# Presidential Perspective

As is often the case with clubs and volunteer organizations, Boards of Directors discuss ways to retain and expand their membership. It is no different with SDJC. This topic came up at the September Board meeting, which prompted me to recap why Jorgene and I are members of the club. We purchased our first Jaguar in 1984, a 1981 XJ6 in Grosvenor Brown (metallic cinnamon to me) with 40K miles. We kept the car for 15 years and added 110K miles to odometer. It was a good car, with the key attributes of grace and space, but lacking in pace by today's standards. We bought our second Jaguar in 1991, a 1984 XJS in Silver Sand Metallic with 98K miles. We drove this car for almost 20 years and added 69K miles to the odometer.

As you might imagine, being built following the dark days of British Leyland ownership of Jaguar, these cars had many issues over the years of our ownership. Since I had always enjoyed working on cars, I continued to do so with these (and most of our later Jags). However, obtaining reliable advice and documentation at the time was not easy. There was no Internet with the numerous Jaguar forums that now exist, and manuals were sketchy at best for a "shade-tree" mechanic. It was this dearth of information that prompted us to join SDJC in March 1996. I immediately tapped into the technical expertise of club members, which proved invaluable as the cars aged and needed evermore care and maintenance. I have no doubt that these cars would have gone to Jaguar heaven or another owner long before they did without the benefit of club membership. I attended numerous tech sessions in early years of membership, but as newer Jags, and all other cars, have become more complex and difficult to maintain without advanced diagnostic tools, these have pretty much disappeared. However, there is still a font of experience and advice available from SDJC club members that can be tapped, if only to help guide the work of our chosen Jaguar repair shops.

There are many other reasons for being a member of SDJC, the most important for us being the camaraderie that we have developed over the years. One need only attend a few events to get a sense of community that we share as owners of Jaguars.

The next club event is the British Car Day at Spanish Landing East on Sunday, October 8. I reviewed the various car clubs that comprise the British Car Club Council that sponsor the event: Austin Healey, Bentley, DeLorean, Jaguar, Jensen, Land Rover, MG, Minis, Rolls Royce, and Triumph. Oddly, I didn't see Aston Martin. As we know, many of these marques are no longer manufactured. Of those that remain, I would argue that Jaguar/Land Rover has thrived the most, and Jaguar easily has the most diverse offerings, leading edge technologies, and involvement in racing, both vintage and electric Formula E. In fact, I just read the headline of an article that appeared September 12: "Jaguar is starting an all-electric SUV racing series. It will run as a support series for Formula E". This is yet another indication of how far forward Jaguar is leaning to stay ahead of the pack as the automotive industry continues to undergo major transitions.

Enjoy the fall weather as you hopefully hit the back roads for a drive or two this fall.

# BRUNCH AT RIVERWALK GOLF CLUB – SEPTEMBER 9, 2017

By Nedra Rummell

Photos by Roger McDonald and Chuck Leuthen

While driving in Fashion Valley last year, I noticed the beautiful grounds of the Riverwalk Golf Club and thought it could be a future SDJC event venue - and so it goes, the September Brunch was scheduled. On the morning of the brunch as I entered the Club's driveway, my vision was focused on numerous devilish dimpled little white balls on the road. Obviously, the landing zone was a result of those on the driving range with severe slicing swing! Although I was driving a soft top, I still feared a direct hit on the boot or bonnet, if not for my kitty, but for one of our guests. Thankfully there were no direct hits to our gracious kitties maneuvering the "dangerous" drive to the clubhouse.

