## Presidential Perspective

The Election Luncheon at the San Diego Yacht Club (SDYC) turned out to be a terrific event, as expected: great weather, large turnout, a number of new members in attendance, election of the proposed slate of officers, and a wide array of unique raffle prizes thanks to Diane McDonald. It was also a memorable event for Jorgene and me, albeit for a slightly different reason. When we parked our '07 XK in the parking lot at SDYC, I noticed the coolant fan was running on high. Since this car has never given me any grief re engine cooling or much else (I definitely can't say that about several of my former Jags), I knew something was amiss. Fortunately, the fan started to slow and then shut off after ~10 minutes. I had a bit of angst on the drive home up Mt. Soledad; however, we arrived without incident, but with the fan running "full tilt". A thermostat changeout, and replacement of hoses to be on the safe side, solved the problem. I took the risk of driving the car home since I feel its unbecoming to the Jaguar marque to be towed from a car club event. However, I won't point fingers since this is a sensitive subject for some members who have had the pleasure of having their Jaguars "chauffeured" home from an event!

I received input from several members at the luncheon regarding the planned sale of our Roman Bronze '01 XK8. The consensus was we had our priorities wrong. We should sell the house; buy a home in a more-enlightened, Jaguar-friendly neighborhood; and keep the car! This is not a bad suggestion. However, we have lived in our home for close to 40 years and the idea of moving, let alone extracting the myriad "treasures", spare car parts, etc., stashed away in countless nooks and crannies is not something we want to think about. As a good friend of ours recently suggested after his move from their home of a number of years: "Don't move". He said this during his slow recovery from a serious back strain after the move, but I think the advice holds true. BTW, we decided to roll the dice with the critters in the community parking lot and keep the XK8, at least for the time being. We spent too much time reminiscing about the good times we have had in the car and I was not ready to "give it away" after I had it fully detailed. Does anyone else suffer from this affliction or is it just me?

With the election of George Klein as your 2018 President, this will be my final Presidential Perspective. George will do a great job, having been president in 2014 and 2015, and having a very seasoned board that includes two new members (Mitch Cohen and Connie Noble) to oversee club activities throughout the year. I have found writing the PP a surprisingly enjoyable facet of being president. It has given me a forum to provide a bit of insight into why Jorgene and I have enjoyed the club, our Jags, and especially you, the members, for over 20 years. We have made many friends as a result of our common interest in Jaguars, and enjoyed countless good times together. Thanks again for entrusting this important leadership position to me over the past two years.

As I sign off, I will repeat that Jorgene and I look forward to seeing you at upcoming events in 2018 and many years beyond.

# SDJC ELECTION LUNCHEON

Sunday, November 5, 2017

Recap by Kathleen Steele

Photos by Roger McDonald, Dave Allen and Chuck Leuthen

The day was a wonderful celebration of cars and friends, old and new...starting at the special parking for all the Jaguars in the parking lot. Joe Harding, Malcolm Lloyd-Smith (new member), Dave Allen (who also took pictures) safely helped the cars into the parking places so their aggregate beauty showed. In fact, Club members enjoyed it so much in the parking lot that we had to cat herd (bad pun, sorry) people up to the Commodore's room!! Chuck and Kathy Leuthen, Tim and Debbie Bennett, and Deborah Harding were at the front of the Club to graciously greet people again, and make sure they knew how to find the room upstairs. With all the chatting, it was amazing people got up to the official room!! Ali and Bob Proctor did their usual organized job getting us checked in, with humor the added benefit, of course. A BIG thank you to all these people who set the tone for our friendly club.

When we finally managed to get to the room, everyone socialized until President Dan Jensen called peoples' attention to the election ballots on the tables, (thank you, Lyn Lloyd-Smith for helping) and then introduced Al Steele and his traditional Jaguar game. This time, instead of car parts, the tables competed in identifying 14 identical photos of Jaguars for the prize of being first to go to dessert. It was a fun way to pass the time waiting for one's table to be called for the buffet. Amazingly, there were "Jaguar Wikipedia people" at different tables...such as Dick Cavicke, Paul Novak, Pete Picksley, Joe Harding and Dave Allen to name a few. But the unknown ringer was at winning table #1. Malcolm Lloyd-Smith, who with Joe Harding, made up a tough duo to beat. There was a real competitive spirit out there! Speaking of Jaguar Wikipedians, Al and I went up to San Marcos on Monday to visit long time members Harvey and Tolly Williamson, who were not able to attend this time because of health issues, and Harvey beat you all, including Table 1!!!

