# Presidential Perspective

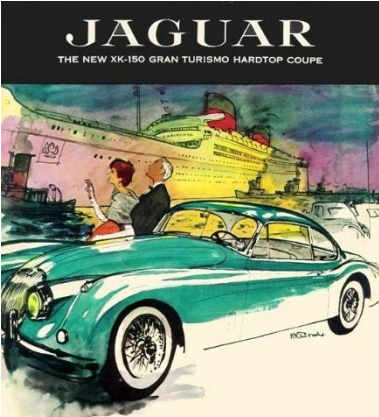

Well, June got off to a bang with another spectacular event planned by the Proctors. If you missed the Craftmanship Museum, it is worth a trip on your own. The lunch at 264 Fresco was well prepared, the service was excellent, no one left hungry and judging from the noise level in the restaurant, fellowship was extraordinary.

By the time you read this the deadline will have already passed for registering your Jaguar for judging at our Concours on 14 July. You can still register your car for display and get a great parking spot on the field or you can just come to the event and ogle the other beautiful Jags on display. Bring a friend or a neighbor. San Diego Jaguar has committed to displaying several new cars this year, so you can inspect the newest models without the pressure of being in the show room.

Be sure to mark your calendar for the Afterglow on 19 August at the Rancho Santa Fe Golf Club. You don't have to have participated in the Concours to attend the Afterglow Luncheon and there will be a few surprises as we celebrate the success of our 54th Concours and the 60th year of JCNA.

Enjoy a happy and safe 4th of July and save some room in your diet for those specialty hot dogs that will be available at the Concours. I look forward to seeing you on July 14th at Spanish Landing.

George

# Pistons and Pasta

SATURDAY, JUNE 9, 2018

Recap by Ali Proctor

Photos by Roger McDonald, Bob Proctor and Dave & Matt Allen

The San Diego Jaguar Club turned up starting at 9:00 a.m. at The Miniature Engineering Craftmanship Museum in Carlsbad and had a whirligig of a time. There was so much to see and for some members, just not enough time. There was something for everyone. Ali volunteered (wink, wink, nudge, nudge) to check-in members as they entered the parking lot, as club members had the luxury to arrive at their convenience. Everyone knew they could take in the museum at their own pace and spend time on the exhibits that were of interest to them. And oh boy was there so much to see.

Exhibits included: The Model Making Section, The Model Engine Section including Steam, Stirling and Internal Combustible Engines (there were probably more but I cannot remember them all - who knew there were so many types of engines?), a complete 1932 Duesenberg - in 1/6 scale, Woodworkers and Carvers, Machining as an Art Form, Clockmakers, Scientific Instruments, Dollhouses, and more. Thank goodness, the museum had some chairs for club members to rest in as they took a break from all the excitement.

Museum volunteers were busy, as they had scheduled non-stop demonstrations of Miniature Engines and, of course, the Do-Nothing Machine, to ensure all club members who wanted to attend the demonstration...could.

By 11:30 a.m. everyone had received Ali's suggested directions to the lunch location, 264 Fresco in downtown Carlsbad, and could make their own way, at their own pace. At 264 Fresco we enjoyed a private room with an Italian Family Style luncheon (just like Bob promised). We had time to catch up with our table-mates and imbibe our favorite libations, all prior to what seemed to be endless passing of the bowls of deliciousness. Lunch courses included Salad, Rigatoni Pasta, Ravioli, Salmon, and best of all, the Cannoli. I think many of us left saying "I can't believe I ate the whole thing!".

George Klein made a quick introduction and then we went around the room and introduced ourselves and our Jaguars. Many thanks to Diane McDonald for providing the raffle and Roger McDonald (with some backup by "Club Photographer in training", Matt Allen) for the pictures. And *Grazie* to all who joined us for a fun and food-filled day!

Ciao, Ali

## Where in the World...

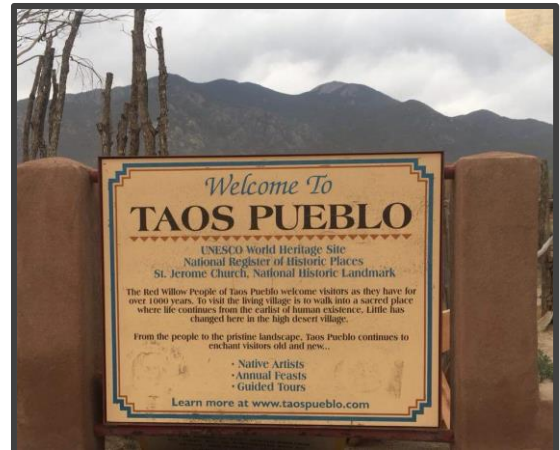

### .. were Debby Novak & Nedra Rummell?

Well, we were in New Mexico!

