To providing unparalleled dedication, service & experiences for collectors for over 30 years,

CLASSIC SHOWCASE IS THE SOURCE FOR ALL THINGS JAGUAR

• VEHICLE ACQUISITIONS

When you sell your car to Classic Showcase, it will be marketed to Jaguar collectors who appreciate the history and provenance of these cars. After acquiring your car, Classic Showcase will bring it to the next level to enhance all of its beauty and performance. We care about the marque, and want to help preserve these Jaguars for generations to come.

• CLASSIC JAGUAR SERVICING

Because your classic isn't an everyday car, it will need preventative services and freshening up. Finding a Jaguar Specialist can be a time consuming and stressful endeavor that can lead owners to the point of doing nothing with their cars. We'd like the opportunity to help reduce that frustration and let you get back to the full enjoyment of the car. Let our specialists service your classic and provide you with a no-hassle experience!

• RESTORATION SERVICES

Our services are for the Jaguar enthusiast who wants the restoration done their way. Here, you set the standards, specifications, and any other options or features you desire. Once set, the team at Classic Showcase will put our staff of dedicated craftsmen to work on making your personalized Jaguar vision a reality!

• PERFORMANCE UPGRADES

Have you always wanted to have more comfort and improved performance from your Jaguar? There is no limit to the possibilities that we can achieve with your car! Talk to a Classic Showcase representative about designing your dream Jaguar. Comfort options include: interior upgrades, insulation, custom sound systems. Performance options: 5-speed, Webers, Headers, Electronic ignition, lightened flywheels, high torque starters, alternator conversions, increased horsepower. Style upgrades: Removed bumpers, customized and fabricated driving lights, and much more!

• CONCOURS PREPARATION

PRE-SHOW: Before your Concours event, ask us to pre-judge your car, and we'll tell you what it needs to reduce deductions in scoring. Let us do a complete detail to prepare for your Concours! POST-SHOW: After the show, bring us your score sheets, and we'll give you an estimate for correcting any deductions you may have received.

April was a busy month with the La Jolla Concours, our rescheduled drive, and the British Car Club Council's Rolling British Car Day drive to the Menghini Winery. See the recaps in this month's Jag Tracks.

May gray is upon us; while the skies might be gray our club activities are not. We have the New Member Celebration Luncheon at the Poway Brigantine, Concours Judges Training at the San Diego Auto Museum, and the JOCLA Concours at the Muckenthaler Museum. Registration is still open for all three events. Just go to the Club Members Page on our website to register for these events.

Registration will stay open for our SDJC Concours until June 30. The 2019 Concours Registration Page has all the info. Just look for it on the left menu bar. Use our FormBuilder Reservation System. As usual, payment will be by PayPal or check. There is a separate registration section for judges; this separate database helps with tracking, especially for those judges who do not enter a car in the show and only come down to help judge. Remember, we moved the show across the way to the Cancer Survivor's Park. Along with the move are some exciting changes and improvements, which I will keep quiet until show time. Come down and enjoy the day with your club friends and family. We have great background music, food vendors, and a view some pay thousands to see. If you don't plan on showing your Jag, just register for Display Only. At only twenty dollars the price is on par with what it costs to park in the lot for the day.

Until then, take care

Mark

2019 AGM Report

Adaption of Mark Mayuga's report by Nedra Rummell Photos by Nedra Rummell

The Jaguar Clubs of North America had its annual business meeting on March 21-24, JLR HQ., Mahwah NJ. The AGM (Annual General Meeting) is an opportunity for all JCNA Jaguar Clubs in North America to come together and discuss, share, update, and propose new ideas and ways to promote membership recruitment and retention; evaluate the JCNA Concours Program; discuss Concours Judging criteria; make suggestions on participation in JCNA RALLY and SLALOM programs; and improve the communications between Clubs within the JCNA Regions.

