Presidential Perspective

Each year the big SDJC event for May is the New Members' Night Dinner. With masterful and detailed planning again provided by Nedra Rummell, our indefatigable Membership chair, I knew it would be as memorable as those of the past. During her planning, Nedra had the great idea of inviting Richard Farler, General Manager of Jaguar San Diego, to be our guest speaker at the dinner. As most of you know, Jaguar San Diego is the SDJC dealer sponsor. They allow your Board of Directors to use their facilities for our monthly meetings and they provide financial support and gorgeous new Jaguars for our annual Concours d'Elegance (July 17th this year) along with other member benefits. Richard graciously agreed to join us and provide his perspective on the new model range of Jaguar and what the future holds.

As members and their Jaguars gathered at the Green Dragon Tavern and Museum in Carlsbad on May 14, Richard, his special friend Angie Lasagna, and Josh Bott, Assistant Sales Manager for Jaguar San Diego, drove up in a new F Pace. The crowd of attendees quickly coalesced to admire the newest member of the Jaguar line and were given an overview of its many features. My personal concern was that the F-Pace might merely be viewed as a warmed-over Land Rover. Rest assured it is not. It very much displays the "Jaguar DNA" that Ian Callum, Jaguar Design Lead, mentions frequently in his interviews. While I don't see an F-Pace in the near future for Jorgene and me (hey, four Jags is enough at the moment), if we were to go the SUV route, it would be the F-Pace. I think it is going to be a big seller for Jaguar and I know of at least two SDJC members that have already placed their orders.

In his talk, Richard recapped features of the F-Pace and the soon-to-be-available XE entry-level sedan. I was not aware that close to 60% of all new car sales are SUVs or related body styles. For Jaguar to not be in this market was to deny itself any realistic opportunity to expand upon the ~15,000 cars sold each year in the US. Introduction of the XE reflects changing demographics, where Millennials will be dominating new car purchases. Having a quick, technologically advanced, stylish Jag starting in the mid high \$30Ks opens an entire new audience to the marque. With Jaguar now offering five models (a first in its history), they are predicting a 5-fold increase in sales. This is a bold goal, but if you are going to go at all, "Go Big"! Richard also offered useful perspectives on steps that Jaguar clubs, and SDJC, should be taking to entice this younger generation of enthusiasts to join the fun.

You can read about the details of the New Members' Night in an article later in this edition. You can also read about SDJC club members who participated in the JOC LA Concours in Fullerton. Next month, you'll read about the La Jolla Concours on April 18th and a larger group that enjoyed the drive to the Hacienda de las Rosas Winery with the Rolls Royce Owners Club on May 21st.

These are exciting times for both Jaguar and SDJC. The increasing numbers of new SDJC members is a confirmation of this. It's going to be a great summer to be driving and "bragging on" our Jags!

Directions to SDJC Concours

Spanish Landing is on the south side of Harbor Drive directly across from the Terminal 2 exit from San Diego International Airport (Lindbergh Field). From I-5, follow the signs to the Airport. This will place you westbound on Harbor Drive. Go past the Terminal 1 and Harbor Drive traffic signals and watch for the Spanish Landing signs. Turn left into the park at the traffic signal for the exit from Terminal 2. San Diego Jaguar Club Signs mark the location.

The San Diego Jaguar Club plans this event as a car show and a picnic. Box lunches can be pre-ordered on the registration form. Soft drinks and water will be available for purchase at the Hospitality Table for \$1 each. Two food vendors, (hot dogs and shaved ice) will be onsite.

Day use parking for day-of-show towing vehicles and trailers is available in the east parking lot on a first-come, first-served basis. We suggest you arrive early if using the parking lot as it fills rather quickly. Overnight parking of any kind is not allowed on Port District Property, including Spanish Landing Park.

We request all entrants bring a fire extinguisher.

New Member Dinner

May 14, 2016

article by Nedra Rummell

photos by Bob Proctor

As SDJC members entered the Green Dragon Tavern parking area, the SDJC banner was in full view blowing gently in the sea breeze. After check-in and beverage in hand, most returned to the parking lot to admire beautiful cats, as well as Joe and Deborah Harding's red 1938 Lagonda. At one point, attention was shifted to our special guests from Jaguar San Diego, driving in the stylish new F-Pace, parking front and center to all admire.

