## Presidential Perspective

As I write my latest PP, Jorgene and I are enjoying the wildflower beauty in the Anza-Borrego Desert. The hills are ablaze with bright yellow flowers as far as we can see. Speaking of nature and beauty, what a drive Chuck and Kathy Leuthen and Tim and Debbie Bennett arranged for the weekend of March 11-12! As Chuck describes on page 9, it involved fording streamlets, driving through verdant mountains, and enjoying the evening and following day along the ocean in Laguna Beach. Jorgene and I commented several times (or maybe it was just me), "Who needs to travel to Great Britain (other than to visit the Jaguar factory) when we have this kind of scenery right here in Southern California after a wet winter". But just so Mother Nature could assure us who was in charge, she made sure there was a bit of early June Gloom fogginess by the ocean. But who cared, it was a great event as expected.

This month we have the opportunity to get to know the Allen family in our monthly *Getting to Know* feature on page 12. Dave, Marie and son Matt joined SDJC in July 2014 and it is amazing what one family can do to contribute to the club in such a short time.

The San Diego Union Tribune recently ran an article with the headline "*Another Car Dealership Approved for El Cajon.*" As has been rumored since ownership of Jaguar San Diego transitioned to the Shelly Automotive Group last year, the dealership will move to a new location on a five-acre parcel on the NW corner of North Marshall Avenue and Wagner Drive. Unlike the current dealership, both Jaguar and Land Rover will be offered. The El Cajon City Manager said the dealership should open late next year. Look for added details in the months ahead.

As Bob Proctor will remind us, don't forget *A Weekend of Watercolor and Stained Glass* hosted by Keiichi and Junko Yamamoto at their home on April 15-16. Bob will also provide details about the British Car Club Council *Rolling British Car Day Drive* on April 23, and the *12<sup>th</sup> Annual SDJC Member Celebration Luncheon* on May 6 at the Brigantine Seafood and Oyster Bar in Poway, hosted by Nedra Rummell.

Speaking of upcoming events, be sure to ink in the *Jaguar Jamboree Car Show and Smoking BBQ*, hosted by SDJC member Tom Krefetz at his Classic Showcase facility in Vista. This takes place on June 25 and the great food alone makes this a memorable event. See the signup sheets on pages 18-19.

It's not too early to start planning for the *53<sup>rd</sup> Annual SDJC Concours d'Elegance* at Spanish Landing on Saturday, July 15. Mark Hodges – SDJC Concours Chairman, Webmaster, and computer guru - has made things even easier for entrants and concours staff members alike by transitioning to on-line registration. Go to the *Upcoming Events* tab at [sdjag.com](http://sdjag.com) to sign up. And check out pages 22-26 herein as well.

Please take a moment to read the Thank You letter on page 28 from the San Diego Zoo for the \$1400 contribution by club members. And thanks again to Ray Waite for making possible our annual zoo event.

If you haven't done so already, please renew your membership at the SDJC website at [sdjag.com](http://sdjag.com) using the *Membership: New & Renewal* tab.

On that note, let's get our polishing rags and vacuums out and get ready for a busy spring in our Jags!

Dan

# ***The San Diego Jaguar Club Run to the Beach***

***Hosted by Chuck and Kathy Leuthen and Tim and Debbie Bennett***

By Chuck Leuthen

Sun on the hills and clouds on the breakers. Rocks on the roads and spirits on the rocks. After a hearty breakfast at the Fallbrook Cafe, 40 adventurous souls in classic Jaguar fashion forded streams, climbed mountains and survived the Ortega Highway in search of the sea. After an afternoon relaxing with a cocktail on The Deck or exploring the shops and galleries of downtown Laguna Beach, we celebrated with an evening of both fine dining and fine friends at the Driftwood Kitchen. The next morning came exactly one hour too soon as we sprang forward, but we were compensated by the delightful accommodations of the Pacific Edge Hotel and all that Sunday morning in Laguna Beach has to offer.

## ***Getting to Know... Dave, Marie and Matt Allen***

### **A bit about us...**

Hi, our names are Dave and Marie and we were both born in Sheffield, England. We are, as they say over here, “High School Sweethearts” and we were married in England in 1990. We moved to America in 1995, following Dave’s job as an Airplane Engineer, and have lived in various “airplane towns”, including St. Louis, Palmdale and Fort Worth, before settling down in San Diego where Dave is an Engineering Director for Northrop Grumman. We are both naturalized citizens, while our son, Matt, was born in Fort Worth, TX in 2002. He’s 14 now and will be driving before too long, so be warned.

