Presidential Perspective

The seventy-five plus members who attended our 60th Birthday Celebration Luncheon at the Green Dragon Tavern and Museum in Carlsbad were given a real treat: meeting twenty-six current and former elected officers and functional chairs, whose leadership goes all the way back to 1979. It was they who steered this club to where it is today and we should be forever grateful for their service. Going back in time to a few weeks before the event when I was trying to figure out what to present and how to present it, it was proposed we recognize club leaders. I read many a Jaguar Tracks looking for information. My excitement grew with each reading. In addition to the leadership info I found, I learned just how this club operated throughout the years. The Tracks really are a chronological history of how this club has evolved through the years. They are part of our historical archives. Go ahead and browse through the old Jaguar Tracks on the Jag Tracks Archives Page. You might just get a newfound respect for what our predecessors went through to get us to where we are today; I know I did.

The 2019 JCNA Concours season is upon us. The Los Angeles club's Concours is in May at the Muckenthaler Museum as part of their annual car show and the Inland Empire club's Concours is in October at the Idyllwild Inn. Registrations information and forms are on the Club Member's Page of our website.

Registration is open for our SDJC Concours. I created a new 2019 Concours Page with all the info. Just look for it on the left menu bar. I am excited to announce a few changes. We are moving the show to Cancer Survivor's Park on the east side of Spanish Landing where we will have more room and better grass. You still turn in to the same driveway and parking lot, but once inside, turn left instead of right and go all the way to the end. I have done away with paper registration forms; all registrations are electronic using our FormBuilder Reservation System. This is the same system we currently use for our monthly events. As usual, payment will be by PayPal or by check. There is a separate registration section for judges; this separate database helps with tracking, especially for those judges who do not enter a car in the show and only come down to help judge. For those of you driving a non-Jaguar type car (who owns these things?) to park in the parking lot, you can order an all-day parking lot permit pass so you don't have to go out and keep feeding the meter – it also helps prevent getting a \$40+ parking ticket because you let the meter expire. Just scroll down to the All-Day Parking Lot Permit Section and pay with PayPal.

The rest of our 2019 events have been scheduled and the specifics will be posted as soon as they are finalized.