Ali Proctor, Kathleen Steele, & Deborah Harding

Allen and Olga Quale

Christopher & Robin Lee Jones, Kathleen Steele

In the Raffle Queen's (Diane McDonald) absence, the unstoppable Kathleen Steele and Deborah Harding broke all records for raffle sales in one evening. "No" is not in their vocabulary! They must have sprinkled those tickets with lucky dust as three members won the precise raffle item they wanted – first ticket drawn was Curtis Parker who added a spiffy walking stick to his collection, Deborah Zaharychuk danced down the aisle to claim her red visor with SDJC and Leaper in crystals. Best of all, gracious Deborah Harding gave her winning ticket to the adorable Lola, granddaughter of Ed and Karen Soens. Lola was so excited to claim the pink and animal print jewelry organizer, her favorite item!

Cocktail hour at New Member Night

Great turnout for New Member Night!

President, Dan Jensen introduced the 2016 SDJC officers and functional chairpersons. Bob Proctor reviewed upcoming events, and Mark Hodges discussed Concours and his improvements to the website. Our thanks to Richard Farler, General Manager of Jaguar San Diego for his enjoyable and informative talk about Jaguar's newest models, sales forecasts, and the changing demographics. We were introduced to his guest Angie Lasagna and Jaguar San Diego's Assistant Sales Manager, Josh Bott.

New Member Dinner (cont.)

Again this year, members were assigned seating to allow new members to be seated with “seasoned” (not old) members by car marque, guaranteeing lively conversations while enjoying a delicious dinner of Baked Cod, Pesto Chicken or Short Ribs, followed by a decadent crème burlee. New Members were introduced by table and given the opportunity to reflect on their Jaguar experience. We all enjoyed the interesting stories of inherited cats, dream cats, fun cats, fast cats and those cats needing a TLC. We all can appreciate the love and dedication we have to our Jaguars regardless of year, condition, and model.

Long ago in 2006, I had an idea to host a dinner to focus on “New Members”. It’s difficult to believe that was the ten years ago! After reviewing my records, two couples attending the 2016 event were “New Members” ten years ago - Dick and Francine Kearney (Logo Czars) and Tim and Sandy Woodard. Vic Chang was there the first night also, but regretfully Vic was ill and could not attend this year

It takes a village to make a successful event, thanks to Bob Proctor for substituting as photographer, Ali Proctor for Check-In, Kathleen and Deborah for raffle, table hosts and those who slepped the supplies to my car. Until 2017 – Celebrating the 12th Anniversary of New Members Night.

Cheers to you all!

Dev and I just got home after attending the Los Angeles Jaguar Club's Concours d'Elegance at the Muckenthaler Cultural Center in Fullerton. The Muckenthaler Cultural Center, or Muck, as it is affectionately known, hosted an annual car show on its grounds the weekend after Mother's Day and the LA Jag Club piggy-backed their Concours d'Elegance on the Muck's annual car show.

The night before the Concours was our club's New Members Dinner in Carlsbad. Instead of driving back home the forty miles to the ranch in East County that night and then driving right back the next morning, Dev and I stayed the night at the Hilton in Carlsbad which cut an hour off our morning drive. Traffic on the I-5 that morning flowed pretty smoothly. The only snag we hit was at the Border Patrol Checkpoint near Camp Pendleton. The line to get through was backed up to the quarter mile signpost, but the patrol was pretty efficient and it only took twelve minutes to get through. After that, it was smooth sailing into, and through, Orange County.

At 'The Muck' ...

... we got it 'made in the shade'.

When we arrived, the Muckenthaler grounds were full of beautifully kept and restored cars from all era's and geographic areas. There were American and foreign cars dating all the way back to the 1920's, the 1930's, and 1940's. There were lots of big 1950's American sedans and 1960's American muscle cars. There were also exotic foreign makes, including our Jags.

Our Jags had their own corral area and we were free to view all the other cars while enjoying the many amenities of the Muckenthaler show. We had the tree lined area so our Jags had just enough shade to keep them cool but not too much to interfere with the viewing. It was just another beautiful and relaxing day.

Before "Rags Down" was called, Dev and I worked hard cleaning our XF. The car is always garaged, but last night she was outside in the Hilton parking lot. I had made sure to park away from all the other cars so as not to get any door dings, so I parked way out back next to a planter. It didn't dawn on me the planter sprinklers might go on during the night. Well they did and the whole front of our car was covered with water spots the next morning. Aaarg! I got most of the water spots and Dev went over my work, wiping off all the ones I missed. Young eyes are always the keenest. After "Rags Down" was called, our car was in the first time slot for judging, so afterwards there was plenty of time to mingle and catch up with the current happenings of old friends.