### **Our first Jaguar...**

We’ve liked Jaguars forever. We even had a Jaguar as our wedding car! (Marie is the one in white!) It’s something about the style, grace and luxury.

The first Jaguar we actually owned was a 2002 X-Type, which we bought in Texas just before Matt was born. Since then we've had two S-Type V8s and now Dave drives a 2015 XF.

We like the classic cars as well and a few years ago we bought a 1987 XJ-S V12. It was that car that made us think about joining the Jaguar Club and maybe meeting up with owners who knew about the mighty V12 engine and special tricks regarding maintenance and Lucas electronics! Marie fell for a 2002 XK8 convertible and now we have "his and hers" collector Jaguars. However, we now realize that Jaguars breed....

A few months ago we came across a 1964 4.2 E-Type Series 1 roadster needing some TLC. It's a nice project and we've recently been spending some quality family time working on it. Matt's fingers are just the right size for working on the car. You may notice from the photos that Matt is growing tall – he used to fit in the back of the XK8. Now he's the taller than Mom & Dad. He actually has a couple of extremely tall cousins – 6 ft 10 in. and 6 ft 11 in. – so who knows how tall he will grow!

This month, we'll focus on some results of the JCNA Annual General Meeting (AGM) 18 March pertinent to concours judging. These comments are summarized for the sake of brevity. Be sure to read the full text when available.

CR-14, NB-1.1:

To resolve the problem of a plethora of 100 point ties at the concours end of year (EOY) for several classes, an intensive study of the 'two-tier' proposal proposed at the 2016 AGM led to adoption this year of a more workable change to Chapter 2, section 1 of the Concours Rule Book. One thing that has changed is the thought that the International Jaguar Festival (IJF) carry a bit more weight than a regular club show. A detailed example was reviewed at the AGM. In short, the more eyes on the car, the better the assessment. The resulting change was adopted, effective in 2017:

## B.1 – North American (NA) Awards

After each JCNA Concours year, JCNA presents the NA Concours awards, 3 deep in each of Champion, Special and Driven Division classes, to the members of the JCNA Affiliates or JCNA Members-at-Large. These annual awards are determined by averaging the Entrant's 3 highest scores during the Concours year. Entries competed in 3 or more JCNA Concours events automatically become eligible for an NA award in their particular Division and Class. If an Entry's 3 highest score average does not position it among the top three places of its class, then the Entrant's highest 2 scores will be evaluated for a Regional award per Section 2.

### B.1.a – First Place Tie Scores

Should a first-place tie occur in any class in the Champion division, for the EOY NA Awards, the first place tie will be resolved by the total scores of all the JCNA sanctioned Concours events in which the entrants have competed that year. Scores achieved at the IJF qualify for inclusion in the 3 score year summary and will be entered twice into the computations in the event of a first place tie in the EOY placements. First place award will be given to the highest total of all the scores from JCNA Concours competition. Second place is the next highest and third place is the third highest. Ties are not affected in second and third place.

### B.2 – Regional Awards (no change)

Regional awards are presented in each of the six JCNA Regions. These annual awards are determined by averaging the Entrant's 2 highest scores achieved in JCNA sanctioned Concours within the Entrant's home region during the Concours year. Scores achieved at the JCNA IJF qualify for inclusion in the 2 score average.

## CR-15: Concours Committee Report Highlights

- The need for additional judging guides remains an issue to support consistent quality judging across the membership. Documentation of authenticity of the newest models needs to be captured through factory channels via JCNA on behalf of the affiliates.
- Concern that all clubs consistently train and enjoin their judges to apply the judging rules correctly and equally remains an issue. (See CR-14 above.)

#### CR-16: Judge's Concours Rules Committee Report highlights

- Once certified, Judges are expected to avail themselves to help with judging whenever needed. (There is no longer a required annual minimum).
- Miscellaneous administrative Rule Book edits and score sheet format corrections were approved.
- Chapter V, Section C. Exterior. Clear Bras are approved for Driven Division only (AGM 2016), and then, only forward of the "A" post. Other locations, and on anywhere on Champion Division Vehicles are considered non-authentic. Flaws on, and beneath these protective coatings are subject to cleanliness and condition (and authenticity, if beneath) deductions.

#### **2017 Concours Judges Training.**

- **Concours 101.** A classroom presentation, show and tell, and informal discussion of JCNA concours for those unfamiliar with concours but interested in learning about it. No experience is required; you only need an interest in learning more about JCNA concours. One weekend session is planned on May 13<sup>th</sup> beginning at 1:30 PM in the San Diego Auto Museum training room. The session will last about 90 minutes.
- **Concours 201 (Optional).** A session to get Apprentice Judges and Judges whose certification has expired up to speed so that they can participate as Certified Judges at our 2017 Concours. Experience as an Apprentice Judge or former JCNA certified Judge is required. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge's Guides will be emphasized. **One weekend session is optional, depending on your feedback for interest in this event.** I'll welcome timely input until May 13<sup>th</sup> by email or phone.

