Presidential Perspective

Since this is my last Presidential Perspective as President, I would like to take the opportunity to thank all the board members and chairpersons for their support and dedication, which made my position as president an enjoyable one. Without them, your club would not be the active club that it is today.

I am also happy to report that George Klein has accepted the position as your Interim President for the remainder of the year. Please give him your support by volunteering to host future events, getting involved with the Concours, becoming a chairperson or running for a board position this fall. To replace George as a Director, Mark Hodges has accepted the position as Interim Director. Mark will also continue on as our fearless Webmaster. Thanks to both George and Mark for stepping up to these positions.

The next few months are going to be a busy and exciting time for the club. Friday, May 9th is our annual New Member's Dinner, hosted by Nedra and Grant Rummell. Except for our Holiday Dinner, this is the second most popular dinner event of the year and will be held at St. Mark's Country Club, formerly the San Marcos Country Club. It is our way of recognizing and welcoming all the new members who joined during the last year. I still remember my first New Member's Dinner eight or nine years ago, hosted by the Rummells, because I won their Grand Prize Raffle! A big thanks to Nedra and Grant for hosting this event over all these years.

In June we have two events! Paul and Debby Novak are hosting another "Garage Mahal" at their home in Ramona. Their home was recently showcased in the Ramona Garden Club's Blooms, Boulders and Birds Garden tour, so besides talking Jaguar cars in Paul's Garage Mahal, we can enjoy their beautiful gardens. Our second event is the MCRD "Car Show On The Bay". The proceeds for this car show support the Marine Corps Community Service Programs in San Diego. The show will be open to the public and our Jaguars will be parked on the Marine base's beautiful Bay View Marina Lawn. The Bay View Restaurant will be open for both breakfast and lunch or you can bring your own picnic. As this is such a good cause, I encourage you to support this event and enjoy a day at the bay with your fellow club members! Please see details inside on both events.

If you missed Paul Novak's concours training class on May 3rd, please sign up for his class on June 21st at Classic Showcase. Over the years, our club has been noted for it's quality training of our judges thanks to the efforts of Dick Cavicke and now, Paul Novak. To continue this tradition, we need new judges, so if you would like to become a judge, please give Paul a call and sign up for his course. It's a lot of fun and you do not need any experience! After attending judges' training you will be a judge trainee assigned to a judging team at this year's Concours.

Well, before I sign out, I want to say that Ann and I will miss all the friends we have made and the camaraderie of the club. While we will be living in Arroyo Grande, we plan to remain SDJC members next year and will look forward to the Jaguar Tracks to keep us informed of the club's activities. Farewell and safe driving!

Jay and Ann

Directions to SDJC Concours

Spanish Landing is on the south side of Harbor Drive directly across from the Terminal 2 exit from San Diego International Airport (Lindbergh Field). From I-5, follow the signs to the Airport. This will place you westbound on Harbor Drive. Go past the Terminal 1 and Harbor Drive traffic signals and watch for the Spanish Landing signs. Turn left into the park at the traffic signal for the exit from Terminal 2. There will be San Diego Jaguar Club Signs marking the location.

The San Diego Jaguar Club plans this as a show and a picnic. If you are traveling from out of town and cannot pack a picnic lunch, box lunches can be pre-ordered on the registration form, and soft drinks and water will be available for purchase on site for \$1.

Overnight motor home and trailer parking is not allowed in Spanish Landing Park. There are county, state, and privately operated parks that accommodate overnight stays. One such is De Anza Harbor Resort at 2727 De Anza Rd., about seven miles from Spanish Landing (619-273-3211). There is often space past the west end of the Concours field that can accommodate day-of-show trailer and tow vehicle parking. If available, space is allotted on a first-come, first-served basis.

