Presidential Perspective

June was a diverse month, event-wise. Some of us enjoyed a long, and I mean long, Padres game against the Miami Marlins on the Bud Patio at Petco Park, the tour of the Deer Park Winery and Auto Museum, and the 16th Annual SDJC Day at the San Diego County Fair. Some of us actually worked at the Concours Judges Training at Classic Showcase. I call it work because there was a written test at the end, but rumor has it someone hid the answers on the underside of an XK-120 rocker panel. Word on the street is the answer code was A-C-D-A-B-C-C-A-B-D-A-A. Thanks to Chief Judge Pete Rieth for making sure we have enough qualified and certified judges for our regional Concourses. Many thanks to Tom Krefetz for hosting this annual event. I heard the breakfast croissants were especially buttery this year.

Today, I am dividing my time between writing this column and processing Concours registrations. Apparently ya'll read the email blasts we send out because I received about a dozen new registrations right after I sent out Concours reminders. It's nice to know the system works.

As for the Concours, I'll keep everything up on the website page except for the online registration form, which comes down at midnight on June 30. After that, we will only accept Display Only registrations. We will accept Display Only registrations right up to Concours Day on July 13, and yes, this includes day of show registrations. Just come on down to Cancer Survivor's Park at Spanish Landing East, fill out the paper registration form, pull onto the field, and we'll let you in. Everyone has to be on the field by 9 a.m.

We are still working on the Concours Afterglow in August and hope to get the flier out very, very soon. The flier for the Village Walk Car Show at Eastlake on the 21st is on page 17. The '19 Cal Clubs Reunion at Morro Bay is set. Check it out on our Club Members Page and mark your calendars for Sept 19-22. All five California Jaguar Clubs are participating.

That's it for now. Hope to see you at our Concours in a couple of weeks.

Until then, take care.

Mark

Recap by Diane Bauman

Pictures by Nedra Rummell

This was a spontaneous event I suggested at the New Members Appreciation Luncheon. I reserved the Bud Patio area just for the San Diego Jaguar Club. It is a section for private parties that has bar-type seating, with ledges and bar-height seats instead of stadium seats. It also has the benefit of Budweiser beer sales right next to the private section, so minimal walking is required to get a cold one.

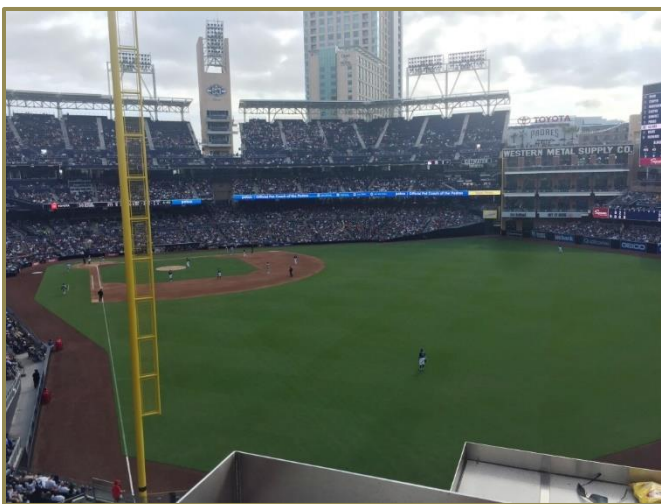

The weather was a little cloudy, and windy at times, but at least it wasn't raining. I have been told that I am the reason it rains for all the planned events. Looking at this year's events, there must be some truth to it. Maybe this will change the trend.

In May the Padres played 27 games, and they won 14 of them. This game was not one of them, as they lost 9 to 2. But the game did make the National News, but for a totally different reason. A swarm of bees took over the FOX Sports microphone near the dugouts, which caused a 30-minute delay in the second inning of the game.

