Presidential Perspective

July is my busiest month of the year and this July was probably my busiest ever, what with all the changes to this year's Concours; location, trophies, equipment, etc. At least I can now relax until the Afterglow, oh wait, no, I'm doing the Afterglow too. Okay, I'll relax after the Afterglow.

Now, on to September. Jim Hallameyer stepped up and planned our September drive. Thanks Jim. It starts with a drive to Gillespie Field in El Cajon for a private tour of the Allen Airways Flying Museum. After the tour, we all caravan up the road to Phil's BBQ in Santee for lunch.

The September Cal Clubs trip to Morro Bay is in full swing. Members from all five California Jaguar Clubs are participating. Back when the bi-annual International Jaguar Festival was called the Western States Meet, the California clubs would meet in the off year for our own event, hence the name. It's kind of died out some time ago, but the California club presidents got together and revived it. Being in our own little corner of California makes for a longer drive, but the central coast should be beautiful this time of year.

October, November, and December activities are still in the planning phase, but we do have the venues locked in, thanks again to Jim Hallameyer.

Overall, our club is strong and continues to be one of the largest in the nation. It is because of events like these and members like you that make this club as successful as it is. Speaking of membership, we'll have info on the Election Luncheon out there soon, but I thought I'd give you all a preview of what to expect. Three positions are, or will be, open: Director, First Vice President of Activities, and Club Secretary. Two members have resigned from the board (one for personal reasons; the other is moving out of state) and the third is not running for re-election (Secretary). We need three members to step up and replace those leaving the board. The First Vice President is responsible for drives, lunch and dinner events, but is not responsible for some of the recurring events. The Club Secretary is responsible for club correspondence and the taking of minutes at each board meeting. Directors, while not specifically responsible for any particular task, are advised of club happenings, advise the other club officers, and are voting members of the board. If you ever wanted to get involved and be a part of the planning process, now is the perfect time. Go to the Club Members Page and read the 'Duties of Elected Club Officers' section to see what we do. Contact 2nd VP Nedra Rummell or me if you are interested in one of these positions.

As usual, get all the info and register for our events on the Club Members Page. Well, that's it for now. Hope to see you at our Concours Afterglow in a couple of weeks.

Until then, take care.

Mark

Jaguar's XK engine, produced from 1949 to 1992, serves to illustrate that the beauty of the Jaguar is much more than "skin deep". I have to believe that they had stylists, as well as engineers, behind the magnificent design.

16th Annual SDJC Day at the Fair

June 27th, 2019

Recap by Kathrine Partain

Pictures by Kathrine Partain and Dave & Matt Allen

With no regard for the weather, eight cars with 16 staff members attending them, arrived to fulfill their commitment to show off during the SDJC 16th Annual Day at the Fair. This year was a bit different at the start. For 15 years we caravanned onto the fairgrounds entering through the Saddle Gate on the east side of the grounds.

This year we motorcaded onto the fair-grounds through the Solana Gate, on the northwest side of the grounds, where they staged us in two long lines - the Jags next to our "fairmates", the Over the Hill Gang car club. The entry route to the show area was no less circuitous than in previous years, but it worked. The main benefit was that there was no automatic gate that had to be manned twice while the cars entered the grounds at two separate times.

The Pre-take-off meeting - group picture in the Gelson's grocery store parking lot. You can tell how close of attention everyone is paying to the camera.

From Left to Right – Name	Car
Bob & Ali Proctor	1969 E-Type 2+2, Red
Dave, Marie & Matt Allen	1987 XJ-S, V12 Coupe, Blue
Paul & Debbie Novak	1990 V12 Vanden Plas, British Racing Green
Nedra Rummell & Diane McDonald	2014 F-Type S, White
Dave & Windley Putnam	1950 Mark V, White
Diane Bauman	2017 F-Type, White
Rudy & Cheryl Hradecky	2017 XF R Sport, 3.5T AWD, Italian Racing Red
Katherine Partain & Lana Thompson	1997 XK8 Coupe, Topaz

We did the usual picturing taking, parking, completing & placing the display forms describing our cars under the front bumpers, before dispersing for the day. For many of our attending club members, this was their first time participating in the car show. We were turned loose after the drivers' meeting, where we were told to return to the car show area no later than 2:45 for the Awards Ceremony.

