Presidential Perspective

Jorgene and I live near the coast and we are still waiting for summer to begin as I write this in late June. Fortunately, as has been the club's good fortune this year, the weather was perfect for the *Jaguar Jamboree* at Classic Showcase in Oceanside on June 25th, sponsored by long-time club members Tom and Debbie Krefetz. There was a great turnout of SDJC members, as well as members from JOCLA and IEJC. As you will read starting on p. 10, SDJC brought home most of the "gold" from the day. Thanks again to Tom and Debbie for hosting this unique event.

Last month I made mention of self-driving (aka autonomous) cars and wondered if Jaguar was going to jump into the mix. Well, no sooner had the June *Jaguar Tracks* "gone to press" than an article appeared in the San Diego Union-Tribune confirming that, yes, Jaguar Land Rover is joining the pack on this newest frontier in automotive engineering. The June 13th article states "Jaguar Land Rover on Monday said it has invested \$25 million in Lyft as part of an effort to ramp up development of autonomous vehicles and other up-and-coming automotive technologies." Given the recent announcements of the all-electric I-Pace; the turbocharged, four-cylinder F-Type (which will be quicker than my 385 hp, V8-powered '11 XJ); and the US -version XF Sportbrake, i.e., station wagon, the offerings from Jaguar continue to grow. When we bought our first Jaguar in 1984, a well-used 1981 XJ6, the XJ-S was the only other model offered. Talk about progress.

I have been serving temporarily as editor of *Jaguar Tracks* over the past six months, following in the steps of Jim Hallameyer, and earlier, Stick Holmes and other club members. I plan to do so through the August issue, after which I'll return to my primary tasks as your president. As Jim and Stick noted, serving as editor is a great way to learn about the club and our many members. If you have a bent for coordinating the input from members, directors, and others, let a Board member know. BTW, this doesn't need to be a solo effort. Several JCNA-affiliated clubs use multiple editors to spread the effort.

Here's looking forward to seeing you at the SDJC Concours on **Saturday, July 15** at Spanish Landing!

Jaguar Jamboree

By Dan Jensen

The 3rd bi-annual *Jaguar Jamboree* was held again this year at Classic Showcase in Oceanside on June 25th. As in years past, Tom and Debbie Krefetz opened up the doors to their facility for an even wider variety of activities for the 100+ attendees. Over 60 SDJC members attended, along with members from the Jaguar Owners Club of Los Angeles and Inland Empire Jaguar Club. New SDJC members Bruce and Stephanie Jamieson, John and Susan Denlinger, Richard Lawler, Malcolm and Lyn Lloyd-Smith, Mark Robbins, and Gary and Rikki Zimmerman got their first, or near-first, experience of an SDJC club event. If they are like Jorgene and me, I'm certain they enjoyed themselves!

Marie, Dave and Matt Allen with Gina Trup

An expanded variety of events were offered during the day. Tours of the Classic Showcase restoration facilities were again provided, along with guest speaker Kevin Easton discussing collector car insurance, Tom providing a seminar on the *Coventry Foundation* (see www.coventryfoundation.org), briefings by Classic Showcase Master Tech David Barber, and a specialized tour led by Bryce Boyce, Shop Supervisor. Hoehn Jaguar also brought a display of several of Jaguar's latest offerings. Throughout the morning and early afternoon, attendees admired the many cars on display and then selected their favorites.

After enjoying the “Smoking BBQ” lunch accompanied by live music provided by the Jamey Holbrook Jazz Band, ballots were counted for *Best of Show, both 1938-1989 and 1990-2017; Most Character; and Drove the Longest Distance to the Show*. SDJC went home with most of the awards, with Jim Hallameyer winning *Best of Show 1990-2017* for his 2014 XK Coupe, Keiichi Yamamoto winning the *Most Character Award* for his 1955 MK 140 MC FHC (featured on the cover of the May 2017 *Jaguar Tracks*), and Al and Olga Quale taking the award for *Drove the Longest Distance to the Show*. *The Best of Show 1938-1989* award was captured by Marco De La Barrera with his 1951 Jaguar XK-120 OTS. Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Concours Day is upon us! The always accurate local weather gurus foretell a glorious day by the bay. Our cadre of experienced judges has completed the required annual refresher training and proficiency testing. We're very pleased to welcome two new Apprentice Judges to the team for 2017: Nedra Rummell and Jim Singmaster.

Our thanks go to both the San Diego Auto Museum's Patrick Heffernan and staff and also to Tom Krefetz' Classic Showcase for providing wonderful teaching venues for Concours 301 training. There's nothing like having a full-up, perfect, Series 1 E-Type engine and an XK-120 OTS at your elbow as teaching aids! Debbie's yummy munchies also really helped to keep the trainee judges' attention active.

On Concours day we are very happy again to have **Jim and Dawn Boese** and **Windley Putnam** as Scorekeepers. For those of you who haven't noticed this somewhat 'behind the scenes' activity, it is a crucial part of bringing an accurate result to the Awards Ceremony in timely fashion. Judges this year will also rotate through duty in the Judges' Tent as Scrutinizers. **Matt Allen** has kindly volunteered as Scoresheet Runner to expedite the judging schedule.