While visiting Santa Fe and Taos New Mexico, Debby Novak and Nedra Rummell enjoyed a tour of the state capitol, which is the oldest capital city in the US. The capitol, known as "The Roundhouse", combines elements of New Mexico, Pueblo Adobe and Greek Revival architectural styles. From above it resembles the Zia Sun symbol with sun rays in four directions. The photo was taken in front of one of the art pieces in the Capitol Art Collection, which consists of 600 artworks valued at \$5.6 million dollars. The artist, Holly Hughes, sculptured the buffalo head using items she had collected since childhood.

Cheers, Debby & Nedra

## And Where in the World...

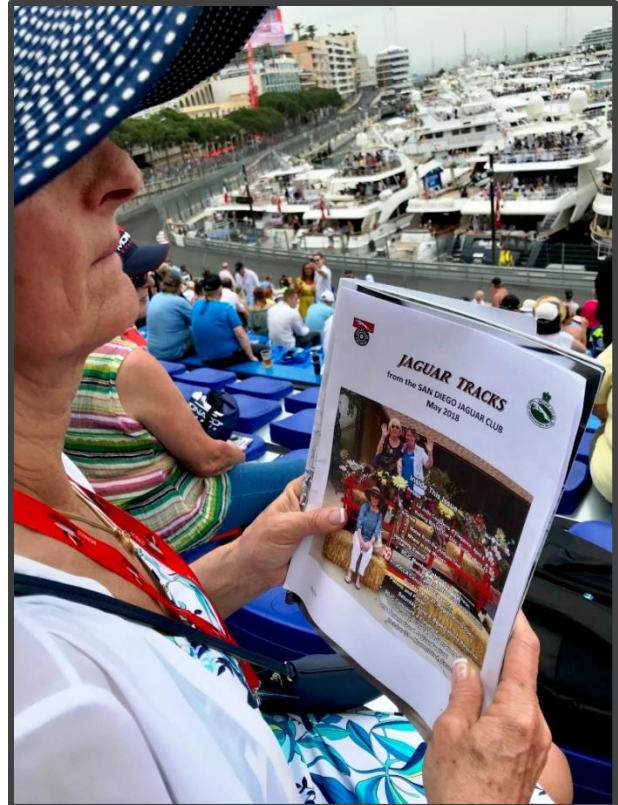

### .. were the Bennett's?

Well, they were at the Monaco Grand Prix!

As part of a seven-day Windstar Cruise of the Spanish and French Riviera, Tim and Debbie attended the Monaco Grand Prix. This once-in-a-lifetime opportunity was overshadowed by very few things, one of which is apparently catching up on the latest news coming out of the San Diego Jaguar Club. At least according to Debbie, whose rapt attention is on a recent addition of Jaguar Tracks as opposed to Formula 1, as can be seen in the picture at the right.

As part of their 30<sup>th</sup> Wedding Anniversary celebration, Tim and Debbie's two-week getaway included additional time in Barcelona. From there they were able to travel southwest and spend time with longtime friends in Murcia, Spain.

Happy Anniversary Tim & Debbie!

# Notes from the Judges Tent

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Concours Day is upon us! The always accurate local weather gurus foretell a glorious day by the bay. Our cadre of experienced judges has completed the required annual refresher training and proficiency testing. We're very pleased to welcome a new Apprentice Judge to the team for 2018: Diane Bauman.

Our thanks go to both the San Diego Auto Museum's Patrick Heffernan and staff and also to Tom Krefetz' Classic Showcase for providing wonderful teaching venues for Concours 301 training. There's nothing like having a full-up, perfect, Series 1 E-Type engine and an XK-120 OTS at your elbow as teaching aids! Debbie's yummy munchies also really helped to keep the trainee judges' attention active.

