By the time you read this, the IEJC Concours will be over and San Diego Jaguar Club members will have brought home all of their new trophies.

13 October, British Car Day is at Spanish Landing East, over 200 cars are expected. See this issue for all of the details.

Thanks to Dan and Jorgene Jensen who planned and hosted a wonderful Loop to the Lake drive followed by a luncheon at Anthony's Fish Grotto.

Don't like the current club leadership? Want to part of a dynamic team? Maybe you just want to have lunch at a scenic location surrounded by friends watching other people's money bobbing on the water. Mark your calendar for the Election Luncheon at the Silver Gate Yacht Club on November 11th. You must be present to vote. The proposed ballot is on page 32, but there is still time to throw your hat in the ring, as long as it is a Jaguar logo cap. One critical position that has yet to be filled is the 1st VP. No previous Board experience is required. A detailed job description is on the SDJC website in the member only pages.

Time is quickly closing for the International Jaguar festival (IJF) registration. This event is seldom held on the West Coast. This is the year to qualify your car for a JCNA trophy and socialize with Jaguar enthusiasts from all of North America.

Wine is constant proof that God loves us and wants to see us happy.

Cheers, George

SDJC DRIVE - LOOP TO THE LAKE

Saturday September 15, 2018

Article by Dan Jensen

Photos by Dave Allen, Matt Allen and Chuck Leuthen

Based on an informal poll of the 48 participants on the *Loop to the Lake Drive* on Saturday, September 15, the event was a great success, even if a few drivers got a little “loopy” along the way. More on this in a minute. The drive started at Starbucks in Rancho San Diego, an excellent location suggested by Mark Hodges, SDJC Webmaster and Concours Chair, who lives in the area. When Jorgene and I first laid out the route, we checked out the starting point: Lots of available parking? Check. Coffee, food, and bathroom facilities? Check. Place to gather in the shade? Check. This all worked according to plan on the day of the drive, plus we enjoyed the company of a group of bike riders who used Starbucks as a rest point in their ride. Several of us learned that even with fully up-to-date SatNav software in our Jaguars, it is often a good idea to doublecheck the route to the starting point via an on-line mapping program. The Jaguar guidance system sent several members in a bit of a roundabout loop in the area while literally in sight of Starbucks (was this an omen?).

After leaving Starbucks, the group headed northeast toward the Sycuan casino, quickly departing the more obvious signs of city living. It was a gorgeous day, with the temperatures in the low 80s. To my knowledge, only one Jaguar overheated, a record I believe for a late summer drive! Jorgene and I weren't the first ones out of the parking lot, but the instructions were clear - or so we thought. What could go wrong? Well, about 15 minutes into the first leg of the drive, the lead car decided they were off course, pulled to the side of the road, and turned around, with several other cars in tow. Since we knew the route, I waved to the driver to stay the course, which they did, rejoining the group near the back of the pack. As we continued on the drive, I was wondering if my directions were less than clear (I took them straight from Google maps based on the route I had mapped out and checked them during our test drive). I decided it was a slight case of the driver getting a bit loopy. At this point, we took over the head of the pack and proceeded on with the drive through Guatay and Pine Valley, and on to the Buckman Springs waypoint. However, while admiring the gorgeous scenery, I saw a sign to I8, which I knew we were to pass under to stay on old Highway 80. Despite the objections of my navigator (“This isn't what the directions say!”), I barreled ahead, with a half-dozen cars following, only to pass under I8 and run straight into a dead end! Fortunately, it had a convenient loop area to turn around in, so little was lost other than a minute or two and the pride of yours truly. The remainder of the trip was loopy-free, although after my escapade, one driver punched in Buckman Springs on their SatNav and just headed straight there on I8 East.