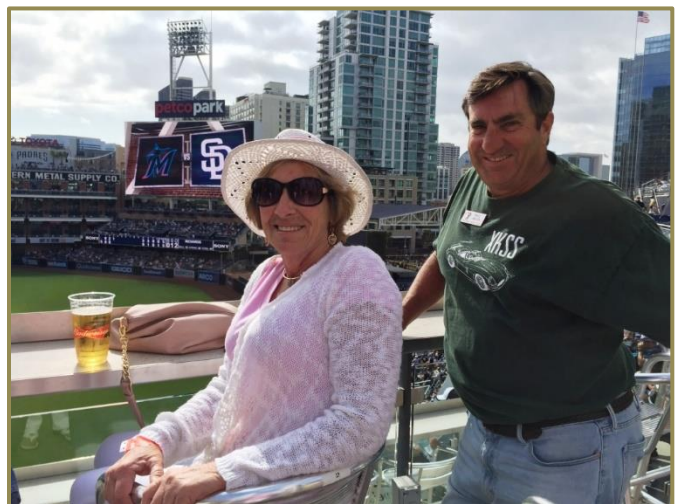

The players vacated the field, and all the fans behind home plate left the stands as an exterminator in a beekeeper's suit climbed a ladder to spray the swarm, and then vacuumed them up. The Padres have had problems with bees before. In a pre-season game in 2017 against the Colorado Rockies in Arizona, bees swarmed home plate sending all the players ducking for cover.

The Padres use Cartwright Exterminators for issues like this and their decision to spray the swarm and kill them instead of using live removal resulted in a public uproar. The killing of a queen bee and hundreds of worker bees when the bee population is at critical numbers really angered everyone. Luckily none of us were stung, so other than the Padre loss it was an enjoyable day at the ballpark.

Cheers, Diane

Deer Park Winery and Auto Museum

June 8th, 2019

Recap by Diane Bauman

Pictures by Dave & Matt Allen and Nedra Rummell

June was a busy month for the San Diego Jaguar Club, and the week after the Padres Game we had another event at Deer Park Winery and Auto Museum in Escondido. We met there at 11:30 a.m. and found that the Model A Club had also chosen to come the same day. There was a wide variety of Jaguars present and we filled the parking lot.

There were 3 buildings full of classic cars, motorcycles, and vintage appliances, radios, and even a large barbie doll collection. It sure brought back a lot of memories to see radios with tubes again, phones with dials, and 1950-era hair dryers you put your head under like you would at the salon.

After the tour we were able to enjoy the wine tasting, or a picnic lunch either in the grassy area or at picnic tables in the shade next to the building.

Cheers, Diane

English Motors at Fairbrook

June 16, 2019

Recap and pictures by Dave & Marie Allen

English Motors at Fairbrook is a unique gathering of fine English motor cars and motor bikes, nestled in the Fallbrook hills at Fairbrook Farms. The site for the show was an open field adjacent to the stables and there were about 45 cars in attendance. The cloudy weather made it a perfect day for viewing the cars; however, the threat of rain early in the morning may have stopped some from displaying their beautiful cars.

On display was a mixture of Jaguars, Bentleys, Rolls Royces, Minis, MGs, Morgans and Triumphs. There were many awards handed out and the Best in Show was awarded to San Diego Jaguar Club member Craig Wright for his magnificent Series 1 E-Type.

There were several Jaguars in the judged part of the show, including a beautiful white XK140 (which won best Jaguar), and a spectacular black XKR. On display was a wide selection of Jaguars including a nitrous-oxide-equipped XJS convertible, two XKs and two XJ sedans.

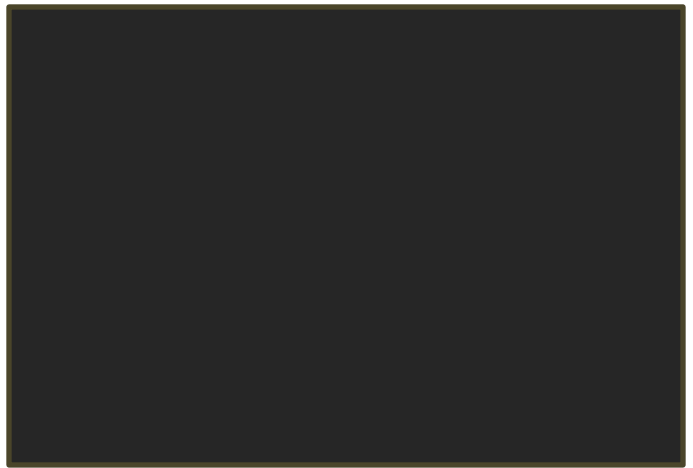

This show was held to raise funds for a local charity. Proceeds from the show were donated to Canine Companions for Independence, which is a non-profit group based in Oceanside that trains and places assistance dogs at no charge to the recipient.

Unfortunately, our camera failed early in the day, so we were unable to take many photos.

