Presidential Perspective

Well, that was fast! January I mean. As I craft my monthly missive, the sun is again shining in through the windows after our much-needed wet month. The weather had ominous overtones for our first drive of the year, the *Run for the Border* hosted by Bob and Ali Proctor. However, while it rained the Friday before and the Sunday thereafter, the weather was perfect Saturday morning: crystal clear air, cool/cold temperatures, and minimal traffic on either the freeway east or backcounty roads to the Motor Transport Museum in Campo and the Jacumba Hot Springs Spa and Restaurant on the border. Jorgene and I again enjoyed chatting about our Jags and those of other members. While sharing a very enjoyable lunch on the patio at the Spa discussing the virtues of modern XKs with new members Dick and Jackie Tartre, we came to discover we had another mutual interest (dancing) and club memberships outside of SDJC. It's a small world, even these days.

For those of you with an interest in concours, there has been much discussion recently about the need to establish a more level playing field vis-à-vis scoring at the many JCNA concours across the country. One idea is to establish an upper or second Tier concours with the suggested name of the *JCNA Invitational Concours*. It would require side-by-side judging of pre-qualified entries, in specified classes, by the most knowledgeable and well-prepared judges available. Both Champion and Driven classes would be included at a single location for the concours. As you might image, there are advantages and disadvantages to this and other options being evaluated. These will be discussed in detail at the Annual General Meeting in Vancouver, B.C., on March 17-19. Given our long history with our SDJC concours and interest in JCNA concours in generally, we will have SDJC judges in attendance to ensure our oar is in the water.

At this point, I would normally say that I hope to see you at the *San Diego Zoo Tour, Behind the Scene Animal Exhibit Tour, Private Animal Presentation and Buffet Lunch* on February 12. However, if you haven't signed up, that is not likely since the event is now fully booked. Instead, I will encourage you to sign up for the *Run to the Beach*, being organized by Tim and Debbie Bennett and Chuck and Kathy Leuthen. This is an overnight event that will involve a drive through the mountains in east Orange County that ends in Laguna Beach. Our overnight events over the past few years have been very memorable and I highly encourage you to join the fun. This and other events are described further in the following pages.

Jaguar and Land Rover have extended their outstanding discounts to JCNA club members. Check out the details on page 8. There is no better time to buy a new Jag for our upcoming drives!

Run for the Border
January 14, 2017
Hosted by Bob and Ali Proctor

It was a dark and stormy night...well fortunately our drive started the next morning. We lucked out after what seemed like days and days of rain and discussing nothing else but the weather for a week. We were thrilled to wake up to clear skies on Saturday morning. A stalwart group of members gathered at the starting location in Mission Valley in the morning. After coffee and initial instructions from Bob, approximately 30 (yes, you read that right 30) Jaguars headed East on I 8 for the first leg of the Run for the Border.

Bob Proctor provides directions

After a few nerve racking moments at over 4000 foot elevation where the Proctor's E-Type randomly lost power and spewed some brown smoke (sorry to those of you behind us) the Jaguars headed down the mountains and gathered again at the Buckman Springs rest area. We had a quick health break, got a head count, and gave Joe Harding and his intrepid navigator, Rick Blethen, a chance to warm up after the 70mph ride in their open XK120. We then started out on Route 94 for the Motor Transport Museum which, fortunately, turned out to be considerably less muddy than anticipated. We divided up into a couple of groups in order to get a history lesson and tour of the "Museum" before heading out East through Boulevard and then South along the border to Jacumba Hot Springs. A few of our members received "Welcome to Mexico" messages

on their cell phones as we drove into Jacumba Hot Springs. We enjoyed a very nice lunch at the Jacumba Resort and Spa. SDJC took over the entire restaurant, where the staff worked hard to accommodate our group of over

50 club members. We caught up and discussed which of the giant engines at the museum was our favorite. We also discussed who was planning on going to the upcoming SD Zoo event, in February, or on March's **Run to the Beach**. Bets were taken whether the Proctor's would be riding home in a AAA tow truck. The restaurant did a superb job of taking all our orders and getting us fed in a timely manner. Club members were then on their own to make their way back to San Diego, visit the Jacumba sites (flying saucer repair anyone?), or as I suspect many members did, visit the Wisteria Candy Cottage in Boulevard before heading home.

