Presidential Perspective

Several years ago, Randy Prine, former SDJC President and long-term Club Historian, told us that he had what was probably the most complete set of *Jaguar Tracks* newsletters of any club member, with one copy dating back to the very early days of the club in March 1961. Since I tend to be a “less is more” kind of guy when it comes to storing things, I volunteered to scan Randy’s files to pdf format so they could be uploaded to the SDJC website. Mark Hodges, our Club Webmaster, has been uploading the files to ensure their long-term storage and to allow members to peruse the record of club history at their leisure. The three-page March 1961 edition of what was then called the *Jaguar Roar* included the following classified ad: “1954 XK120 Roadster with XK140 MC engine. A beautiful automobile, \$1395.00. Contact Bill Mewman, 4241 - 51st Street, San Diego 15, ATwater 1-9815”. Wow, talk about changes!

Speaking of changes, I have been mentioning that your Board of Directors (BOD) has been looking for ways to address a looming problem with hardcopy printing and mailing of the *Jaguar Tracks*. By way of summary, our annual SDJC dues are \$70, of which \$30 goes directly to JCNA for their activities in support of all North American Jaguar clubs. This leaves \$40 for the club to use for the newsletter and other activities. The problem is that as of 2016, it costs ~\$50 a year per household to distribute the 200+ hardcopies, even when advertising revenue is factored in. As recently as ~4 years ago, advertising covered most of the cost of the hardcopies. However, as printing and mailing costs have steadily risen, ad revenue has declined, to the point where it now covers only ~25% of the cost. While it is possible to reduce costs modestly by eliminating the color front and back cover; using lighter-weight, less-expensive paper; and reducing the number of pages, the BOD decided after deliberation over the past several months to cease hardcopy distribution as of this month. The BOD is aware that this will be an inconvenience for members that do not have Internet access. We will also need to assess the extent to which our advertisers expect their ads to be provided as part of a hardcopy distribution as well as the softcopy version. These are issues that will be addressed by the BOD in the weeks and months ahead.

Aside from cost savings, there are other benefits of the downloadable, softcopy-only version of *Jaguar Tracks*. Our editor, Jim Hallameyer, will be freed from both page-count restrictions and printing issues such as “gutter width” and the like. This will allow him more flexibility regarding the length of articles and the number of member photos that can be included (hey, who doesn’t like to see themselves in living color?). It also frees Nedra Rummell, our Membership Chair who updates the snail-mail list monthly, and Rod Melendez, who has been responsible for transporting hardcopies from the printer to the Post Office, from these recurring volunteer chores. It also allows the BOD to explore options as to how best to use the funds that will now be available for the benefit of club members.

As always, the BOD welcomes your input and feedback as we, along with countless other organizations, adapt to the changing landscape of technology and how it affects our lives. As examples of changes in communication, think Facebook, Twitter, Instagram, and numerous other social media that are used to communicate without paper. It doesn’t seem all that long ago that I transitioned from phones with party lines to “Princess” phones, cordless phones, cell phones, and now smart phones. A few years ago I gave Jorgene an iPad for Christmas. Her response was “What am I supposed to do with this?” Now it’s often, “Let me show you the latest Facebook photos from [insert name]”. Ah, change.

Lake Wohlford Drive-To-Lunch

By Ali Proctor

On Sunday, March 6, 2016, 38 intrepid Jaguar Club members braved the predictions of stormy weather and headed to Temecula to "pitch-up" with our drive hosts, Joe and Deborah Harding. I have no actual idea what "pitch-up" means, but Joe always says it. Once we were all gathered at Starbucks and grabbed a cup of Joe (coffee, not Harding), Deborah passed out very explicit directions and we hit the road (that would be right after the Starbucks manager asked us to shove off). The Harding's led the way in the Bentley (shhh) and the long line of Jaguars followed. Luckily the rain held off for the entire drive and we actually had occasional glimpses of sunshine.

We had a nice little rest and bathroom break at Casino Pauma, where Bob had enough time to lose some spare change in the slot machines. And we were off again. There were some beautiful roads that many of us had never traveled on before. We went through Rainbow, Pala and Pauma and, of course, nice twisty roads that Joe chose specifically for my benefit. As we wound our way through Valley Center, past Valley View Casino (I begin to think that this should have been called the Casino Tour) and into Escondido, we headed toward our ultimate destination...Smokey's Lake Wohlford Café.

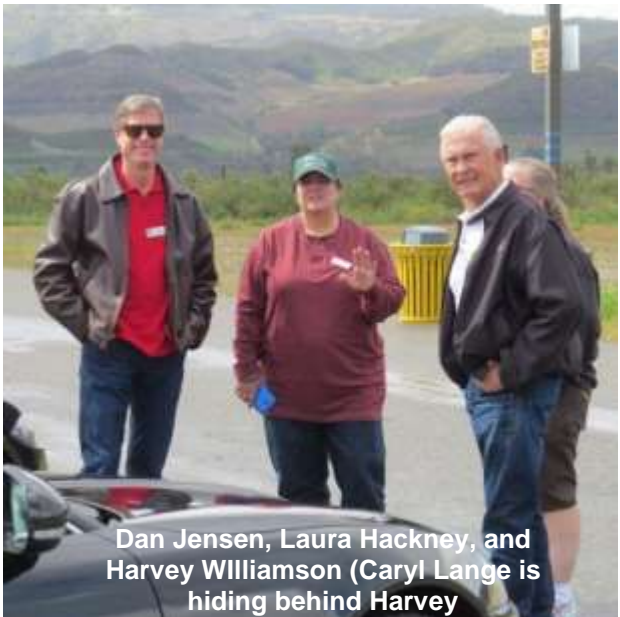

Drive Host Joe Harding

We were warmly welcomed by Smokey's' owner, Phyllis, who directed the group in parking of our beautiful Jags. Inside we found a large number of reserved tables and plenty of servers ready to take our drink orders. Once we were comfortably libated (I don't think that is even a word), we sat back, relaxed and opened our menus. So many choices! Bob and I had to try the world-famous Smokey's Lake Wohlford Café catfish. Besides, I am a sucker for Hush Puppies. We were then free to while away the time catching up with old (and new) friends. What a great group we had!

So glad that so many members were able to join us and a great big thank you to Deborah and Joe Harding for planning and organizing such a terrific event.
