Presidential Perspective

Winter has finally hit San Diego, but so far, our social events have not been affected. Terry and I were not able to participate in the January or February events, but we will join you for the drive to Jeremy's on the Hill in March.

See the pictures of the safari adventure later in this issue. Although the tour included a little more walking than in years past, all survived the journey. I am told that no one was eaten by a lion or swallowed by a python, so our membership numbers remain intact. Thanks again to Bob Proctor and Ray Waite for planning this superb event.

The British Rolling Car Day will journey to Bates Nut Farm. A perfect place for car enthusiast to visit. Hopefully they will not be required to keep some of you.

Enough foolishness for now. Enjoy this issue. Chuck Leuthen has been doing an excellent job as Editor. If there is anything else you would like to see in the Tracks let him know.

George

As George mentioned above, winter has arrived in San Diego as evidenced by this "cool cat" on the hood of Dave Allen's Jag.

SAN DIEGO SAFARI PARK

Sunday, February 11, 2018

Recap by Ali Proctor

Photos by Bob Proctor, Dave Allen, Matt Allen & Chuck Leuthen

Where the Wild Things Are

A day at the World-Famous San Diego Wild Animal Park with the “World-Famous” San Diego Jaguar Club is always exciting from beginning to end. Gathering early (by some people’s standards) at the entrance, members signed in with SD Safari Park volunteers, and then received their tickets and a map. That is where our adventure started.

We made our way, on our own, to the African Outpost to begin our private tram tour of the African Plains. This was a good test of our navigation and map-reading skills. Let’s just say some members did better than others--but we all made it in time.

On the way we were fortunate enough to pass through the Lion Camp exhibit and see these majestic animals up close. The African tram ride was a nice way to spot the animals in a way that closely replicates their natural habitat. We learned how the SD Zoo helps to educate visitors and works to save species worldwide. We also learned that the Safari Park is an expansive wildlife sanctuary, home to more than 3,000 animals representing more than 300 species. Its renowned botanical collection represents 3,500 species and 1.75 million specimens. Over half of the Park’s 1,800 acres have been set aside as protected native species habitat. We all enjoyed viewing such a wide variety of species, shot photos of our favorites (FYI - Bob’s is the giraffe), and had a great time on the tram ride.

After the tram, we headed up to the Mombasa Pavilion for a private animal presentation and what an awesome presentation it was. Our first guest was a majestic Cheetah! We were all mesmerized by her beauty. She was truly breathtaking to behold. After viewing several of the other animal ambassadors, including Julius Squeezer, a 13-foot Burmese Python, we sat down to beautifully set tables and enjoyed an extensive buffet lunch. We then indulged in a seemingly endless supply of incredible dessert cakes.

No one left hungry. Not even one member who straggled in around 12:30pm—you know who you are.

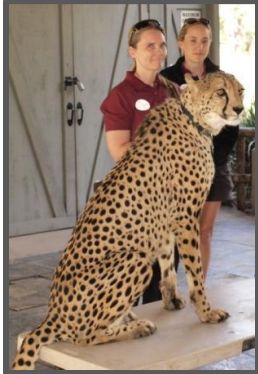

Cheers, Ali

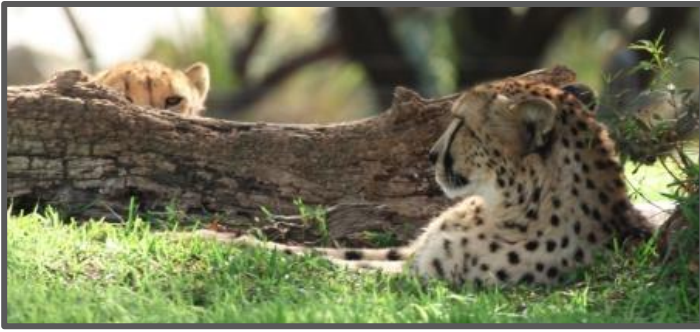

Various species* were observed and cataloged at the Safari Park.

*species

A group of living organisms consisting of similar individuals capable of exchanging genes or interbreeding. The species is the principal taxonomic unit, ranking below genus.

