Presidential Perspective

The 2018 social calendar got off to a fast start with the overnight to Borrego Springs, planned by Bob and Ali Proctor. See the pictures and write up in this edition. February brings another safari, this time to the San Diego Safari Park. Bob Proctor aided significantly by Ray Waite spent a considerable amount of time negotiating this event. March brings another drive, again planned by the Proctors, to Jeremy's on the Hill in Santa Ysabel. Notice the first three events of the year and the Holiday Party have all been planned by the Proctor's. They have done a great job, but how about some help! Jump in, take ownership of a future event, save the Proctor's marriage and get recognition within the club.

Nedra reports each month on the new members. It is my sad duty to report the passing of two long time, valued members.

Harvey Williamson passed away in December. Harvey was a long-time banker and club member. Celebration of Life will be held at the Lakehouse Hotel in Lake San Marcos on 5 February at 3 PM.

Rod Melendez passed away this month. He was the Executive Director of the San Diego Veteran's Museum from 2002 to 2014 and recognized as the Most Valuable Member of SDJC in 2015 for his many years as distribution manager of the Jaguar Tracks. A Celebration of life was held at the Museum on 27 January.

BORREGO SPRINGS DRIVE AND OVERNIGHT EVENT

Saturday & Sunday, January 20 & 21, 2018

Recap by Ali Proctor

Photos by Roger Mc Donald, Matt Allen & Chuck Leuthen

If the first event of the new year is any barometer 2018 is off to an amazing start for the SDJC. We had 70 peeps sign up for the overnight and dinner at the Borrego Springs Resort and Spa. Many of these adventurous members also elected to participate in the group drive from our starting point in Escondido, thru our rest stop in Temecula, and on to Borrego. Much to Ali's relief, everyone made it safely and it did not hurt that Mother Nature once again smiled on the Club (she must be a Jaguar fan) and though it was chilly--there was no rain or snow.

Because the group drive was not a caravan, everyone could travel at their own pace and some certainly quicker than others (you know who you are 😊). All this made hotel check-in a breeze and allowed everyone time to enjoy the town, relax in their room, or belly up to the bar (you know who you are 😊). We were thrilled to have eleven of our new members participate and we all enjoyed spending time with them.

The SDCJ membership blew out the Fireside Room capacity so the Borrego Springs Resort closed their main dining room, The Arches, for the exclusive use of the SDJC. Vice President, Bob Proctor, introduced all the new members present and asked them to tell about their Jaguar. Bob then awarded a bottle of wine to the oldest car (not driver) to make the trip. It was a tough competition between three beautiful 1950's Jaguars. These included: Keiichi and Junko Yamamoto's 1955 XK140 MC FHC, Mike and Peggy Loper's 1955 XK140 FHC, but the wine went to Lou Galper and Deborah Durham for making the 170 mile round-trip in their open two-seater, 1954 XK120. Way to go Lou and Deborah!

After dinner, members spent time visiting and catching up with each other. Many gathered the next morning to breakfast together and then were off to explore Borrego Springs, visit the sculptures, sight-see, and finally make their way home.

The SDJC is proud to have such an active club with so many fun members and we look forward to seeing you all in February at the San Diego Safari Park Excursion.

Cheers, Ali

The drive started from Escondido's North County Mall with a rest stop in Temecula.

British Invasion

March 10, 11

The Austin Healey Association of Southern California, along with the Jaguar Owners club of LA present the British Invasion

Join the British Invasion along the Harbor Walkway from 10 AM to 4 PM and enjoy a unique display of fine British motorcars including Austin-Healeys, Jaguars, Triumphs and others.

Austin-Healey is a British sports car maker established in 1952 through a joint venture between the Austin division of the British Motor Corporation (BMC) and the Donald Healey Motor Company (Healey), a renowned automotive engineering and design firm. It was the first affordable mass produced sports car that could go over 100 MPH. Classic Austin-Healeys, "Big Healeys", were produced from 1953 through 1967. The company also produced the Austin-Healey Sprite (1958 -69) and the Jensen-Healey (1972 -76). All of the Healeys were active in auto racing including European rallies, Le Mans, and Sebring. Most Austin Healeys were produced for the North American market, and California probably is the home to more Healeys today than any other state. For more, see <http://www.austin-healey.org>.