Also, a new President and Vice President were elected as well as Regional Directors were confirmed. Last year's President, Jack Humphrey, had to step down for personal reasons and VP Barbara Grayson took the position of acting President until the AGM. This year the new JCNA President is Les Hamilton from the JAGUAR ASSOCIATE GROUP of the Bay Area. Les has been serving as Southwest Regional Representative for the past year. Mike Meyer from the Jaguar Club of Ohio was elected Vice President, taking over from Barbara Grayson. Mark Mayuga was appointed Southwest Regional Representative by President Jack Humphrey when Jack stepped down as JCNA President and Southwest Regional Representative. SDJC's own Pete Reith was appointed to the Jaguar Concours Rules Committee by the Rules Chairman.

This year there were many interesting reports from the various JCNA Committees having to do with Membership, Rally, Slalom, and Concours. The most controversial item was the proposed splitting of the Concours Divisions into two distinct groups, VINTAGE and MODERN CARS. The ideas were to create a different Judging criterion for the MODERN CARS which have less areas to be judged and authenticity was not really an issue. The presentations were made, then the fireworks began, and the issues were returned to the Chief Judge and Rules Committee for further study. It got a bit steamy in the room from the comments and differing opinions.

The other Committee that heard a lot of comments was the MEMBERSHIP Committee, on which I serve. There was much discussion that centered on how JCNA could help local clubs recruit new members and retain current membership. New ideas were presented in the Committee report and many clubs were happy to see new approaches and ideas. Serving as representative of the JCNA Passport to Service (PTS), I reported on the PTS statistics for 2018 and goals for 2019. Mark Mayuga was asked to serve as Chairman of the International Jaguar Festival (IJF) Event Committee, based on our successful event in 2018. He submitted two articles to the Jag Journal which are in publication and will become the official guide for clubs that want to put on an IJF or major regional event.

And as a final note, I had the honor of accepting the JCNA Presidents Award for Dick Cavicke in his absence! You'll be hearing more about Dick's award and recognition later on.

Super Bloom Drive to Lake Elsinore

Recap and Photos by Diane Bauman

My suggestion for a drive to Lake Elsinore to see the poppies was enjoyed by a small group. We drove up on Thursday March 28th and hoped we could find a way to stay out of traffic, find parking together somewhere, and walk the hills to enjoy the blooms. We met at the Park N Ride at I-15 and SR-78 and actually didn't hit any traffic until the freeway exit at the base of the hiking trail.