Until then, take care

Mark

SDJC's 60TH BIRTHDAY CELEBRATION

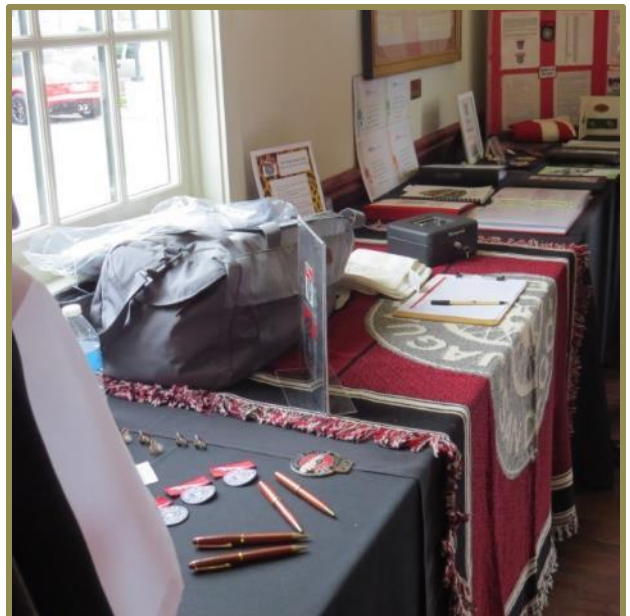

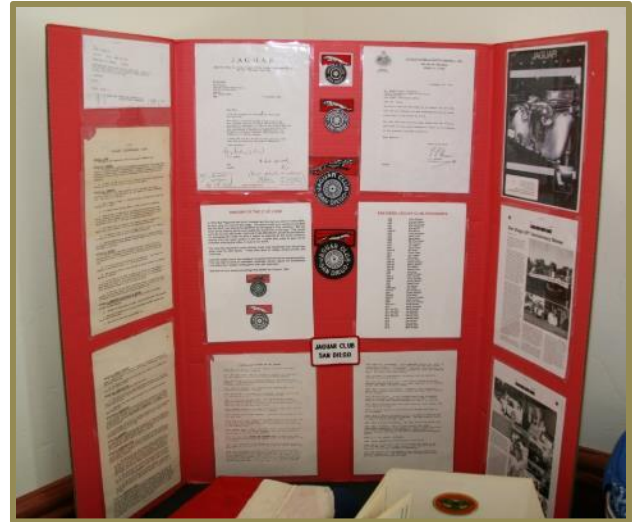

By Nedra Rummell

Photos by Roger McDonald, Dave & Matt Allen and Chuck Leuthen

After what seemed like an endless monsoon-like season in Southern California, a picturesque blue sky was on full display as seventy-five SDJC members celebrated the SDJC's 60th Birthday at the Green Dragon Tavern in Carlsbad. It was obvious our cats had been pampered as they glistened, grouped together in the spacious parking area. The always amusing Ali Proctor joined me to welcome guests at the check-in table. In addition to the routine entrée cards and name badges, a Trivia Quiz was included in the check-in envelope.

During the social hour, while members were chatting and sipping, they had an opportunity to shop in the Logo Pop-Up store with our Logo Czar Marie Allen answering questions and taking orders. Our Raffle Queen, Diane McDonald, displayed an outstanding collection of prizes, many of them themed to the upcoming Spring and Summer months. Also, on display was a historical review of SDJC, including a Union Jack which flew over Browns Lane on many historical events, the evolution of our Leaper Logo, various price/cost comparisons between 1959 and 2019 (gas was \$.31 a gallon, minimum wage was \$1.00 p/h, average price of new car was \$2,200). All too soon, Mark Hodges, SDJC Club President, called the group to order and to their seats for lunch - members found their chairs at festive tables decorated with balloons and centerpieces adorned with an SDJC Logo vase with red and white gladiolas.

Mark opened the meeting and engaged the room with an overview of the factual history of our club, enhanced with his own unique humor and dry wit. Mark introduced all attending members who had served as an officer, member of the board of directors or functional chairperson during the 60-year history of SDJC. Twenty-seven attendees were introduced, once again proving a successful club is only as good as those who work to make it better. I am always at a loss to find the correct adjective to describe our longest-term members, the most “seasoned” members were introduced: Margie Simpson 1974, Mary Lou Owen 1977, and Dick and Ginny Cavicke 1985. Both Ed Soens and Lloyd Prosser were members in the 70’s and rejoined at a later date.

President Mark Hodges opens the meeting.
 Wait a minute, isn't that him in the picture behind him? If not, who is it?

Mary Lou Owen,

Margie Simpson, member since 1974

**Ed Soens and Lloyd Prosser, members in the '70s then

From “Seasoned” to “New” it was a pleasure to introduce new members in attendance: Greg and Margie Millard, Alan Spero, and James and Elizabeth Waite. Finally, everyone was reminded to check out the Historical Display. After organizing and studying the Historical files, I made note that early members were advanced with the four “D’s” – driving (long distances and fast), dining (restaurants, picnics, beach parties), drinking, and dancing – the latter two referring to drives to TJ’s with large vessels of Margaritas and dancing in the street!

New Members Elizabeth & James Waite

An interesting note, not only are our members competitive on the judging field but give them a trivia contest and they are “all in”! The winner of the Trivia Contest was a tie between Allen Quale and Chuck Leuthen, both answering 18 of 21 difficult questions correctly. In a “short straw selection” to break the tie, Allen Quale was the winner. However, to make up for the loss, Chuck and Kathy Leuthen stopped less than a mile away at Hoehn Jaguar and drove home in a new F-Type Coupe! Thanks to Dave, Marie and Matthew Allen for composing and printing, and checking the Trivia Quiz – good job Allen Family.

