Happy New Year, everyone. My congratulations to all of our re-elected and newly elected club officers and directors, and appointed functional chairs. It was an honor to introduce those past, present, and future leaders who were in attendance at the Holiday Party. It was a reminder to us all that while some have moved on from leadership positions, they are still active members in the club. As I move into my second term as club president, I am excited to continue working with our returning leaders, as well as our newly elected and appointed ones. With such a dedicated and talented group of people at the helm, I foresee another smoothly running year.

We have just completed our first year using Constant Contact as our primary database for email blast communication. I am quite pleased with how it has worked and with how the messages format. It is quite easy to add, delete, and revise member information as well as member email addresses. Please let Nedra or me know if you want to change your email address of record and/or want to add a second or backup email address. Please open and read the email blasts, even if you do not plan on attending the event. First, you might change your mind once you read what the event is all about; second, you might see that an old friend is attending and use this as the perfect opportunity to get together again; and third, there might be other information in the message that you would otherwise miss if you don't read it. While you might think subsequent email blasts are just a rehash of a previous one, but they are not. The email blasts are updated with both information and the list of who is coming.

I am very proud of the changes we have implemented to keep us up to date with evolving technology in the twenty-first century (or maybe being just a little behind the newest trends). We strive to continue to give you options and implement changes that are not too radical, which is why we have been easing into electronic communication and payments instead of changing too many things at once.

Several events for 2020 have been finalized, while others are still in the planning phase. I hope to have the website event calendar updated very soon, even if all I do is make a 'Save the Date' entry.

Registration renewals are due now. Either send Nedra a check or go to the website 'Membership: New & Renewal' page and click on the [blue 'Renew Online Now' button](#). Remember, the [green](#) membership buttons are only for new members, they are not for returning members like you. While the payment amounts are the same, the formatting is different and your payment would be logged under the wrong heading.

As always remember to check our website club member's page for all the upcoming events, including our January and February lunches and drives. Here's to another great year...

SDJC Holiday Dinner

December 7th, 2019

Recap by Jim Hallameyer

Pictures by Matt Allen and Chuck Leuthen

The San Diego Jaguar Club held its Annual Holiday Party, hosted by Jim Hallameyer, on Saturday, December 7, 2019, at Silver Gate Yacht Club. Eighty-one SDJC members and their guests enjoyed cocktails before sitting down to an exquisitely prepared meal consisting of dry-aged prime rib served at a carving station, roast chicken, and salmon filets, served with salad and sides. The dessert table beckoned with a variety of temptations. Many thanks to Ali and Bob Proctor who set out the table center pieces and provided a box of Belgian chocolates at each place setting as well as a bottle of fine wine that was taken home by one lucky winner at each table!

We celebrated service awards to deserving members and conducted an installation of officers for next year, all of whom were chosen at the November Election Luncheon. President Mark Hodges presided.

DJ Jonathon Mendoza then provided music as Steven Bernstein and Rosemary Mulvaney led off on the dance floor. The remainder of the evening saw our members dancing and enjoying each other's company at what turned out to be the event of the year. I was told by the staff of the yacht club that our group was the liveliest of the many parties held there throughout the year! Matt Allen's photos tell the rest of the story.

Where in the World ...

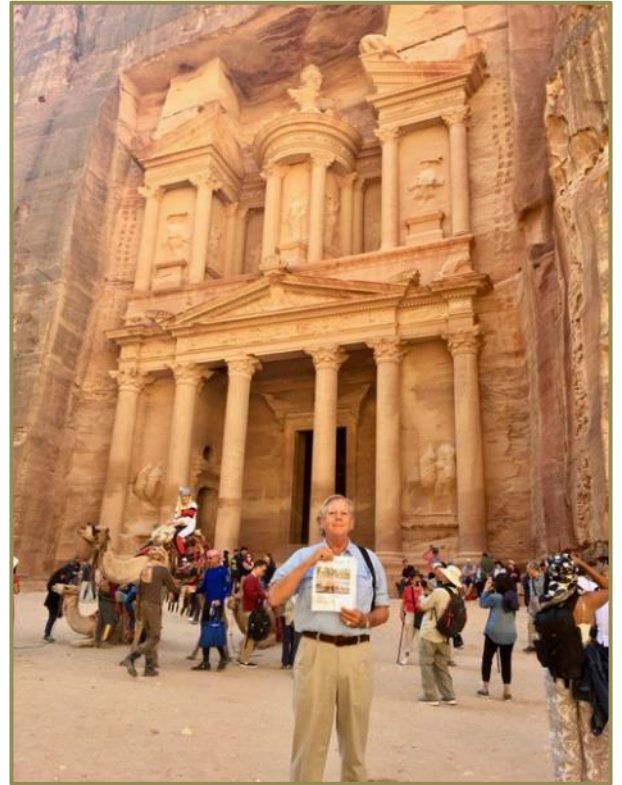

.... were Pete & Christa Rieth?