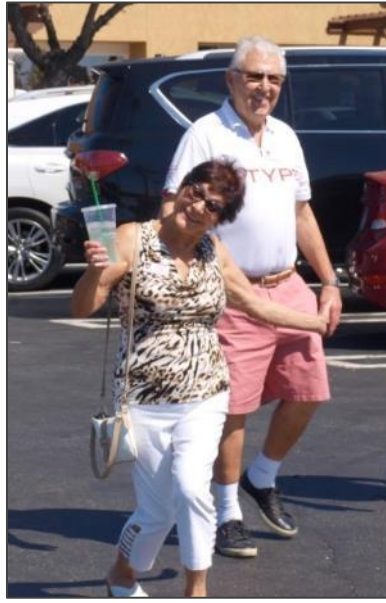

After the rest stop, we headed west at a brisk pace (at least for some of us) on I8 West to *Anthony's Fish Grotto* in La Mesa where we enjoyed an outdoor, lake-side lunch. Since *Anthony's* is known as being dog-friendly (as it says so on their large outdoor sign), several members brought their best friends along. Jorgene and I frequently eat at *Anthony's* and knew that the venue and food would be good. We and others weren't disappointed. Feedback from club members was very positive, with the only negative comment relayed to me being “Why haven't we come here before?”. Who knows, perhaps we'll use this as an end point for another backcountry drive in 2019.

Cheers, Dan

IEJC JAGSTRAVAGANZA & CONCOURS D'ELEGANCE

Saturday, September 29, 2018

Article by Mark Hodges

Photos by Devin Hodges

The Inland Empire Jaguar Club (IEJC) returned to mile-high Idyllwild for their 5th Annual Jagstravaganza Concours. The festivities started on Friday if you spent the weekend in one of the cabins or themed rooms of the host site, the Idyllwild Inn. Those who arrived early enough had dinner together at the Gastronome Restaurant across the street.

The weather was cool Saturday morning and warmed up just as judging started at 10 am. 12 Jaguars made it up the hill from San Diego; 9 were judged and three were put on display and not judged. There was another dozen or so from the LA, Inland Empire, and Arizona clubs.

Tom Krefetz brought his 1963 XKE; Craig Wright and Mary Ann Ward brought their grey 1965 E-Type; Bob & Ali Proctor brought their 1969 XKE; Elizabeth Soens brought her 1994 XJ6; Lisa Ellis brought her 1996 XJS; Lou Galper brought his 1997 X300; Brian Ellis brought his 1999 XJ8; Ed & Karen Soens brought their 2001 XK8; Dave, Marie & Matthew Allen brought their 2002 XK8 and their 2007 XJ8; Nedra Rummell brought her 2014 F-Type convertible; and Dev & I brought our 2014 XKR,

Judging finished a little before 2 pm, so we all gathered around the hospitality cabin for the raffle and then retired to our own cabins to rest before the awards dinner. Some of us went shopping since there were many specialty shops well within walking distance.

The IEJC again reserved the rear patio of Ferro Italian Restaurant, one of the fanciest restaurants in Idyllwild, for the awards dinner. There was plenty of staff and plenty of servers. We were without want of anything. Social hour and appetizers started at 6:00 pm and dinner followed about an hour later.

Mike and Chief Judge Charlie Hallums announced the awards during dinner and I took the pictures of all the awards and took notes.

Awards Ceremony Unofficial Results:

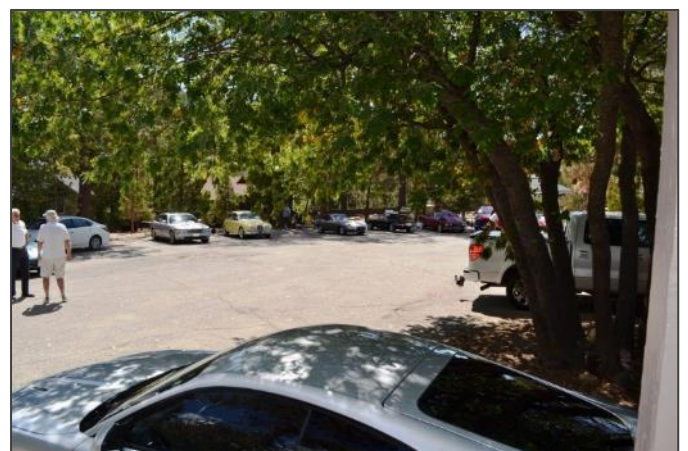

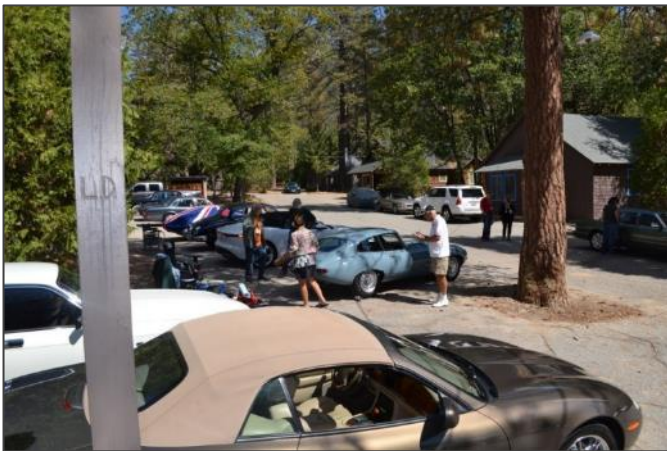

Entrant	Vehicle	Class	Award
Bob & Ali Proctor	1969 XKE	Display	Best Display
Tom Krefetz	1963 XKE	S-2	2nd Place
Elizabeth Soens	1994 XJ6	D-7	1st Place
Ed & Karen Soens	2001 XK8	D-10	1st Place
Dave & Marie Allen	2002 XK8	D-10	2nd Place
Craig Wright & Mary Ann Ward	1965 XKE	C-5	1st Place
Brian Ellis	1999 XJ8	C-11	1st Place
Lisa Ellis	1996 XJS	C-13	1st Place
Mark Hodges	2014 XKR	C-15	1st Place
Nedra Rummell	2014 F-Type	D-20/F	1st Place

After the awards, I grabbed Jim Friel, the LA club president, and we talked about how great these events are. We really are social clubs. While the common denominator that brings us all together is the Jaguar car, it is the people who make the difference.

Every year the IEJC board tries something new and innovative and this year they really pulled it off. My suggestion is for you to spend the weekend up in Idyllwild with us all next year, even if you just drive up for the social events and bring your car just for display. But even if you do bring your car up for judging, the surroundings are so peaceful you might just forget about the stresses of getting your car ready for a good score and just enjoy the scenery.

Cheers, Mark

Editor's note: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of where you're at and I'll do the rest to feature it in a "Where in the Word" article!

NOTES FROM THE CONCOURS JUDGES TENT

October 2018

By Pete Rieth, Chief Judge, San Diego Jaguar Club

This article provides information about the Jaguar Clubs of North America (JCNA) Concours d'Elegance Program to help you understand more about this aspect of Jaguar ownership. If you are a seasoned concours Entrant, I hope this will help you enjoy it more. If you have never participated, I hope this will encourage you to join in the fun.

2018 SDJC Concours Analysis: I provided a list of the provisional scores for the 31 judged Entries at our Concours in the August Jaguar Tracks. They are now FINAL. This month I took a deeper look at the Entrants, Entries, Judges and other facets of our Concours and came up with these interesting facts:

- There were 57 Entries registered for our July 14th Concours, 31 Judged Entries and 26 for Display.
- 1 judged Entry was a NO SHOW and one was non-JCNA, hence not listed in the JCNA Online Scoring System of competitive standings.
- For JCNA standings, there were 21 SDJC judged Entries (68%), 6 Jaguar Owners Club of LA Entries (19%), 2 Inland Empire Jaguar Club Entries (7%), 1 Jaguar Club of Central Arizona Entry (3%) and 1 Jaguar Club of Southern Arizona (3%) Entry. [In round percentage numbers.....for you higher math wizards.]
- Of the 31 Entries that were judged, 16 were in Champion Division, 2 were in Special Division and 13 were in Driven Division.
- A 2014 F-Type was the newest Entry and a 1948 Mark IV DHC was the oldest Entry, spanning 66 years.
- One Entry received a perfect score this year: Colin Seid's and Rick Annis' 1948 Mark IV DHC in Champion Division. Martin Avery's 1965 E-Type OTS took highest Driven Division score (9.998). Tom Krefetz scored highest in Special Division with his 1963 E-Type FHC (9.996).
- There were three classes with 3 Entries, C11/J8 (including one non-JCNA Entrant), C20/F and D10K8.
- There were six classes with 2 Entries, C5/E1, C9/XJ, C13/JS, D8/XJS, D11/XK and S2/MOD.
- There were eleven classes with only 1 Entry, all receiving uncontested First Place Awards.
- Nine Entries received First Place awards while competing against others in their Class.
- Nine received Second Place awards while competing against others in their Class.
- Two Entries received Third Place awards while competing against others in their Class.
- There were 21 Judges, 15 (+ 1 Apprentice) from SDJC (71%), 5 from Jaguar Owners Club of LA (JOCLA + 1 Apprentice) (24%), and 1 from Inland Empire Jaguar Club (IEJC) (5%). For comparison, in 2015, we had more Judges from other clubs (55%) than SDJC (45%) at our Concours.
- There were no formal protests. There were 3 post-event score changes (Down from 4 the year prior and 8 in 2017 – that's a great trend!).