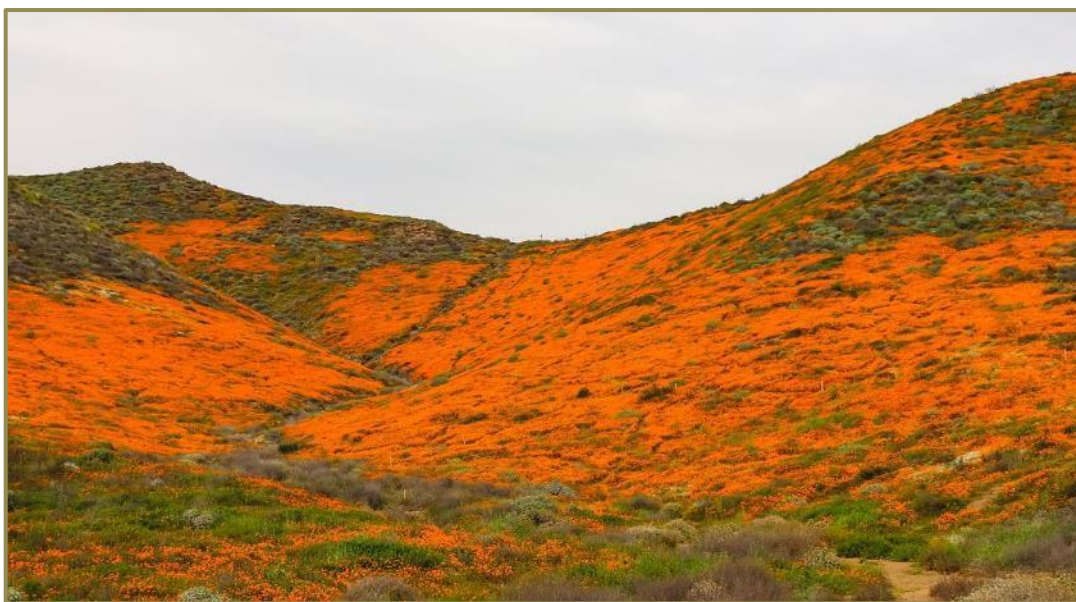

The frontage road was lined with cars parked as far as you could see. A construction company on the other side of the overpass had opened up a lot to allow parking for the crowd. The best part was that was a left off-ramp and all the cars were trying to go right, so again we were able to sneak thru and park together in the patrolled lot. After a short walk under the underpass of the freeway, we came to the bottom of the hiking trail leading up the hillsides with all the blooms.

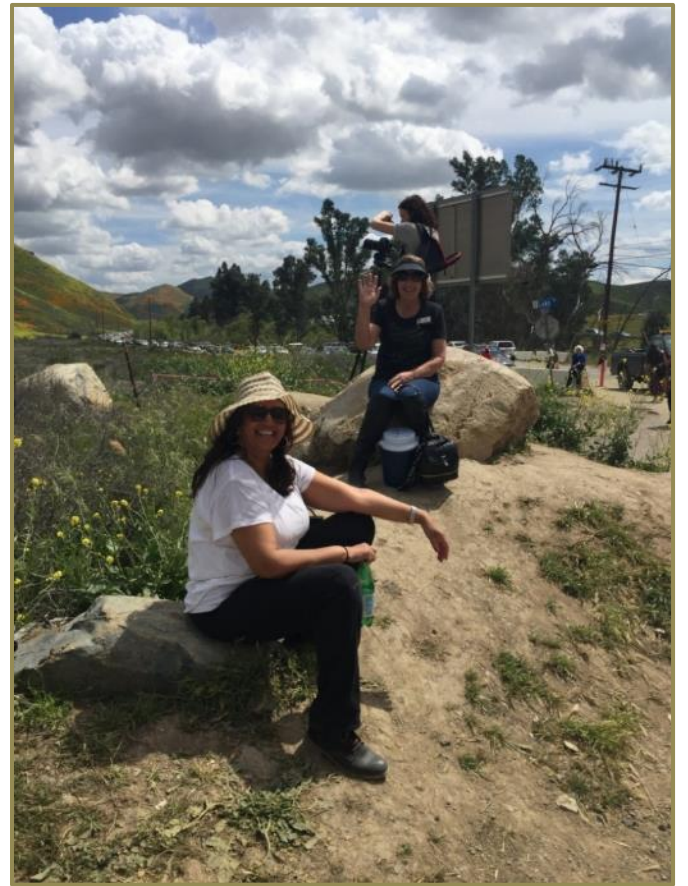

It was actually a concrete road, not a dirt path, and there were crowds of people gathered for the walk. I will admit, I walked the shortest distance up the trail, while the rest of the group disappeared around a corner headed for the top. I was quite happy sitting on a large boulder at the bottom part of the hill waiting patiently for the group to return. The weather was good, a slight breeze always, so we weren't melting in the sunshine.

While I sat there, I did take a couple pictures of the crowds and all the cars that had invaded the area. What a Zoo! After the decent down to ground level, we headed back down the freeway to Temecula for lunch. The Old Town Pub and Grub has a large outside patio area where we sat and enjoyed beer battered fries and onion rings, as sides with our sandwiches. The turkey melt was a favorite and the bread has toasted parmesan cheese that covers the outside, with turkey and bacon inside. YUM.. Of course, it all tastes better with a choice of beer, wine or cocktails.

The drive and lunch were a success so watch for more of my spontaneous adventures, and enjoy some time together.

A Drive Through Rainbow

**Recap by Diane Bauman
Photos by Chuck Leuthen**

FINALLY!!

There is a saying – “the third times a charm”, and it happened on April 6th. After this being rescheduled two different times due to rainy weather, we were finally able to call it a go. And I will admit, when I looked out over the City of El Cajon and the hills past Santee – the clouds and fog did not promise a good weather day. Yet, an hour later, as I left to head north to the I-15 and SR-78 exit where we were scheduled to meet, an amazing thing happened, THE SUN CAME OUT! and the day could not have been more perfect. I can’t believe I finally beat the odds, and was able to run the long awaited “Rainbow Drive”.

