceway. Around that time, he purchased his first Jaguar, a 1953 XK120C Roadster.

Glenn and Margie joined the San Diego Jaguar Club in May 1974, and from the start, took an active part in club activities. Glenn served as president of the club in 1980 and 1981. In 1980, SDJC sponsored the first "Ascot" at the Del Mar race track with all proceeds (\$15,000) going to the United Cancer Society. Glenn laid out and positioned the cars. His Mark IX won the "Peoples' Choice" award. He was also a delegate to the Jaguar Clubs of North America, Chief Judge and judge of SDJC's Concours d'Elegance, served on SDJC Board of Directors and laid out the course for club rallies. Glenn and Ed Soens presented the Bill Tuchscher Memorial Trophy to the club in 1977. The trophy honors their friend and club member, Bill Tuchscher, who died tragically while on a motorcycle outing in the desert in May of 1977. The trophy is engraved each year with the name of the member who achieves the highest score in championship division at the annual SDJC concours d'elegance.

February 27, 1977, the SDJC caravanned to Pine Hills Lodge from the College Grove parking lot with 19 Jaguars, an MGTF and 45 people. The MGTF overheated and Glenn escorted the driver to a service station for first aid. Glenn then pushed on to Pine Hills at 95 mph to catch up with the caravan. The CHP arrived on the scene at Pine Hills to present Glenn a ticket for going 70 mph, slightly better than 95!

Marilyn and I first met Margie and Glenn in 1975 when we joined the SDJC. Our daughters Helen and Julie remember Glenn as that fun guy they played with on our club outings. They climbed trees; Glenn was "Tarzan", Helen was "Jane" and Julie ended up as "Cheetah", to her dismay! One of the highlights of our friendship over the years was when Glenn acted as chauffeur, driving our daughter Julie to her wedding in his beautiful MK IX.

Glenn owned and operated "Classics and Jags", a repair and restoration facility. He was always available to offer his expertise and advice to club members.

Here Comes ^{the} Judge

By Paul Novak, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun.

JCNA recently announced the formation of a new Concours Committee (CC). Although there are committees for Rally and Slalom, there never has been a JCNA committee to address Concours policy issues. Concours rules, procedures and philosophies are set forth in the JCNA Concours d'Elegance Rule Book which is managed by the JCNA Concours Rules Committee (JCRC). Judging issues, conflicts and protests are managed by a separate Protest Committee. The CC now oversees the overall Concours d'Elegance program complimenting the JCRC and Protest Committees.

The Concours Committee is responsible to:

- Sanction Events
- Maintain the overall Concours calendar to insure no conflicts
- Monitor Judge qualifications and numbers
- Review and approve all Concours reports to insure rules compliance
- Develop and coordinate Concours policy
- Establish the most practical and equitable process by which JCNA determines regional and North American Awards

The CC is composed of one member from each of the six JCNA regions. They are your GO TO persons for all Concours issues. If you have any questions, concerns or ideas for improvement to the JCNA Concours program, they are the ones to contact. The CC Chairman is Pat Harmon, pharmon@jcna.com and the JCNA South West Region representative is Mike Zavos, m_zavos@hotmail.com

JCNA Concours d'Elegance Quick Facts

- All Judges at JCNA Concours must be current JCNA members
- All Judges must receive an annual update on Rule Book changes that affect judging
- Judge certification must be renewed every three years including passing a written test
- Judging Teams are allowed a maximum of 15 minutes of judging time per Jaguar
- All Jaguars judged in JCNA sanctioned concours are judged by the same standard as detailed in the current JCNA Concours Rule Book and the approved Judging Guides
- A perfect score in Champion Division competition is 100.00 points
- A perfect score in Driven Division or Special Division competition is 10.00 points

Details on the upcoming Judge and Concours 101 training are provided on the following page in this issue of Jaguar Tracks. If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by email at P.M.Novak7@gmail.com
