We ended June as Katherine Partain again herded 8 cats for the *Day at the Del Mar Fair*. Pictures and write up are in this issue.

July of course was highlighted by our 54<sup>th</sup> Concours de Elegance at Spanish Landing. Mark Hodges, assisted by sons Trevor and Devin and a host of others,

pulled off another spectacular event. Details, acknowledgments and pictures are in this issue, as well as *Notes from the Judges Tent* by Pete Rieth acknowledging his team and posting the provisional results.

Next up is the *Concours Afterglow Luncheon* on 19 August at the Rancho Santa Fe Golf Club. This always popular event is limited by seating capacity. Heed Bob Proctor's warning and reserve early.

September's event will be a drive being planned by Dan and Jorgene Jensen, with more details later in this issue.

The election of Officers and Directors is coming up in November. Some critical positions need to be filled this year: President, 1<sup>st</sup> Vice President and 2 Director positions are open. More on the process to follow next month, but the general duties of the open positions are as follows:

**President:** The President shall be the principal executive officer of the SDJC and, with the support and assistance of the other Officers, shall be responsible for pursuing the purposes of the SDJC and abiding by these Bylaws and the Policies established by the Board.

**1<sup>st</sup> Vice President:** The 1<sup>st</sup> Vice President shall assume the duties of the President in the absence of the latter, and shall undertake such other duties, including but not limited to coordinate and schedule club activities or events, and other duties as the President may assign to him or her.

**Director:** The SDJC's activities and affairs shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors.

There are more details on each position on the member's page of our website.

See you at the Afterglow!

# 15<sup>TH</sup> ANNUAL SDJC DAY AT THE SAN DIEGO COUNTY FAIR

Thursday, June 28, 2018  
By Katherine Partain

From Left to Right - Name	Car
Deborah & Joe Harding	1954 XK 120 OTS
Parvin & Mitch Cohen	2014 F-type
Diana, Mark, & Trevor Hodges	2014 XKR
Don Harrington & Ms. Patty Hennegan	1984 XJS
Katherine Partain & Hazel Beck (taking the picture)	1997 XK8 Coupe
Lou Galper & Deborah Durham	1967 Mark 2
Ali & Bob Proctor	1969 E-Type 2+2

June 28<sup>th</sup> started out with beautiful weather and never changed the whole day. Seven cats, with their staff-owners, arrived in eager anticipation of prancing to the Fairgrounds for a day of basking in the sun while being admired by thousands. Fifteen of us staff members were just as eager to caravan to the fairgrounds, park the cats, and wander around the fairgrounds in search of fun and unusual fair food.

The Pre-take-off meeting - group picture in the Gelson's grocery store parking lot

Fairgrounds parking and set up at the car show

Following pictures for our memory boards, parking, and placing the display forms describing our cars under the front bumpers, we all dispersed for a day of discovery of the wonders that lay ahead, with visions of delectable foods, gardens, arts & crafts, and all those fair shopping deals dancing in our minds.

The Solid Gold entertainer Frankie Avalon performed before a standing-room-only crowd at the at the Showcase Stage 1:00 p.m. show. One of his sons, Frank Jr., plays the drums for the band now. The music included several medleys of Frankie's most famous songs. In addition, the band performed a mixture of song parts from the Everly Brothers as the guitar player is Edan Everly, the son of Don Everly and Phil Everly's nephew. Frankie Avalon and the Everly brothers have been lifelong friends.

**Frankie Avalon - Now, 2018**

**Then, 1963**

We were paired with the Triumph Club this year, who also brought seven cars. The winner of the People's Choice Award for the day was a two-toned 1941 Triumph with a rumble seat. At 3:00 p.m. we had to move our cars out of the show area. While several of us left for points outside of the fairgrounds, several others of us stayed and availed ourselves of touring the exhibits, shopping and eating ice cream.