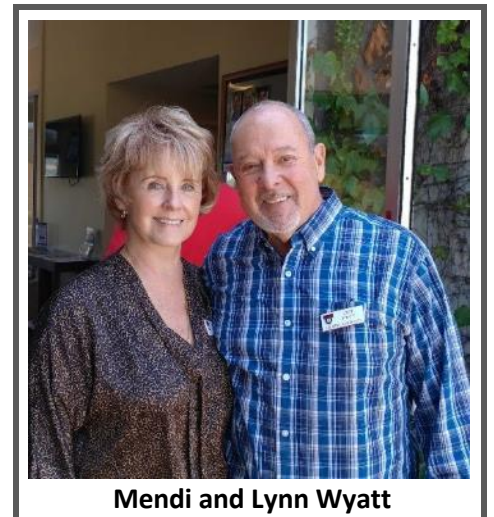

The Presidio Room was perfect for our event with a wall of glass providing splendid views of the grounds. The veranda and adjoining bar was the ideal setting to greet fellow members and enjoy a Bloody Mary, either virgin or otherwise, which seemed to be the libation of the day. Of course, that was the weekend many members were checking the Riverwalk's TV's to follow the path of Hurricane Irma I'm happy to report our former club members, the Newmin's in Punta Gorda, rode out the storm without major damage, as did many of my classmates who were preparing to attend our 50<sup>th</sup> Class reunion in Indiana the next week.

**Tim Bennett, Bob Decker, Connie Nobel, and Debbie Bennett**

It was a close call for a couple of members – the Allen family had been enjoying a leisurely Saturday viewing the adorable tiger babies at the Safari Park. At one point, Dave questioned the date of the club's September club event – only to realize it was on the same day and time. They rushed to Riverwalk arriving on time and chuckling at their oversight. Thankfully I made a phone call to an SDJC couple, who will remain anonymous, advising them of parking arrangements. At that time, the Mrs. was starting breakfast for the Mr. and had forgotten about the event. In record speed, they made it on time to fulfill their club duties: Hint...one arrives with tickets and prizes and the other with a camera.

It was a pleasure to be seated with Dave and Windley Putnam who brought their neighbor, Lisa Kelty, a new member and proud owner of a BRG F-Type Coupe. As always, the Quale's drove the longest distance from Valencia, with the Bennetts and Leuthens driving a bit shorter distance from OC. Of course, feeding the "No Kitty Kitty" for not driving a Jaguar to a club event is always amusing, hearing all the excuses and explanations. Lynn and Mandi Wyatt were smiling when donating to the Kitty – instead of one of their Jags, they were in their newly acquired Aston Martin!

**Mendi and Lynn Wyatt**

As always, our President, Dan Jensen, does an outstanding job conducting the meeting in a fun and informative manner. I'm continually amazed at his remarkable recall of details as he casually covers the room, introducing new members, guests, and recalling interesting facts about the SDJC members' Jags and past events. The Raffle Queen, Diane McDonald (remember tickets and prizes), as always had shopped for prizes to appeal to everyone. After having her ticket pulled, the gracious Ruth Corcoran picked a modernistic silver Jaguar sculpture, and when another of her tickets was pulled, she thoughtfully passed to allow another member an opportunity to win. Another winner, Chuck Leuthen, being the smart man that he is, selected a beautiful animal-print Chico scarf for his lovely wife Kathy – and she really liked it! My guest, Celia Hunter, won a highly recommended bottle of wine contributed by Pete Reith. However, she refused to accept it because she wasn't a member and it is now in my possession and will be transported to the Inland Empire Jaguar Club (IEJC) Concours for sharing. As a side note, I'm delighted to report Celia is seriously considering purchasing a Jaguar and becoming a SDJC member (I'm not admitting to any pressure from me.....well maybe some).

Here's a compliment to the Riverwalk Catering Department for an ample supply and outstanding array of delicious brunch options, more than enough for second and even third helpings. Sadly, the local news media recently announced Riverwalk will be closing in 2020 to make room for condos and shops, but will retain many acres of parkland – still a loss of beautiful greenspace in Fashion Valley.

**Ali Proctor, Karen Soens and Deborah Harding**

**Mitch and Parvin Cohen**

On a closing note, I have heard remarks from numerous members indicating they would like to help at events or become more involved in the club. Hosting an event is a perfect opportunity to introduce the club to your favorite restaurant or meeting venue and with our new reservation system, it is easier than ever. The Board of Directors is working on posting Officer, Functional Chair and Hosting duties on the website. Be sure to check it out soon to see how easy it can be, a great way to become more involved.

Looking forward to seeing everyone at IEJC Concours at Idyllwild and British Car Day!