**Concours 301.** The formal annual Judges Refresher Training required each year by JCNA to recertify Judges for the current concours year includes a classroom presentation, a review of the more important aspects of the JCNA Concours Rule Book, and discussions of the Rule Book changes for 2017. The written 2017 Judges Test will be administered. Everyone is welcome to attend. This is an excellent way for Judges and Entrants to learn more about JCNA Concours Rules. Two weekend sessions are planned: Session 1 on May 13<sup>th</sup> at the San Diego Auto Museum beginning at 9 AM, and session 2 on Saturday June 17<sup>th</sup> beginning at 9 AM at Classic Showcase in Oceanside. Each session normally lasts about 3 hours.

**Please RSVP to me at least 3 days before any class that you plan to attend so that there will be plenty of refreshments and training materials available.**

#### **2017 JCNA Concours in the Southwest Region.**

Here are some established 2017 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

21 May - Jaguar Owners Club of Los Angeles, Muckenthaler Cultural Center, Fullerton

15 July - San Diego Jaguar Club, Spanish Landing, San Diego, CA

#### **Looking for a Few Good Women and Men for Concours Judges.**

Preparations are underway for our 15 July 2017 Concours d'Elegance and we are looking for members interested in becoming Certified JCNA Concours Judges. Several new Judges were certified in 2016 (Big thanks and congratulations!), but we still need more. We are definitely looking for a few good women and men to become Concours Judges. Please contact me if you are interested.

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by email at: [60Jaguar@gmail.com](mailto:60Jaguar@gmail.com) or (619) 813-2005.

# DIRECTIONS TO THE CONCOURS

The Concours d'Elegance will be held at Spanish Landing Park, which is located at 4500 Harbor Drive. Spanish Landing Park is on the south side of Harbor Drive, across from the Terminal 2 exit of San Diego International Airport (Lindbergh Field).

## From I-5 North to Harbor Drive:

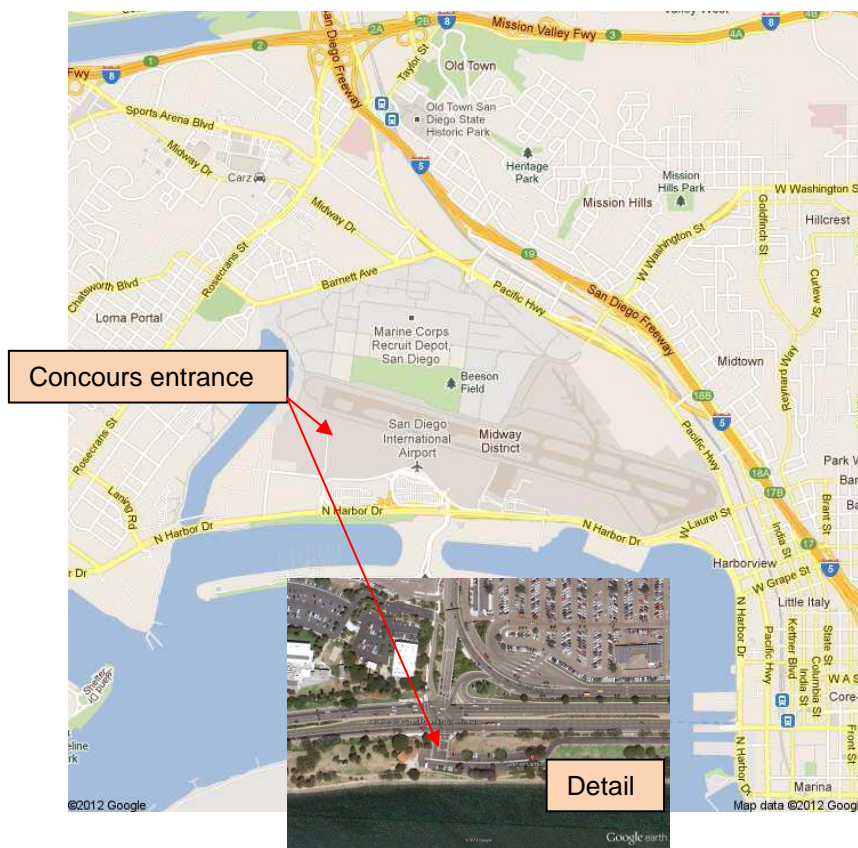

Exit Hawthorne St; follow the curve to go west on Hawthorne. Stay in the middle lane. Turn right on N Harbor Drive when Hawthorne ends and follow the road past the airport.