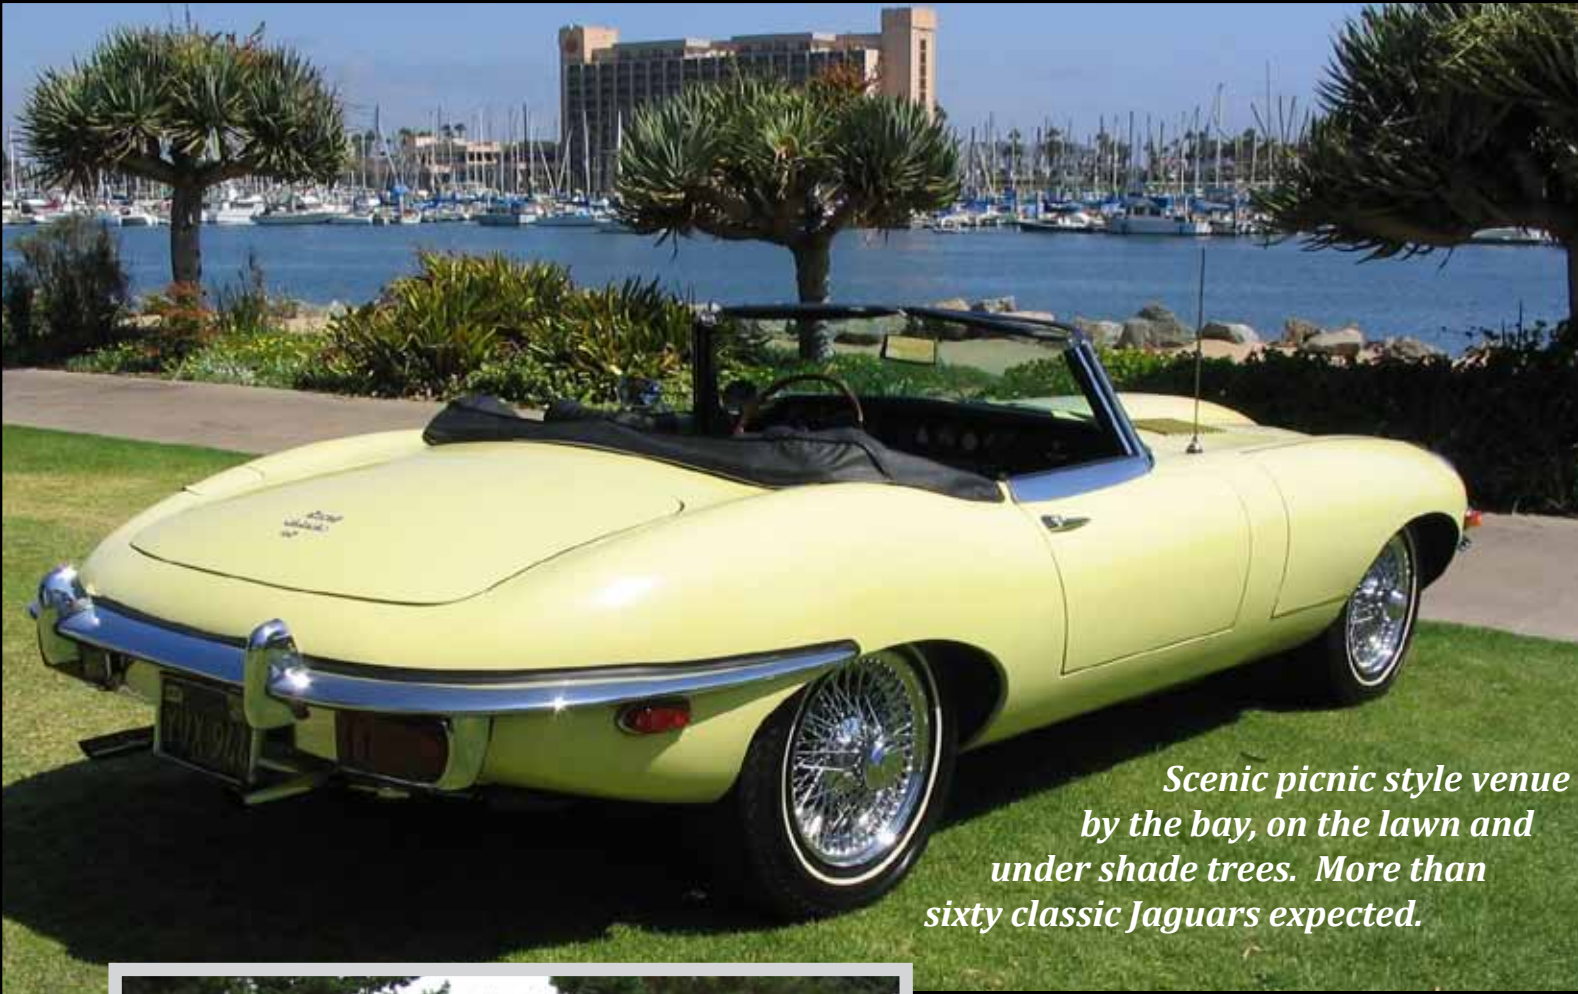

All entrants are requested to bring a fire extinguisher.