Magna Feline. The Large Cats:

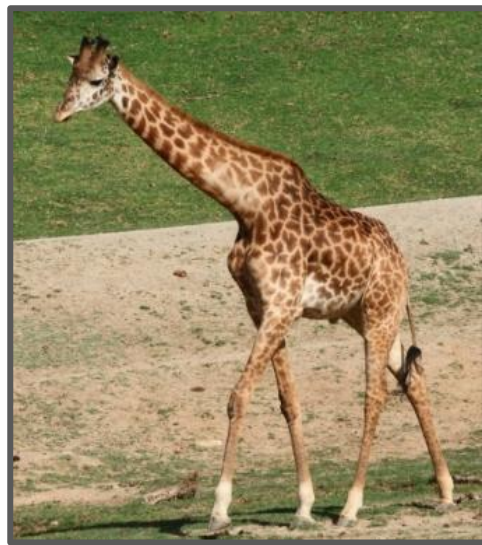

Cat varieties can be identified and differentiated through their various footprints.

Even- and odd-toed ungulate mammals. The Vegetarians:

Warm- and cold-blooded egg-laying vertebrates:

Two-legged bipedal omnivores. The Homo Sapiens:

It would appear that there were no signs to warn against feeding the humanoids:

Mitch Cohen, Parvin Cohen and Nedra Rummell were just a few of many caught in the act.

A number of bipedal primate mammals were observed roaming freely with no handlers in sight:

David Cutler & Adam Cutler

Jim Harkins & Ali Proctor

Interbred species of unknown origin.

JOCLA SURF & TURF

Saturday, February 17

Recap by Chuck Leuthen

Photos by Matt Allen and Chuck Leuthen

This year's Surf & Turf event, hosted by the Jaguar Owners Club of Los Angeles, again started out at the Jaguar Land Rover Training Center in Irvine. There, numerous Jaguars and Austin Healy owners, including a number from our own SDJC, met for a light breakfast. This year, because both my wife, Kathy, and Will Nighswonger's wife, Maritza, had other commitments we teamed up with Will as driver and I as navigator. After breakfast, Steve Kirby, JOCLA's Activities Director, provided an overview of the day's events and handed out the detailed driving instructions.

As in previous years, the drive instructions included a trivia contest pertaining to the drive as well as theme questions. This year's theme was anything and everything related to Jimmy Buffett! The drive, approximately 70 miles long, provided ocean and canyon vistas as well as predetermined stops to pick up poker cards for yet another chance to win big!

Approximately halfway through our drive we had the privilege to spend some time at Morris and Welford, a classic car dealership in Newport Beach. An absolutely beautiful display of very high-end classics.

From there we continued on enjoying the views, scratching our heads while looking for answers to the trivia questions, and picking up more poker cards in hopes of a great hand.

We arrived at our final destination, Canyon Fireside Grill in Rancho Santa Margarita, where we relaxed with our friends before enjoying a great buffet lunch.

As mentioned previously, we had a number of SDJC members at the event and were able to all gather around a table for lunch!

Marie, Matt & Dave Allen, Al & Olga Quale, Will Nighswonger, Nedra Rummell, Chuck Leuthen and Judy Graven. Judy, from JOCLA, not only rode with Nedra but was also tasked with keeping us all in line so we would be welcomed once again next year.

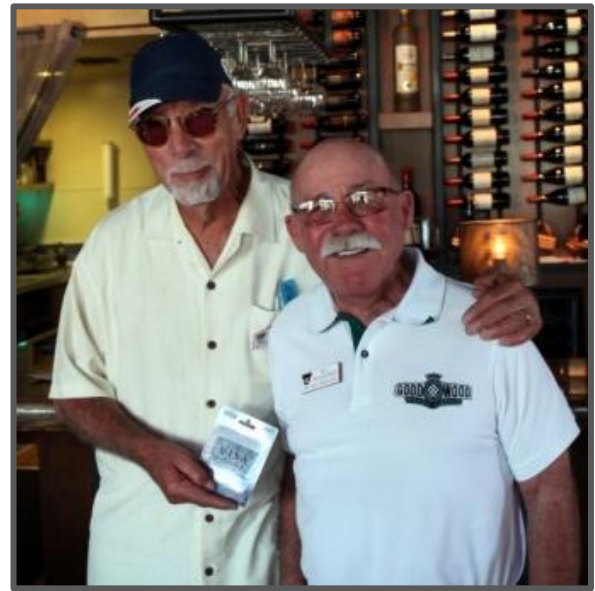

The festivities included the announcement of the winner of the best poker hand, the winners of the trivia contest, and a great raffle. Wow, did our SDJC members take home the Gold!

First off, the winner of the best poker hand was none other than the Allen's with Marie showing off their Royal Flush. (There may have been a little swapping of cards around the table, all perfectly legal, to arrive at such a great hand.)

And little did I know that I just happened to team up with a Jimmy Buffett expert. Will's expertise in everything to do with the Mayor of Margaritaville enabled us to tie for first place in the trivia contest and split a great gift card.