We left the Park N Ride, proceeded thru the streets of downtown Fallbrook, and then made our way to De Luz Rd. This road is about 15 miles of twisting, mountain hugging corners in the first section. Then you are taken thru a section where the lanes become very narrow as you disappear into an endless stretch with tree top canopies that cover the road for miles. Here the trees are very close to the sides of the winding asphalt road and many show scars from past car crashes. The previous rains turned the countryside into lush green growths of grass, and there was a rainbow of colored flowers everywhere you looked. The flowers ranged from lavender blooms that lined a fence to patches of poppies, in vibrant orange.

As we traveled towards Murrieta, the road has many low spots that dip where the creek runs through the properties. The water used to wash over the road and flooded in each spot. But to my surprise, each one of the dips had new concrete and culvert tubes that routed the water under the road instead of over the top of it. The peaceful sounds of water trickling over the rocks helped set the tone for a relaxing drive, knowing that our cats would not be swimming the whole way. There was only one place we slowed down to tip toe thru the wash over. I learned when I ran the test drive the days before not to underestimate how deep the water could be in that one spot. Thinking it was shallow, I never slowed down from my clicking pace, and SPLASH! I hit the water like my car had just done a belly flop off the high dive.

The next section of the drive was along the elevated hill ridges, with breathtaking views of Temecula seen down below, as we wound down the hills to the valley below. This is where the group split up, once we reached the I-15 freeway in downtown Temecula. The drive directions had options, either get onto the freeway and head for lunch in Escondido, or continue through Rainbow and the Lilac Road, destination varying. There were members that were able to join us for the hour and half drive, but had later engagements elsewhere, so the I-15 freeway was the perfect end of the drive for some. The group then drove to Marie Calendar’s for lunch before calling it a day.

Amazingly, as the group turned into the parking lot for lunch, one member’s car died and was pushed into a parking spot. So, luck was not only on my side that day. If the car had died out on the drive instead of at the end it could have been tragic. The strain of strutting around in those high heels all day made that kitty refuse to go another step, so it just called for an Uber to get home. Kinda....

A “Working” Trip to the Largest Concours in Mexico

May 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

The 33rd annual **Gran Concorso Internacional de Elegancia** took place on April 6th and 7th, 2019 at Dos Rios, Huixquilucan, Mexico. Tom Krefetz and Pete Rieth have, by invitation, teamed to provide judging support to the JCNA sanctioned event organized by Club Jaguar of Mexico (CJM) for over 12 years. Jamie Holbrook, Harvey Williamson and Bob Anderson (we miss them!), and other JCNA judges from the San Antonio and Austin clubs (e.g., Brian Blackwell, Greg Nel and Jeff Snyder) have also participated in various years. Club Jaguar’s first concours was in 1985 in Chapultepec Park, and has been at this site since 1989. Over the years, the event has mushroomed to the limits of the Las Caballerizas Dos Rios site (a former equestrian club) located southwest of Mexico City about halfway to Toluca. The picturesque location is in pine-forested hills at a sunny altitude of more than 8900 feet. Recent concours have hosted up to 550 cars and motorcycles of more than three dozen marques from Jaguar and Rolls Royce to Isettas and Datsuns in an event spanning two days. This year’s event hosted about 465 cars and bikes of many marques. The event commemorated the 60th anniversary of the Jaguar MK 2 and the 50th anniversary of the Jaguar XJ.

Our activities, as in past years, began with a flight from Tijuana airport (reached via the Cross-Border Express “tunnel” on Thursday April 4th. Upon arrival, we were met by Alexander Mena and went to an office facility downtown for the JCNA-required annual joint Rule Book training session chaired by CJM President and Chief Judge Jeff Carlson. The briefing and discussion were presented by Pete Rieth for certified judges of SDJC and Club Mexico, followed by lively discussion of recent rule changes applicable to the classic vintages. We enjoyed a working dinner of delicious heavy hors d’oeuvres before checking in at our hotel.