Looking for a Few Good Women and Men for Concours Judges.

Preparations are already in work for our 2019 Concours d'Elegance and we are looking for members interested in becoming Certified Concours Judges. We would like to grow – OR RECERTIFY - our current list of 17 fully current SDJC Judges by three or more Judges by Concours day 2019. Please contact me by email (see contact info below) if you are interested. I will be offering Concours Training classes again next May and June for those interested in learning more about JCNA Concours or becoming Judges.

If you have any questions about this article or JCNA Judge certification, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

Letter to the Editor

Dear Mr. Jaguar Tracks Editor,

Some time back, about a year ago, you posted a very informative letter to Dear Abby. Since that time, we have had quite a few new members join our fabulous club. Perhaps you could post that letter once again so that they too can learn from her very helpful advice.

Sincerely, Reflective in Ramona.

Dear Reflective, in fact, thanks to the hard work by Nedra Rummell we've added 76 new members since last October! I'd be most happy to rerun that advice column so they can learn from others. See below right! Ed.

Dear Abby,

I surely need some strong advice. I am starting to suspect that my wife of nearly 30 years is having an affair. She has been coming home later and later in the evenings these past few weeks and her excuses of having to work late or meet with clients seem very flimsy. Quite often when I answer the phone I just get an immediate hang up. She's paying less and less attention to me and I really think somethings going on behind my back.

I thought that If I could find out who bringing her home after a late evening out I might have the proof. I discovered that if I kneeled down next to the driver's window of my 2003 XJR and looked through the windshield I had a clear vision of the street in front of our house without being seen.

Last Thursday she once again called with the excuse that she would not be home until quite late so I took the opportunity to do my detective work and go spend some time waiting for her to come home. While I was looking through the driver's window and windshield I noticed that both windshield wiper blades desperately need replacing. Abby, should I simply replace them with generic blades from PepBoys or spend the extra time and money acquiring genuine Jaguar blades for that year and model?

Sincerely, Perplexed in Point Loma

Dear Perplexed,

There's really no question here. Non-original replacement parts are going to get you significant deductions in either Champion or Driver Divisions at your next concours event.

Looks like the Proctor's have found a way to defray the cost of Jaguar ownership.
Go ahead! Take a chance!!

Please send any and all positive comments, feedback and suggestions to chuckleuthen@cox.net.

Complaints and criticisms can be sent to my wife Kathy who is keeping a rather extensive file.

San Diego British Car Day

Saturday, October 13, 2018

7:00 AM 2:00 PM

Held at Spanish Landing Park East, on Saturday, October 13th, San Diego British Car Day is an annual event, showcasing the best of British vehicles. With grassy areas, shade, and next to the Bay, Spanish Landing Park East is a beautiful showcase for our cars. Held on a SATURDAY this year, so that afternoon traffic is less of a problem, we anticipate a large turnout. The theme this year is "The Tradition of British Racing and Rally Cars", and we are encouraging those historical, but not always show quality, cars to come forward. Telling the stories of Racing and Rally cars through the cars themselves, they are physical tributes to a long and honored pastime. A special award will be given for the Racing and Rally exhibits.

As always, there will be food available, and vendors are encouraged to sign up early. Contact us for more information, using our Contact page.

Registration for San Diego British Car Day begins on September 1st. Save the date, you'll want to be here!