Staging lines pre-Fairgrounds parking

Fairgrounds parking and set up at the car show

The winner of the People's Choice Award for the day was a 1932 Ford (not shown). We got our picture taken as a group with our souvenir posters. Then at 3:00 we had to move our cars out of the show area. As in years past, several of us left for points outside of the fairgrounds, while several others of us stayed into the evening to tour the exhibits, listen to music, shop, and eat more of that all too tempting fair food.

Woodworking anyone?

The Oasis Camel Dairy brought 4 camels - two adults, one teenager, and this 3-month old baby. No edible camel milk products were available for sale.

The Backwater Blues Band performing a Stevie Vaughn Tribute. They were one of five bands that played throughout the day during the Belly Up Tavern-sponsored Music Festival on the Coors Light Rock on Stage.

Ricki Lee Jones - Solid Gold artist for the day

The Wicked Witch of the West fared no better at the hands of the Novak's than she did in the land of Oz.

Concours 201 Judging Practice

June 29th, 2019

Recap and pictures by Pete Rieth

Concours 201 (2019) was a training session to bring Apprentice Judges and Judges whose certification had expired (or is about to) up to speed so that they could participate as Certified Judges at our 2019 Concours. Experience as an Apprentice Judge or former JCNA certified Judge was a “plus”, but any member was welcome to participate. Hands on judging of Jaguars using official score sheets, JCNA Concours Rule Books and JCNA Judge's Guides was emphasized. The event was a very productive and enjoyable training session on June 29th. We were fortunate with moderate Ramona weather and for Christa's refreshments that kept us hydrated and powered for a busy morning of judging and training. Apprentice participants were Diane Bauman, Rudy Hradecky and John Balha. Judges included Dave Allen, Paul Novak, Nedra Rummell, and myself.

We began the day with 3 teams of two (one JCNA Certified Judge and one Apprentice) doing a practice judging – without the usual concours 15-minute time constraint. This allowed us to focus on process and procedures specified in the Rule Book. The cars judged in this phase were a '99 XJR sedan, an '87 XJ-S coupe and a '90 XJ-S convertible. Score sheets were completed for all components (but not OV) by each team member. The team Certified Judge and later the SDJC Chief Judge (CJ) reviewed and critiqued the scoring. The CJ also observed and coached in the judging process.

Following a refreshment and Q&A discussion break, Phase 2 began. Two teams were now re-composed of 3 members each including at least one Certified Judge and one or two Apprentices. The Phase 2 process was conducted strictly according to actual JCNA-sanctioned concours (in miniature, so to speak) procedure including presentation of entry, full judging of each component, completion of score sheets and 15-minute time limit just as would be done in an actual event. The cars judged were an F-Type Coupe and an F-Type convertible. This completed opportunity for Apprentices to experience judging context on both older Jaguars and modern models. Once again, Apprentice score sheets received double review and critique. The CJ again observed and coached in the judging process.

We noted that one of the Apprentices had already judged at the 2018 SDJC concours, and the other two Apprentices have prior experience with concours judging with the clubs of other marques as well as long-time personal ownership-level knowledge within the Jaguar marque. All three have received the 2019 Rules and Scoring briefing and passed the written test.

At the final working/social luncheon, CJ conferred with the SDJC Immediate Past CJ and the other two participating Certified Judges regarding readiness of the three Apprentices for certification per Section III, part D of the 2019 Rule Book. Favorable concurrence on readiness for certification was readily obtained. The 3 New Judges participated in judging a total of 12 cars during our SDJC Concours on July 13th!

Finally, a photo shoot of all participants' vehicles was captured for an upcoming article in this SDJC Jaguar Tracks newsletter. Christa Rieth's photos captured this as well as the other key scenes of the day.

2019 SDJC Concours d'Elegance

July 13th, 2019

Recap by Mark Hodges

Pictures by Roger McDonald and Dave & Matt Allen

The 2019 SDJC Concours d'Elegance was a great success, if I do say so myself, thanks to all the hard work of everyone who helped me put on the show. This was my fourth year chairing the Concours and our first year at Cancer Survivor's Park on Spanish Landing. The change of location was not nearly as stressful as I thought it would be. One reason is the field is much larger than the west side and it was much easier to put all the judged Jags in three rows. I placed all the Display Only Jags between the monuments and the street, lining them all up side to side so anyone and everyone driving by on Harbor Drive would see them. Every once in a while, someone driving by would honk and/or yell some encouraging words. The survey results are in and every returned survey, except one, voted to keep the Concours at the park, so that is what I am going to do.