**Chuck Leuthen & Allen Quale draw straws.
Allen Draws the long one!**

The raffle drawing was held during dessert service. Former President (2004-2005) Hazel Beck was asked to draw the first raffle ticket as we welcomed her back to San Diego after living in Hawaii and Chicago. Hazel drew our most enthusiastic raffle fan, Jim Hawkins' ticket number first. Jim cheered as he danced his way to the front of the room, and as always, adorned in a cool hat!

Lastly, as our event was ending, Marie and I passed out festive red bags with sweets (including SDJC M&M's) to members in celebration of the last 60 years and looking forward to the future of Jaguar automobiles and Jaguar Clubs. A special thank you to Marie for bagging all those sweets!

After the meeting was adjourned, it's was interesting as always to observe the friendship, comradery, and love of Jaguars as our members lingered, chatting and admiring the beautiful cars we are privileged to own and drive.

Notes from the Concours Judges Tent

April 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

This month, we'll first focus on some "Hot Wash-up" results of the JCNA Annual General Meeting (AGM) 23 March 2019 pertinent to concours judging. These comments are summarized for the sake of brevity. Be sure to read the full minutes text when available on the JCNA website.

AGM 2019 Judge's Concours Rules Committee (JCRC) Activity Summary.

- **The Board presented Dick Cavicke the President's Award for Outstanding Achievement. The Certificate recognizes his many, extensive contributions since 2002 as Chair of the Judge's Concours Rules Committee and as JCNA Chief Judge.** Nedra Rummell received the Certificate on Dick's behalf.
- XK120 Judging Guide: The delegates reviewed the updated version of the Guide and again gave it conditional approval.
- Hal Kritzman has officially taken on the dual position of Chief Judge of JCNA and Chairman of the Jaguar Concours Rules Committee (JCRC). He has been the Chief Judge of The Jaguar Club of Southern New England for decades and a member of the JCRC with Dick Cavicke since its inception. I have replaced Dick as the Southwest Representative on JCRC.
- The 2019 edition of the JCNA Judge's Guide and its updated Judge's Test are in hand now. I will use them during training of the members of our judge's cadre. Details of changes will be in my next column.

AGM 2019 Concours Committee Summary.

- Concours Class Consolidation – Some of the existing Concours classes have little participation, resulting in a lack of competition. JCRC was given a mandate at the 2019 AGM to work with the Concours Committee in structuring a Concours Program that addresses the new direction and future of the Jaguar Marque. Not an easy task, to say the least! Electric and future hybrid models will certainly be changing the look of our concours field more and more as the years fly by and we must design an equitable and fair way to effectively judge them. Hidden motors and no engines have created a new genesis. More to follow in the months ahead. Obviously, changes this significant will not be implemented for the 2019 competitions.

2019 Concours Judges Training.

- Preparations have begun for our Saturday July 13th Concours being held at Spanish Landing Park. Hats off to Mark Hodges, our President and Concours Chair (among other things), for doing the many tasks it takes to make our event happen! Provided below is a summary of the three types of Concours related training that I will offer this year. **Please RSVP to me at least 3 days before any class that you plan to attend so that there will be plenty of refreshments and training materials available.**
- Concours 101. A classroom presentation, show and tell, and informal discussion of JCNA concours for those unfamiliar with concours but interested in learning about it. No experience is required; you only need an interest in learning more about JCNA concours. One weekend session is planned on May 18th beginning at 1:30 PM in the San Diego Auto Museum training room. The session will last about 90 minutes.

- Concours 201. A session to get Apprentice Judges and Judges whose certification has expired (or is about to) up to speed so that they can participate as Certified Judges at our 2019 Concours. Experience as an Apprentice Judge or former JCNA certified Judge is a “plus”, but any member is welcome to participate. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge's Guides will be emphasized. **One weekend session (29/30 June TBD) for Apprentices and anyone else wishing to brush up a bit on concours judging processes.** A volunteer will be most welcome to host the event.
- Concours 301. The formal, annual Judges’ Refresher Training is required each year by JCNA to recertify Judges for the current concours year. It includes a classroom presentation, a review of the more important aspects of the JCNA Concours Rule Book, and discussions of the Rule Book changes for 2019. I plan to highlight the outcome of significant initiatives addressed at the 23 March 2019 AGM and their potential impact on our activities. The written 2019 Judges’ Test will be administered. Everyone is welcome to attend. This is an excellent way for Judges and Entrants to learn more about JCNA Concours Rules. Two weekend sessions are planned: Session 1 on Saturday May 18th at the San Diego Auto Museum beginning at 9 AM, and session 2 on Saturday June 22nd beginning at 9 AM at Classic Showcase in Oceanside. Each session normally lasts about 3 hours.