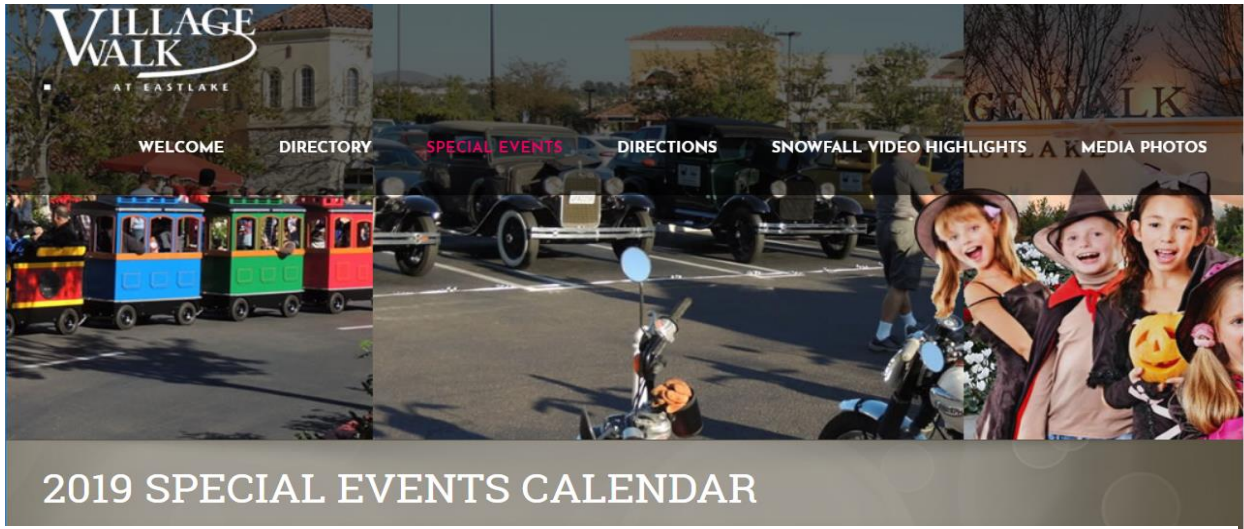

This was the first time we had attended the show and thoroughly enjoyed it, especially the eclectic mix of cars, and the stories, jokes, English food and restoration tales from Mike Haynes and Martin Avery. We'll be there next year!

Cheers, Dave and Marie

Notes from the Concours Judges Tent

July 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Concours Day is upon us! The always accurate local weather gurus foretell a glorious day by the bay.

Our cadre of experienced judges has completed the required annual refresher training and proficiency testing. We're very pleased to welcome a new Judge to the team for 2019: Diane Bauman. We also have two new Apprentices nearing certification as of "Press Time": Rudy Hradecky and John Baiha.

Our thanks go to both the San Diego Auto Museum's Herb Johnson, Patrick Heffernan and staff and also to Tom Krefetz' Classic Showcase for providing wonderful teaching venues for Concours 301 training. There's nothing like having a full-up, detailed XK cutaway engine, a 100-point MK IV, SS100, SS Touring, and an XK 120 FHC at your elbow as teaching aids! Debbie's yummy munchies also really helped to keep the trainee judges' attention active. We had 15 Judges and Apprentices participating, including Chief Judge Emeritus Dick Cavicke who provided some perspectives on future Concours organization. Guests included Mark Mayuga and Charlie Hallums, JOCLA President & Chief Judge respectively.

On Concours day we are very happy again to have our Scorekeepers in a team effort to ensure the numbers are RIGHT. For those of you who haven't noticed this somewhat 'behind the scenes' activity, it is a crucial part of bringing an accurate result to the Awards Ceremony in timely fashion. Judges this year will also rotate through duty in the Judges' Tent as Scrutinizers. Matt Allen has again kindly volunteered as Scoresheet Runner to expedite the judging schedule.

Here's a summary of how the scoring review process works - After each judge team Leader turns in a set of score sheets (Interior, Exterior, Engine and [OV] for Champion, or only Interior, Exterior and OV for Driven) to the Judges' tent, a series of reviews happens: First, two Scrutinizers review to ensure the sheets are filled out completely and correctly per the JCNA Rule Book, using a checklist and returning those needing corrections. Next, the sheets pass to the Scorekeepers, who again review the scored entries for numeric accuracy and tally each sheet to calculate an overall score for the entry. Finally, all entries' scores are compiled on a single sheet which the Chief Judge and Concours Chair review and use during the Awards Ceremony to announce winners of Third, Second and First Place trophies in each competing class (Champion, Special and Driven). After Concours day, the Chief Judge again reviews all score sheets for accuracy, making corrections if warranted, and reports provisional scores and the Judge Roster to JCNA. After adjudicating any formal protests, the scores become final for purposes of Regional and North American competition.

