Presidential Perspective

For those of you who couldn't make the Holiday Party, you missed a good time, as described herein by Ali Proctor. For those of you that did attend, hopefully you downloaded your photo with Santa (aka Curtis Parker) to add to your Snapchat or electronic holiday greeting card. Events during the evening went smoothly as a result of the detailed planning by Diane McDonald, Event Chair, and her crew. A number of awards were announced. The Most Valuable Member for 2016 was bestowed on David Putnam for his continuing contributions as SDJC's British Car Club Council representative, SDJC Concours Judge, and contributor at monthly Board of Directors meetings. Colin Seid and Richard Annis were this year's winners of the Tuscher Award, provided for the Jaguar 25 years or older that has the highest point total in our annual concours, for their flawless 1935 SS-1. Service Awards were announced for members that completed their tenure in 2016 for their chosen role(s):

- Jim Hallameyer, *Jaguar Tracks* Editor 2013-2016
- Dick and Francine Kearney, Logo Czars 2006-2017
- George Klein, President 2014-2015, Director 2012-2014
- Mark Morris, Property Manager 2014-2016
- Paul Novak, Chief Judge 2010-2016
- Lloyd Prosser, Director 2013-2016

As I have mentioned in the past, I am always intrigued as to what motivated members to buy their Jaguars. As we know, there are many options on the market today for new, used and vintage cars, so what it is about Jaguar that draws us to the marque? This question came up at an SDJC Board Meeting recently and we decided it would make an excellent basis for a new series of articles with the theme "Getting to Know You". The question then was who would take the plunge to reveal their secrets to club members. The answer was a couple that I think most of you know: Bob and Ali Proctor! You will enjoy reading about them and how they came to own their beautiful '67 E-Type Coupe.

Stick Holmes, former SDJC President, Webmaster, *Jaguar Tracks* editor, Concours judge, and winner of the JCNA Andrew Whyte Award presented annually to a member who has contributed significantly to his/her JCNA affiliate or JCNA as a whole, has contributed an article about his Christmas Jaguar. He recaps his futile attempts to resist the siren call of a beautiful new Jaguar model.

I hope to see you on the "Run for the Border" drive on January 14th being hosted by the Proctors. Drives are one of the highlights of club membership for me, especially when they allow us to enjoy the often still-uncrowded backcountry roads.

SDJC Holiday Party

By Ali Proctor

Well another fabulous event is in the books. Thanks to the exhaustive efforts of the 2016 Holiday Party Committee (headed up by Diane Mac Donald and including Kathleen Steele, Tolly Williamson, and Suzanne Dutcher), the SDJC Holiday Party was a rousing success.

94th Aero Squadron

Kathleen and Al Steele

Upon arrival at the 94th Aero Squadron guests were greeted by a Vintage-clad Al and Kathleen Steele and directed to the party room. There, guests were checked in and could relax with drinks and passed hors d'oeuvres, amply provided by an extremely attentive wait staff. By chance, Santa is a Jaguar fan and put in an appearance to hear who was naughty and who was nice. Santa even posed for photos at the SDJC party's cocktail hour before having to rush back to the North Pole and finish up those last minute Christmas gifts. Luckily for Bob, Ali was unable to have a chat with Santa before he had to fly. To see all of the photos with Santa, go to the club website (sdjag.com) Club Member's Page.

Dinner was delicious and the lovely floral centerpieces (delivered by Suzanne) were a take-home gift for winners of the "Pass the Spoon" contest held at each of the tables. President Dan Jensen introduced the incoming 2017 Board of Directors, Officers, and Functional Chairs (all to appropriately themed music, chosen by Diane): President, Dan Jensen; Immediate Past President, George Klein; 1st Vice President - Events, Bob Proctor; 2nd Vice President - Membership, Nedra Rummell; Treasurer, Dave Allen; Secretary, Ali Proctor; Directors, Tim Bennett, Mark Hodges, Chuck Leuthen, Al Steele, and Vic Chang (Emeritus).

The new Board of Directors, all of whom seem to be looking forward to 2017

The remainder of the evening was spent visiting and dancing to the tunes spun by DJ Mike Statz (who, by the way, is active Navy). Diane did a wonderful job of planning the event, but missed the party because she and Roger were on a cruise in Tahiti renewing their marriage vows. Thanks Diane! We missed you guys. Special thanks to Curtis Parker and Dave Allen (wink, wink, nudge, nudge).

Getting to Know... Bob and Ali Proctor

By Ali Proctor

A bit about us...

Bob and I met in 1979 at the State University of New York at Oneonta. We married in 1983 and have 2 children, Sean and Maeve. We moved to Carlsbad CA from the East Coast in 2000. We miss the food and the attitude but not the weather. We have been “empty nesters” for 2+ years. Bob is Director of Retail Sales for Asus Computers and I am a Gemological Service Representative for the Gemological Institute of America (GIA).

Our first Jaguar...