## From I-5 South to Harbor Drive:

Exit Kettner Street; drive south on Kettner to Laurel Street. Turn right on Laurel Street. Stay in the right lane, which becomes Harbor Drive. Follow the road past the airport.

## On Harbor Drive, Driving Past the Airport:

Stay in the left lane past Terminal 1 and Terminal 2. Watch for the Spanish Landing Park signs. Turn left into the park at the traffic signal for the exit from Terminal 2. The San Diego Jaguar Club feather will be near the parking lot entrance.

# CONCOURS PARKING AND FOOD

## **Parking:**

Day use parking is available in the public parking lot at the entrance to the park, or in any public parking lot. Please obey all rules concerning parking completely in the stalls, meters, and meter time limits.

Parking for towing vehicles and trailers is available across Harbor Drive in the long term parking lot or Liberty Station. Please obey all rules and fees concerning parking in these lots.

Parking out of stall or on the grass is specifically prohibited by port district rules. Only car show vehicles are allowed to park on the grass, and then, only in the area designated by the parking crew or Concours Chairman. Towing vehicles and trailers are specifically prohibited from parking on the grass per our permit (this is a change from years past).

We suggest you arrive early if using the parking lot as it fills rather quickly. Overnight parking of any kind is not allowed on Port District Property, including Spanish Landing Park.

## **Food:**

The San Diego Jaguar Club plans this social event as a car show and picnic. Bring your favorite picnic items and food to enjoy your day at the bay.

Since there are not any restaurants within walking distance of the park, we have two lunch options available onsite.

1. Pre-ordered box lunches from a local deli. The deli will provide a sandwich, condiments, a chosen side, and a cookie. These box lunches will be delivered to the Concours Hospitality Tent between 11 am and noon.
  - a. If you wish a box lunch, be sure to pre-order yours via the registration form and order form available on the club website.
2. Delish Dogs, a gourmet hot dog and sausage vendor, will be onsite to prepare made-to-order food. Pre-ordering here is not required.

## **Hospitality Tent:**

Complimentary coffee and donuts will be available until they run out.

Water will be available for purchase for \$1 a bottle.

## CONCOURS GUIDANCE FOR THE ENTRANT

1. All cars will be judged in accordance with current JCNA rules.
2. Ensure that your "Entrant Data" appears correctly on your score sheets. In order to compete for JCNA regional or North American standings you must be a JCNA member at the time of showing. Your name and JCNA Member Number, entered on the score sheet, must appear the same as on your JCNA Membership Card.
3. The vehicle Entrant or a member of his or her immediate family or trust:
  - a. Must be present during judging and is responsible for showing the car.
  - b. Will be given the opportunity to provide proof of authenticity for any items noted by the judging team for non-authentic point deductions.
  - c. Must initial those non-authentic deductions, which stand.
4. The component judging method will be used. When the judges arrive at your car, please have the boot lid, doors, windows and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in JCNA Concours). If appropriate for your car model, side curtains, tonneau and boot covers should be displayed nearby.
5. Factory and/or aftermarket floor/overmats shall be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
6. Judges are NOT permitted to touch the car without the Entrant's permission. Entrants will please open and/or close the windows, doors, bonnet and boot lid if and when requested.
7. Spare tires need not be removed for judging. However, Champion Division Entrants should be prepared to remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
8. Driven Division entries will NOT have their boot nor engine compartments inspected; however, the judging team will require that bonnets be opened to verify the cars have proper Jaguar engines.
9. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. ENTRANTS WILL PLEASE AVOID EXTRANEOUS CONVERSATION WITH THE JUDGES.
10. Following Operation Verification, Entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15 minute period, the Entrant should contact the Judging Team leader in order for the item to be re-verified and the deduction adjusted if warranted.
11. Entries may not exit the display area prior to the end of the Concours without the permission of the Chief Judge or Concours Chairperson. Early departure is cause for disqualification. If an early departure is approved, a safety escort will be provided.

**THANK YOU FOR YOUR PARTICIPATION AND COOPERATION**

## E-TYPE SIX-CYLINDER

### Originality Guide

Dr. Thomas F. Haddock • Dr. Michael C. Mueller

*A few of the many topics treated in the book are:*

- ▶ Variations between early and late E-type Moss transmissions
- ▶ An analysis of engine block and head part numbers and configurations
- ▶ A review of the myriad of small sheet metal variations in the tub, bonnet and doors
- ▶ Hidden markings on instruments
- ▶ Review of the subtle variations in the early cooling fan motors
- ▶ Coupe sun-visor evolution
- ▶ Markings and tags on carburetors
- ▶ Markings on the various tires originally supplied on E-types

The new book significantly advances the understanding of the original configuration of these remarkable cars.