Jaguar is also the producer of classic British sports cars. Jaguar got its name by producing a series of successful eye-catching sports cars, the Jaguar XK120 (1948-54), Jaguar XK140 (1954-7), Jaguar XK150 (1957-61), and Jaguar E-Type (1961-75). The company is still producing cars today, more recently being owned by British Leyland, Ford and now by Tata Motors of India. Jaguar is synonymous with British racing prestige, dating back to Stirling Moss' 1950s heyday. Jaguar enjoyed great success at Le Mans in the 50s - totaling five wins in seven years. It moved into the Formula 1 mainstream when Ford bought Jackie Stewart's team in 1999, as Jaguar Racing's first Grand Prix came at Australian in 2000. For more on Jaguars, see <http://www.lajagclub.com>.

Also joining the Austin Healeys and Jaguars will be other British cars, including Triumphs, Morgans and MGs.

Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

On the East Coast, this time of year is often referred to as the ‘Dark Ages’, George will surely recall this one: It was the days at USNA between Christmas leave and Spring Break when there was absolutely ZERO to look forward to for the Midshipmen except mid-term exams, and for the Plebes following a loss to Army (like this past year) a harrowing winter. The tradition was to scrawl the base of the Tecumseh statue with those black, forbidding words such that each Mid must march past on their dreary way to classes each morning.

Fortunately, we in SOCAL, need only dust the ash and dust off our jewels and motor on! Our hearts go most sincerely out to those who, again may have not been so fortunate in the recent wildfires.

Mark your calendars for Refresher Training:

May 12th at the San Diego Auto Museum – Concours 301 session one in the morning, and Concours 101 beginning at 1 PM.

June 16th at Classic Showcase for Concours 301 session two.

Concours 201 (Hands-On practice Judging for Apprentices and optional for Certified Judges) will be scheduled depending on need and interest level.

Work is proceeding on the new XK 120 Judge’s Guide.

A “Test Drive” of the draft guides formally planned early in February 2018 and hosted at Tom Krefetz’ Classic Showcase in Oceanside WILL NOT take place.

Instead, a new development strategy has been adopted by the JOCLA author:

The Judging Guide is currently under a thorough review by panel of around 18 reviewers. After all changes are made, a final draft will be provided for the JCNA Concours d’Elegance Rules Committee to review and approve prior to the AGM in March. The intended result is two versions - one is to be used by JCNA Clubs for authenticity and judging (LHD Steel-Bodied XK 120’s - March 195 to August 1954). The second is to be used by restorers, owners and clubs for authenticity and judging Alloy and Steel-Bodied XK 120’s – (September 1949 to August 1954).

Classic Movie Jaguar Trivia

In the 1957 version of Fire Down Below starring Rita Hayworth, Robert Mitchum, and Jack Lemmon, what Jaguar makes a cameo appearance in the opening scenes? Answer below.

Bits and Pieces from the Editor's Desk

Spare Parts and Such from Chuck Leuthen

With Borrego Springs Resort being “Pet Friendly”, some members brought their dogs. We brought Jaxon.

After checking out all the Jaguars (we kept her away from the wheels), Jaxon asked me a rather interesting question. She wondered why so many cars are named after cats like Jaguar, Tiger, Cougar, etc. and only one named after dogs!

I thought about it a minute and realized I couldn't think of any. I told her so and she said I was forgetting about **ROVER**. Smart dog.

From the cutting room floor.

Friendly reminder to all of our photographers. Please be sure you have your camera in portrait mode and “pan up” when taking pictures of Jens!

Editor's note: Remember when going out of town to print out a copy of the cover page of the most recent “Jaguar Tracks” and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of where you're at and I'll do the rest to feature it in a “Where in the Word” article!

Send any and all positive comments, feedback and suggestions to chuckleuthen@cox.net. Complaints and criticisms can be sent to my wife Kathy who is keeping a rather extensive file.