### **2018 BCCC Ball Bearing Breaker Rally June 2, 2018**

A few members of the San Diego Jaguar Club participated in the Triumph Club-sponsored 2018 BCCC Ball Bearing Breaker Rally on June 2, 2018. The 90-mile, 2.5-hour rally started at the Olive Garden, at 11555 Carmel Mountain Road in San Diego, and finished at the La Carreta Restaurant at 1347 Tavern Rd, Alpine, CA. The first car left the Olive Garden parking lot at 10:01 am. It is unknown when the last car pulled into the La Carreta parking lot.

There were three chances to win awards in this fun and challenging road event. One was a time/speed/distance leg. The car with the closest elapsed time to calculated true time won. The second was to examine clues and/or photos between the numbered route instructions to find and identify signs or landmarks along the way. Awards to cars with the most correct answers. The third was a random drawing of poker cards along the route for best poker hand.

Katherine Partain, and her navigator friend, wanna-be Jaguar owner, Shirley Smith, brought home two of the available nine prizes. The First-Place winner in the time/speed/distance leg was 13 seconds off of the calculated true time. Second place came in 16 seconds too fast and Katherine & Shirley won third place with just 20 seconds too slow. The other award they won was First place in the Best Poker Hand with three-of-a-kind; three 3s with an Ace high.

# ***54TH ANNUAL SDJC CONCOURS D'ELEGANCE***

**Spanish Landing Park, Saturday, July 14, 2018**

**Article by Mark Hodges**

**Photos by Roger McDonald, Mark Hodges, Devin Hodges, Dave Allen, and Matt Allen**

The 2018 SDJC Concours d'Elegance was a great success thanks to all the hard work of everyone who helped Concours Chairman Mark Hodges put on the show. This was my third year chairing the Concours and our twelfth year at Spanish Landing. My thanks to the set-up crew, parking staff, hospitality staff, judges, and the many other members who volunteered their time and energy to make it all happen. Thanks also to the members of the Los Angeles and Inland Empire Clubs, who not only provided entrants, but provided judges to help keep the judging schedule timely. A special thanks to Marcelo Sandoval, General Manager of Jaguar San Diego, for providing financial support and for the display of the newest Jaguars available. While it was a lot of work to put on this show, it was very rewarding to see the results. There was a total of 58 entrants, 32 of them judged and 26 for display.

Remember to register for the Afterglow Luncheon for our post-event celebration. You will have lunch with your club friends, receive an in-person recap of the show, watch a slide show of the Concours, partake in a special dessert created by our own Shelley Gabriel, and maybe even win a raffle prize.

Cheers, Mark

# NOTES FROM THE CONCOURS JUDGES TENT

August 2018

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Concours Day was beautiful! The always accurate local weather gurus foretold a glorious day by the bay, and for once, they were right.

In order to hold our concours, there are many moving parts as we all know. From the judging perspective alone, we need a lot of dedicated individuals to serve as judges, Scrutineers, Apprentice Judges, Scorekeepers and Score Sheet Runners. Because of JCNA requirements that all Judges be certified and current, we rely heavily on the judges from other clubs to augment our own judge cadre. In addition to the judges, we need Scrutineers to initially review the score sheets for accuracy and to correct errors, and Score Keepers to tabulate scores. To keep all this paper flowing smoothly, one or more Score Sheet Runners are essential to ensure the judging and specialist teams are able to focus on their primary duties. Without this team of 25 individuals listed below, our concours would not be possible. **They all have my sincere thanks for their hard work, dedication and good humor under pressure!**

The 21 judges grouped by club were:

IEJC: Mike Zavos

JOCLA: Charlie Hallums, Mark Mayuga, Ed Sowell, Eric Gruver, and Bob Sheridan

SDJC: Dave Allen, Rick Annis, Dick Cavicke, Mitch Cohen, Don Harrington, Robert Huntoon, Tom Krefetz, Will Nighswonger, Paul Novak, Katherine Partain, Dave Putnam, Jim Singmaster, Al Steele, Nedra Rummell and Bill Woolley,

Our 3 Scorekeepers were Dawn Boese, Jim Boese and Diane Bauman.

Our 6 Scrutineers were Dave Allen, Dick Cavicke, Mitch Cohen, Robert Huntoon, Mark Mayuga. Katherine Partain and Mike Zavos,

Our Apprentice Judges were Diane Bauman (SDJC) and Layna Browdy (JOCLA).

