# Presidential Perspective

It is my honor to serve as your president again this year. With the Board of Directors that I have, it will be hard to screw it up.

I hope your holiday season started as well as mine. The club's holiday party got my season off to a flying start. Many thanks to Nedra Rummell for pulling it all together, more details and pictures on page 10.

Our first big event of 2015 will be our visit to the San Diego Zoo on 11 January. The price is right and the company couldn't be better although some do smell a bit (I'm referring to the animals). Seats are limited; sign up before it is too late. A drive and lunch has been planned for February; details of that are on page 8.

The new Board of Directors is now in place and is beginning to plan events for 2015. Any suggestions about new events are welcome. Although 1st VP Bob Proctor has done a spectacular job with our social schedule, help is always appreciated. Anyone with new ideas or who is willing to help or coordinate events for the year, please contact Bob.

If you have not already submitted your membership renewal, please do so ASAP. Don't forget to fill out your Member Interest Survey, especially the part concerning club support that you are willing to provide. We really do read those things.

Have you noticed that the newsletter gets better with every issue? The pictures are clearer, the pages are glossy, and our cost of production has not increased. Next time you see Jim Hallameyer, give him a pat on the back for a job well done and Rod Melendez for his efforts to get the issues in the mail on time and to the correct addresses.

I hope your new year starts off with a bang and I hope to see you at many events in 2015.

George

# MEMBERSHIP INFORMATION

**IT'S TIME TO RENEW YOUR SAN DIEGO JAGUAR CLUB MEMBERSHIP FOR 2015!** Current members were sent renewal notices last month. To meet the new JCNA reporting dates, renewals should be returned by January 2, 2015. Please remember to include your Member Interest Survey. We rely on your participation to make our club work.

New members may use this form for application to the San Diego Jaguar Club which includes membership in the Jaguar Clubs of North America, Inc.

It is a pleasure to report SDJC had significant growth in 2014. As of last report, our roster has 215 memberships including 150 family memberships and 65 single memberships for a total of 365 individuals in SDJC. Last year at this time, we had 203 memberships. As a result of this increased 2014 renewal rate, we are celebrating our largest membership in SDJC history.

The Officers and Board of Directors are planning interesting and fun events for 2015, so remember to read your Jaguar Tracks and check the website each month for dates, times, and locations of upcoming events. Additionally, SDJC is maintaining its longtime support of our San Diego Zoo and continues to support the next generation of jaguars. The San Diego Zoo has invited our members to meet the charismatic cats on January 11, 2015 for another special San Diego Jaguar Club Zoo Day. Please consider donating to the zoo when you renew your annual SDJC membership. If every member adds just \$10 (tax deductible) to their renewal, we can raise over \$2,000 to present to the Zoo at our January Zoo Luncheon event. The Board has already committed \$1,000 toward this goal in anticipation of your generosity to this worthy cause.

All members are encouraged to participate in the administration of the club and/or the operation of club activities. Please take a moment to indicate your areas of interest on the 2015 Member Interest Survey, which was mailed with your renewal form, and return it with your information and payment. As you renew your membership, why not take this opportunity to update or add your photo for the 2015 Membership Roster. Just e-mail a digital image to nedrar1@roadrunner.com or mail a hard copy to the address below.

Wishing you all a Happy New Year! Thank you for your ongoing interest and support in the San Diego Jaguar Club

# Holiday Party

Saturday, December 6, 2014

Article by George Klein  
Photos by Roger McDonald

The Holiday Party was a resounding success! Over 82 people attended, including members and spouses/significant others. The Holidays are a festive time to say the least. Add a well planned event by Nedra Rummell, some fine dining and dancing to a live band, a little fine wine and a great venue like a private room at the Sheraton La Jolla and you have the recipe for a wonderful evening.

Tom Krefetz was presented the newly refurbished Tuchscher trophy for his 1938 Jaguar 3.5L SS100. Ed Soens, a long time member who had dropped out of the club, but has recently rejoined, provided a little history. Bill Tuchscher, a long time member, passed away in 1977. Ed and Randy Prine decided to initiate the trophy in his honor. Ed purchased the trophy which, since 1977, has been awarded to any car at least 20 years old that attains a perfect score of 100 points at our Annual Concours' de Elegance. Since we had run out of space to identify the awardees, Jim Hallameyer redesigned the trophy to accommodate the new winners. That perpetual trophy remains in the Club show case at the Jaguar dealership on Convoy Street in San Diego.

# News from the San Diego Automotive Museum

Article by 'Jaguar Tracks' Editor, Jim Hallameyer

I recently had the pleasure of spending an afternoon with Paula Brandes who is the Executive Director of the San Diego Automotive Museum. Our Jaguar Club Representative to the museum, Pete Picksley, introduced Paula to our Board of Directors last year. Since then, I have been anxious to revisit the museum and interview Paula about the refined direction the museum is taking.