Pete & Christa are back from parts unknown but Pete, always looking to expand our knowledge, has put together this little quiz. Although the answers are at the bottom of the page, it wouldn't surprise me if these questions show up in one of Pete's concours training sessions. -Ed.

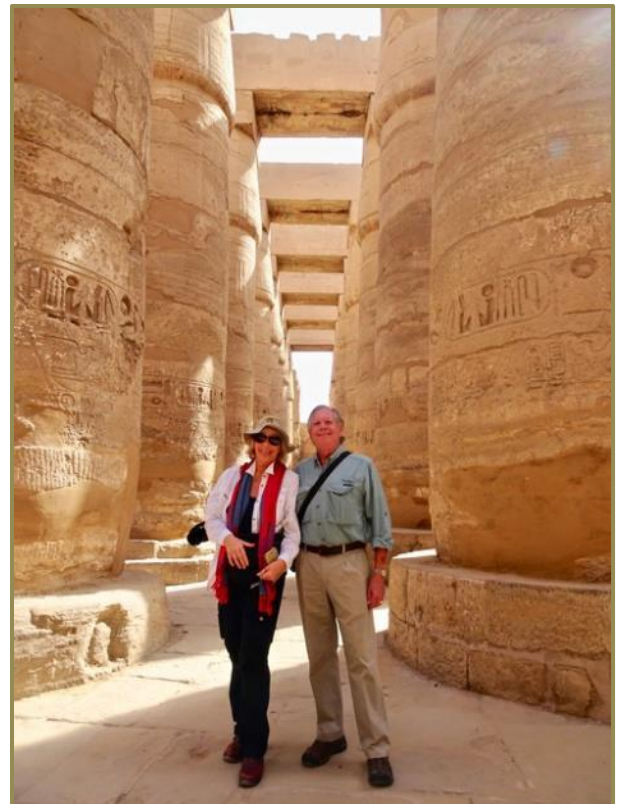

1 - This historical and archaeological city in Jordan is among the mountains north of the Gulf of Aqaba. It is also called the "Rose City" due to the rose color of the stone. The site is believed to have been settled as early as 9,000 BC. It has been a UNESCO World Heritage Site since 1985, and was voted in 2007 as one of the "New 7 Wonders of the World".

Can you name the city?

The famous Khazneh structure, shown at the right, is also known as "The Treasury" and can only be accessed through a ¾ mile gorge called the Siq. The final scenes of a **1989 film** take place in the foreground of the Treasury and then they ride their horses through the Siq. The site was largely abandoned and remained unknown to the world until it was rediscovered in 1812 by the Swiss explorer Johann Ludwig Burckhardt. **Can you name the film?**

2 - One of other UNESCO World Heritage sites we visited is the temple of Karnak shown at the right, in a **city in Egypt** along the East bank of the river Nile and was known in ancient times as Thebes. The Hypostyle Hall of Karnak in the Precinct of Amun-Re (shown), has an area of 50,000 ft² with 134 massive columns arranged in 16 rows. Construction of this temple complex started roughly 4500 years ago and lasted until about 30 BCE. Approximately thirty pharaohs contributed to the buildings, enabling it to reach a size, complexity, and diversity not seen elsewhere. Famous scenes in a **1977 film** take place among these columns. **Can you name the city and the film?**

1. Petra – The film "Indian Jones and The Last Crusade".
2. Luxor – The James Bond film "The Spy Who Loved Me".

Notes from the Concours Judges Tent

January 2020

By Pete Rieth, Chief Judge, San Diego Jaguar Club

Interesting reading: <https://journal.classiccars.com/2019/11/27/jay-leno-on-cars-motorcycles-and-the-next-generation/>

Soon, our SDJC Concours Judges' cadre will begin its process to spin-up for the 2020 season. I am pleased report that all of our active Judges are currently certified as of 2019 year-end. Well done! Training in the Spring will update certification for all of us. This year's AGM convenes March 19-22 in Las Vegas. The JCNA Concours Rules Committee, of which I am a member, has been hard at work to restructure the process of Judge certification. The AGM delegates will be asked to adopt these proposed changes in an effort to overcome significant weaknesses in the current system. At this writing, while we always have room for improvement, I remain delighted to say that the SDJC Concours Judge Cadre continues to be "at the head of the pack" in terms of the quality of our training and certification program. Thus, the proposed changes will have minimal impact on the way we do business. The most significant proposed change is that Judges will be required to pass the Rules Test annually vice every three years to maintain certification. Decisions taken by the Delegates at the AGM affecting our concours judging procedures and rules will be reflected in updates to the Official JCNA Concours d'Elegance Rule Book and to our standard training materials which derive from it. More to follow.

