Presidential Perspective

We spent a few days in Borrego Springs this past month on a short getaway before “winter” sets in here in Southern California. Note that for Jorgene, who grew up in rural Minnesota not too far east of Fargo, any time the average daytime temperatures drop below 70F, its “winter”. While lounging by the pool in a development at Ram’s Hill (the former endpoint of an SDJC rally a number of years ago), we started chatting with a gal, Ellen, who had been swimming a few laps in the pool. One thing led to another and we ended up receiving an invitation to take a look at her nearby house, which happens to be for sale. The next morning we swung by and were given a tour by Ron, her husband, and Ellen. Their home, which they co-own with his sister, has great views over the golf course, the practice putting green, the Rams Hill Clubhouse, etc. If we were in the market for a home in Borrego, we would be very tempted, especially given the much-lower prices there vs. San Diego.

You may be thinking, “Dan, what’s the point?” Well, as we walked out the front door toward our XJ, Ron commented “Oh, you drive a Jag. My great uncle founded the company with another fellow [William Walmsley].” Somewhat stunned, I asked for a few details, “Sir William Lyons was my grandfather’s brother. My granddad immigrated to the US while a teen for health reasons.” I had noted their name on the sign at the front of their unit, but, of course, I never made a connection. I can’t tell if Ron looks like Sir William or not, but he is certainly a very pleasant fellow and has a bigger smile. Surprisingly, Ron and Ellen have never owned a Jag! Living in Wisconsin, they should think about one of Jag’s four-wheel drive models.

The Election Luncheon hosted by Jim Hallameyer on Nov. 13 was well attended and very enjoyable as always. Thanks, Jim. Likely as you read this, the SDJC Holiday Party will also be a pleasant memory. There are a variety of events planned for 2017 by the Proctors, the Bennetts, the Leuthens, and others with some new venues and routes, so don’t let the coming “winter” get you down!

Dan

From The Editor

Jim Hallameyer

This is my last issue of the Jaguar Tracks. After 3 1/2 years and 44 newsletters, it's time to turn over the job of Editor to another member. When Stick Holmes asked me to take on this job, I did so knowing there was a learning curve ahead but, I ventured forward into the world of publishing feeling some confidence that I could rise to the task and meet the expectations of the Club. The responsibility of collecting and writing articles, gathering photos, and then doing the layout work, all the while sticking to deadlines, was daunting at first. It became a little easier as time went along and I gained experience. I can honestly say I have enjoyed preparing your *Jaguar Tracks* every month. Your kind words of encouragement have been greatly appreciated.

I know there are members among us who can learn and enjoy doing this job for a while and then pass the baton to another when the time is appropriate. Others have done it before me and there will be others to carry on in the future.

Please consider volunteering for this important job. I promise you will be rewarded with a sense of accomplishment for your service to our Club. I would be happy to talk with anyone who might be interested and help you get started just as Stick did for me. My contact information is under 'Officers & Committees' on the last page of the *Jaguar Tracks*.

*I wish you all a joyous
Holiday Season*

Election Luncheon

Sunday, November 13, 2016

*article by Jim Hallameyer
photos by Roger McDonald*

The Election Luncheon, hosted by Jim Hallameyer, was held at Silver Gate Yacht Club on San Diego Bay. It was a beautiful fall Sunday featuring our picture perfect weather, great food and the good company of 61 SDJC members who thoroughly enjoyed themselves. President Dan Jensen introduced each member and Bob Proctor reviewed upcoming events for the new year.

Results of balloting for the Board of Directors are as follows: Dan Jensen, President; Bob Proctor, 1st Vice President; Nedra Rummell, 2nd Vice President; Ali Proctor, Secretary; Dave Allen, Treasurer; Chuck Leuthen, Director. Directors Mark Hodges, Tim Bennett and AL Steele will be continuing their terms on the BOD. Nedra Rummell has led the effort to update the club By-Laws and the members approved the revisions.

Diane McDonald oversaw another great raffle and Webmaster Mark Hodges provided a slide show recapping members Jags at the 2016 Annual Concours.

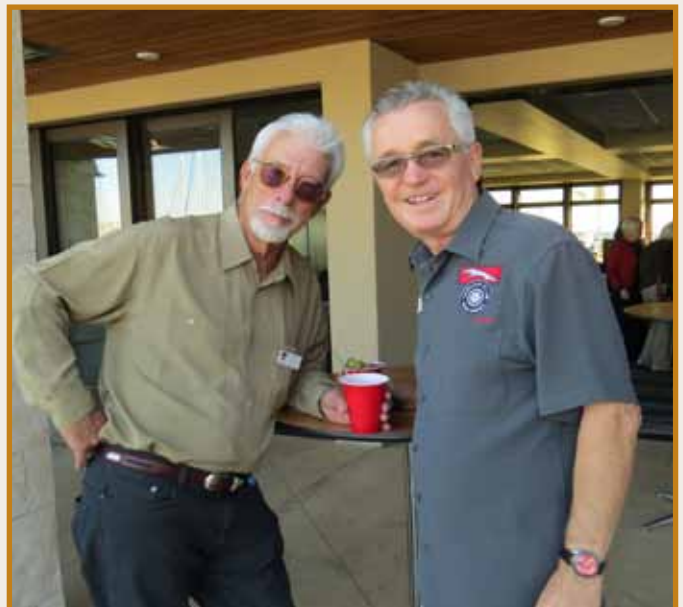

There is ongoing discussion as to who will take on the role of Chief Judge and who will replace our Newsletter Editor.

Nobody's Pussycat.

Of all the sports cars available to you, this is the one—the ultimate cat.

Because it offers what the others can't offer: the Jaguar V-12 engine.

And that changes the discussion from *what* a sports car can do to *how well* it can do it.

That's what the Jaguar E-type V-12 is all about. How well it glides from zero to fifty. How well it accelerates out of a pack and into the clear. Even how well it behaves in downtown traffic at quitting time before a holiday weekend.

In a word, the Jaguar V-12 is smooth. It's smooth going up the scale from zero and it's smooth going from cruising speed to passing speed. It's even

smooth waiting for the light to change.

Because, from an engineering viewpoint, the Jaguar V-12 is in perfect balance. Since its 5.3 litres of capacity are divided by twelve—not eight or six—the forces are spread more evenly over the crankshaft by delivering smaller but more frequent pulses of power.

What is the effect like? Well, it's something like a turbine. And it's something like an express elevator. But it's not *exactly* like anything else. That's why you have to drive a Jaguar E-type V-12 before you decide on anybody else's sports car.

Since it is a Jaguar, it has independent front and rear suspension with "anti-dive" control. Power-assisted rack

and pinion steering. Power-assisted disc brakes on all four wheels—ventilated in the front. A four-speed manual is standard, an automatic is optional.

So see the Jaguar E-type V-12. It's the only production V-12 sports car in town. And that makes it second to none.
