Presidential Perspective

As your new President for 2016, I would like to wish you a Happy and Jaguar-filled New Year. I know that SDJC will do its part to help make it a memorable one for you based on plans in place so far for the year.

I would like to thank George Klein for stepping in as President in June 2014 and providing guidance over the ensuing 18 months. We had unique challenges in 2015, not least of which was the first-ever cancellation of the Concours d'Elegance due to Tropical Storm Delores. This resulted in a variety of unprecedented circumstances that needed to be quickly addressed and that were followed by rescheduling of the Concours a mere three weeks later. It was George's calm demeanor and good humor that helped ensure this and other issues during his tenure were handled with aplomb. Perhaps this was the result of his many years as a naval officer. Thanks George.

Jorgene and I purchased our first Jaguar in 1984, but didn't hear about SDJC until 1996 (well before the Internet was prevalent). We went to our first event that year, a dinner in Mission Valley, with some trepidation since we had no idea what to expect. When we arrived, we were warmly greeted and became immediately immersed in topics of interest to Jaguar lovers by the members at our table. We have never forgotten this first experience and we make an effort at SDJC events to reach out to new members and guests to help ensure they too feel a warm welcome.

For those of you that couldn't attend the Holiday Party, you will find a recap in this month's edition. Nedra Rummell arranged the event, as she has for many years. With excellent food, dancing to music provided by the Pier Group, and Jaguar comradery, it was a great way to start the holiday season. The Tuchscher Award, presented annually to an SDJC member who achieves the highest points in Champion division with a Jaguar 20 years old or older at our last Concours, was awarded to Paul Novak for his beautiful 99.95 point, 1990 V12 Vanden Plas. Congratulations Paul. Congratulations also to Rod Melendez for receiving the Most Valued Member honor for 2015.

Upcoming events in 2016 include a drive and overnight stay at the Borrego Springs Resort and Spa on January 23-24. This has been arranged by Bob Proctor, First VP, Activities, with help from Ali Proctor, Secretary. This will no doubt continue a long string of successful events arranged by Bob and Ali. The club held a similar event several years ago and to this day it is one of my most memorable SDJC outings. We also have a San Diego Safari Park Tram Tour and Buffet Lunch on Sunday, February 7, arranged by Ray Waite. We have had several behind-the-scenes tours of the San Diego Zoo as a result of Ray's leadership involvement with the zoo. This will be the first time SDJC has made the Safari Park a drive destination and I have no doubt that it will be a unique experience. I highly recommend you sign up early. And for you football fans, the buffet is over at 1:30 p.m. and the game doesn't start until 3:30 p.m., giving you time to get to your favorite seat before kickoff.

Dan

Holiday Party

Sheraton La Jolla, CA, December 5, 2015

article by George Klein; photos by Roger McDonald

The Holiday Party was a resounding success! More than 55 people attended, including members and spouses/significant others. The Holidays are a festive time to say the least. Add a well-planned event by Nedra Rummell, some fine dining and dancing to a live band, a little fine wine and a great venue like a private room at the Sheraton La Jolla and you have the recipe for a wonderful evening. Thanks to Nedra for all of her hard work in pulling this event together.

Paul Novak was presented the Tuchscher trophy for his 1990 V12 VDP with an outstanding score of 99.95. This trophy is awarded annually to a car, at least 20 years old, that attains the highest score at our Annual Concours' de Elegance. Nedra accepted the Most Valuable Member trophy for Rod Melendez, who was unable to attend. Both of these perpetual trophies remain in the Club show case at Jaguar San Diego, our sponsoring dealer, on Convoy Street in San Diego.

Many thanks to Roger and Diane McDonald. Roger took all the wonderful photos of this classy affair and Diane put together another great group of raffle prizes. The raffle prize winners were: Diah Avery, Tim & Debbie Bennett, Vic Chang, Joe & Deborah Harding, Philip & Elizabeth Kirk, Reg & Joy L'Abbe and Charlie & Michelle Monts. Much to our surprise, Jim Harkins did not win a prize at this event, however, he was presented a stylish hat by Nedra to keep his ears warm on the upcoming chilly El Nino nights.

Palm Springs Three Club Rat Pack Party

Palm Springs, CA, November 21-22, 2015

article and photos by Nedra Rummell

SDJC, JOC, and IEJC members met in Palm Springs on November 21st and 22nd to celebrate Frank Sinatra's 100 Birthday – guess that's an indication of my age because I remember Old Blue Eyes well. The festivities were held at Riviera Palm Springs, where Frank and the Rat Pack performed. The Riviera is touted as the largest and most famous resort in Palm Springs. The hotel has the aesthetic and vibe of Old Hollywood blending modern contemporary design with touches of retro chic inspired furnishing and décor. A feast for the eyes, stunning chandeliers, innovative wall covers, beautiful artwork, and so much bling - even a crystal covered pool table!