Diane McDonald again provided her traditional raffle for attendees, with her always sought-after array of prizes. This time she had a special stunner.... a leather jacket with "Jaguar" on the back, which was left in a bag from an anonymous donor. Thank you, thank you, whoever you are!! This jacket became the coveted object of desire of Joe Harding and others... and Joe almost got out of the door with it before the raffle!! When the suspense of the drawing of the first ticket arrived, Nedra Rummell won!! She went up to get her choice from the prizes, chose the leather jacket, and promptly turned around and gave it to Joe. Wish we had a photo of his face at that moment!! (*We do! Check out the photos that follow! Ed.*) First disappointment, and then a smile like a kid on Christmas morning!! Then Joe had a winner, and gave his ticket to Nedra. Great karma. Also, a special thanks to all the people who took only one prize when winning more than once, twice, 3 times!, and requested more tickets to be drawn!! Spread the joy!!

Cheers, Kathleen Steele

***A note from the editor:*** A big San Diego Jaguar Club "Thank You" to Kathleen and Al Steele for a fun day at the San Diego Yacht Club, which was a beautiful venue. *A note from the editor: Well, it certainly wasn't all fun and games at the 2017 SDJC Election Luncheon. Hard work and difficult choices had to be made. Deals were cut and even some filibustering could be observed at some of the tables. But in the end common sense and true bipartisanship prevailed so that we can now present:*

# Getting to Know.... Lynn and Mendi Wyatt

Profile and photos by Mendi Wyatt

Lynn and I were born and raised in the Los Angeles, California area and also went to the same high school, Lynwood, graduating together, but we hardly knew one another.

Going our separate ways, Lynn joined the Airforce, followed by a job with Flying Tigers Airline, ending up working in Alaska. This is where he became a Bush Pilot and his stories are told in his new book "*Memories from My Logbook: A Bush Pilot's Story*". (<http://booklocker.com/9491>)

I went on to San Diego State College and majored in psychology. After graduation I worked for the next 10 years for the County of San Diego as a Social Worker and Social Work Supervisor. Needing a change from the pressures of my job, I took a break and helped a friend start up a construction company and stayed in the industry as an executive assistant until Lynn and I got together.

We met at our 25<sup>th</sup> High School Class Reunion, but it took another 5 years for us to get together. Lynn left Flying Tigers and moved to San Diego to work for Rohr Aerospace Industries in Chula Vista as an Engineer. We were transferred by Rohr right after our wedding in 1988 to Seoul, Korea where Lynn was an Airline Support Rep. A whole new experience for both of us! We lived in Seoul for 2 years, transferred to Bangkok, Thailand for 2 years, Saudi Arabia for 1 year, and Zurich, Switzerland for 2 years. Temporary assignments were also held in Singapore; Shanghai, China, with Visa renewal trips to the Philippines, Bali, Katmandu-Nepal; Hong Kong, London, and Bonn-Germany. All of the assignments afforded us the chance to join various International Groups and enjoy the experience of many new cultures and the gift of some very special friendships over the years.

Returning to the United States and San Diego in 1996, Lynn returned to his engineering job at Rohr/Goodrich Aerospace in Chula Vista and I worked at Children's Hospital with the Children's Specialists Group of Physicians as an Executive Assistant to the Medical Director and President until she retired in 2008 to pursue her hobbies of photography, quilting, decorating and golf.

Lynn also retired from Goodrich//United Technologies in 2008 becoming a Flight Instructor and Chief Pilot of San Diego Sport Flyers. He was called back to UTAS in 2009 and again retired in 2015. Since then, he was called back again in 6 months to support the Rolls Royce development engine at NASA Space center where he still works part time as a consulting engineer.

I have always loved Jaguars, especially the E Type (Who doesn't?) But my first Jag was a 2002 S-type which is still my daily driver. I also have a 1999 XK-8 Convertible which we have had fun entering in the SDJC Concours (It's not driven as much).