Matt Allen was fabulous again as our Score Sheet Runner.

## 2018 SDJC Concours Scores:

Provided on the following page are the provisional scores for the 32 judged entries at our SDJC Concours. All entries were very well prepared for judging and these Entrants deserve our sincere thanks for making our concours a truly exceptional event by sharing their beautiful Jaguars with the judges, other entrants, our club members and spectators.

Get your Hotel reservations in ASAP – see [SDJAG website](#) for helpful hints.

### ... Mitch & Parvin Cohen

By Mitch Cohen

Hi, Mitch here.

I grew up in Boston, Massachusetts and at age 14 I bought my first car, a 1930 Ford Model A that I totally restored. A year later I bought and restored an Indian Chief Motorcycle. At age 18 I bought a 1952 MGTD and this started my love of British cars.

I graduated from the University of Maine with a degree in Engineering. My first job was with Corning Glass in New York. Two years later I was sent to Bluffton, Indiana.

A year later I joined the Ford Motor Co. in Louisville Kentucky at their Heavy Truck Plant as a process engineer, a great experience. Three years later I transferred to the Ford Automotive Assembly Division Corporate Headquarters as a senior engineer in Dearborn, Michigan.

I spent a total of ten years with Ford and left to join a new start-up company, Antique /Classic Auto Restoration, as General Manager/Partner. Business grew extremely fast as word got out and we became one of the largest restoration shops in the Eastern part of US. Employment reached 27 not including a side operation selling about 30 collectible cars.

In 1982 I met Parvin and we married. She said let's live where we can enjoy year around nice weather and where I can enjoy gardening and flowers and you can enjoy automobiles and motorcycles.

Parvin grew up in Tehran, Iran. She moved to Ohio in 1976 after graduating from college with a chemistry degree. Her hobbies are gardening, architecture, interior design and traveling.

My first Jag was a 1955 XK 140 MC DHC that I purchased in 1963 in Corning, NY. Parvin fell in love with classic Jaguars that a friend had while in college. I left the automotive world in 1985 and we came to California. We never looked back.

Of course I cried as I sold one by one the cars in my collection of 9. It was not practical to ship them to CA nor a good move financially!

Our first Jag was an XJS sedan followed by an XJS convertible, XK-150, XF, F-TYPE conv. and F-PACE. Today our F-TYPE, Parvin's pride and joy, is in our stable!

My everyday car is a 2017 Lexus RX 450 H. It is my 98<sup>th</sup> different vehicles that I've owned, which Includes Harleys, Honda GoldWings, BMWs, Kawasaki, all about 10 different motorcycles. Cars and motorcycles are in my blood.

I've been retired for 25 years. Our favorite interest is traveling the world and most of all, cruising ocean or river.

I've been an SDJC members since 2007. Now I am a certified judge and do enjoy that responsibility. Most recently I volunteered to be a Director on the board of our great Club.

Cheers, Mitch Cohen

# San Diego British Car Day

Saturday, October 13, 2018

7:00 AM 2:00 PM

Held at Spanish Landing Park East, on Saturday, October 13th, San Diego British Car Day is an annual event, showcasing the best of British vehicles. With grassy areas, shade, and next to the Bay, Spanish Landing Park East is a beautiful showcase for our cars. Held on a SATURDAY this year, so that afternoon traffic is less of a problem, we anticipate a large turnout. The theme this year is "The Tradition of British Racing and Rally Cars", and we are encouraging those historical, but not always show quality, cars to come forward. Telling the stories of Racing and Rally cars through the cars themselves, they are physical tributes to a long and honored pastime. A special award will be given for the Racing and Rally exhibits.

As always, there will be food available, and vendors are encouraged to sign up early. Contact us for more information, using our Contact page.

<https://sandiegbritishcarday.com/contact-us/>

Registration for San Diego British Car Day begins on September 1st. Save the date, you'll want to be here!