The raffle started out with the announcement of the winners of the two "super prizes" and guess who one of them was? Our own Nedra Rummell, who won a free night in Nashville with passes to the Ryman Auditorium!

Since both Will and I won raffle prizes, and since we both have considerable experience in the ways of women, we both chose and went home with something for the wives. Smart guys, us.

On a more serious and closing note, this annual event hosted by the Jaguar Owners Club of Los Angeles should not be missed. While breakfast and lunch are absolutely free, the attendees show their generosity through the purchase of raffle tickets, additional poker cards and any personal contributions. This year the event raised over \$4000, all going towards the research for a cure for Cystic Fibrosis. See you there next year!

Cheers, Chuck

British Invasion

March 10, 11

The Austin Healey Association of Southern California, along with the Jaguar Owners club of LA present the British Invasion

Join the British Invasion along the Harbor Walkway from 10 AM to 4 PM and enjoy a unique display of fine British motorcars including Austin-Healeys, Jaguars, Triumphs and others.

Austin-Healey is a British sports car maker established in 1952 through a joint venture between the Austin division of the British Motor Corporation (BMC) and the Donald Healey Motor Company (Healey), a renowned automotive engineering and design firm. It was the first affordable mass produced sports car that could go over 100 MPH. Classic Austin-Healeys, "Big Healeys", were produced from 1953 through 1967. The company also produced the Austin-Healey Sprite (1958 -69) and the Jensen-Healey (1972 -76). All of the Healeys were active in auto racing including European rallies, Le Mans, and Sebring. Most Austin Healeys were produced for the North American market, and California probably is the home to more Healeys today than any other state. For more, see <http://www.austin-healey.org>.

Jaguar is also the producer of classic British sports cars. Jaguar got its name by producing a series of successful eye-catching sports cars, the Jaguar XK120 (1948-54), Jaguar XK140 (1954-7), Jaguar XK150 (1957-61), and Jaguar E-Type (1961-75). The company is still producing cars today, more recently being owned by British Leyland, Ford and now by Tata Motors of India. Jaguar is synonymous with British racing prestige, dating back to Stirling Moss' 1950s heyday. Jaguar enjoyed great success at Le Mans in the 50s - totaling five wins in seven years. It moved into the Formula 1 mainstream when Ford bought Jackie Stewart's team in 1999, as Jaguar Racing's first Grand Prix came at Australian in 2000. For more on Jaguars, see <http://www.lajagclub.com>.

Also joining the Austin Healeys and Jaguars will be other British cars, including Triumphs, Morgans and MGs.

Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Farewell to one of our longtime JCNA Judge Cadre members – Harvey Williamson

As noted in last month's journal, we lost a very talented member of our team in December. Harvey had been active for many years, not only in SDJC social, concours, and driving events, but also in numerous other classic auto clubs and in the evolution of San Diego County economy and society. Since almost a decade ago, Harvey had also been a major partner of the SDJC team providing judges in the annual Gran Concurso de Elegancia. This concours, sponsored by our JCNA partner Club Jaguar A.C. for over 30 years, takes place in March or April near Mexico City. The intense four-day event shares training and provides judges for dozens of

marques to award prizes for Best European, Best American, and Best of Show, and – of course, being sponsored by Club Jaguar – the 1st, 2nd and 3rd place trophies in all recognized JCNA sanctioned classes competing in the current year. See Harvey second in from upper right in this 2008 photo, Tom Krefetz at

upper left and Club Jaguar Founder & President Enrique Vila Gil (both former JCNA Regional Directors) at Tom's left. Tom, Harvey and I gathered there again for a last time in 2012. On 2/5/2018, there was a wonderful and touching celebration of Harvey's life at the Lakehouse Hotel in San Marcos with well over 100 family and friends in attendance relating their memories of his life well and fully lived. Thank you, Tolly, for sharing Harvey with all of us for so many happy times over the years in the international circle of his friends!

Now, during the cooler weather days here in SDGO, I ask our wonderful, enthusiastic and professional team of 20(!) certified judges to make the most of your down-time to spare a bit of effort away from TLC of your Jaguars to review the basics of our "JCNA Concours d'Elegance and Judges' Rule Book" (2017 edition, for the moment). Although the AGM at San Antonio in March will consider some evolutionary tweaks, there is no anticipation of significant changes to the underlying philosophy or criteria of how we do our tasks on concours day (Saturday, 14 July 2018). I ask you to refresh your familiarity with JCNA Rule Book chapters III (Judging Ethics) and VI (Non-Authenticity scoring), as well as the JCNA Judging Guides for the jewels of your expertise, in particular. This will help you when we do the recertification testing in May and June.

