• RESTORATION SERVICES

Our services are for the Jaguar enthusiast who wants the restoration done their way. Here, you set the standards, specifications, and any other options or features you desire. Once set, the team at Classic Showcase will put our staff of dedicated craftsmen to work on making your personalized Jaguar vision a reality!

• PERFORMANCE UPGRADES

Have you always wanted to have more comfort and improved performance from your Jaguar? There is no limit to the possibilities that we can achieve with your car! Talk to a Classic Showcase representative about designing your dream Jaguar. Comfort options include: interior upgrades, insulation, custom sound systems. Performance options: 5-speed, Webers, Headers, Electronic ignition, lightened flywheels, high torque starters, alternator conversions, increased horsepower. Style upgrades: Removed bumpers, customized and fabricated driving lights, and much more!

• CONCOURS PREPARATION

PRE-SHOW: Before your Concours event, ask us to pre-judge your car, and we'll tell you what it needs to reduce deductions in scoring. Let us do a complete detail to prepare for your Concours! **POST-SHOW:** After the show, bring us your score sheets, and we'll give you an estimate for correcting any deductions you may have received.

Happy New Year, everyone. As your newly elected president, I thought for my first column, I would tell you all a little about myself while being a member of this club. I bought my first Jaguar, a 2009 Frost Blue XF Saloon, on Christmas Eve in 2008. I then joined the club in January. I was satisfied coming to an event here and there and really didn't do much for a couple of years. I remember my first club drive to Borrego Springs (where I took the pic that is in the membership directory) and the Concours at Spanish Landing Park. I entered my XF in Driven Division, not really knowing what to expect. For those of you who don't know what to expect, Driven Division is a pretty good way to start. Things pretty much stayed this way for a couple of years; I attended the Concours and a couple of drives every year, but not much more. I did enjoy the social events, even though I didn't really know anyone very well.

Things really changed in 2013 when Stick Holmes left the club and moved to the Seattle area. He was such a strong presence, holding several key positions. We needed to replace the Club President, Jaguar Tracks Editor, and Webmaster. Jay Stamets stepped up as president, Jim Hallameyer stepped up as newsletter editor, and I stepped up as webmaster. I figured I could handle it since I was the webmaster for a Cub Scout pack and thought I could manage both websites at the same time. So far, so good. When Dan Jensen was elected club president in 2016, I replaced him as Concours Chair, adding another position to my repertoire.

Last year I decided to part with my beloved XF when I felt the need to go back to a 2-door sports car. I found a 2014 Rhodium Silver XKR and made the swap. Man, what a difference in performance. I was back to being a zoom zoom zoom kind of guy, not that the XF was lax in that area, but the XKR really WANTS to be driven, if you know what I mean.

As I start a new chapter in my life by leading this club in 2019, I won't be doing it alone. My congratulations to all of our reelected and newly elected club officers and directors, and appointed functional chairs, all of whom will be right alongside of me. With such a dedicated and talented group of people at the helm, I foresee another smoothly running year, even with whatever changes there will be.

One big change this year is how we communicate with members via email. Instead of only one person having the database on their computer (which I always thought was dangerous should something bad happen), we will be using Constant Contact. Several club officials have access to the database and can send out email blasts. We will start out with the Membership and Activities Vice Presidents and add others as the need arises. Email blasts will have a new look, so don't be concerned should you see an email from one of us that looks different than anything you have received before. This is just another example of your club keeping up with technology in the 21st century. By the time you read this you should have already received the first club email from the new system. As I wrote in the email, please let me know if you want any email address changes.

As always remember to check our website club member's page for all the upcoming events, including our January and February lunches and drives. Here's to another great new year...

SDJC HOLIDAY PARTY

Saturday, December 8

Recap by Ali Proctor

Photos by Roger McDonald, Dave Allen & Matt Allen

IT'S A WRAP

The San Diego Jaguar Club Holiday Party is all wrapped up and tied with a big bow. The party, at Tom Ham's Lighthouse, started promptly at 5pm--with a beautiful view of the San Diego skyline and the sunset lending a gorgeous pink glow. With festive music playing softly in the background, guests dressed in their holiday best (some even peppermint scented) were checked in by Ali, then greeted by Bob, and directed to the Open Bar. Waiting on the patio were several appetizer stations (Kobe beef sliders and shrimp cocktail anyone?) and the aforementioned stunning view.

We were happy to welcome many "seasoned members", some members we haven't seen for a while, and several new members --all coming together to celebrate the holiday season, and another successful year of the SDJC.