Friday morning began early, with a quick breakfast and a drive to the suburbs where we formed a caravan of cars to be relocated to the event site. This entails a beautiful one hour drive along fine highways and through small mountain villages (Read many speed bumps or ‘topes’). After arrival, we joined our Mexican friends for their annual club luncheon at the wonderful restaurant on the grounds. Good fellowship among old friends abounded as we enjoyed the finest Mexican cuisine. Making our late afternoon way back to the city after cleaning and securing the cars, we enjoyed cocktails at Jeff and Sarita Carlson’s suburban home while examining the Series III E-type that Jeff fully restored himself.

Saturday, April 6th dawned beautifully. After a snack in our hotel, we ferried out to the site where many last-minute preps were underway. A catered breakfast on site at the same restaurant got us fueled for the day ahead. In addition to the show cars, the distributors and car manufacturers that yearly exhibit include Jeep, BMW, Porsche and of course Jaguar-Land Rover. Following a briefing for Judges by Jeff Carlson, we were organized into teams according to our expertise and commenced judging. Meanwhile, the same was happening within each of the other clubs represented. Judging, adjudication of protests and score sheet reviews continued into the late afternoon, with only minor interruption by a freak hail storm. Live music added to the pleasant atmosphere. An excellent catering team kept the club members well fueled throughout both days of the event.

I must say that seeing (and recording) Tom at work as he judges E-types, early XKs and other models is a fascinating exercise in 'sipping from a firehose of knowledge'. We've often performed courtesy assessments after the formal judging when time is not a constraint, only darkness, in order to help owners improve their cars. Wrapping up and securing the cars for the night took some time. Then we all headed back to Mexico City for a mellow, late dinner at CJM Treasurer Alejandro Isoard's home/'man cave', and a short night of rest and relaxation.

By the way, in Mexico there is the Mexican Federation that groups and organizes different types of sports, and under this is the Vintage Automotive Association that unites and supports collectors' car clubs. Enrique Vila is its President and also a Past President of Club Jaguar Mexico.

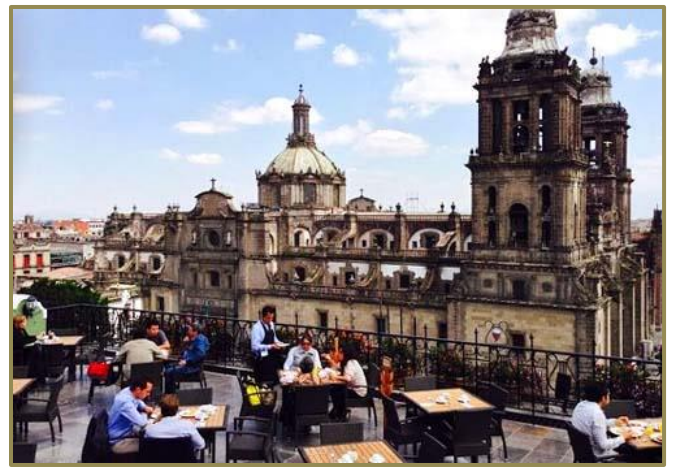

Sunday morning early brought us out on the road again. Sunday is the event finale. Cross-Club judging in the 'Corral' containing the best car of each club selected the Best American Car (a 1931 Chrysler Runabout), the Best European Car (a 1948 Cisitalia 202 GT coupe), and the Best of Show (the Cisitalia). Other events included an afternoon spectacular award ceremony complete with live music, stage decorations and fashion show, parade of Winners, confetti blasts and colorful ribbons. Then came the denouement of restoring the site to pristine condition (and Afterglow in the CJM hospitality tent), returning the cars (in the dark) to their city homes, a quick snack for hungry judges, fond adios, Buen Viajes, abrazos, and wrapping up arrangements for the flights home next morning.

Monday April 8th brought creaks and groans and serious need for coffee (those of you who are judges know what I mean after judging 6 or more cars on each of the days before), and a long run eastward to the airport for the journey back to San Diego via Tijuana.

