JAGUAR

Presidential Perspective

British Car Day was again a successful event on a very warm California day. See the article and pictures next month in the December, 2015, issue of the Jaguar Tracks.

The election luncheon is on track for 8 November. See the event flyer on page 8 in this issue. The new officers will be installed at the Christmas Gala. Again this year Nedra Rummell has planned a spectacular Holiday event, be sure to get your reservation and menu choices to her by 30 November. More details on the event in the flyer on page 10 in this issue.

We are still looking for a volunteer to replace Dan Jensen as advertising chair. It really isn't a time consuming job and Dan has a process in place to make it easy.

Have a Happy Thanksgiving. May your turkey be tender and juicy, your mashed potatoes be smooth and creamy and your green beans be fresh and tasty.

You are never too old to set another goal or dream another dream.

George

Fleet Week Coronado Speed Festival

“Race at the Base”

Naval Air Station North Island, Coronado, CA, September 18 - 20, 2015

article by Dan Jensen

The 18th annual Fleet Week Coronado Speed Festival was held at Naval Air Station North Island on the weekend of Sept. 18-20. The races, held in collaboration with the SportsCar Vintage Racing Association, represented the high point in a series of events that were held to honor and celebrate the men and women of the military through (1) public events that entertain and (2) via alliances that thank and support our Armed Forces personnel. This was a particularly memorable Speed Festival weekend because Jaguar Cars and Jaguar San Diego teamed up to provide a one-of-a-kind Jaguar Hospitality area for invited guests, as well as the opportunity for JCNA members and other Festival attendees to participate in a unique Jaguar autocross drive/ride experience. The terrific Hospitality “café” provided delicious food, a variety of drinks, outdoor patio seating, and cooling fans and shade on what turned out to be several very warm days. While in the Hospitality area, Jorgene and I had conversations with Mike and Mary Carpenter, new SDJC members; Steve Kirby, JOCLA; Richard Farler, General Manager, Jaguar San Diego; and numerous other Jaguar lovers and potential SDJC members.

Driving Academy experience (see Jaguarusa.com/performance/racing). It didn't take me long to sign up for my ride in one of the F-Types that were making very rapid and audible laps around the autocross track set up east of the pits. I drive a supercharged Jaguar, so I know how quick they are. But the new F-Type takes performance to a level I hadn't experienced, so I prudently chose to ride along with Jaguar Academy driver Mark Wolocatiuk. Mark has a 20-year racing career that includes driving virtually every type of car and it showed when he drove. After we buckled up and he hit the throttle, I felt as if I had been shot from a gun. It's hard to describe what 0-60 in 4.0 seconds feels like other than to say 'Unbelievable'. As temporary fencing came roaring up in the windshield, I was beginning to think I had made a mistake. Wrong! Mark hit the brakes, blipped the throttle, and put the car into a quick 90° turn, with the car drifting in a fully-controlled and exhilarating manner. When the drive was over, I was very happy that my first experience in an F-Type R was in the hands of a professional driver as skilled as Mark. Many other attendees chose to drive the F-Types, with a ride-along Jaguar Academy member, but none approached the skill or lap times of Mark or the other pro drivers.

Dan and Jorgene Jensen posing with Joe Harding's 1939 Lagonda.

George Klein, SDJC President and retired Naval Officer, has been a long-term volunteer for Fleet Week, this year serving as the lead for ticket sellers and race-day ticket takers. In addition, he provided 15 Car Corral passes to SDJC members that allowed us to park our Jaguars adjacent to the grandstands and avoid a long walk.

Jaguar's highly-visible presence this year is part of their expanding involvement in vintage car racing. This is being coupled with very exciting rides/drives in new, four-wheel-drive, 550 HP F Type R coupes as part of the Jaguar Performance

'Hot' F-Types on the track at the Festival of Speed.

Jorgene gets ready for her drive with Davey Jones.

Fleet Week Coronado Speed Festival (cont.)

Jaguar's Hospitality Suite was a popular place to cool off.

Having enjoyed a couple glasses of wine and listening to me extol the virtues of the F-Type, Jorgene decided it was time for her to have a ride. In so doing, she “grabbed the brass ring” in that her driver was none other than Davy Jones, winner of the 1990 24 Hours of Daytona in a Jaguar XJR-12 and one of only seven Americans to win the 24 Hours of Le Mans. When Davy asked her if she wanted the drive to be “slow, medium or fast”, Jorgene uncharacteristically became a bit cautious and said “medium”. After the initial lap, Davy slowed the car in the dropoff/takeoff area, but surprisingly did not stop. Instead, he launched the F-Type on a repeat lap, but this time obviously in the “very fast” mode. After Jorgene finished the second lap and thanked Davy for an unrivaled experience, I asked her “What brought on the second lap, no one else is getting to do that?” Her response was, “Well, he asked me if wanted another, and I said, sure, I always like a double!” It was an experience that she is very glad she didn’t miss; riding in Jaguar’s latest supercar and being driven by a world-class professional driver. I think I’ll plant the seed for my 2016 Christmas present - a half-day drive at the Jaguar Academy driving school in Las Vegas. Jorgene’s Christmas wish is a little more costly – an Italian Racing Red F-Type convertible!