CONCOURS GUIDANCE FOR THE ENTRANT

1. All cars will be judged in accordance with current JCNA rules.
2. Ensure that your "Entrant Data" appears correctly on your score sheets. In order to compete for JCNA regional or North American standings, you must be a JCNA member at the time of showing. Your name and JCNA member number, entered on the score sheet, must appear the same as on your JCNA membership card.
3. The vehicle Entrant or a member of his/her immediate family or trust:
 - a. Must be present during judging and is responsible for showing the car.
 - b. Will be given the opportunity to provide proof of authenticity for any items noted by the Judging Team for non-authentic point deductions.
 - c. Must initial those non-authentic deductions, which stand.
4. The component judging method will be used. When the judges arrive at your car, please have the boot lid, doors, windows and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in JCNA concours). If appropriate for your car model, side curtains, tonneaus and boot covers should be displayed nearby.
5. Factory and/or aftermarket floor/overmats should be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
6. Judges are NOT permitted to touch the car without the Entrant's permission. Entrants will please open and/or close the windows, doors, bonnet and boot lid if and when requested.
7. Spare tires need not be removed for judging. However, Champion Division Entrants should be prepared to remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
8. Driven Division entries will NOT have their boot nor engine compartments inspected. However, the judging team will require that bonnets be opened to verify the cars have proper Jaguar engines.
9. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. ENTRANTS WILL PLEASE AVOID ANY EXTRANEIOUS CONVERSATION WITH THE JUDGES.
10. Following Operation Verification, Entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15 minute period, the Entrant should contact the Judging Team Leader in order for the item to be re-verified and the deduction adjusted if warranted.
11. Entries may NOT exit the display area prior to the end of the concours without the permission of the Chief Judge or Concours Chairperson. If an early departure is approved, a safety escort must be provided.

SDJC with The Detailing Pros

Saturday, April 12, 2014

article by

Grant Rummell

Bob Proctor, 'The Organizer', with June and Nedra

We all know how committed those brave environmentalists can be, like traveling many miles in bad weather over difficult terrain to save a special tree. Well, the San Diego Jaguar Club has the same kind of people – as on Saturday April the 12th when 22 members and 16 cars arrived at the 5 interstate rest stop outside of Oceanside in what seemed to be the middle of a cold night (maybe high 50's and that's cold for southern California) to ready themselves for the arduous trip up to Huntington Beach and the head offices of **DETAILING PROS** so that they might learn how to save their Jaguars from the ravishes of time and the terrible environment of San Diego.

A little exaggeration you might say. Well you haven't meet our Zen Master for the day, Mel Craig, the "head pro detailer". He is the Billy Graham of car detailing, with his own radio show and worldwide activities on car detailing. He and his helpers were really truly informative and fun to listen to. Everybody from the rank amateurs to the Concours Masters learned some really good stuff.

Particular high points:

Debbie Woolley pushing her bionic husband Bill around in his wheelchair as he makes a remarkable recovery from his terrible accident. I'm sure Bill likes his wife waiting on him literally hand and foot, but would be very happy to skip the whole experience.

Our leader of the day, Bob Proctor, who did a great job organizing and managing the day, forgetting one of the instructions using the high speed electric polisher and spraying goop all over the new clean shirt of our Zen Master. (Bob, the natural born salesman isn't so good at some other things.)

Our new President, George Klein, missing one of the verbal quizzes of the day so badly that the Master asked the class why we elected him President. The response was, "We were desperate".