For those of you who haven't been to Mexico City recently, you would be amazed at how this city of 23 plus million people has blossomed and modernized since the devastating Richter 8.0 earthquake of September 1985 that caused 40,000 casualties and left 250,000 homeless. Today, the city is beautiful and vibrant. The former pollution problems have been significantly reduced. Rush hour, though, is still a challenge as in any big city. Public transport is excellent. Safety is not an issue in the popular areas.

As with each prior year, our very good friends in CJM have been superb hosts with whom we have forged marvelous memories and lasting friendships. Memories include the wedding of a CJM President's daughter to a US Naval Officer at the SDGO ASW Base Officers' Club; an unforgettable afternoon at the site when Enrique and Pepe (a retired Chrysler engineer) drove a Lynx D-type in lazy donuts around the (then) vacant display field under golden sun; a sweaty palms Sunday evening drive back from the site to the city outskirts in a 3.8S with no reverse gear and bad lights, a cold midnight trying to resuscitate a dead E-Type high in a mountain pass, visits to the homes of various Collectors to view impressive exemplars of automotive history, and so forth. One of my many personal 'mosts' was an hour sitting with our friend Israel Leitman in the rear seat of his original 1938 Cadillac saloon discussing not only his near-perfect 1961 Outside Bonnet Latch E-Type, but also the past and potential future of our vintage hobby in contrast with the emergence of Modern Jaguars and their owners' interests.

Getting to know the members, families and histories of our fellow clubs is how, in my opinion, being a JCNA / SDJC member helps to fill out life's picture.

Rolling British Car Day

May 28th, 2019

Recap by Dave Putnam

Pictures by Dave & Matt Allen, Dave Putnam & Chuck Leuthen

This year's Rolling British Car Day had a North County and South County starting point. The North starting point was Kelly's Pub in a small strip mall on Bernardo Center Drive. The South starting point was the Sprint Store on Fletcher Parkway in El Cajon.

Due to the tragic shooting at the Chabad of Poway on Saturday, Joanie Berkwitz, President of SDBCCC had to rework the Northern route that Saturday evening. Rancho Bernardo Road, which was part of the original route was to be closed on Sunday. A new route was chosen and then all the Northern route sheets had to be recopied. Joanie's kind words for those at the Chabad of Poway who were truly affected by this tragedy were heartfelt and very thoughtful.

Both groups departed at their designated time, with the plan that we would cross paths as we came into Ramona. The Northern route took us around Starvation Mountain on Highland Valley Road. Then turning on Archie Moore Road to Highway 67 into Ramona. Leaving Ramona, we headed to Santa Ysabel by way of Old Julian Highway. From Santa Ysabel we took Wynola Road and Julian Orchard Drive to our final designation, Menghini Winery.

During the route, one of the early mini's, owned by Nancy Homer, which is restored to look like a miniature police car was stopped by the Ramona Police. They accused Nancy of impersonating a Police Officer. After several minutes of discussion with the police, Nancy said she used her charm to convince them to let her go on her way.

Menghini Winery had plenty of wide-open space for our group of about 140 British cars. The Jaguar group found some shade under a tree, complete with a picnic table. The San Diego Jaguar Club was well represented. I do not have a final count, but it had to be close to fifteen cars. There were plenty of picnic baskets full of sandwiches, crackers, cheese, and wine. Everyone seemed to have a good time and the weather was great for a drive in the country.

Cheers, Dave

See you all at British Car Day, Saturday October 12th, Spanish Landing Park East

Notes from the Concours Judges Tent

May 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

2019 Concours Judges Training.

Preparations have begun for our Saturday July 13th Concours being held at Spanish Landing Park **EAST**. Hats Off to Mark Hodges, our President and Concours Chair (among other things), for doing the many tasks it takes to make our event happen! Provided below is a summary of the three types of Concours-related training that I will offer this year.