Here's a summary of how the scoring review process works - After each judge team turns in a set of score sheets (Interior, Exterior, Engine and OV for Champion, or only Interior, Exterior and OV for Driven) to the Judges' tent, a series of reviews happens: First, two Scrutinizers review to ensure the sheets are filled out completely and correctly per the JCNA Rule Book, using a checklist and returning those needing corrections. Next, the sheets pass to the Scorekeepers, who again review the scored entries for numeric accuracy and tally each sheet to calculate an overall score for the entry. Finally, all entries' scores are compiled on a single sheet which the Chief Judge and Concours Chair will use during the Awards Ceremony to announce winners of Third, Second and First Place trophies in each competing class (Champion, Special and Driven). After Concours day, the Chief Judge will again review all score sheets for accuracy, making corrections if warranted, and report provisional scores and the Judge Roster to JCNA. After adjudicating any formal protests, the scores become final for purposes of Regional and North American competition.

From I-5 South to Harbor Drive:

Exit Kettner Street; drive south on Kettner to Laurel Street. Turn right on Laurel Street. Stay in the right lane, which becomes Harbor Drive. Follow the road past the airport.

On Harbor Drive, Driving Past the Airport:

Stay in the left lane past Terminal 1 and Terminal 2. Watch for the Spanish Landing Park signs. Turn left into the park at the traffic signal for the exit from Terminal 2. The San Diego Jaguar Club feather will be near the parking lot entrance.

CONCOURS PARKING AND FOOD

Parking:

Day use parking is available in the public parking lot at the entrance to the park, or in any public parking lot. Please obey all rules concerning parking completely in the stalls, meters, and meter time limits.

Parking for towing vehicles and trailers is available across Harbor Drive in the long term parking lot or Liberty Station. Please obey all rules and fees concerning parking in these lots.

Parking out of stall or on the grass is specifically prohibited by port district rules. Only car show vehicles are allowed to park on the grass, and then, only in the area designated by the parking crew or Concours Chairman. Towing vehicles and trailers are specifically prohibited from parking on the grass per our permit (this is a change from years past).

We suggest you arrive early if using the parking lot as it fills rather quickly. Overnight parking of any kind is not allowed on Port District Property, including Spanish Landing Park.

Food:

The San Diego Jaguar Club plans this social event as a car show and picnic. Bring your favorite picnic items and food to enjoy your day at the bay.

Since there are not any restaurants within walking distance of the park, we have two lunch options available onsite.

1. Pre-ordered box lunches from a local deli. The deli will provide a sandwich, condiments, a chosen side, and a cookie. These box lunches will be delivered to the Concours Hospitality Tent between 11 am and noon.
 - a. If you wish a box lunch, be sure to pre-order yours via the registration form and order form available on the club website.
2. Delish Dogs, a gourmet hot dog and sausage vendor, will be onsite to prepare made-to-order food. Pre-ordering here is not required.

Hospitality Tent:

Complimentary coffee and donuts will be available until they run out.

Water will be available for purchase for \$1 a bottle.

CONCOURS GUIDANCE FOR THE ENTRANT

1. All cars will be judged in accordance with current JCNA rules.
2. Ensure that your "Entrant Data" appears correctly on your score sheets. In order to compete for JCNA regional or North American standings you must be a JCNA member at the time of showing. Your name and JCNA Member Number, entered on the score sheet, must appear the same as on your JCNA Membership Card.
3. The vehicle Entrant or a member of his or her immediate family or trust:
 - a. Must be present during judging and is responsible for showing the car.
 - b. Will be given the opportunity to provide proof of authenticity for any items noted by the judging team for non-authentic point deductions.
 - c. Must initial those non-authentic deductions, which stand.
4. The component judging method will be used. When the judges arrive at your car, please have the boot lid, doors, windows and bonnet CLOSED and the soft top ERECT (removable hardtops are not judged in JCNA Concours). If appropriate for your car model, side curtains, tonneaus and boot covers should be displayed nearby.
5. Factory and/or aftermarket floor/overmats shall be removed in order for the Judge to examine the basic carpeting. Factory fitted overmats will be judged; optional and aftermarket overmats will NOT be judged.
6. Judges are NOT permitted to touch the car without the Entrant's permission. Entrants will please open and/or close the windows, doors, bonnet and boot lid if and when requested.
7. Spare tires need not be removed for judging. However, Champion Division Entrants should be prepared to remove fabric tire covers for the Boot Judge to inspect the spare tire and wheel and, if necessary, to move the tire in order for the Judge to examine any tools that may be stowed behind it. The tools may be moved for display in advance. Metal tire covers on exterior spares need NOT be removed.
8. Driven Division entries will NOT have their boot nor engine compartments inspected; however, the judging team will require that bonnets be opened to verify the cars have proper Jaguar engines.
9. Judging teams will make every effort to spend the JCNA-mandated maximum of 15 minutes actually judging each car, plus an additional 5 minutes for Operation Verification. ENTRANTS WILL PLEASE AVOID EXTRANEOUS CONVERSATION WITH THE JUDGES.
10. Following Operation Verification, Entrants are allowed 15 minutes to attempt to correct any light or horn malfunctions. If a repair is accomplished within the allotted 15 minute period, the Entrant should contact the Judging Team leader in order for the item to be re-verified and the deduction adjusted if warranted.
11. Entries may not exit the display area prior to the end of the Concours without the permission of the Chief Judge or Concours Chairperson. Early departure is cause for disqualification. If an early departure is approved, a safety escort will be provided.

THANK YOU FOR YOUR PARTICIPATION AND COOPERATION