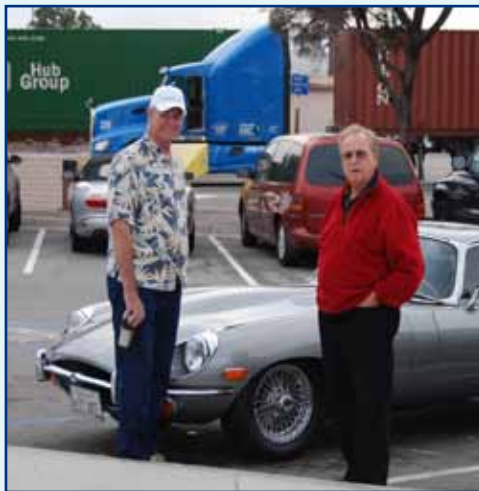

And my personal favorite was watching our 2nd VP and my better half, Nedra Rummell, learning to machine polish the hood of a Honda Accord (see picture) while her retired husband stood idly by musing, "I see income potential here".

Yes, as the SDJC members walked to their cars at the end of day, chanting the Zen's mantra of "CLEAN, DECONAMINTATE, POLISH AND PRESERVE" over and over again. All agreed it was a good day (until they hit the 30 mile traffic jam on south-bound 5)!

Harry Cosmos, Vic Chang, June, Nedra and Grant Rummell take a break on the long drive North.

Mel Craig (right), our host for the day.

Eating, listening, reading and writing ... aka multi-tasking while learning!

Nedra masters the buffer.

SDJC with The Detailing Pros

Bob listens intently as Mel instructs.

Instruction was 'hands-on'.

Members learned by detailing their own Jaguars.

It's good to see Bill Woolley (left) getting back on track.

Mel Craig

SDJC with The Detailing Pros

A great deal of valuable information was learned by those SDJC members who made the effort to rise early and make the trek up the 5 to The Detailing Pros shop in Huntington Beach.

Members take a lunch break.

Many thanks to Mel Craig and his crew who took time and patience to provide detailing tips that will provide members with the winning margin when competing in the next concours.

Special thanks goes to Bob Proctor who organized this event.

A beautifully detailed XK8 convertible ready for show!

Mel takes pride in his work. This coupe got the full treatment.

Here Comes ^{the} Judge

By Paul Novak, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun.

JCNA AGM Quick-Look Report

It was my pleasure to represent the San Diego Jaguar Club as the delegate at the 2014 JCNA Annual General Meeting (AGM) held 3-6 April at the Hyatt Regency Cambridge, MA. The Jaguar Association of New England (JANE) hosted the daytime and evening events and the four day schedule was full of official JCNA meetings as well as fun outings. All of the events ran smoothly and JANE received well deserved recognition for running a fun and informative AGM. Full details on the AGM events can be found on the JCNA website. Here are two AGM items that I thought I should mention here:

Stick Holmes Receives 2013 JCNA Andrew Whyte Service Award. It was my pleasure to receive, on behalf of our former president Stick Holmes, his JCNA Andrew Whyte Service Award for 2013 at the JCNA 2014 Awards Banquet. This JCNA award is "Awarded annually to the JCNA member who best exemplifies Andrew Whyte's spirit of positive action and generosity towards Jaguar club members and Jaguar car owners". As you know in addition to serving as our president, Stick also served as newsletter editor, Webmaster, Concours Judge and much, much more. The SDJC Board of Directors plans to present this trophy to Stick at the SDJC 50th Annual Concours d'Elegance on 13 July.

2014 JCNA Concours Rule Book. I reported in my April "Here Comes the Judge" that JCNA recently formed a new Concours Committee (CC) to: sanction Concours events; maintain the overall Concours calendar to insure no conflicts; monitor Judge qualifications and numbers; review and approve all Concours reports to insure rules compliance; develop and coordinate Concours policy; and establish the most practical and equitable process by which JCNA determines regional and North American Awards. The new Concours Committee requested the JCNA Board of Directors table all of the Concours Rule Book proposals planned for the 2014 AGM because they didn't have sufficient time to work on them. As a result, there will be no significant changes to the Concours Rule Book for 2014. There were several editing errors and typos identified in the 2013 Concours Rule Book that are being corrected at this time. Once those errors are corrected, the 2014 JCNA Concours Rule Book will be available for download on the JCNA website. Other than those minor editing corrections, there are no substantial changes to the Concours Rule Book for 2014.

Details on the upcoming Judge and Concours 101 training are provided elsewhere in this issue of Jaguar Tracks. If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by email at P.M.Novak7@gmail.com.