Paula's message is that the San Diego Automotive Museum is currently experiencing a renewal of purpose designed to appeal to a wider audience. No longer is the museum merely a collection of cars for 'gearheads'. The museum now chooses to present exhibits that relate to our cultural experiences and family memories regarding our own love affair with the automobile and all things related to it. This purpose is best expressed in their mission statement:

*"The mission of the San Diego Automotive Museum is to tell the story of the social and technological past, present, and future of motorized vehicles through its collections, exhibitions, and educational programs."*

Americans began a love affair with the automobile in 1903 when Henry Ford founded his car company employing the assembly line method for the production of cars. Mass production meant people could afford his Model T Fords, which were designed to be basic transportation, available in any color the customer wanted just so long as it was black. Price was a mere \$300. Soon the Chevrolet Model 290 was introduced. It cost, as you may have already guessed, only \$290. The Industrial Revolution was about to give Americans the freedom of traveling longer distances to places they had never seen before.

*The Lead Sleds were one of the most popular recent exhibits. All came from private individuals willing to lend their cars.*

With the automobile came a need for new infrastructure. Roads, bridges and fueling stations were built. A whole new set of regulations regarding the ownership and operation of motor vehicles needed to be developed. Our love affair with the automobile is now over one hundred years old. An entire industry has grown up around our transportation needs and travel experiences. The automobile rapidly became more than a utilitarian object to be used for going to work or transporting goods. We soon developed fond memories of traveling by car to visit other places and people. In time, it has become more than just a love affair. It has become a way of modern life in America.

*Some of the museums own restoration volunteers*

*Right is a 1928 Studebaker displayed just as it was found.*

*Left is a beautifully restored 1931 Cadillac.*

# San Diego Automotive Museum

*If you like bikes, they have them on display.*

*The museum's own staff restored this Jaguar XK 120.*

The San Diego Automotive Museum sees more than 100,000 visitors each year. Its prime location in Balboa Park affords accessibility to locals and tourists alike. The paid staff of twelve is assisted by 85 volunteers who perform a variety of tasks from acting as docents, setting up exhibits, working in the library or store, and even restoring cars. The museum has a large storage and restoration facility in the south bay area of San Diego. About 80 cars in various stages of restoration are owned by the museum. The collection is rolled over periodically as cars are acquired, exhibited and sold. Privately owned vehicles are the mainstay of most exhibits which typically last about three or four months. These cars are provided largely by the various car clubs in the region. Multiple exhibits are on display at any given time alongside one main exhibit. The main exhibit just ended featured the Lead Sleds you see in some of the photos accompanying this article. Exhibits are 'themed' and cars are presented as a piece of history. The museum loves original cars for their exhibits. They want to appeal to our desire to remember our own experiences growing up with the automobile.

The museum receives financial support from memberships, admissions, sponsored events, the City of San Diego, the County of San Diego, foundations and trusts and donations. They have 501(c) 3 status with the Internal Revenue Service which means your donations are tax deductible. The building in Balboa Park is on a 25 year lease from the City of San Diego.

*The store has a variety of memorabilia for sale.*

*Lead Sleds and rock 'n roll forever!*

*Anyone up for dinner at Oscar's?*

It has been a while since the San Diego Jaguar Club hosted an event at the San Diego Automotive Museum. Indoor and outdoor facilities are available for private parties. By far, the favorite place to host an evening dinner affair is on the main floor surrounded by the exhibits. Cost is nominal. I think it is time our Jaguar Club members returned for a formal visit to the San Diego Automotive Museum. What do you say?

Your investment will need preventative services and freshening up. Because your classic isn't an everyday car, it can be time consuming and stressful to find a classic Jaguar specialist. This frustration can lead collectors to the point of not doing anything. We would like the opportunity to take this process out of your life so that you can continue to enjoy your vehicle as much as the day that you first laid eyes on it!

### • Sell us your Classic Jaguar!

We cater to collectors and club members that wish to show, drive, and preserve the Jaguar Heritage of these wonderful classics as passionately as we are about restoring them! If you sell us your car, we will market it to Jaguar Collectors to ensure the heritage of these beautiful cars stays alive for future generations to come!

## JCNA New Car Discount Program

We are very happy to advise JCNA members that, effective immediately, Jaguar Retail Operations has announced the re-instatement of the JCNA New Car Discount program to all North American Jaguar dealers via Retail Operations Bulletin No: JSOB13-25. The biggest difference between this new program and the previous Club discount program, is an increase in the discount from \$750.00 to \$1,000.00. We know this has taken a long time in coming, but it is finally here! See **NOTE** below for new information.

### Program Description

Jaguar Clubs of North America members receive a customer cash offer upon verification of current membership. A Customer PIN form will be given to the organization member by the selling dealer. It asks for basic information and the JCNA member will be required to produce a current JCNA membership card. This form must be completed and kept in the deal jacket for audit purposes. The full amount of the Customer Cash must be applied to the purchase or paid directly to the customer. Outcycled Dealer Service Loaners and Ex-VIP vehicles are eligible for this program. There are, however, certain vehicles that are ineligible - Special Edition and Limited Edition Production Models are not eligible (i.e. XKR-S, XKR-S Convertible, XJL Ultimate).

### **NOTE:**

***A new discount program has recently been announced by Jaguar Land Rover. Discounts now total up to \$2,500 and include the new F-Type Coupe. See an authorized Jaguar dealer for full details.***