Getting to Know... Pete and Christa Rieth

By Pete Rieth

A bit about us..

We joined SDJC in 1993. Pete is a retired Naval Officer and Navy Civil Service Engineer, with advanced degrees in Electrical Engineering and Anthropology/Archaeology. Our two daughters and three granddaughters all live in the San Diego area. Pete has been a JCNA Concours Judge for about 20 years, and recently became the SDJC Chief Judge.

Our first Jaguar..

Ours was a 1960 Mark IX. While living in Central New Jersey in 1993, Pete often passed a forlorn-looking car sitting in a neighborhood driveway. After several weeks, he took a closer look: Complete but rusty gray exterior, the remains of red leather interior, and all that wonderful woodwork! An agreement was made that Pete would buy it IF the current owner could deliver it under its own power to our home. He made it happen, though with less than 6 cylinders firing, no discernable brakes, and few working lights. It's a familiar story: What was first perceived as a rather minor cosmetic job & some quick fixes, became a years-long labor at our new home in San Diego. Renovation was a great learning experience as new skills were learned and some very colorful, helpful folks were added to the list of friends. After several years, the "Gray Whale" moved on to a new owner in Casas Grande, AZ. Typically Jaguar, our Mark IX established a new reputation enroute by dropping a crucial bit of transmission linkage just east of Yuma, causing the proud new owner to be towed home in the late evening rather than driving in Reverse the rest of the route.

Other vehicles..

Jaguars have included a 1986 Series III Vanden Plas and Pete's current '99 XJR. Several early Land Cruisers, an Austin Healey 3000, a few motorcycles and assorted other neat wheels have graced our garages over time.

Interests besides cars..

These include foreign travel (we've lived in Germany, Guatemala, Thailand and Japan) and have visited many, many countries. We continue to travel, enjoying time with our friends scattered around the globe and at home. Sailing and Mesoamerican archaeology are among our broader interests.

As SDJC members..

We have always enjoyed the social gatherings, technical exchanges and, of course, the concours activities.

Notes from the Concours Judges' Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

This is my first column as Chief Judge. In this issue of Jaguar Tracks, you will see a “Getting to Know You” article offering some personal background info for those of you who don’t already know me. Following Dick Cavicke and Paul Novak in this position will be a real challenge, to say the least. I promise to do my best, and will always welcome your support and constructive feedback.

2017 Concours Judges Training

Preparations have begun for our Saturday July 15th Concours being held at Spanish Landing Park. Provided below is a summary of the three types of Concours related training that I will offer this year. **Please RSVP to me at least 3 days before any class that you plan to attend so that there will be plenty of refreshments and training materials available.**

- **Concours 101.** A classroom presentation, show and tell, and informal discussion of JCNA concours for those unfamiliar with concours but interested in learning about it. No experience is required, you only need an interest in learning more about JCNA concours. One weekend session is planned on May 13th beginning at 1:30 PM at the San Diego Auto Museum training room. The session will last about 90 minutes.
- **Concours 201 (Optional).** A session to get Apprentice Judges and Judges whose certification has expired up to speed so that they can participate as Certified Judges at our 2017 Concours. Experience as an Apprentice Judge or former JCNA certified Judge is required. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge's Guides will be emphasized. **One weekend session is optional, depending on your feedback for interest in this event.** I'll welcome timely input until May 13th by email or phone.

Concours 301. The formal annual Judges Refresher Training required each year by JCNA to recertify Judges for the current concours year. Includes a classroom presentation, a review of the more important aspects of the JCNA Concours Rule Book, and discussions of the Rule Book changes for 2017. I plan to highlight the outcome of significant initiatives addressed at the 17-19 March 2017 AGM and their potential impact on our activities. The written 2017 Judges Test will be administered. Everyone is welcome to attend. This is an excellent way for Judges and Entrants to learn more about JCNA Concours Rules. Two weekend sessions are planned: Session 1 on May 13th at the San Diego Auto Museum beginning at 9 AM, and session 2 on Saturday June 17th beginning at 9 AM at Classic Showcase in Oceanside. Each session normally lasts about 3 hours.

2017 JCNA Concours in the Southwest Region

Here are the established 2017 JCNA Concours for the Southwest Region. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.