- Concours 101. A classroom presentation, show and tell, and informal discussion of JCNA concours for those unfamiliar with concours but interested in learning about it. No experience is required; you only need an interest in learning more about JCNA concours. One weekend session is planned on May 18th beginning at 1:30 PM in the San Diego Auto Museum training room. The session will last about 90 minutes.
- Concours 201. A session to get Apprentice Judges and Judges whose certification has expired (or is about to) up to speed so that they can participate as Certified Judges at our 2019 Concours. Experience as an Apprentice Judge or former JCNA certified Judge is a “plus”, but any member is welcome to participate. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge’s Guides will be emphasized. **One weekend session (June 29/30 TBD) will be held for Apprentices and anyone else wishing to brush up a bit on concours judging processes. A volunteer will be most welcome to host the event.**
- Concours 301. The formal, annual Judges’ Refresher Training is required each year by JCNA to recertify Judges for the current concours year. It includes a classroom presentation, a review of the more important aspects of the JCNA Concours Rule Book (**now available for download or purchase at JCNA.com/Events/Concours**) and discussions of the Rule Book changes for 2019. I plan to highlight the outcome of significant initiatives addressed at the 23 March 2019 AGM and their potential impact on our activities. The written 2019 Judges’ Test will be administered. Everyone is welcome to attend. This is an excellent way for Judges and Entrants to learn more about JCNA Concours Rules. Two weekend sessions are planned: Session 1 on Saturday May 18th at the San Diego Auto Museum beginning at 9 AM, and Session 2 on Saturday June 22nd beginning at 9 AM at Classic Showcase in Oceanside. Each session normally lasts about 3 hours.

Please RSVP to me via the Club Website at least 5 days before any class that you plan to attend so that there will be plenty of refreshments and training materials available. (Thanks, Mark Hodges, for adding this easy-to-use website feature!)

2019 JCNA Concours in the Southwest Region.

Here are some established 2019 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

- 19 May - Jaguar Owners Club of Los Angeles Concours, Muckenthaler Cultural Center Fullerton California
- 13 July - San Diego Jaguar Club (Note: Again this year, by popular demand, it's on a **SATURDAY**), Spanish Landing Park EAST, San Diego, CA
- 17-19 Aug - Jaguar Corral at 2019 Rolex Motorsport Reunion, Laguna Seca, Monterey, CA
- 5 October – Inland Empire Jaguar Club Concours, Idyllwild, CA
- 26 October - Jaguar Club of Southern Arizona, Tucson, AZ

Looking for a Few Good Women and Men for Concours Judges.

We are looking for members interested in becoming Certified JCNA Concours Judges. Please contact me if you are interested.

If you have any questions about this article or JCNA Concours d'Elegance participation, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

16th Annual SDJC Day at the San Diego County Fair

Thursday, June 27, 2019

To coincide with the 80th anniversary of the story, this year's fair theme is

"The Wonderful Wizard of Oz"

The San Diego Jaguar Car Club has been invited to again participate in the Fair Car Shows. In exchange for entering your Jaguar automobile in the Fair car show, you will receive free admission to the fair on this day for car, yourself, and up to three guests.

We will meet at 9:00 a.m. in the Gelson's (formerly Albertson's) parking lot on Villa De La Valle and caravan over to the Fairgrounds at 9:25 for a 9:30 arrival. After parking, check in and setup, you are turned loose to roam the grounds while your car sits and is oohed and awed over fellow fair-goers. Cars must remain in the display area until 3:00 p.m. The show awards will be announced at about 2:45 p.m. Free parking will be available to those people who wish to remain at the fair after the car show is over.

Please contact Katherine Partain to sign up. There are spaces for 8 cars. If your guests cannot arrive with you, please let Katherine know so she can get a Green Lot parking pass and entry instructions to you so they can arrive later in the day and still park & enter the fair for free. We have three such parking passes available for club use on that day. E-mail: kepartain@yahoo.com or Telephone at: 858-722-5280.

THURSDAYS ARE SOLID GOLD SERIES DAYS

Stay tuned for the performers on our day – not announced by the Fair yet.

