The new year started off with a bang with our Poker Run / Scavenger Hunt Drive to Coronado, culminating with lunch at the Bluewater Boathouse Grill. All indications are Diane pulled off her first event without a hitch; this is especially impressive considering how complicated it was to organize.

You all should be receiving emails through our new Constant Contact distribution system. Diane, Nedra, Chuck, and I are all versed on the application. We added everyone's email addresses to the system, including adding those of you who have multiple email addresses because we wanted to make sure everyone was getting messages at the email address they want. If you are getting messages to an email address you do not want to use for this, just click on the unsubscribe link at the bottom of the email and that email address will automatically be deleted from the system.

Now we move on to February with a drive through Rainbow and Temecula before ending up in Escondido. If you make the annual trek up to Idyllwild for the Inland Empire Concours, you'll know how Temecula has changed and how Rainbow hasn't. Sign up on the club members page and remember we all meet at the Park N' Ride on the west side of I-15 at State Route 76. The drive ends at the Escondido Marie Calendar's, where comfort food is on the menu. This is not a pre-pay event. The drive itself is free and you'll only pay for your own lunch.

Just a quick note on the March event. The San Diego Jaguar Club was formed in March of 1959, so our 60th anniversary is just around the corner. Nedra has been working hard on the Club's Anniversary Celebration Luncheon. I'll post everything on the website club member's page as soon as the details have been worked out.

Until then, take care.

Mark

POKER RUN, SCAVENGER HUNT & BLUEWATER BOATHOUSE LUNCH

Saturday, January 19
Recap by Diane Bauman
Photos by Dave & Matt Allen

After a week of almost solid rain, the weather gods knew we had plans for a drive and blessed us with one of the prettiest sunny days ever. The group left the starting location at the Grossmont Shopping Center after being given the first poker card of the day. We headed out I-8 east to Greenfield Dr to my lower yard in Granite Hills to collect the second card. From there we headed up Greenfield Drive to Crest and down the hill into Harbison Canyon, Dehesa Road past Sycuan Casino, and Japatul Road.

This is where I made a mistake that routed some in the group further onto Japatul Valley Road due to an error in the instructions. After driving the route at least 6 times, typing still allows for errors. Once the correct right turn was made on Lyons Valley Rd the next stop for poker cards was in a parking lot for the Cleveland National Forest and access to the Japatul Fire Station. The cards had been put out the night before, and luckily were still there. The mis-routed group was able to figure out the error and caught back up with the group.

The drive continued down Honey Springs Road and Otay Lakes Road where every hillside was covered in green grass thanks to all the rain. The scenery was amazingly crisp looking as we drove the twisting roads through the backcountry. The next stop for poker cards was Pio Pico RV Park, which also served as a rest stop for drinks and restroom use. At this point it was obvious that the drive was behind schedule for arriving at the restaurant, and no cell service just complicated things. Bob Proctor was able to get thru to me and relay that we were extremely behind schedule. Otay Lakes Rd then turns into Telegraph Canyon Road, which took us thru Chula Vista Eastlake area.

The group then took the freeways to the I-75 / Palm Ave exit and up the Silver Strand to Coronado, where the Bluewater Grill is across the street from the Hotel Del Coronado. After the re-routed drivers arrived, I moved to bring up the tail of the group and was almost the last to arrive for lunch. The restaurant staff did an excellent job adjusting to the late arrival and then promptly took the lunch orders and served shortly after. The group that was waiting for us at the restaurant at least were able to enjoy the bar while waiting for our late arrival!

Nedra held a raffle drawing and gave away some wonderful prizes. I was thankful for getting the group there, even late, and chose a margarita to drink before lunch. After lunch the last poker card was drawn and everyone was allowed to trade their cards in hopes of bettering their hands. The Scavenger Hunt had both a list of road signs and vehicles to take pictures of. There was one question regarding a doll fence, and for those that missed it, there was a driveway fence of wire that had dolls hanging on it about a foot apart that covered the entire fence on both sides. Quite an odd way to mark their driveway.