This year I did away with the pewter plate trophies and instead went for the custom-made acrylic trophies. While smaller than the pewter plates, I think they really stand out and make a statement. Each trophy comes with a custom-made nameplate and I'll send those out as soon as they are finished. Our sound DJ, Jonathan Mendoza, did another phenomenal job. His sound system is so clean and crisp I could understand everything everyone said into the mic. I also heard many compliments on his music choices.

My thanks to the set-up crew, parking staff, hospitality staff, judges, and the many other members who volunteered their time and energy to make it all happen. Thanks also to the members of the Los Angeles, Inland Empire, and Virginia Clubs, who not only provided entrants, but also provided judges to help keep the judging schedule timely. A special thanks to David Drake, General Manager of Jaguar Land Rover San Diego, for providing financial support and for the display of the newest Jaguars and Land Rovers available. While it was a lot of work to put on this show, it was very rewarding to see the results. There was a total of 69 entrants, 36 of them judged and 33 for display.

Remember to register for the Afterglow Luncheon for our post-event celebration. You will have lunch with your club friends, receive an in-person recap of the show, watch a slide show of the Concours, discuss some club business, and maybe even win a raffle prize.

Village Walk at Eastlake

July 21st, 2019

Recap by Diane Bauman & Dave Allen

Pictures by Dave & Matt Allen

The San Diego Jaguar Club was invited to be a part of "Summer Sundays at Eastlake Village Walk" in Chula Vista. It was a 6-week event, and each Sunday there was a different band and car club scheduled. The club was paid \$200 and we could display between 15 to 30 cars. There was no real structure to the event, except have the cars in place by 5 pm, and we were free to cruise the mall, listen to the band, or find a place to eat. There was no defined release time given, but we guessed we could leave once the band quit.

There were only 8 RSVP's for the event, a bit low, but those that attended had a great time. The group included Ken Colby, Nedra Rummell, Paul Novak, Pete Reith, Richard Lawler & Radiance Bentley, Dave, Marie & Matt Allen, Terry & Mary Pat Tilton, and myself.

I was going to figure out how to bring both my F-Type and the S-Type, and Dave and Marie said they could bring 2 cars. Dave took his E-Type for its maiden journey around the block (I saw pictures to prove it) but that would have been a long and possibly risky drive to bring it, so it stayed home. I got my brother and his family here on vacation to bring my S-type, and convinced my parents to also come with their S-Type, bribing them with dinner at Islands Restaurant. So that was 3 cars for me and it brought our car count up to a total of 11.

We parked in roped off parking spaces with security guards watching our cars, right next to the band. At this point some members sat in their chairs enjoying the music, others walked around the mall and came back with frozen yogurt, and some found a place nearby to eat. I then realized that Island's Restaurant was actually at the far end of another section of the divided mall, and it was a long walk to get there with no shortcut.

Terry Tilton and I were talking about still walking, when I then realized I had my other car there that could carry more than 2 people at a time. So, I put the old S-Type to work as a shuttle and took Ken, Richard and Radiance over to Islands, dropped them off, and returned to shuttle Paul, Terry & Mary Pat in the second trip. The group then enjoyed refreshing drinks and food seated at one circular booth and chatted up a storm.

After we finished eating, I reverse shuttled everyone back. The band was gone, and so was the rest of the club members except Dave, Marie and Matt watching over Paul's open car and the club banner I put up. Many thanks to all that came to enjoy the evening, especially Dave & Marie for bringing an extra car and leaving last with Paul and I. Special thanks to my family for dropping their plans to support me and bring the extra cars.

I know for sure the Allen's enjoyed the event as evidenced by Dave's review that follows below.

Cheers, Diane

Hi Diane, what a great evening! Village Walk at Eastlake is a great recipe for the shopping complex: rock 'n roll, cars and people spending some quality time. It certainly works since I spent a couple of hours talking about Jaguars to a dozen people at least. One of the people had three XJ6s! (I gave him a club

membership card). There was lots of interest in the new cars, but when the XJ6 and XJS opened their hoods, a small crowd formed around each. An enthusiast heard about the event and swung by in his 1965 Austin Healey!