Charlie Hallums was both the Concours Chairman and the Chief Judge. Glad I don't wear those two hats. I didn't see or hear of any glitches at the show so he successfully pulled off another great car show. Mark Mayuga, the LA club president, said Charlie was pretty much a one-man show in the planning stage, but he had lots of help during the show and all the hard work really paid off.

There were twenty-six judged Jaguar cars in the Concours: 21 Champion, 4 Driven, and 1 Special. There were also about a dozen Display Only Jags. Members from Los Angeles, San Diego, and the Inland Empire clubs brought their cars to the show and members from all three clubs were part of the judging teams, making for smooth and efficient judging sessions.

Eight San Diego members made the drive up north, bringing nine cars. Here is the breakdown:

<u>Name</u>	<u>Class</u>	<u>Car</u>	<u>Place</u>
Joe Harding	Display	1963 E-Type	
Keiichi Yamamoto	D-1	1955 XK-140 MC	1st

The awards presentations ended right on time a little before 3 pm and we headed back to San Diego soon afterwards. We took a different route going home. We took the 91 east twenty miles to the I-15 south so as to avoid the heavy traffic on the I-5 from Irvine to Encinitas. As a reward for all his hard work, I stopped off at North County Fair to treat Dev to dinner at Red Robin. Yummm. Many thanks to Paul Novak for telling me of this more efficient route. We might have gone twenty miles out of our way, but probably cut forty minutes off the drive.

Congratulations to all the San Diego club members for their attention to detail and for all their first and second place finishes in the Champion and Driven classes. Now let's get ready for a great San Diego Concours at Spanish Landing in July overlooking our beautiful bay and waterfront harbor.

Here Comes ^{the} Judge

By Paul Novak, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this interesting aspect of Jaguar ownership. If you are a seasoned Concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this encourages you to join in the fun, challenge, and excitement.

2016 Concours Judges Training. There are two remaining SDJC Concours training classes for 2016. Please RSVP at least 3 days before any class so that I can have plenty of training materials and refreshments on hand. More info on these classes can be found on the SDJC website.

- Concours 201 Hands-On Practice Judging. Saturday 25 June 9 AM – 12:30 PM at Jaguar San Diego, 4525 Convoy St., San Diego, CA. Limited to Judges and Apprentice Judges.
- Concours 301 Annual Judges Refresher Training. Saturday 18 June at Classic Showcase in Oceanside 9 AM – 12:30 PM. Open to everyone.

2016 Concours Apprentice Judges. I am pleased to report that several SDJC members responded to requests for additional Concours Judges. New Apprentice Judges who completed some of the training requirements include: Dave Allen, Rick Annis, Steven Card, Will Nighswonger and Doug Todd. Three other club members told me they wanted to become Judges and I look forward to their participation at upcoming Judges Training.

JCNA Concours Judged Divisions. There are three Divisions of judged Entries at JCNA Concours, Champion Division, Driven Division and Special Division.

Champion Division is the most demanding JCNA Concours Division. It challenges its Entrants to research, prepare, and present the judged portions of their cars in their original, authentic, factory-delivered configuration, and condition. All Entries in Champion Division will have their interiors, exteriors, engine compartments, and boots judged for authenticity, condition, and cleanliness.

Driven Division also challenges its Entrants to research, prepare, and present their Entries in their original, authentic, factory-delivered configuration and condition. However, Driven Division is for Jaguars that, regardless of age, are in regular use. In consideration of this usage, Driven Division Entries do not have their engine compartments or boots judged and certain convenience and safety related authenticity exceptions are allowed. The exteriors and interiors of Driven Division Entries are judged to the same standard as Champion Division. Driven Division Entries are encouraged to be driven under their own power from their normal place of garaging to the concours site and return. Towing or trailering is allowed for 35-year and older Entries.

Special Division is intended for factory and non-factory-prepared competition and limited production Jaguars; production Jaguars privately prepared for competition; modified production Jaguars, and Jaguar powered vehicles with replica Jaguar bodies. The interior, exterior, engine compartment, and boot of Special Division Entries are judged only for condition and cleanliness, NOT for authenticity.

In addition, Dave noted that the by-laws Section 5.06.05 state that the accounts «shall be printed and distributed to the general membership at least annually.» A motion was made by Dan, seconded by George and unanimously approved that Dave provide a 2015-only version for Mark to make available on the web site.