The mingling commenced at the cocktail hour, out on the patio, then spilled inside to the beautifully decorated dining room where we all were directed to take our seats, before being released table by table to the extensive buffet dinner, again back on the patio. Once we had filled our plates, a time or two...seriously, who can resist a Prime Rib carving station...old acquaintances caught up and new friends were made as conversations flowed around the room--as did the wine. Coincidence? I think not.

Outgoing President George Klein thanked the outgoing Board while recognizing outgoing Board Members and presented Most Valuable Member Award to Jim Hallameyer, and the Tuchscher Award to Colin Seid and Richard Annis. George then introduced incoming President, Mark Hodges, who spoke about the upcoming year and introduced the 2019 Board.

Bob did a quick raffle and 9 guests went home with gift boxes of Godiva Chocolates. Then the party really got started as DJ Jonathan let the dance music go and the San Diego Jaguar Club hit the dance floor and got their groove on.

And to all a good night!

NOTES FROM THE CONCOURS JUDGES TENT

January 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Soon, our SDJC Concours Judges' cadre will begin its process to spin-up for the 2019 season. I am pleased to report that almost all of our Judges are currently certified as of 2018 year-end. Well done! Training in the Spring will complete certification for those who need to come up to date.

Mark your calendars for Refresher Training:

The Next JCNA Annual General Meeting (AGM) will be hosted at Jaguar Land Rover North America Headquarters in Mahwah, NJ on 22 & 23 March 2019. Decisions taken by the Delegates at that meeting affecting our concours judging procedures and rules will be reflected in updates to the Official JCNA Concours d'Elegance Rule Book and to our standard training materials which derive from it.

Refresher Training for SDJC's JCNA Certified Concours Judges, Apprentices, and Owner/Competitors is scheduled as follows:

May 18th will be at the San Diego Auto Museum – Concours 301 (Judge Refresher Training) session one at 9 AM, and Concours 101 (Concours Information for Participant Owners) beginning at 1 PM - in the upstairs training room.

June 22nd will be hosted at Classic Showcase for Concours 301 session two beginning at 9 AM.

Concours 201 (Hands-On practice Judging for Apprentices and optional for Certified Judges) will be scheduled prior to our July concours depending on need and interest level.

The new XK 120 Judging Guide.

The JCNA BoD and the 2018 AGM delegates were briefed on the new XK 120 Judging Guide and approved it for trial use during the 2018 competitive season. Following limited editing and the correction of any errata, discovered during the trial period, the Guide is expected to be re-submitted at the 2019 AGM, for final acceptance,

If approved by the 2019 AGM delegates, it would become an official JCNA Judging Guide and mandatory for use by Judges at JCNA sanctioned concours events beginning early in 2019. The guide represents a year-long focused and thoroughly researched effort by co-authors Bob Sheridan, of JOCLA, and Australian Jaguar authority, Roger Payne. Several familiar JCNA members comprised the primary contributors, including long-time XK 120 owner and SDJC member, Dick Cavicke. Thus far, the most commonly voiced complaint is that the guide is 50 years too late.

If you have any questions about this article or JCNA Judge Certification, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

BITS AND PIECES FROM THE EDITOR'S DESK

Spare Parts and Such from Chuck Leuthen

A quick note from your editor. I hope you all enjoyed this past year's newsletters. I'd like to pause here and say **THANK YOU** to all of you that contributed to its content. **Jaguar Tracks** would be no more than a series of advertisements and blank pages without your continued contribution of time and energy.

Recap Articles for over **19** events were written and submitted by **Dave Allen, Diane Bauman, Jim Hallameyer, Mark Hodges, Dan Jensen, Kathrine Partain, Ali Proctor, Bob Proctor, Dave Putnam, and Nedra Rummell.**

Countless **photos** were provided through the camera lenses of **Dave Allen, Matt Allen, Diana Hodges, Devin Hodges, Mark Hodges, Bob Proctor,** and, of course, our Official Photographers **Roger & Diane McDonald.**

The **Where in the World** feature proved to be popular with contributions from **Stu and Barb Baily** (Bermuda), **Tim & Debbie Bennett** (Monaco), **Mitch & Parvin Cohen** (all over Europe), **Bruce Jamieson** (Switzerland), **George and Terry Klein** (Venice), **Debby Novak & Nedra Rummell** (New Mexico), **Dave Putnam** (Ohio), **Pete & Christa Rieth** (the Baltic Sea) and **Ed & Karen Soens** (Wisconsin).