Here are some established 2019 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

Spare Parts and Such from Chuck Leuthen

Letters to the Editor

Dear Chuck,

I am a member of the Jaguar Associate Group in the Bay Area. I recently wrote a book, "Jaguar XK120 Restoration, Lessons Learned". JAG's former newsletter editor, Les Hamilton, is now the president of JCNA. Before he assumed his new duties, he reviewed my new book. I have attached his review.

I self-published the book. I am not a professional author, just a fellow Jag owner with some restoration lessons to pass along. But I need to get the word out that such a book is available. As you can see from Les's review, he believes it can help not just XK120 restorers but someone doing any old car restoration project. So, I am thinking that by getting in touch with Jag club newsletter editors maybe some will include the review in a future newsletter.

By the way, I went to your website to find your e-mail address and got to look at past issues of your newsletter. Very nicely done. It beats what I see on other's sites.

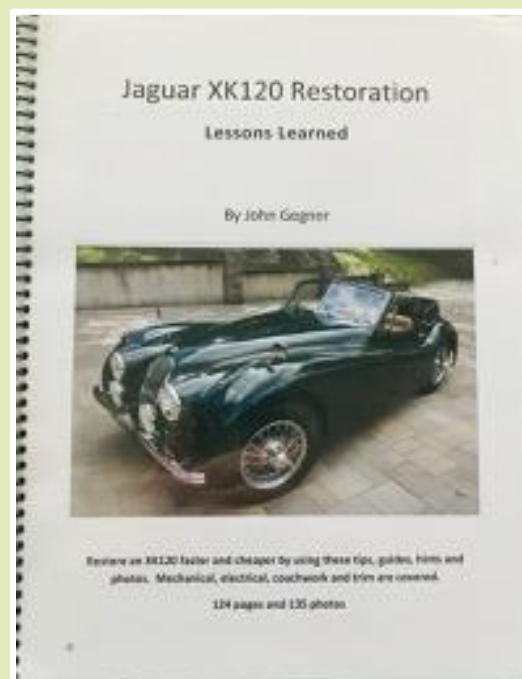

I would appreciate anything you can do to help me get the word out about my new book.

Thanks, John Gegner

John, consider it done. -Ed

Jaguar XK120 Restoration Lessons Learned by John Gegner

Book Review: Well, every great book deserves a sequel. I had earlier reviewed "*Jaguar XK120 DHC, Installing the Soft Top and Headliner*" by John Gegner and Gregg Philbrick and I realized that the soft top installation was only part of the larger question, how do you start on and go about restoring a classic Jaguar without sending the car and large check to a professional restorer? Well the answer to my question was delivered by John in this more substantial, equally well written, story in 124 pages with 135 photos.

The author states the book “is not a substitute for already published restoration books”, but I cannot imagine embarking on a classic car restoration without this book as a guide to what is a large home garage project. The book provides a rationale for the overall structure for a restoration project, how to sequence and manage the project and guidance on identifying the critical path to avoid rework or long periods of downtime. Preparing your workspace for the project and guidance on make versus buy are some of the great collection of common-sense hints and guidance provided by the work.

After setting the stage with the history of John’s XK120 and workspace preparation, the book walks through each of the major stages and for each stage provides the cost of key parts and labor. Each section is followed by lesson learned, hints and tips, references to more detailed technical publications, all accompanied by illustrative color photos.

The book provides easy reading with an efficient use of words and I found it to be quite a page-turner during my review. Although the book describes John’s adventure restoring his XK120, it provides a great basis for any classic Jaguar restoration as the project structure and many of lessons learnt and references are not XK120 specific. A great addition to any respectable Jaguar library at the cost of \$68 including shipping in the U.S.

To obtain your copy, please contact John Gegner at jpgegner@comcast.net

Our next letter comes from our very own Pete Picksley, our SDJC Representative to the San Diego Automotive Museum. -Ed

Hi Chuck,

Enclosed is some info about the San Diego Automotive Museum which you might want to put in Tracks.

And lastly, several people including SDJC's Tim Bennett and JOCLA's Mark Mayuga shared the sad news of the passing of Britain's greatest test driver, Norman Dewis. -Ed

(Whitley, Coventry – June 10, 2019). The man responsible for developing some of the most iconic Jaguars ever, Norman Dewis OBE, has passed away aged 98. Over a 33-year career with Jaguar, Dewis' fearless, extraordinary talent and friendly, humble demeanor helped establish him not only as Britain's greatest ever test driver, but a veritable legend and a dedicated friend to the Jaguar brand.