Wow, how time flies! Jaguar Tracks from 10 years ago this month, with Steve Hawley's 1968 MK II 240 on the cover and featuring excerpts from Madam President Kathryn Partain, a welcome to our New Members by Nedra Rummell, Neil Hadfield's 1952 C-Type XKCO32 and Tech Tips from Paul Novak.

**Madam President**

Two events took place in October. On September 8<sup>th</sup> we made the drive to Oceanside to go to the Mortland's English Tudor home (complete with 6 stables for the cars) for pre-lunch champagne, hors d'oeuvres, and ogling the calendar sample. Stick and Vic are winding down taking orders - but you still have a chance to buy one. Then 31 of us drove off to Finnigans Pub in Carlsbad for the Concours Afterglow lunch. The food was very good & plentiful. We had a nice raffle with 10 prizes. Thank you Bruce & Ann for your hospitality and making the arrangements for the lovely party.

As promised in earlier newsletters, after lunch on September 8<sup>th</sup> four SDJC cars left the Pub and drove up together to Redondo Beach to spend the night and go to the JOC LA Concours at the South Coast Botanical Gardens on Sunday the 9<sup>th</sup>. We met the goal to do even better this year than last, in terms of both the number of cars making the trip and the number of awards we won. There's

### Bare Metal Repaint For My 1984 XJ6 Vanden Plas

As detailed in five earlier issues of Jaguar Tracks, I took my 1984 XJ6 Vanden Plas to "A Perfect Fix" auto body shop (see their ad elsewhere in this issue of Jaguar Tracks) for a bare metal repaint to correct some serious rust in both windshield channels as well as to eliminate a bad case of "paint checking" that destroyed the paint on my car. Over the years the beauty of the car diminished and had started to reduce my driving enjoyment. This

- Cleaned up the best of my Kent Alloy wheels, applied touch up paint where needed, applied wax and mounted the new tires and wheels on the car (the tires were professionally mounted on the wheels).
- Installed a new front grille

# Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun.

**2017 SDJC Concours Analysis:** I provided a list of the provisional scores for the 31 judged Entries at our Concours in the August Jaguar Tracks. They are now FINAL. This month I took a deeper look at the Entrants, Entries, Judges and other facets of our Concours and came up with these interesting facts:

- There were 55 Entries registered for our July 15<sup>th</sup> Concours, 31 Judged Entries and 24 for Display.
- 1 judged Entry was disqualified (unable to present JDHT certificate as required for Preservation Class).
- There were 20 SDJC judged Entries (65%), 7 Jaguar Owners Club of LA Entries (23%), 2 Inland Empire Jaguar Club Entries (6%), 1 Jaguar Club of Central Arizona Entry (3%), and 1 Entry from the Jaguar Club of Mexico (3%).
- Of the 31 Entries that were judged, 16 were in Champion Division, 3 were in Special Division and 12 were in Driven Division.
- A 2014 F-Type was the newest Entry and a 1951 XK-120 was the oldest Entry, spanning 63 years.
- No Entries received perfect scores this year. Craig Wright's 1965 E-Type scored highest (99.95) in Champion Division. Dave & Jocelyn Kelley's (JOCLA) 1995 XJS convertible took highest Driven Division score (9.997). Ken and Glenda Roberts (JCCA) scored highest in Special Division with their 1967 E-Type 2+2 (9.98).
- There was one class with 5 Entries C5/E1 (1 was no show).
- There were two classes with 3 Entries, C14/XK and S2/MOD.
- There were seven classes with 2 Entries, C3/140, C9/XJ, C11/J8, C13/JS, D5/SLS, D10/K8, and D11/XK.
- There were seven classes with only 1 Entry, all receiving uncontested First Place Awards.
- Ten Entries received First Place awards while competing against others in their Class.
- Three received Second Place awards while competing against others in their Class.
- Three Entries received Third Place awards while competing against others in their Class.
- There were 24 Judges, 15 (+ 2 Apprentices) from SDJC (63%), 6 from Jaguar Owners Club of LA (JOCLA) (25%), 2 from Inland Empire Jaguar Club (IEJC) (8%) and 1 from Rocky Mountain Jaguar Club) (4%). For comparison, in 2015, we had more Judges from other clubs (55%) than SDJC (45%) at our Concours.
- There were no formal protests. There were 4 post-event score changes (Down from 8 the year prior).