Lynn's daily driver is an FJ Cruiser or his GMC pickup, which has been in the family since 1988. He also has a BMW motorcycle and a 2007 Aston Martin, Vantage.

Lynn enjoys riding and working on his motorcycle, occasionally plays his classical guitar (after studying for 15 years) reads 2 to 3 books a week, and just published his first book. He also spends 1-2 hours 5 days a week at the gym (Use it or lose it!).

We feel that SDJC has allowed us to meet an amazing bunch of really nice people and attend fun events. We always enjoy getting together and socializing.

Cheers!

Lynn and Mendy Wyatt.

Hope to see you all at the SDJC Holiday Party

**A note from the editor:** *Wow, what an exciting story of Lynn and Mendi's adventures! Just a quick reminder that Lynn is doing a reading and book signing of "Memories from My Logbook: A Bush Pilot's Story" on December 9<sup>th</sup> at the Alpine Branch of the San Diego County Library, see the flier to the right (no pun intended). # Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

**HAPPY HOLIDAYS** to everyone and hearty congratulations to our newly elected Club Officers and Directors!

**First and foremost** – I want to offer my sincere thanks to all our Concours Judges – past, present and future: To those retired, those who have been on the team for years, those who qualified more recently, those who qualified late in this very year; and to those who have indicated a desire to commit to joining the team as Apprentices in the coming year (you know who you are). Concours forms a major part of SDJC’s annual activities as well as a focal point for interaction with enthusiasts and friends from other clubs in the Southwest and well beyond. SDJC has a well-deserved reputation for maintaining a very high standard of technical proficiency and adherence to the JCNA Rule Book standards of impartiality and fairness. Our own Chief Judges Emeritus Dick Cavicke (now JCNA Chief Judge) and Paul Novak deserve great credit for having made this happen over the years. Dick’s current involvement with bringing a very much needed XK-120 Judge’s Guide to reality is indicative of this spirit. I’ve seen early drafts of it and can honestly say nothing in JCNA’s current library surpasses it in terms of thoroughness and quality. BRAVO ZULU, Dick and team!

Our currently qualified team of Concours Judges comprises:

Dave Allen	Tom Krefetz	Nedra Rummell
Rick Annis	Will Nighswonger	Jimmie Singmaster
Dick Cavicke (CJ)	Paul Novak (CJ)	Al Steele
Mitch Cohen	Katherine Partain	Doug Todd
Don Harrington	Dave Putnam	Bill Woolley
Steve Hawley	Jack Rabell	Jan Zverina
Robert Huntoon	Pete Rieth (CJ)	

*See you at the Holiday Party!!*

## Bits and Pieces from the Editor's Desk

Spare Parts and such from Chuck Leuthen

Got an extra \$1.25 Million burning a hole in your pocket? You just might want to consider the historic Desert View Tower in Jacumba, now on the market. Some of you may recall stopping by during last January's *Run for the Border* event hosted by Bob and Ali Proctor.

In addition to the tower, the property includes a store, three two-bedroom homes and 90 acres. Sounds like quite a deal.

Thanks for the tip Kathleen Steele!

Refueling, 35,000 feet, early morning hours, late December

Our photographer tried his very best to capture Joe Harding's excitement when Nedra Rummell presented him with that stunning leather jacket. Looks like Joe was unable to contain himself. Oh well!

**New Feature Idea**

## “Where in the World”

If you're a member of the Automobile Club of Southern California and subscribe to their magazine "Westways" you may be familiar with one of their features. They ask their readers when on vacation to submit a picture of themselves while holding up the "Westways" magazine.

I'd like to try and get that started here. I think it would be fun to see where our SDJC friends get away from it all. So, here's what I'm proposing:

When going out of town, whether it be a short get-away drive to Santa Barbara, a flight to Europe, or a cruise to South America, print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better.

Then all you need to do when you get home is email the picture to [chuckleuthen@cox.net](mailto:chuckleuthen@cox.net) along with a description of where you're at and I'll do the rest. It will appear in the next Jaguar Tracks.

I think it will be fun to see **Where in the World** our SDJC friends go on vacation.

Thanks to Paul Novak for this idea!

Cheers, Your Editor