Reminders

Editor's reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Editor's reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!

BUTTONWILLOW DRIVING EVENT 2019
SATURDAY, Aug. 10th, 2019
8:30 AM to 4:00PM

This is a joint opportunity being brought to members of both the Jaguar and Mercedes Clubs to participate in a one-day driving experience, either on an individual or organized membership basis. This is a one-day performance driving and learning event on how to become a better driver and to learn more about the performance handling aspects of your car.

Buttonwillow Raceway Park is a motorsports park in [Kern County, California](#), 10 miles (16 km) north of [the town of Buttonwillow](#) and 28 miles (45 km) northwest of [Bakersfield](#). It is located just off the Buttonwillow exit on I-5. Constructed during World War 1 by world famous racing driver [Dario Resta](#), it is now owned and operated by the California Sports Car Club, a region of [SCCA](#). Buttonwillow is the "flagship" track of Cal Club, and is also the location of the Cal Club's administrative offices. (Courtesy of Wikipedia) You can visit the Buttonwillow Raceway website: Buttonwillowraceway.com

Although this event held at a racetrack is referred to as performance driving, this's not what one's primary reason for going to Buttonwillow is about. Attendees will be given the opportunity to learn to drive more safely and competently by being taught by a professional driver. We will learn about speed, cornering, braking, and more importantly the capability of our automobiles as well as our own driving capabilities. After instruction, you may if you want take to the track solo and see how you do.

The cost is \$195.00 for the one day, and helmets can be rented at the track for \$15.00. A \$15.00 credit at the gift shop is also included. Soft top convertibles are not permitted, although Mercedes SL's and Jaguar F-Type Cabriolets equipped with the automatic pop-up roll bars are.

Attendance is limited to 65 cars. Reservations for this event are still available, but can be expected to fill quickly as the event date approaches. **Make your reservations directly through their website: Buttonwillowraceway.com** **Please contact** Rudy Hradecky (PHONE: 619.246.2094 or email: sdrudy@earthlink.net) after you reserve your slot at the Raceway so that we can coordinate details.

Since the event is a one-day event, a suggested schedule would be to arrive at the town of Buttonwillow by Friday late afternoon, plan on staying overnight at one of the local motels, and leaving Sunday morning at your leisure. Lodging at a discounted club rate is available about 10 miles away at **STUDIO 6 MOTEL** located just off the freeway south of the track. Phone: **(661) 764-5153** and tell them you are with the Jaguar/Mercedes Club Buttonwillow Raceway function. The two-night stay will cost \$106.98. Depending also on the number of participants, a dinner party might also be arranged at the Willow Ranch Restaurant close by on Saturday evening. All expenses involved are the responsibility of the attendee.

The Semi-Annual Great Event

Cal Clubs Re Union '19

Back in the Good Olde Days the California Jaguar Clubs would get together every other year between Western States events. Sequoia, Tahoe, Carmel, Cambria were popular meeting sites. Two years ago, the San Francisco and Los Angeles Jag Clubs renewed the event in the Sequoia National Park. It was a terrific event, lots of fun, great driving roads, and good fellowship. We are planning another get-together this year in MORRO BAY on the Central Coast. **Thanks, Mark Mayuga, President JOCLA and Southwest Regional Representative**

These are the people at the "wheel" of your club. They would be glad to help you get involved or respond to your' inquires or suggestions. There are a lot of jobs to do to keep the club running smoothly. Of course, you are always welcome to come to a Board meeting.

SDJC Board of Directors Meeting Minutes

June 12, 2019

Meeting was called to order at Porsche San Diego at 6:30 p.m., by President Mark Hodges. The following Board members were present: Diane Bauman; Dave Allen; Ali Proctor; George Klein; Al Steele; Mitch Cohen, Dave Putnam. Absent: Nedra Rummell; Chuck Leuthen; Tim Bennett. Also present: Pete Rieth, Chief Judge; Dan Jensen, Advertising Sales; and Jim Hallameyer, Dealer Representative.

President's Report: Mark – Confirmed that all 8 spots for SDJC Day at the Fair have been filled. Mark suggested a possible venue/meeting location at Veloce Motors - The Vault – Miramar, 9340 Dowdy Drive #102, San Diego, California 92126. Mark made a Motion to investigate location which was seconded by Dave and unanimously approved.

Secretary's Report: Ali – May meeting minutes approved electronically.