The winners of the Scavenger Hunt were given trophies: Nedra & Sara Harding for 1st place, Al & Kathleen Steele for 2nd place, and Steven Bernstein & Gloria Starkey for 3rd place. The Poker Run winners were also given trophies: Ralph & Annie Howe for 1st place, Roger & Mary Copeland for 2nd place, and Marie Allen for 3rd place. Fun was had by all and the lunch was amazing.

The next drive will be another scenic tour thru Rainbow and Temecula on Feb 2nd and drivers are welcome to join us for lunch at Marie Callender's in Escondido. The lunch will be "Pay for your own" meals and it is an option; the drive is free to attend. RSVP is available on the SD Jaguar website now.

NOTES FROM THE CONCOURS JUDGES TENT

February 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

As drafting this month's column began, realization dawned that it marks the 2nd anniversary of my first column since Paul Novak handed over the CJ responsibilities (to permit him more time to tinker with his toys, I believe he said?). Time does fly! As we gear up for the new season, I want to express my sincere thanks and admiration for our team of JCNA Certified Concours Judges, past and present, and as well for those who support their efforts including but not limited to Scrutineers, Scorekeepers, Score Sheet Runners, and the Parking team. Lots of moving parts are needed to make it all happen – and to make it look easy!

Speaking of Gearing Up

March 21st-23rd will see the JCNA Annual General Meeting (AGM) hosted at the Jaguar Land Rover (JLR) North American HQ in beautiful (?) downtown Mahwah NJ. As the sole annual gathering of all JCNA clubs' delegates, the AGM includes all-important decision making on issues of concern to the membership (and us Judges), technical seminars and guest speakers, and presentation of North American-level competitive awards. This year's AGM venue will provide a special bonus opportunity for delegates to tour portions of the JLR NA HQ itself.

Mark your calendars for Refresher Training:

May 18th at the San Diego Auto Museum – Concours 301 session one in the morning, and Concours 101 beginning at 1 PM.

June 22nd at Classic Showcase for Concours 301 session two.

Concours 201 (Hands-On practice Judging for Apprentices and optional for Certified Judges) will be scheduled prior to Concours Day (28 or 29 June ½ day) depending on need and interest level.

Looking for a Few Good Women and Men for Concours Judges

Preparations are underway for our 13 July 2019 Concours d'Elegance and we are looking for members interested in becoming Certified JCNA Concours Judges. We are definitely looking for a few good women and men to become Concours Judges. We currently have 18 certified Judges (myself included) to fill our teams, thus reducing our dependence on neighbor clubs to get the job done with a reasonable workload per judge on Concours Day. WE NEED MORE. Please contact me if you are interested.

Classic Movie Jaguar Trivia

In the 1980 classic movie The Blues Brothers starring John Belushi and Dan Aykroyd, what Jaguar makes a cameo appearance driven by Twiggy? **Answer below.** Curious whether your favorite Cat has a movie star cousin? Check out the Internet Movie Cars Database at <http://imcdb.org/>. Fascinating!

Rumors

As an active member of our great club I sometimes hear rumors about other club members. I try to keep those rumors to myself but when public safety is involved, I feel it's my duty as Editor to pass on a word of warning.

It seems that one of our club members, who will remain anonymous, drives a very high-performance Jaguar and was pulled over by the Highway Patrol for holding up traffic on one of our local freeways. The dialog went something like this:

Highway Patrol Officer: *"Sir, I see your driving a very powerful car. Can I ask why you're going so slow?"*

SDJC member: *"Officer, I'm simply obeying the speed limit. The sign says 54 so that what I'm driving."*

Officer: *"Sir, that's the freeway designation, not the speed limit. You're on the 54 Freeway. Just a word of warning this time."*

Then, just before returning to his patrol car, the officer noticed that the lady in the passenger seat appeared to be visibly shaken and very upset.

Officer: *"Lady, I've let your husband here off with just a verbal warning yet you seen upset. Is there a problem?"*

Lady: *"Well Officer, we just got off the 125."*

Reminders

Editor's reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Editor's reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!