2019 JCNA Concours in the Southwest Region.

Here are some established 2019 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

- 5 April - Club Jaguar A.C., Gran Concurso de Elegancia Jaguar Club Mexico Las Caballerizas, Dos Rios, Huixquilucan, Estado de Mexico (South Central Region)
- 19 May - Jaguar Owners Club of Los Angeles Concours, Muckenthaler Cultural Center Fullerton California
- 13 July - San Diego Jaguar Club (Note: Again this year, by popular demand, it’s on a **SATURDAY**), NEW LOCATION: Cancer Survivor’s Park at Spanish Landing East, San Diego, CA
- 17-19 Aug - Jaguar Corral at 2019 Rolex Motorsport Reunion, Laguna Seca, Monterey, CA
- 5 October – Inland Empire Jaguar Club Concours, Idyllwild, CA
- 26 October - Jaguar Club of Southern Arizona, Tucson, AZ

Concours Rule Book Question.

See photo at right. Unless documented in the JDHT Certificate as a factory applied special order color, what is the proper authenticity deduction for the apparently wrong paint finish (pearlescent or metallic gold) on this Mark V?

Answer: 20 Points. See 2018 Rule Book page VI-6.

Looking for a Few Good Women and Men for Concours Judges.

We are looking for members interested in becoming Certified JCNA Concours Judges. Please contact me if you are interested.

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

Letters to the Editor

I just received this note from Club Member and new Director Dave Putnam:

Hi Chuck,

Not sure how many members know that there is an electric racing car circuit called **Formula E Racing**. The cars look very similar to the Formula 1 race cars. Jaguar has two cars in this racing series. Rahal Letterman Lanigan Racing is the racing team. They also sponsor an I-Pace in the **Jaguar I-Pace eTrophy** series that runs on the same circuit as the Formula E races. Attached is a short article about Katherine Legge winning the latest I-Pace race. There are 12 Formula E races, all run on street circuits in major cities around the world. I believe New York City will be the final race this season.

ABB, which is the major sponsor for the Formula E races, was my employer for 36 years.

Cheers, Dave

Thanks Dave, I just watched some Formula E Racing on the Sports Channel. Wow! -Ed.

I-PACE ETROPHY

RAHAL LETTERMAN LANIGAN Racing's Katherine Legge won round 2 of the Jaguar I-Pace eTrophy from the pole at the Autódromo Hermanos Rodríguez circuit in Mexico City on Feb. 16 to become the first female driver to win a race during an ABB FIA Formula E weekend.

As for the Formula E race in Mexico City, Lucas di Grassi captured his ninth career win in the series to move past Sam Bird and to within three wins of all-time series leader Sébastien Buemi.

Club Member and 1st Vice President, Activities Diane Bowman is also impressed with the advancement of electric cars especially in the high-performance luxury class and shares this great video:
[Julia Dreyfus Mercedes AA Class](#)

I'm wondering when Jaguar Land Rover is going to catch up. -ED

This note, from Club Members Michael & Gloria Hardcastle-Taylor, comes to the Editor's Desk via Nedra Rummell, 2nd Vice President, Membership.

Hi Nedra,

I have enclosed some cards from my Mother's memoir as Private Secretary to the Duke and Duchess of Windsor in Nassau during WWII. Some of the ladies in the club will enjoy our website and memoir which was published two years ago.

My best, Michael

Thank you Nedra for passing on Michael's note. And thank you Michael for the link. Click here: [The Windsors I Knew](#). Should be a great read! -Ed.