2018 Concours Judges Training. Preparations have begun for our Saturday July 14th Concours being held at Spanish Landing Park. Hats Off to Mark Hodges, our Concours Chair for doing the many tasks it takes to make our event happen! Provided below is a summary of the three types of Concours related training that I will offer this year. **Please RSVP to me at least 3 days before any class that you plan to attend so that there will be plenty of refreshments and training materials available.**

- **Concours 101.** A classroom presentation, show and tell, and informal discussion of JCNA concours for those unfamiliar with concours but interested in learning about it. No experience is required; you only need an interest in learning more about JCNA concours. One weekend session is planned on May 12th beginning at 1:30 PM in the San Diego Auto Museum training room. The session will last about 90 minutes.

- Concours 201 (Optional). A session to get Apprentice Judges and Judges whose certification has expired (or is about to) up to speed so that they can participate as Certified Judges at our 2018 Concours. Experience as an Apprentice Judge or former JCNA certified Judge is required. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge's Guides will be emphasized. **One weekend session is optional, depending on your feedback for interest in this event.** I'll welcome timely input until May 12th by email or phone. A volunteer will be most welcome to host the event.
- Concours 301. The formal, annual Judges Refresher Training required each year by JCNA to recertify Judges for the current concours year includes a classroom presentation, a review of the more important aspects of the JCNA Concours Rule Book, and discussions of the Rule Book changes for 2018. I plan to highlight the outcome of significant initiatives addressed at the 23-24 March 2018 AGM and their potential impact on our activities. The written 2018 Judges' Test will be administered. Everyone is welcome to attend. This is an excellent way for Judges and Entrants to learn more about JCNA Concours Rules. Two weekend sessions are planned: Session 1 on May 12th at the San Diego Auto Museum beginning at 9 AM, and session 2 on Saturday June 16th beginning at 9 AM at Classic Showcase in Oceanside. Each session normally lasts about 3 hours.

2018 JCNA Concours in the Southwest Region.

Here are some established 2017 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

20 April - Club Jaguar A.C., Gran Concurso de Elegancia Jaguar Club Mexico Las Caballerizas, Dos Rios, Huixquilucan, Estado de Mexico (South Central Region)

20 May - Jaguar Owners Club of Los Angeles Concours, Muckenthaler Cultural Center Fullerton California

14 July - San Diego Jaguar Club (Note: Again, this year, by popular demand, it's on a **SATURDAY**), Spanish Landing, San Diego, CA

11 August - Jaguar Club of New Mexico Jaguar Club of NM Concours, on the plaza in Santa Fe, NM

19 October - Jaguar Club of Central Arizona, Saloons in the Old West 2018, San Marcos Plaza, Chandler, AZ

1-4 November International Jaguar Festival, Fess Parker Resort on Sterns Beach, Santa Barbara, CA (**Judges: Heads up! Our club will be expected to support the concours portion of the event Friday 2 November with a sizeable contingent of certified judges – more to follow!**) See page 45 of the Jan-Feb Jaguar Journal and the JCNA website for further details.

Looking for a Few Good Women and Men for Concours Judges.

Preparations are underway for our 14 July 2018 Concours d'Elegance and we are looking for members interested in becoming Certified JCNA Concours Judges. Several new Judges were certified in 2017 (Big thanks and congratulations!), but we still need more. We are definitely looking for a few good women and men to become Concours Judges.

We will also need one or two judges, or arithmetically competent volunteers, to serve the day on the Score Keeper team whose mission is to ensure that the rough scores offered during the trophy presentation are indeed accurate and complete. This is an ideal opportunity to learn a bit about how the mechanics of the process work for those who might have 'always wondered'!

Please contact me if you are interested.

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

Where in the World?

The first installment of this new feature could also appropriately be called “**Who in the World?**”. Our mysterious SDJC members traveled over 6000 miles to this glorious Italian city on the Adriatic Sea, **Venice**.

While there, they participated in an annual tradition that began in 1162 to celebrate the victory of the Venice Republic over the Patriarch of Aquileia, Ulrica di Treven, the **Carnival of Venice**.

More about the Carnival for those that need a refresher course in Venetian history can be found on Wikipedia!

As far as who our mysterious couple is, let me just point you to their unmasked countenance on the right. It's our very own POTSDJC and his First Lady, **George and Terry Klein**.

Editor's note: Remember when going out of town to print out a copy of the cover page of the most recent “Jaguar Tracks” and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of where you're at and I'll do the rest to feature it in a “**Where in the Word**” article!