I really enjoyed the event - mainly talking to folks about older Jaguars. Engaging in interesting discussions such as "Do Lucas Electrics deserve their reputation?" and fascinating re-collections of hot rods and muscle cars in Chula Vista in the 60s and 70s.

By the way - during the Lucas Electrics debate, one of the participants asked about that magnificent bundle of wires and relays sitting by a V12 engine. "What does that do" he says. "I don't know it's never given me any trouble" I replied. I concluded that it must be inherently reliable and good for another 32 years

All-in-all a nice relaxing end to a busy weekend. Marie was happy – she went to the Bar with Nedra!

Cheers, Dave

Notes from the Concours Judges Tent

August 2019

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Concours Day was beautiful! The always accurate local weather gurus foretold a glorious day by the bay, and for once, they were right.

In order to hold our concours, there are many moving parts as we all know. From the judging perspective alone, we need a lot of dedicated individuals to serve as Judges, Scrutineers, Apprentice Judges, Scorekeepers and Score Sheet Runners. Because of JCNA requirements that all Judges be certified and current, we rely heavily on the Judges from other clubs to augment our own Judge cadre. In addition to the Judges, we need Scrutineers to initially review the score sheets for accuracy and to correct errors, and Score Keepers to tabulate scores. To keep all this paper flowing smoothly, one or more Score Sheet Runners are essential to ensure the judging and specialist teams are able to focus on their primary duties. Without this team of 37 individuals listed below, our concours would not be possible. **They all have my sincere thanks for their hard work, dedication and good humor under pressure!**

The 26 judges grouped by club were:

IEJC: Dorian Paul and Mike Zavos

JOCLA: Layna Browdy, Jim Friel, Charlie Hallums, Mark Mayuga, Bob Sheridan, and Ed Sowell,

SDJC: Dave Allen, John Balha, Diane Bauman, Dick Cavicke, Mitch Cohen, Steve Hawley, Rudy Hradecky, Robert Huntoon, Will Nighswonger, Paul Novak, Katherine Partain, Dave Putnam, Nedra Rummell, Jim Singmaster, Al Steele, Bill Woolley and Jan Zverina,

At Large: Bud Marston.

(Tom Krefetz, due to an unfortunate traffic accident enroute to the event, was neither able to compete his XJS nor to judge.)

Our 3 Scorekeepers were Dawn Boese, Jim Boese and Diane Bauman.

Our 7 Scrutineers were Dick Cavicke, Charlie Hallums, Steve Hawley, Robert Huntoon, Mark Mayuga, Katherine Partain and Bill Woolley,

Matt Allen was fabulous again as our Score Sheet Runner.

2019 SDJC Concours Scores:

Provided on the following page are the **provisional** scores for the 35 judged entries at our SDJC Concours. All entries were very well prepared for judging and these Entrants deserve our sincere thanks for making our concours a truly exceptional event by sharing their beautiful Jaguars with the judges, other entrants, our club members and spectators.

2019 JCNA Concours in the Southwest Region.

Here are some established 2019 JCNA Concours of interest to SDJC members. I will update this list as JCNA approves and posts the Concours sanctions requested by the individual clubs.

BUTTONWILLOW DRIVING EVENT 2019
SATURDAY, Aug. 10th, 2019
8:30 AM to 4:00PM

This is a joint opportunity being brought to members of both the Jaguar and Mercedes Clubs to participate in a one-day driving experience, either on an individual or organized membership basis. This is a one-day performance driving and learning event on how to become a better driver and to learn more about the performance handling aspects of your car.

Buttonwillow Raceway Park is a motorsports park in [Kern County, California](#), 10 miles (16 km) north of [the town of Buttonwillow](#) and 28 miles (45 km) northwest of [Bakersfield](#). It is located just off the Buttonwillow exit on I-5. Constructed during World War 1 by world famous racing driver [Dario Resta](#), it is now owned and operated by the California Sports Car Club, a region of [SCCA](#). Buttonwillow is the "flagship" track of Cal Club, and is also the location of the Cal Club's administrative offices. (Courtesy of Wikipedia) You can visit the Buttonwillow Raceway website: [Buttonwillowraceway.com](#)

Although this event held at a racetrack is referred to as performance driving, this's not what one's primary reason for going to Buttonwillow is about. Attendees will be given the opportunity to learn to drive more safely and competently by being taught by a professional driver. We will learn about speed, cornering, braking, and more importantly the capability of our automobiles as well as our own driving capabilities. After instruction, you may if you want take to the track solo and see how you do.

