Presidential Perspective

The new year started off with a bang with our Brunch at the Jolly Roger Restaurant in Oceanside. Many thanks to Dan and Jorgene Jensen for finding this gem of a spot. From what I have heard, it was a huge success. I am sorry I missed it. While you were all warm and cozy drinking margaritas and munching on mushroom chicken and salmon, all the while looking out over Oceanside Harbor, I was out in the cold, tent camping in the wilderness, cooking on a camp stove, looking at scrub brush. I'm not complaining, mind you. I'm just pointing out some of you chose wisely and some of us didn't. Just scroll down a few pages to read all about the brunch, especially if you missed it. I know I will.

Now we move on to February with a drive from Temecula to Palm Springs for another one of Nedra's world famous Overnighter's. If you make the annual trek up to Idyllwild for the Inland Empire Concours, you'll know how much Temecula has grown over the years and how congested it has become, so plan your drive accordingly to our meeting place, the Starbucks on Temecula Parkway.

Make sure to access the Club Members page to view the flier, fill out the FormBuilder reservation form, pay with PayPal or send a check to Nedra, and click on the link to make your hotel room reservation. Remember, the FormBuilder form is only for the drive and dinner. You have to make your own room reservation, and they must be made by February 7 to get the group rate, so don't wait. Make sure to change the default reservation date search on the hotel website as the hotel somehow has it set from Feb 19 to Feb 25, unless you really want to stay there that long.

Our March drive and lunch to Jeremy's on the Hill in Julian will be posted soon. Bob Proctor is putting the final touches on that one.

Membership renewals are pretty much due now. If you have not yet renewed for 2020, please do so this week so we can tally our numbers and send our membership info to the JCNA.

Until then, take care

Mark

A Note to All Members

Do you enjoy the Club's monthly get-togethers, events, drives, luncheons, dinners? Do you know a great place the SDJC Members might enjoy? Do you want to share a favorite drive you've made in your Jaguar? Do you have a favorite luncheon or dinner place that would make a good venue for an SDJC Club gathering?

Think about sponsoring one of the monthly events. Please contact Diah Avery diah@att.net (619) 890-1613 (cell), to find out what is involved or just to talk about it. The Club values participation from its members.

Thank you!

Editor's Reminders:

Reminder #1: Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to chuckleuthen@cox.net along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

Reminder #2: Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to chuckleuthen@cox.net and I'll run a feature!

Brunch at the Jolly Roger

January 12th, 2020

Recap by Dan Jensen

Pictures by Matt Allen

When Jorgene and I started planning the January club event in early December, we were aware that we were well behind the normal timeline of activities. We knew we wanted to hold the event in north county to accommodate our members that live in the vicinity and in Orange county. We asked around about potential venues and received several excellent suggestions from Diah Avery, our new 1st Vice President of Activities, and other club members. Given our late start and the need to keep things simple, we opted to check out the Jolly Roger Restaurant located by the Oceanside harbor. We had eaten there many times in the past, but hadn't done so in a number of years. We drove up on a Sunday and had lunch by the water. We noted the great view and ample free parking still exist, along with reasonable prices.

We chose to hold the brunch earlier in January, hoping that club members wouldn't be experiencing "holiday jet lag". When we discussed arrangements with the Jolly Roger manager, we thought we would have 40-45 attendees. At first, registrations were slow to come in, causing us to wonder if we had picked the wrong date. However, due in no small part to the frequent and humorous reminders that Chuck Leuthen, our Jaguar Tracks editor, sent out, we eclipsed this goal several days before registration ended and had the pleasure of deciding how to fit 60 members into the room we had reserved. In the end, everyone had a place to sit, even if a few members had to sit at the in-room bar.

Weather reports the prior week indicated the potential for rain, but by Sunday the reports proved incorrect. The day was clear and cloudless, a perfect setting for watching harbor activities from the second-floor windows of our meeting room. After the happy hour and before the meal was begun, Nedra Rummell started things off by presenting Pete Rieth with the 2019 Member of the Year award for his many years of service to the club, in most recent years as Concours Chief Judge and trainer. Nedra also introduced two new members, Silvia Meminger and Renee O'Callaghan, who were attending their first SDJC event.

After enjoying the excellent and ample brunch, the traditional SDJC raffle was again held. However, Nedra and Ali Proctor have taken over responsibility since our long-time SDJC "Raffle Queen", Diane McDonald, and SDJC Photographer and husband, Roger, have moved out of state.

As I mentioned to the members in attendance, hosting an SDJC event is much easier than it used to be due to the detailed guidance provided by former event organizers *par excellence* Bob and Ali Proctor and the use of on-line registration and PayPal payment as set up by SDJC President, Webmaster, and Concours Chair Mark Hodges.

Thanks again to all who attended. We hope you enjoyed the afternoon as much as Jorgene and I did.

The 2021 Jaguar F-Type

WILL KAUFMAN, Edmonds Content
Strategist and News Editor

The 2021 Jaguar F-Type coupe and convertible receive a restyle and a handful of other tweaks. Jaguar has been updating features and expanding the F-Type lineup since its introduction for the 2014 model year, but visually the shouty two-door hasn't changed until now.

The highlights of the F-Type's new suit are the more flowing front end, larger grille, and redesigned LED head- and taillights. The headlights have shifted from a vertical to a horizontal orientation and, combined with the slightly upsized mouth, give the front end a more aggressive look. The clamshell hood has been redesigned to match, with a more dramatic sculpting and integrated vents relocated closer to the front of the engine compartment. Around back, the taillights get a more modern shape with harder angles.

Updates including Apple CarPlay and Android Auto carry over, but Jaguar has finally given the 2021 F-Type a reconfigurable TFT-screen gauge cluster, with unique graphics and sport-focused elements including a shift light display.