Treasurer's Report: Dave – May month activities include income of \$2,694.31 comprising Club dues, Logowear refund, Concours registration and payments for the New Member Appreciation Luncheon. Expenses for the month were \$3,448.15 comprising JCNA dues, Logowear expenses (\$473.71 was for 100 pins for the name badges), Rule Books and Park use-fees & permits for the Concours d'Elegance. Also included are costs for the 60th Birthday Party (M&M treats), MVP trophy & engraving. Also note the web hosting fee, which was paid via PayPal. Finally, the monthly storage facility is also shown. Overall, we had net loss of \$753.84 for the month. This is expected since this month includes most of the Concours d'Elegance expenses. Our accounts remain healthy with net income of \$6,387 for the year so far.

First Vice President's Activities Report: Diane – **Preview: - 6/27/19 - 16TH Annual SDJC Day at the San Diego County Fair hosted by Katherine Partain.**

Upcoming: 7/21/19 – Village Walk Car Show at Eastlake. Diane is still working on venues for Afterglow and Election Luncheon events. Mark made a motion seconded by Dave which was approved to have Dave Putnam use his family connections to investigate the Rancho Santa Fe Golf Club as an Afterglow venue. If that does not work out, Diane can pursue Barona as a venue option. As always, please check SDJC website for current event news and information on upcoming 2019 events.

Membership Report: Nedra – The following members were submitted by Nedra electronically for approval: GORDON & YURIKO RUDD, JONATHAN SEATON, CHRISTOPHER WALTERS, and MIKE KUNES. Upon a motion by Ali and seconded by Dave, all were unanimously approved. Nedra has updated the Directory and will mail Mark a flash drive tomorrow. She is adding categories from the New Member Orientation book to the back of the Directory. Members have told her they find the information helpful - She thought adding it to the directory would be beneficial. Added categories include: Number of Members by category (single/family/male/female), Members by City, What Jaguars our members own, when did our members join. Nedra plans to have this task completed by next month.

Newsletter Editor's Report: Newsletter: Chuck – submitted electronically- Building the file for the July issue. He has Nedra's New Members update and pictures from the Padres Game and Deer Park events as well as Flier for the Morrow Bay event. Still needing: From Diane: 1. Recaps of the Padres Game and Deer Park Events. Also, the list of attendee's names of those two events. 2. Flier for Village Walk at Eastlake event. 3. Flier for Concours Afterglow event. 4. Updated Calendar of Events spreadsheet via email. And the usual stuff: From Mark: Presidential Perspective. From Ali: BOD Meeting Minutes. From Pete R.: Notes from the Concours Judges Tent.

Website Report: Mark – No report.

Functional Chair Reports:

Dealer Representative: Jim – Looks like at least a year before new dealership and showroom will be ready. Jim will contact dealer for Concours sponsorship and display vehicles.

Concours: Mark – 29 registered (currently 20 judged, 9 display). Has borrowed tables and chairs for event. Needs volunteers for Hospitality and Parking. Dan volunteered to take lead on parking. Vendors (Diamond Environmental and DJ) have been paid. He has gift bags.

Advertising: Dan – 2019 closed. Advertising revenue \$1,860 for the year.

Chief Judge: Pete R. – Chief Judge checklist moving right along. Trophies have been ordered. Concours 301 training session is scheduled for June 22nd at Classic Showcase. Ali made a motion which was seconded by Dave and unanimously approved to give Pete up to \$300 budget for wine gift for judges.

SD Automotive Museum Representative: Pete P.– The new show at the museum started Saturday. It is called “Vision vs. Reality”, from the fires of imagination to the forge of production. It features about 15 very interesting autos, some that made production, some that didn't but should have and a few that were just plain too darn gorgeous to spread around. There is even a special-bodied custom with a Jaguar chassis and a body fit for Ralph Lauren. Another is a prototype for what the Corvair could have and should have become. A Lincoln Continental coupe from the 70's is outstanding. On another note, the entrance tiles will be stored in the Comic-con museum until re-attachment can be arranged. The next museum show starting in late October will be “Very Special Low-Riders”. No elevator yet.

British Car Club Council Representative: Dave – British Car Day scheduled for October 12, 2019.

Historian & Roster – No report

Logo Wear: Marie – submitted via Dave -We need Jaguar approval to use SDJC Logo on apparel through Lands End. The approval has not yet arrived, so we cannot order new logowear at this time.

Meeting adjourned at 7:38 p.m by President Mark Hodges.

The next board meeting is scheduled for **July 10, 2019 6:30 p.m.** location TBD.

Respectfully submitted by Ali Proctor, Secretary.