The cost is \$195.00 for the one day, and helmets can be rented at the track for \$15.00. A \$15.00 credit at the gift shop is also included. Soft top convertibles are not permitted, although Mercedes SL's and Jaguar F-Type Cabriolets equipped with the automatic pop-up roll bars are.

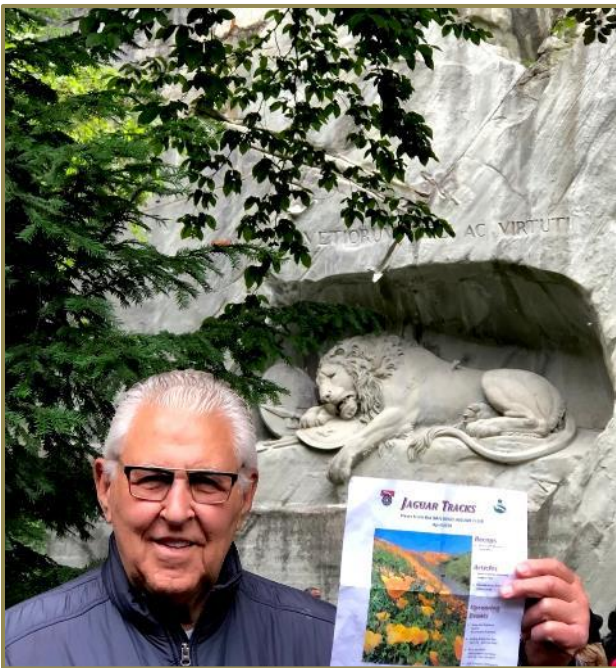

Attendance is limited to 65 cars. Reservations for this event are still available, but can be expected to fill quickly as the event date approaches. **Make your reservations directly through their website: [Buttonwillowraceway.com](#)** **Please contact** [Rudy Hradecky](#) (PHONE: [619.246.2094](#) or email: sdrudy@earthlink.net) after you reserve your slot at the Raceway so that we can coordinate details.

Since the event is a one-day event, a suggested schedule would be to arrive at the town of Buttonwillow by Friday late afternoon, plan on staying overnight at one of the local motels, and leaving Sunday morning at your leisure. Lodging at a discounted club rate is available about 10 miles away at **STUDIO 6 MOTEL** located just off the freeway south of the track. Phone: **(661) 764-5153** and tell them you are with the Jaguar/Mercedes Club Buttonwillow Raceway function. The two-night stay will cost \$106.98. Depending also on the number of participants, a dinner party might also be arranged at the Willow Ranch Restaurant close by on Saturday evening. All expenses involved are the responsibility of the attendee.

Where in the World ...

... were Mitch and Parvin Cohen?

Boy, this first location on the right is tough. Mitch is holding the cover page from the April issue of Jaguar Tracks that shows a picture of this year's Super Bloom near Lake Elsinore, yet I don't recall a bridge structure like that anywhere near that area. This must be "stump the editor" time. OK, I'll take a couple of guesses. Mitch and Parvin are either standing in front of the London Bridge Resort at Lake Havasu City, Arizona or they're at the Bridge of Sighs in Venice, Italy. I give up. I'll bet they just Photoshopped themselves in front of a picture of some little draw bridge.

Well at least this location on the left is easy. Who wouldn't recognize the famous Lion Monument in Lucerne, Switzerland? Nice try Mitch!

Reminders

Editor's reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Editor's reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!

The Semi-Annual Great Event

Cal Clubs Re Union '19

Back in the Good Olde Days the California Jaguar Clubs would get together every other year between Western States events. Sequoia, Tahoe, Carmel, Cambria were popular meeting sites. Two years ago, the San Francisco and Los Angeles Jag Clubs renewed the event in the Sequoia National Park. It was a terrific event, lots of fun, great driving roads, and good fellowship. We are planning another get-together this year in MORRO BAY on the Central Coast. **Thanks, Mark Mayuga, President JOCLA and Southwest Regional Representative**

The State of California now manages the estate and restoration is an ongoing effort. The **CASTLE** was the playground of the Rich and Famous, even infamous, tours are a step back in time and fascinating with knowledgeable docents. This is a **BUCKET LIST** event.