A few years back I noticed Bob spending a lot of time searching for cars on his tablet. He said he was looking at Jaguars as he had always wanted one. This surprised me a bit as I had not known him to be particularly interested in cars, and when we were younger he had always talked about wanting a Volvo 1800 (please remember this part). Bob is very methodical and after much searching he found a 1994 Jaguar XJS Coupe for sale in Orange County. He brought it home and, of course, we became close friends with our local Jaguar mechanic who happened to host occasional outings for his customers. On one of the outings we were so very fortunate to meet Harvey and Tolly Williamson. The Williamson’s were kind enough to invite us to an SDJC event and we were very warmly welcomed. The Williamson’s also introduced us to someone they knew who happened to be selling a 1969 E-Type 2+2 for a friend. Well we took a trip over to Joe and Debra Harding’s place and Bob fell in love with the car. He proceeded to explain that the E-Type was actually his dream car but he did not think he could ever own one so now we had 2 Jaguars. I insisted we could only own one so he sold the XJS. Probably a big mistake on my part but hey live and learn.

Other vehicles...

In addition to the E-Type we are also proud owners of 1967 British Racing Green MGB that Bob gave to me as a birthday gift a few years back. I think I probably asked for a purse. And we also have...wait for it...a 1972 Volvo 1800e! He really did want one of those too. In 2015 he drove home a beautiful, bright yellow (Lemon Ice) 1956 Ford F100 pick-up because “a guy has to haul things”. These 4 “classics” plus our 2 daily drivers make 6 and since that is all the room we have I think we are good.

Interests besides cars...

We enjoy eating out. I enjoy cooking and baking. Bob has a B.S. in Geology and was a Well-site Geologist before switching to the communications and computer industries. I have a B.S. in European History and my Graduate Gemologist Degree. Bob and I are both certified Master Gardeners. We both enjoy reading. Fortunately we both enjoy taking long drives 😊.

As SDJC members...

Since joining the SDJC Bob and I have been blessed to meet so many wonderful people, many of whom have become close friends. Bob became a Director on the Board and I became Secretary (thanks Stick). Bob has been First Vice President for Activities for the past few years. We have both enjoyed being active members of the SDJC and participating on the Board of Directors. I would encourage anyone considering taking a more active role in volunteering with the SDJC to go ahead and take the leap. It has been highly rewarding for both of us.

A Jaguar for Christmas!

By Stick Holmes

“Always own one more Jaguar than you have garage space.” Quoted from somebody smart.

Disclaimer - I did not mean to give myself a new Jaguar for Christmas. It just sort of happened. No, Really!

The seed was planted innocently enough with my receipt of a flyer in the mail from Jaguar of Tacoma, the closest dealership to my home here in Washington State. The flyer was touting the new XE. I liked the photo and I liked the price. I had read several reviews, mostly pro, but still wondered to myself if the car rode and handled as well as bigger Jags. Only one way to find out.....

My daughter, Haley, was just winding up her visit with me for Thanksgiving from Washington State University (Go Cougs!), and it just so happened that Jaguar Tacoma was right on the way between my house and SeaTac International Airport and Luggage Disintegrator. So on the way home after dropping her off for her return flight, I thought I might swing by and take a test drive. And I did.

You would have been proud of me. I was right up front with Lyle, the salesman, and told him I had no intention whatsoever in any way, shape, or form of purchasing a car that day, I just wanted a test drive to see what all the fuss was about. He seemed to understand. The car we test drove was the exact model/package I wanted (the Premium) in white. A quick pre-flight briefing revealed many safety improvements over my old Jag including automatic high beams, front and rear parking aids, blind spot monitoring, and get this, a heated steering wheel!!! It even had a button you can push if you need assistance. I guess it dispatches the Marvel “Guardians of the Galaxy” team or something. My older Jag’s safety features consisted of a parking brake and hazard lights. Anyhow, I loved the handling and ride and all the really cool toys and decided to buy one in the distant future.

This may surprise you, it certainly did me, but Lyle the car salesman had other plans. He asked me if I had a trade-in, which I did and just happened to have driven that day. While a team of malcontents swarmed my pristine 2005 S-Type to attempt to reveal purported flaws, Lyle thoughtfully offered me the opportunity to drive home in a brand new XE today. I firmly reminded him that I had zero point zip interest in purchasing a car today and, if in the distant future I should decide to make a purchase, I wanted it in black. They did not have a black XE on the lot. My immediate future was secure.

I was pleasantly surprised when I found what they offered me for my immaculate trade-in. Lyle asked if I would like to “run the numbers” just in case they ever got a black XE on the lot. I told him to knock himself out. He knocked himself out and the figures came out favorably for me. We both lamented the fact that they didn’t have a black XE available. We had a good cry.

Now, I don’t want any of you to think that I am weak just because I am, but while he was taking down my personal data for future contact, guess what happened? An auto transport truck rolled onto the lot with a load of shiny new Jags. Guess what was sitting right up on top wrapped in protective transport plastic? If you guessed a black on black 2017 Jaguar XE, you’re right! Congratulations! You win the dining room set and trip to Tahiti!

Okay now, let's have a quick review: My poor old beat up S-Type was all but worn out. An embarrassment. The trade-in amount was more than generous. In addition they gave me \$1,000 discount as a JCNA member. The price was good before the discount. They had it in the color I wanted. It had a heated steering wheel! What can I say?

At that point, my daughter texted me that she was boarding the flight for WSU. I texted back to have a good flight and I just bought a new Jaguar. Her response was "Honestly dad, I can't leave you alone for 5 minutes!" My response was, "Never leave a child unattended."