The event kicked off at 10 AM on Saturday with a meet up in a private parking area for coffee, donuts and an impromptu cat show. After review, three XJS models (Frank's favorite) were selected to be on display in the circular drive in front of the hotel. Following a lot of tire kicking and re-acquainting with members from around the region, we retired to a private outdoor area for lunch. Delicious food, ample cocktails, and entertainment. Who knew we had such great singers in our club? Chuck Leuthen, Kurt Astroth, and Lou Galper joined in the karaoke contest. Kurt took the microphone and won the karaoke contest with his great voice and smooth moves and walked away with a select bottle of vino. Next on the program was an engaging trivia contest about Frank's songs and his special XJS which was recently sold at auction. No winners at our table, but not for lack of trying (Susy McMillen goggling for answers – can you say cheater?)

A number of drivers participated in the desert drive in the afternoon. Others (who had cocktails), stayed behind to enjoy the hotel amenities. The festivities continued at an evening cocktail party and dinner in the beautiful Circa 59. Great service, outstanding food, engaging conversations, and lots of fun! Thanks Steve Kirby for the time and effort you put into a delightful weekend and for the invitation to include SDJC members. Representing SDJC were: Chuck & Kathy Leuthen, Dr. Frank Morgan & Kristine Thomas, Kurt Astroth and guest, Susy McMillen, Allen and Olga Quale, Jens Troest & Shelly Gabriel, Lou Galper, and myself. I strongly encourage everyone to participate in the joint events, JOC does a top notch job, much attention to detail, always a good time for all.

Friends of Braille Institute San Diego

Car & Bike Show

Saturday, November 14, 2015

article by Nedra Rummell; photos by Bob Proctor

On Saturday, November 14th, the Friends of the Braille Institute in La Jolla hosted a car and bike show as a fundraiser for the Institute. The Braille Institute Center provides free services to the visually impaired residents of San Diego and Imperial Counties. It offers a wealth of services including adult classes, youth programming, library services, and low vision rehabilitation consultations.

For their first ever car show, they did an excellent job. The parking lot was filled with exotic, muscle, classic cars and bikes. It was remarkable the number of volunteers on site to help with the festivities, selling raffle tickets, passing out t-shirts and goodie bags, and assisting with parking and registration.

The judging was divided into two categories, one was a People's Choice Award and the second was a Students Touch Award. Participates were asked for permission in advance for the students to be allowed to touch the cars. It warmed your heart to see the students touch and caress the cars and bikes, appreciating the design and textures.

Bob & Ali Proctor's E Type and Steve & Pattie Card's XK 120 were both winners in the Student Touch Classification. I wasn't a winner, but was delighted to take part in such a noble event. Thanks to Steve and Pattie Card for the invitation to our club to participate and to meet their lovely daughter Alex who is a student at the institute. See you again next year!

Randy Prine

May 10, 1930 - November 19, 2015

Randy and Marilyn Prine joined the San Diego Jaguar Club in February, 1975. From the very beginning, they became active members whose contributions helped set the future course for our club. He and Marilyn participated in just about every club activity. Randy served as SDJC President in 1978-'79, in 1987-'89 and again in 1997-'98. He was named Most Valued Member in 1978 and again in 1995. He gladly took on the role as SDJC Historian in 2003, a position he held until his passing in November, 2015.

Randy started showing his 1959 Jaguar XK-150S at the 1977 Concours and for several years thereafter. His car won numerous club events and JCNA class awards. Thanks to Marilyn's expertise as a seamstress and costume designer, she, Randy and other club members were always dressed in prize-winning costumes and regalia. Randy continued his participation in Concours with his 1988 XJS, which was a consistent 1st place winner.

Continued dedication and participation in Concours resulted in Randy serving both as a Judge and as the Chief Judge at several club Concours events. He was always willing to lend a helping hand to a fellow member. On one occasion, while helping an entrant replace a fan belt before a show, he suffered a significant laceration on his hand. After taking a break to get 'sewn up', he returned to the field to continue with his Chief Judge duties.

Randy eventually became a JCNA Southwest Region Director and later headed the JCNA Protest Committee from 2005 - 2008. Randy and Marilyn were selected as SDJC Honorary Members for Life in 2013.

Aviation was Randy's passion in his professional life. He joined the Navy and became an aviation mechanic. Upon discharge from active military service after the Korean War, Randy attended aviation school eventually entering the Flight Engineer program at Eastern Airlines, flying for them until 1962. He also flew with American Flyers and was a Test Flight Engineer for Lockheed Aircraft. Randy then moved his family to San Diego in 1965 and signed on with Pacific Southwest Airlines. He flew for them for 23 years until USAir acquired the company, and then flew with them until his retirement in 1992.