We got to know **Mitch and Parvin Cohen** and my own garage a bit better through the **Getting to Know** feature and I received **Letters to the Editor** and other interesting bits and pieces from **Richard Annis & Colin Seid, Tim & Debbie Bennett, Jim Hallameyer & Jim Roberts, Al Steele, Tom Wright and Keiichi Yamamoto.**

We were able to keep things in perspective and our judging tool set sharpened through the monthly contributions of **George Klein's Presidential Perspective** and **Pete Rieth's Notes from the Concours Judges Tent.**

And finally, an additional thank you to **Dan Jensen,** who's eagle-eyed monthly proofreading caught a multitude of misspellings, grammatical faux pas and format issues. And to **Bob Proctor,** whose **Newsletter Announcements** always made even me want to reread this monthly missive and learn a few new words in the process!

Cheers and thanks again! Here's to a great **2019.** Chuck

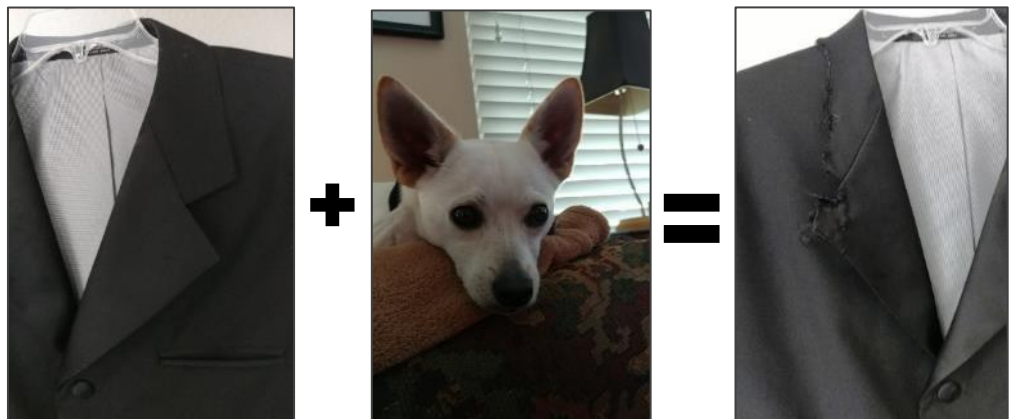

Math Puzzle of the Month!

Please examine the pictures to the right.

Can you tell me why...

... Picture number 1
+ Picture number 2
= Picture Number 3?

Answer on next page.

Answer to the Math Puzzle.

Well, it would appear that Jaxon, our one-and-a-half-year-old Chihuahua-Shiba Inu mix, is the jealous type. After returning from the fantastic SDJC Holiday Party at Tom Ham's Lighthouse I was just too exhausted from all the festivities to properly stow away my tuxedo. I later rationalized this by telling myself that I was going to take it to the cleaners so why hang it up. In any case, I instead draped my tux over the chair in my office and neglected to close the door.

The result of my lapse in judgement is evidenced in the picture on the right, taken the following morning when I went to retrieve said formal wear. A tuxedo with only two thirds of the right lapel remaining. Jaxon, in her effort to convey to us her displeasure in not having been invited to the Holiday Party, ate the rest.

I'm sure there's a lesson here somewhere. Just not sure what that might be.

See you at next year's party. I'll be the one not wearing a coat. Cheers, Chuck

***Editor's note #1:** Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!*

***Editor's note #2:** Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!*

Come with us on a “Drive thru Rainbow”

Join us for a “Drive thru Rainbow” and Temecula on Feb 2nd, 2019
(Yes, for those of you that did save the date of Feb 9th, it had to be changed.)

We will meet at 9:30 am at the Park N Ride next to the Mobil Gas Station on Old Hwy 395, just off SR-76 and I-15.

Departure will be at 10:00 am sharp for a great ride thru the back country of Rainbow and Temecula. This will introduce everyone to some of the prettiest country with scenic views and lots of twisty, windy roads.

This drive does not require a navigator to enjoy, just follow the map or the car ahead of you. Hopefully there will be enough cars that nobody will get left behind or lost. If you would like to add lunch it will be “pay for your own” at the Marie Calendar’s in Escondido 515 W 13th Avenue. (Lunch is not required to enjoy the drive, it is an option.)

- Reservations only needed for the drive.

- Sign up on the Club Members Page

So, bring out your beauties and let’s tootle thru the country together.

Questions? Ask 1st VP Diane Bauman at 858-344-9123 or
dianebauman619@gmail.com

Animals are welcome to come on the drive, but only Service Dogs will be welcome in the restaurant. Please provide advance notice at RSVP.