*JAGUAR E-Type Six Cylinder Originality Guide*  
by Haddock/Mueller

This is the continued work of Dr. Haddock who has two previous editions of the E-Type Originality guide in circulation. Previous editions of his work escalated in price once out of print. This work is simply the first two works on steroids. It is granular in detail down to the correct original wheel weights, minor casting changes, hidden identification numbers and factory markings. We are quite sure some of these documented changes were not realized even by the maker.

Jaguar Tracks Article

Heidi Hetzer Around the World

Source: <https://heidi-around-the-world.com/about/> dated 2 March 2017

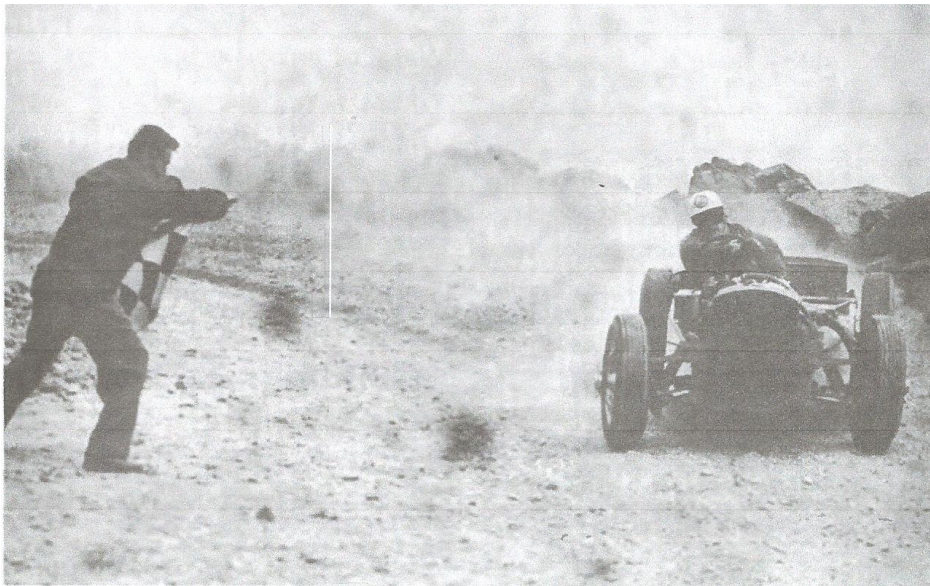

This article is not about Jaguars. However it is about something that holds meaning for all of us in SDJC: What it means to be a real automotive enthusiast.

Heidi Hetzer is a 79-year-old former automobile dealer, rally car driver, classic car collector and popular celebrity in Berlin, Germany. She has just completed circumnavigating the globe, often solo, in a vintage car. She started in July 2014 in Berlin, driving a 1930 Hudson named “Hudo”. Heidi more or less followed in the tracks of a notable German lady, Clärenore Stinnes who made a similar journey from 1927 to 1929.

Heidi’s travels have taken her through Eastern Europe, Central Asia, China, South Asia, Australia and New Zealand. The voyage continued through the USA and Canada, where Heidi lost a finger in an accident while working under the car [SDJC Contributor’s note: As we all should know – NEVER get your digits, hair, or anything else near an engine’s exterior moving parts]. In Miami in December 2015, Heidi was treated for cancer. Luckily she was able to continue her journey (on a ship through the Panama Canal) from Lima, Peru in February of this year. She continued through Bolivia to Argentina and Chile (where vintage car enthusiasts helped get Hudo running again after his breakdown), then to Buenos Aires to ship Hudo to Cape Town for a tour around Southern Africa beginning in August 2016. Heidi triumphantly returned to Berlin on March 12<sup>th</sup>, 2017 by way of Suez Canal, Spain and France.

Interested readers can find many photos and tales of her adventures, including an English Language site version at <https://heidi-um-die-welt.com/2017/03/01/letzte-etappe-von-paris-nach-berlin/>.

Yes, it’s a Jaguar! Sherwood Johnston takes the checkered flag at Mt. Washington as he crosses the line in a dirt-throwing slide. Car is the ex-Masten Gregory “C” Jag, sans body. Johnston made FTD [sic] but did not set a new record. Photo by Ted Koopman. Source: [Jaguar Journal Archive](#).