Randy volunteered at San Diego Junior Theatre, Boy Scouts of America and served as a docent at the San Diego Air and Space Museum for 20 years.

Most important of all, Randy was a true family man dedicated to Marilyn and their five children. He was blessed with grandchildren and great-grandchildren. His loving family was with him when he passed away.

Randy's friendship and dedication to the members of the San Diego Jaguar Club will never be forgotten. May he rest in peace.

Article by Jim Hallameyer, Editor 'Jaguar Tracks', with help from numerous SDJC friends and family of Randy.

Dealer Display News

1994 Jaguar XJ40

We are pleased to have had Dick Cavicke's 1994 XJ40 on display during the holiday season. We all know Dick as our long time former Chief Judge.

This beautiful, Concours quality, 6 cyl. saloon has travelled just 95K miles and is very elegant in its original Glacier white with Barley interior. Dick is the second owner since 2003 and is of the opinion that 1994 was the last and best year for XJ40's. The car's exceptional original condition is due to proper care and maintenance from new to the present by the former owner and Dick. After a long happy life in Dick's care, this Jaguar is looking for a new home. See page 26 in this issue of the *Jaguar Tracks* for details.

We hope that more members will consider providing their cars for our Dealer Display Program to help promote our club. If your classic Jaguar is just doing 'garage time' during the 'off season', perhaps you should consider displaying it on the showroom floor of our sponsoring dealer, Jaguar San Diego. Owner David Murphy and General Manager Richard Farler would greatly appreciate it. In the past two years, more than a dozen of you have participated in this program. The cars are safe and secure in 'our SDJC corner' of the showroom along with our trophy case.

Please contact our Dealer Display Representative and *Jaguar Tracks* Editor, Jim Hallameyer, if you would like to participate. He can be reached at jimhallameyer@cox.net or 619-440-7893.

Here Comes ^{the} Judge

By Paul Novak, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this interesting aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this article will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun and excitement.

2016 JCNA Annual General Meeting and International Jaguar Festival.

As you have read in the November-December 2015 issue of the JCNA Jaguar Journal and also in our Jaguar Tracks, the 2016 JCNA Annual General Meeting (AGM) and International Jaguar Festival (IJF) will be held in Scottsdale, Arizona from 31 March through 6 April 2016. For those who have never attended an AGM, it is the annual JCNA business meeting where delegates from the roughly 65 JCNA affiliate clubs get together to debate and vote on JCNA matters as well as attend technical seminars and social events. If you have been a JCNA member for a while you have probably also read or heard about the Challenge Championships held by the eastern JCNA regions and the similar Western States events held by the western regions on alternating years. Well starting in 2016 these events will be renamed the International Jaguar Festival with a common format that includes a Concours, a Rally and/or Tour, a Slalom and a variety of social and technical events.

From my Chief Judge perspective, I am primarily concerned with the proposals that will be voted on at the AGM that would change the JCNA Concours Rule Book. Significant proposals are being staffed by the JCNA Concours Committee for voting at the AGM that would change how the North American Champion Division Concours winners are selected. Currently North American Champion Division Concours winners are determined based on the highest average of the Entries three best Concours scores. This process has resulted in situations each year where there are multiple winners in the same class. In the future North American Champions could be determined by face to face Concours competition at the Annual International Jaguar Festival where they are judged by the same team of JCNA Expert Judges to determine which Entry is truly the Champion. There are a lot of details that need to be worked out and they will start at the 2016 AGM.

The SDJC Board of Directors appointed me as one of their two AGM Delegates and I plan to provide more details about Concours Rule Book change proposals in upcoming issues of Jaguar Tracks as they become available to me. Please note that the changes being proposed will not affect Entries that compete in Champion Division at the Club or Regional level (at 1 or 2 Concours each year) or in Driven Division. The changes being proposed would only affect those Entries that compete in 3 or more JCNA Concours each year for Champion Division standings at the North American level.

If you want more info about the 2016 AGM and IJF, look on the JCNA website: <http://www.jcna.com/>

2016 JCNA Concours in the Southwest Region.

Here are the established 2016 JCNA Concours for the Southwest Region. I will update this list as JCNA approves the Concours sanctions requested by the individual clubs.

- 17 July San Diego Jaguar Club, Spanish Landing, San Diego, CA

Looking for a Few Good Women and Men for Concours Judges.

Preparations are underway for our 17 July 2016 Concours d'Elegance and we are looking for members interested in becoming Certified JCNA Concours Judges. We would like to grow our current list of 12 certified Judges by a few more prior to Concours day. We are definitely looking for a few good women and men to become Concours Judges. Please contact me if you are interested.

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by email at: P.M.Novak7@gmail.com or (858) 342-0445.