## ***Getting to Know... Jim Hallameyer***

I joined the San Diego Jaguar Club in July of 1999. My motivation for membership was my fondness for Jaguar automobiles. I chose SDJC because of the people in the club I was getting to know through my involvement in the car hobby. I have stayed with SDJC for what I consider to be the best reason for membership; good people and lasting friendships. In addition to SDJC, I maintain a membership in the Antique Automobile Club of America. Memberships in other clubs have come and gone with the various cars I've owned over the years. At the time I joined SDJC, I owned a 1969 E-Type OTS which was purchased in 1984 from the family of the original owner. It's a low mileage original car which I still have and enjoy now as much as I did then. I had another E-Type OTS in the seventies, but sold it for a Corvette. In addition to the E-type, I currently have a 2014 XK coupe, ordered at Jaguar San Diego and built to my specifications at the factory in Castle Bromwich, UK. Other Jags in the family were my father's 1975 XJ12C and my brother's 1989 XJS convertible. Clearly, we have a soft spot for the marque.

I'm a third generation San Diegan, graduated from St. Augustine HS and eventually earned a bachelor's and master's degree at San Diego State. Career wise, I spent 38 years in public education at the middle school level. My original training was Industrial Arts but, when the PC era arrived, I ramped up my program to the new Industrial Technology Education curriculum. I built a computer lab and taught the kids all the 'techy stuff'. It was a great career but, retirement loomed on the horizon.

Currently, I am the club representative to Jaguar San Diego. For three and a half years I served as the Editor of our newsletter, *Jaguar Tracks*.

I always attend board meetings and most club events. I encourage all of you, if you have not already become active in our club, to do so. There's a lot of work to be done and the more members who are willing to share the load, the easier it is on all of us.

## Bits and Pieces from the Editor's Desk

Spare Parts and such from Chuck Leuthen

**Dear Abby,**

I surely need some strong advice. I am starting to suspect that my wife of nearly 30 years is having an affair. She has been coming home later and later in the evenings these past few weeks and her excuses of having to work late or meet with clients seem very flimsy. Quite often when I answer the phone I just get an immediate hang up. She's paying less and less attention to me and I really think somethings going on behind my back.

I thought that If I could find out who bringing her home after a late evening out I might have the proof. I discovered that if I kneeled down next to the driver's window of my 2003 XJR and looked through the windshield I had a clear vision of the street in front of our house without being seen.

Last Thursday she once again called with the excuse that she would not be home until quite late so I took the opportunity to do my detective work and go spend some time waiting for her to come home. While I was looking through the driver's window and windshield I noticed that both windshield wiper blades are in desperately need replacing. Abby, should I simply replace them with generic blades from PepBoys or spend the extra time and money acquiring genuine Jaguar blades for that year and model?

**Sincerely, Perplexed in Point Loma**

**Dear Perplexed,**

There's really no question here. Non-original replacement parts are going to get you significant deductions in either Champion or Driver Divisions at your next concours event.

## San Diego Jaguar Club Board of Directors' Meeting Minutes – September 13, 2017

Meeting was called to order at Jaguar San Diego at 6:55 p.m. by President, Dan Jensen. The following Board members were present: Bob Proctor; Nedra Rummell; Dave Allen; Ali Proctor; Al Steele; Mark Hodges, Webmaster; Chuck Leuthen, Newsletter Editor. Absent: Tim Bennett; George Klein. Also present: Pete Reith, Chief Judge; Jim Hallameyer, Dealer Rep.; Dave Putnam, BCC Rep.; Pete Picksly, Automotive Museum Rep.; Connie Noble, Mitch Cohen, Richard Lawler.

**Secretary's Report:** July 2017 Minutes were approved electronically.

**Treasurer's Report:** Dave – Membership dues are comparable with this time last year, while Zoo donations are significantly increased (up 40%). Logo wear income is significantly reduced this year (down 50.8%). This reduction in sales was noted last month and is expected since most of our items are purchased directly through the vendors via the website and do not go through our club accounts. Next month will see a small spike in logo expenses since Logo Tzarina Marie has ordered a few items from Lands' End in different sizes for samples. This should be a good service to members who want to examine sizes before ordering custom clothing.