On Concours day we are very happy again to have **Jim and Dawn Boese** and this year also **Diane Bauman** as Scorekeepers. For those of you who haven't noticed this somewhat 'behind the scenes' activity, it is a crucial part of bringing an accurate result to the Awards Ceremony in timely fashion. Judges this year will also rotate through duty in the Judges' Tent as Scrutinizers. **Matt Allen** has again kindly volunteered as Scoresheet Runner to expedite the judging schedule.

Here's a summary of how the scoring review process works - After each judge team turns in a set of score sheets (Interior, Exterior, Engine and Operational Verification (OV) for Champion, or only Interior, Exterior and OV for Driven) to the Judges' tent, a series of reviews happens: First, two Scrutinizers review to ensure the sheets are filled out completely and correctly per the JCNA Rule Book, using a checklist and returning those needing corrections. Next, the sheets pass to the Scorekeepers, who again review the scored entries for numeric accuracy and tally each sheet to calculate an overall score for the entry. Finally, all entries' scores are compiled on a single sheet which the Chief Judge and Concours Chair will use during the Awards Ceremony to announce winners of Third, Second and First Place trophies in each competing class (Champion, Special and Driven). After Concours day, the Chief Judge will again review all score sheets for accuracy, making corrections if warranted, and report provisional scores and the Judge Roster to JCNA. After adjudicating any formal protests, the scores become final for purposes of Regional and North American competition.

## **This Month's Tidbit: Dzus Fasteners (As found on spats fitted to aircraft and the early Jaguar saloons, for example)**

Invented and patented by an American engineer of Ukrainian descent William Dzus (Volodymyr Dzhus) in the early 1930s, Dzus fasteners are notable in that they are of an "over-centre" design, requiring positive sustained torque to unfasten. Thus, any minor disturbance to the fastener (e.g., vibration) will tend to correct itself rather than proceed to further loosening as it would in threaded fasteners.

Hello SDJC! Richard Anis and Colin Seid here. Just wanted to let you all know that we did the San Diego chapter proud here in Connecticut at the 2018 Greenwich Concours d'Elegance where we won Best in Show - Elegance with our 1948 Mark IV Drop Head Coup!

### Car Sales for Seniors

A retired older couple returned to a Jaguar dealership where the salesman has just sold the car they had been interested in to a beautiful young blonde in a mini skirt and a halter top.

The old man was visibly upset. He spoke to the salesman sharply, "Young man, I thought you said you would hold that car till we raised the \$85,000 asking price. Yet I just overheard you closed the deal for \$72,000 to the lovely young lady there. And if I remember right, you had insisted there was no way you could discount this model."

The salesman took a deep breath, cleared his throat and reached for a large glass of water. "Well, what can I tell you? She had the cash ready, didn't need any financing help, and, Sir, just look at her, how could I resist?" replied the grinning salesman sheepishly.

Just then the young woman approached the senior couple and gave the car keys to the old man.

"There you go," she said. "I told you I could get that idiot to lower the price."

See you later Dad, Happy Father's Day."

## San Diego British Car Day

Saturday, October 13, 2018

7:00 AM 2:00 PM

Held at Spanish Landing Park East, on Saturday, October 13th, San Diego British Car Day is an annual event, showcasing the best of British vehicles. With grassy areas, shade, and next to the Bay, Spanish Landing Park East is a beautiful showcase for our cars. Held on a SATURDAY this year, so that afternoon traffic is less of a problem, we anticipate a large turnout. The theme this year is "The Tradition of British Racing and Rally Cars", and we are encouraging those historical, but not always show quality, cars to come forward. Telling the stories of Racing and Rally cars through the cars themselves, they are physical tributes to a long and honored pastime. A special award will be given for the Racing and Rally exhibits.

As always, there will be food available, and vendors are encouraged to sign up early. Contact us for more information, using our Contact page.

<https://sandiegbritishcarday.com/contact-us/>

Registration for San Diego British Car Day begins on September 1st. Save the date, you'll want to be here!

This event will feature wine tastings from the vineyards of the Santa Barbara and Carpentaria AVA. In Santa Ynez we will have lunch at the RIDEAU VINEYARD ala a Santa Maria Style BBQ food truck. The Santa Maria BBQ style cooking flavors are famous for smokie and rich tastes and are unique to this region of California. The menu ranges from brisket to seafood, chicken to garden fresh salads. The wines at the Rideau will complement