Mark your calendars for Refresher Training:

Refresher Training for SDJC's JCNA Certified Concours Judges, Apprentices, and Owner/Competitors is scheduled as follows:

May 16th will be at the San Diego Auto Museum – Concours 301 (Judge Refresher Training) session one at 9 AM, and Concours 101 (Concours Information for Participant Owners) beginning at 1 PM - in the upstairs training room.

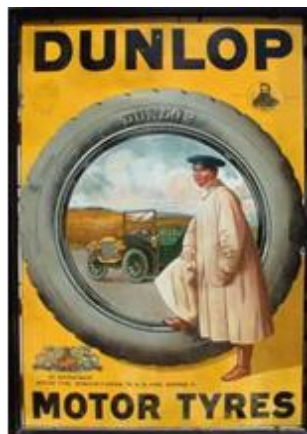

June 13th will be hosted at Classic Showcase for Concours 301 session two beginning at 9 AM.

Concours 201 (Hands-On practice Judging for Apprentices and optional for Certified Judges) will be scheduled prior to our July 11th concours depending on need and interest level.

Pop Quiz:

From the Judge's Annual Certification test: True or false? The ultimate goal of JCNA Concours judging is to "achieve a level of judging standardization and model expertise such that any given Entry, judged by any JCNA affiliate in North America, would receive an identical score."

TRUE

If you have any questions about this article or JCNA Judge Certification, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

Letters to the Editor

Club member Diane Bauman wrote in to remind us all the restricted trunk space in the F-Type is just fake news, as shown here:

“Who says you can’t put big box in little car. Sure, I can get that tree home....”

Celebrity Club Members

Did you know we have a celebrity in our club? That right! Will Nighswonger is a regular cast member in the annual Pageant of the Masters in Laguna Beach! This year Will and his wife Maritza marched in the annual Laguna Niguel Holiday Parade as part of the Pageant of the Masters contingent.

Early in my career....

My boss arrived at work in a brand-new Jaguar.
“Wow,” I said. “That’s an amazing car.”

He replied, “If you work hard, put all your hours in, and strive for excellence, I’ll get another one next year.”

From the cutting room floor

As in the past, there are quite often some pictures that don't make the main body of the newsletter for a number of reasons, including embarrassment by the parties involved, the photographer, the event host, the newsletter editor, or all of the above. Here's a few.

"I said we are going to dance. Now!"

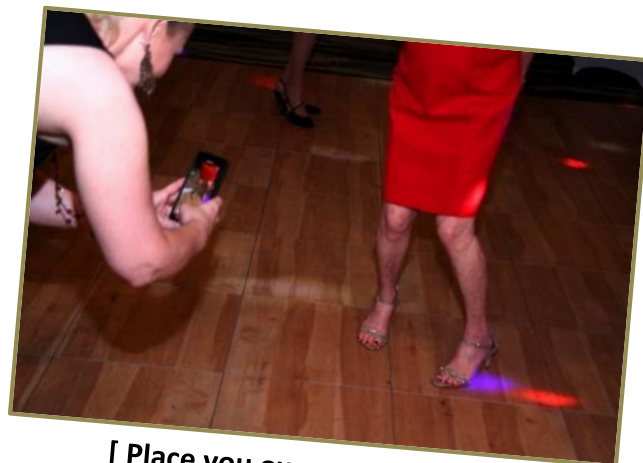

Kathy and Debbie's reaction when Tim asked for a dance.

"Don't anybody move. I think I dropped an earring."

I don't often drink wine but when I do, I drink both kinds.

[Place your own caption here.]

And finally, a cautionary note....

Yesterday I went to another Holiday party and I had a few too many martinis.

Fortunately, I still had the sense to know I was over the limit. That's when I decided to do what I have never done before: I took a cab home.

Sure enough, there was a police DUI check on the way home, and since it was a cab, they waved it past. I arrived safely at home without incident. This was both a great relief and a surprise because I had never driven a cab before. I don't even know where I got it from and, now that it is in my garage, I don't know what to do with it.

Editor's Reminders

Reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!