## **Letters to the Editor**

**Dear Mr. Jaguar Tracks Editor,**

**I just read your wonderful newsletter and I'm wondering if I might be able to join your fabulous club.** I do not yet own a Jaguar automobile but plan on saving up to buy one soon. I'm hoping that my skills and experience detailed below might qualify me to become a member.

I am a dynamic figure, often seen scaling walls and crushing ice. I have been known to remodel train stations on my lunch breaks, making them more efficient in the area of heat retention. I translate ethnic slurs for various foreign refugees, I write award-winning operas, I manage time efficiently. Occasionally, I tread water for three days in a row.

I woo women with my sensuous and godlike trombone playing, I can pilot bicycles up severe inclines with unflagging speed, and I cook Thirty-Minute Brownies in twenty minutes. I am an expert in stucco, a veteran in love, and an outlaw in Peru.

Using only a hoe and a large glass of water, I once single-handedly defended a small village in the Amazon Basin from a horde of ferocious army ants. I play bluegrass cello, I was scouted by the Mets, I am the subject of numerous documentaries. When I'm bored, I build large suspension bridges in my yard. I enjoy urban hang gliding. On Wednesdays, after school, I repair electrical appliances free of charge.

I am an abstract artist, a concrete analyst, and a ruthless bookie. Critics worldwide swoon over my original line of corduroy evening wear. I don't perspire. I am a private citizen, yet I receive fan mail. I have been caller number nine and have won the weekend passes. Last summer, I toured New Jersey with a traveling centrifugal-force demonstration. I bat .400. My deft floral arrangements have earned me fame in international botany circles. Children trust me.

I can hurl tennis rackets at small moving objects with deadly accuracy. I once read *Paradise Lost*, *Moby Dick*, and *David Copperfield* in one day and still had time to refurbish an entire dining room that evening. I know the exact location of every food item in the supermarket. I have performed several covert operations for the CIA. I sleep once a week; when I do sleep, I sleep in a chair. While on vacation in Canada, I successfully negotiated with a group of terrorists who had seized a small bakery. The laws of physics do not apply to me.

I balance, I weave, I dodge, I frolic, and my bills are all paid. On weekends, to let off steam, I participate in full-contact origami. Years ago, I discovered the meaning of life but forgot to write it down. I have made extraordinary four-course meals using only a mouli and a toaster oven. I breed prizewinning clams. I have won bullfights in San Juan, cliff-diving competitions in Sri Lanka, and spelling bees at the Kremlin. I have played Hamlet, I have performed open-heart surgery, and I have spoken with Elvis.

But I do not yet belong to a JCNA-sanctioned Jaguar Club.

Sincerely,  
Envious in Encinitas

**Dear Envious,**

***I have forwarded your email to our Membership Chair, Nedra Rummell, in hopes that she will find the courage to contact you. Keep your fingers crossed! – Ed.***

## Letter of the Month

**Hey Mr. Editor,**

**Isn't it about time you updated the design and format of your monthly Newsletter?** After looking at it for the past few years I think it's getting a bit boring and looking kind of dated. How about bringing it up to the 21<sup>st</sup> century?

Do you need me to lend you some new crayons and perhaps a ruler?

Sincerely,  
Disgruntled in Del Mar.

**Dear Disgruntled,**

**See the letter above from Envious in Escondido. He called the Newsletter "wonderful" and even wants to join our "fabulous" club.**

**Be that as it may, I took your letter to heart and have done a refresh on the Newsletter layout, format and graphics. Hopefully it meets your rigorous journalistic and publication standards. And if you're like millions of others that require Jaguar Tracks on a daily basis I believe that this easier-to swallow, less-filling version will be easier on your stomach. Nonetheless, I suggest eating and drinking something while reading. – Ed.**

**Editor's note:** Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to [chuckleuthen@cox.net](mailto:chuckleuthen@cox.net) along with a description of where you're at and I'll do the rest to feature it in a "Where in the Word" article!

Please send any and all positive comments, feedback and suggestions to [chuckleuthen@cox.net](mailto:chuckleuthen@cox.net) .  
Complaints and criticisms can be sent to my wife Kathy who is keeping a rather extensive file.