This year's Concours had a net loss of \$728.00. This is remarkable considering the dealer sponsorship of \$1000.00 did not materialize. That's a great achievement by everyone!

Club dinners are shown as operating at a small profit (\$425.00) That is slightly misleading since it reflects the accounts at the end of August and does not include the Riverwalk income from checks or the final bill to the Riverwalk Golf Club. In fact, \$425 is approximately the excess of the PayPal income for the Riverwalk brunch received in August over the initial venue deposit. We are most likely operating at near neutral overall, which is another great achievement!

It is interesting to note that our net income for this year is ~\$6,500 and we have already paid a significant deposit for the Holiday Party. Comparisons with this time last year are difficult since we had not received the Port Authority security deposit at this time last year. It is clear though the expenses are under control and the Club is financially healthy.

Deposits are up to date with Tom Ham's Light House and Lou Tamagni (DJ) for the Holiday Party.

Overall the expenses are under control and the Club is financially healthy.

**First Vice President's Activities Report:** Bob- Events Review – 8/13/17 We had 59 attendees at the Afterglow Luncheon-Rancho Santa Fe Golf Club - hosted by Barbara Bray. 9/9/17 There were 43 members at the Riverwalk Brunch, Mission Valley - hosted by Nedra Rummell. Preview –10/8/17 British Car Day-Spanish Landing East. RSVPs being accepted. Upcoming – 11/5/17 Election Luncheon-San Diego Yacht Club. Hosted by Kathleen and Al Steele. 12/2/17 Holiday Party at Tom Ham's Lighthouse – hosted by Ali and Bob Proctor. As always please check SDJC website for current event news and information on upcoming 2018 calendarial events.

**Membership Report:** Nedra presented the following prospective member(s) to the Board for approval: WILL HOYMAN & ZORYANA BRUHER. Upon a motion by Ali and Seconded by Mark, both were unanimously approved. SDJC Membership is

down, as it is throughout JCNA. Nedra will have discussion with Jaguar San Diego about giving new owners SDJC membership package. Dan reminded how important it is that new members feel welcome and engaged. Nedra to consider raffle on New Members Night for new members only. Nedra has ordered 1000 business-sized SDJC info cards for \$59.00.

**Newsletter Editor's Report:** Newsletter: Chuck- would like all Jaguar Tracks submissions by September 22<sup>nd</sup>. Needs write-up and photos for Riverwalk, Election Luncheon flyer, "Save the Date" flier for Holiday Party, and Presidential Perspective.

**Functional Chair Reports:** Dealer Representative: Jim – no report. Website: Mark – Removed all old events and will post info on the next two events as soon as he is given specifics. Added a link to BCCC website for British Car Day. Classifieds: Mark – 6 ads currently running, four members and two paid. Concours: Mark – 2018 will be Saturday July 14<sup>th</sup>. Chief Judge: Pete R.- All scores final. Craig Wright winner of the Tuchscher Award. 2 new judges have qualified after Nedra hosted Concours 201 course. San Diego Automotive Museum Representative: Pete P.- Next show begins September 22- Off Road Vehicles -all custom built. BCCC Representative: Dave – British Car Day at Spanish Landing East currently 40 cars registered and food vendors will be there. Logo Wear: Marie (via Dave) – Marie has ordered a few logo wear items from Lands' End in different sizes for samples.

**Old Business:** New, permanent signs for Concours and events - Tim Bennett to supply signage-Tabled.

**New Business:** BOD and Functional Chairs to provide description of duties to Dan. Webmaster to handle electronic document storage. Nedra to get more information on JCNA 60<sup>th</sup> Anniversary trip to the UK in 2018, possibly aboard the Queen Mary.

As there was no further business, the meeting was adjourned at 8:07 p.m.

The next board meeting is scheduled for **October 11 2017, at 7:00 p.m.** at Jaguar San Diego.

Respectfully submitted by Ali Proctor, Secretary