These are the people at the "wheel" of your club. They would be glad to help you get involved or respond to your' inquires or suggestions. There are a lot of jobs to do to keep the club running smoothly. Of course, you are always welcome to come to a Board meeting.

SDJC Board of Directors Meeting Minutes

April 10, 2019

Meeting was called to order at Porsche San Diego at 6:42 p.m. by President Mark Hodges. The following Board members were present: Nedra Rummell; Diane Bauman; Dave Allen; Ali Proctor; George Klein; Al Steele; Mitch Cohen. Absent: Chuck Leuthen; Dave Putnam; Tim Bennett. Also present, Pete Rieth, Chief Judge; Dan Jensen, Advertising Sales.

President's Report: Mark – none

Secretary's Report: Ali – March meeting minutes approved electronically.

Treasurer's Report: Dave – March month activities include income of \$2,980.25 comprising \$420.10 Club dues, \$300.00 advertising, \$286.00 from sales of logo items and \$1974.15 for luncheons. Expenses for the month were \$3,190.19 comprising \$120.00 JCNA dues, \$100.00 for deposit for sound and music at the Concours d'Elegance, \$2,733.77 payments to The Green Dragon Tavern for the 60th Birthday Party, \$119.42 for Jaguar Tracks hard copies for local dealers and \$117.00 for the storage facility. (Note the new monthly storage fee increased from \$109.00). Overall, we had net expense of \$209.94 for the month. Our accounts remain healthy but as noted previously our income from membership dues is still down about 10% compared to this time last year.

Also - Al Steele asked about the Department of Justice Line item on the accounts. Dave investigated and this was a \$25.00 fee paid for the RRF1 form in January 2015. The check was returned in March 2015 with a note saying RRF1 forms are no longer needed. When Dave took over the role of Club Treasurer, he re-confirmed that we did not need to submit the RRF1 form. Since we never actually had any expenses against this account Dave will remove it from future reports.

First Vice President's Activities Report: Review: - 4/6/19 - Drive thru Rainbow – hosted by Diane Bauman. 15 cars on 1 hour and 45-minute drive. Great day.

Upcoming: Diane **4/28/2019** – SDBCCC Rolling British Car Day. **5/11/2019** – New Member Appreciation – Brigantine Poway - hosted by Nedra Rummell. **6/27/19** - 16th Annual SDJC Day at the San Diego County Fair hosted by Katherine Partain. Diane working on June event as well as Afterglow and Election Luncheon events. As always, please check SDJC website for current event news and information on upcoming 2019 events.

Membership Report: Nedra – No new members. Nedra believes membership has been impacted by the lack of dealership although all JCNA clubs seem to have a downturn of new members. She has placed membership applications in area repair shops. Flyer for New Member Luncheon on May 11th has been provided to Mark for website posting.

Newsletter Editor's Report: Newsletter: Chuck – submitted electronically - Collecting input for May issue: Have received Pete's Concours Judges column as well as a recap of his Mexico City Concours Recap. Have received Nedra's recap of the AGM. Diane is putting together a recap of the Rainbow Run drive and lunch. Chuck has sent a request to Dave P. to recap the Rolling British Car Day event. He would like to ask the contributors to get him pictures and recap as soon as possible after the event.

Website Report: Mark – Website is up to date.

Functional Chair Reports:

Dealer Representative: Jim – No report.

Concours: Mark – Sent Concours information to other clubs. Registration is up on-line and already cars are registered.

Advertising: Dan – Only one advertiser with outstanding invoice. He has sent out follow-up invoice.

Chief Judge: Pete R. – Training on track. Concours on track. Cars are running. All is good.

SD Automotive Museum Representative: Pete P. – No report.

British Car Club Council Representative: Dave – No report.

Historian & Roster – No report

Logo Wear: Marie – No report.

Meeting adjourned at 7:31 p.m. by President Mark Hodges.

The next board meeting is scheduled for **May 8, 2019 6:30 p.m.** at Porsche San Diego.

Respectfully submitted by Ali Proctor, Secretary.

Reminders

***Editor's reminder #1:** Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!*

***Editor's reminder #2:** Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!*