Jaguar brought a F-Type Project 7 to the event. Kevin Chapman, CFO at Jaguar San Diego, didn't waste any time getting in with professional driver Roberto Guerrero for a few hot laps.

Jorgene's Christmas wish!

Jaguars were not the only cars of note at the races. Joe and Deborah Harding brought their bright red 1939 Lagonda V12. Joe is a very experienced vintage car racer and entered the big car in the Pre-war Sports Cars and Formula Cars race group. Joe has a stable of other vintage cars that he races or brings to SDJC events, including their '54 120 OTS, '69 E-type OTS and a very quick Formula 3 Ralt.

Thanks again to Fleet Week, Jaguar Cars and Jaguar San Diego for making this year’s “Race at the Base” one that Jorgene, I and other SDJC members won’t forget.

IEJC Jagstravaganza Concours

Fairbrook Farm, Fallbrook CA, September 27, 2015

article and photos by Mark Hodges, SDJC Webmaster

The Inland Empire Jaguar Club (IEJC) held their 2nd Annual Jagstravaganza Concours on Sunday, September 27, 2015 at Fairbrook Farm, up in beautiful Fallbrook California. Fairbrook Farm is an equestrian venue and we parked our Jags on one of the biggest lawns I have ever seen. No water shortage up here – the grass was a lot greener than the brown stuff we parked on at Spanish Landing. This is the second year they have joined the English Motors Cars Show at Fairbrook Farm.

Eight San Diego members attended, bringing nine cars. This was down from last year when eleven members brought fourteen cars. As usual, Tom Krefetz brought more than one car; this year it was a beautiful 1967 420 and a very fast looking 2016 F-Type. I am pretty sure two San Diego club members with dual registration registered as an IEJC member because I counted nine SD cars, Jen Hansen said there were eleven, but I have no idea who that was.

Colin & Allan Seid and Richard Annis showed their 1935 SS1 Tourer.

Dan & Luz Culp brought their 2008 XK Convertible.

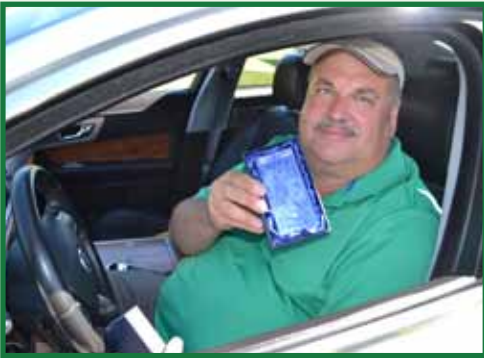

Jagstravaganza Concours (cont.)

There were a total of 38 Jaguars, which looked to match the number of all the other makes of cars attending the English Motors car show. Of the 38, 15 were from Inland Empire, 11 from San Diego, 9 from Los Angeles 2 from Arizona, and 1 from Southern New England. There were 17 Champion, 11 Driven, and 10 Display Only.

Jagstravaganza Concours (cont.)

Mark Hodges 1st in C19 with his 2009 XF.

Tom Krefetz 1st in C20 with his 2016 F-Type.

Keiichi Yamamoto 2nd in D01.

Keiichi displays the ultimate tool roll.

Dick Cavicke assists with judging.

Colin & Allan Seid and Richard Annis 1st in C01 with the 1935 SS1 Tourer.

Judging started at 10 am and finished a bit before 2 pm. We all gathered around the hospitality tent for the awards. Things got a little hectic because this year they only announced the second and third place winners, handing out the awards at the tent. Mike Zavos announced for all first place winners to get in their cars and drive up the hill to the English Motors Awards Tent to receive their trophies. I scrambled in my car to get there first to get the pictures. Mike donned the head set and announced each first place winner as they drove up. Jennifer Hansen handed them their trophy and I took the picture. Unfortunately, the sun was in the wrong position so a lot of the drivers faces were in shadow and we couldn't tell by looking on the camera screen due to the extensive glare. Many of the first place winners didn't make the drive, so I didn't get their picture.

I have the drivers, cars, and places correct as announced, but I have no idea what the scores were. Here's how we did:

<u>Class</u>	<u>Owner</u>	<u>Car</u>	<u>Place</u>
C01	Colin Seid	1935 SS1	1st
C02	Bob Detro	1955 XK-140	1st
C08	Tom Krefetz	1967 420	3rd
C19	Mark Hodges	2009 XF Saloon	1st
C20	Tom Krefetz	2016 F-Type	1st
D01	Keiichi Yamamoto	1955 XK-140	2nd
D11	Dan & Luz Culp	2008 XK	1st
Display	Chuck Leuthen	1993 XJS	
Display	Dick Cavicke	1994 XJ-40