A Word of Warning

For those of you who attended SDJC's 60th Birthday Celebration you will recall that it was a grand party but, with a word of warning, several factors led up to how that day unfolded for Kathy and me.

One, you may also have noticed that adult beverages were available. We each had one, maybe two.

Two, as mentioned in Nedra's recap of the day's festivities, I tied the Quale's in the Trivia Contest then proceeded to draw the short straw in the sudden death.

Three, Jaguar Land Rover Carlsbad is exactly 1.1 miles from the Green Dragon Tavern & Museum.

These three seemingly unrelated factors, whether it be the excellent Libations, the shattering loss of the Trivia Contest, or the proximity of the Carlsbad Jaguar Dealership, resulted in the purchase of this Ammonite Gray Metallic over Red 2016 F-Type. Actually, I have been looking for that particular color combination for months now and couldn't resist. Love it!

Reminders

Editor's reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Editor's reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!

Oh, come on now!! Are you telling me that's Paul Revere and not Mark in that picture?

All British automobiles and motorbikes are welcome

And save this date too! **San Diego British Car Day** will be held on **SATURDAY, OCTOBER 12th, 2019**. Saturday proved to be a popular choice, as opposed to Sunday, so we will continue to hold it on Saturdays. We have our reservation in for Spanish Landing Park East, in Cancer Survivor Park, but we also continue to search for other venues. We're always looking for ways to improve your experience, and bring our British Car culture to the public's attention, and with that in mind, the quest for best venues is never ending.

16th Annual SDJC Day at the San Diego County Fair

Thursday, June 27, 2019

To coincide with the 80th anniversary of the story, this year's fair theme is

"The Wonderful Wizard of Oz"

The San Diego Jaguar Car Club has been invited to again participate in the Fair Car Shows. In exchange for entering your Jaguar automobile in the Fair car show, you will receive free admission to the fair on this day for car, yourself, and up to three guests.

We will meet at 9:00 a.m. in the Gelson's (formerly Albertson's) parking lot on Villa De La Valle and caravan over to the Fairgrounds at 9:25 for a 9:30 arrival. After parking, check in and setup, you are turned loose to roam grounds while your car sits and is oohed and awed over fellow fair-goers. Cars must remain in the display area until 3:00 p.m. The show awards will be announced at about 2:45 p.m. Free parking will be available to those people who wish to remain at the fair after the car show is over.

Please contact Katherine Partain to sign up. There are spaces for 8 cars. If your guests cannot arrive with you, please let Katherine know so she can get a Green Lot parking pass and entry instructions to you so they can arrive later in the day and still park & enter the fair for free. We have three such parking passes available for club use on that day. E-mail: kepartain@yahoo.com or Telephone at: 858-722-5280.

THURSDAYS ARE SOLID GOLD SERIES DAYS

Stay tuned for the performers on our day – not announced by the Fair yet.

SD Automotive Museum Representative: Pete P.– submitted electronically- The reception for the current show “Icons: Cars that Drove Our Imagination” was held 2 weeks ago upstairs in the meeting room and our new Exec Herb Johnson gave us some great news for the future: Although the temporary tiles on the wall above the entrance deteriorated in the big storm, enough money has been raised to put up permanent tiles and they have been made and will be in place soon. Money is available for the installation of an elevator. up to the party/meeting room, which we have waited for years and is only waiting for a final placement and design which is expected to be completed this year. Herb stated that the Museum wants more clubs to use the party room for their meetings and events. The Museum has already started reaching out to schools to visit the museum and use the party room. The restoration garage which has recently been used and open one day a week will soon be open 2 days a week, perhaps Wed. & Thurs. The new CEO, Herb Johnson, has been doing a great job at fund raising.

British Car Club Council Representative: Dave – Rolling British Car Day is on April 28th. There will be both a north and south start location.

Historian & Roster – No report

The Club has a good supply of logo items, but we are a little low on ladies' items. To increase selections for our Lady members Marie request permission from the Board to replenish logo items to the value of \$300.00. Dave made a motion to approve Marie's request, which was seconded by Ali, and unanimously approved. The next event for Club Logo we will be the New Member Luncheon in May.