For 2021, the F-Type R has been updated with more power, now matching the old SVR at 575 horsepower and 516 lb-ft of torque. The stability control and power-steering software have been recalibrated, wider tires fitted, and new springs and anti-roll bars installed along with other suspension tweaks. Jaguar says the changes should improve the feel of the car and drop the 0-60 mph sprint to 3.5 seconds.

Rounding out the R's changes is a quiet-start mode that promises not to wake up the neighborhood every morning when you leave the house.

Notes from the Concours Judges Tent

February 2020

By Pete Rieth, Chief Judge, San Diego Jaguar Club

As we gear up for the new season, I want to express my sincere thanks and admiration for our team of JCNA Certified Concours Judges, past and present, and as well for those who support their efforts including but not limited to Scrutineers, Scorekeepers, Score Sheet Runners, and the Parking team. Lots of moving parts are needed to make it all happen – and to make it look easy!

Speaking of Gearing Up:

March 20th-21st will see the JCNA Annual General Meeting (AGM) hosted at the Harrah's Resort in Las Vegas. As the sole annual gathering of all JCNA clubs' delegates, the AGM includes all-important decision making on issues of concern to the membership (and us Judges), technical seminars and guest speakers, and presentation of North American-level competitive awards. This year's AGM venue will provide an abundance of opportunities for spare time entertainment.

Mark your calendars for Refresher Training:

Refresher Training for SDJC's JCNA Certified Concours Judges, Apprentices, and Owner/Competitors is scheduled as follows:

May 16th will be (TBD) at the San Diego Auto Museum – Concours 301 (Judge Refresher Training) session one at 9 AM, and Concours 101 (Concours Information for Participant Owners) beginning at 1 PM - in the upstairs training room. I'll confirm the actual location when firmed up.

June 13th will be hosted at Classic Showcase for Concours 301 session two beginning at 9 AM.

Concours 201 (Hands-On practice Judging for Apprentices and optional for Certified Judges) will be scheduled prior to our July 11th Concours depending on need and interest level. **Looking for a volunteer to host this fun ½ day for learning and camaraderie.**

RSVP's are essential for the above events to ensure smooth planning, sufficient training materials and (of course) munchies.

Looking for a Few Good Women and Men for Concours Judges:

Preparations are underway for our 11 July 2020 Concours d'Elegance and we are looking for members interested in becoming Certified JCNA Concours Judges. We are definitely looking for a few good women and men to become Concours Judges. We currently have 18 certified Judges (myself included) to fill our teams, thus reducing our dependence on neighbor clubs to get the job done with a reasonable workload per judge on Concours Day. WE NEED MORE. Please contact me if you are interested.

If you have any questions about this article or JCNA Judge Certification, please contact me by Email at: 60Jaguar@gmail.com or (619) 813-2005.

Behind the Badge: The Ferocious Jaguar Emblem and What It Represents

If there's one automotive brand's badge that perfectly imitates its company's name, it's the Jaguar. This leaping feline is easily one of the most recognizable and beloved emblems on the road. For years, this sleek, silver sculpture has adorned premium British performance cars around the globe. But where did the Jaguar get its design and what does it represent?

Why Jaguar Cars Used to Be the SS

The Jaguar brand actually began as the Swallow Sidecar Company in 1922, founded by young British entrepreneurs William Walmsley and William Lyons. It wasn't until 1935 that the British company added the "Jaguar" name to its identity when it released the SS Jaguar sedan as a joint venture with chassis producer Standard Motor Company. Hence, the "SS" in this case became "Standard-Swallow." The early logo showcased the "SS" letters in a hexagon surrounded by a bird's wings and tail.

Once World War II changed the connotation of SS in the public's eye, the company's name and logo changed in 1945, dropping the "SS" and references to the swallow. Going by Jaguar Cars (meant to be distinct from any other foreign brand), the automaker introduced the emblem of a pouncing jaguar, representing the vehicles' grace, strength, and speed. The use of silver and black coloring further conveys sophistication. This leaping feline has remained relatively unchanged over the past 70 years, a notably exciting design and perfect hood ornament. Apart from going from a lined silhouette to solid silver, the Jaguar badge remains consistent.

As the "leaper" has been phased out as a hood ornament and moved to the back of the cars in a flat, profile-view form, a newer "growler" design is being used on front grilles. This showcases the jaguar's face and open mouth, surrounded by a silver ring and red background.

Despite passing hands from Ford to Tata Motors, Jaguar remains the ferocious brand its beastly logo emanates.

Tech Corner – Tools of the Trade

Dear Mr. Editor,

Can you tell me why so many Jaguars of the 50's and 60's came with these rather extensive tool kits as shown here?

Curious in Cuyamaca

Dear Curious,

The purpose for such equipment is often misunderstood by Americans at car shows. In fact, sometimes they make crude and insensitive jokes about unreliable Jaguar cars needing such tools all the time. In fact, the tools were **NOT** provided because Jaguar cars often required their application. Indeed, this was very seldom the case.

These tools, included with Jaguar cars exported to the United States, were provided so that charitable Jaguar drivers would be properly equipped when they stopped to assist American drivers whose Detroit products were broken-down on the side of the road. This generous and thoughtful planning on the part of the Jaguar Company was solely intended as a subtle gesture of appreciation for American aid, however slight, in helping the British Empire to win World War II.

Where in the World ...

... was Nedra Rummell & Celia Hunter?

Nedra & Celia were drinking what and in what City?

Celia & Nedra were at the largest Holiday Market in Europe. What City?

I'll let Nedra answer:

My friend Celia and I enjoyed Uni-World Holiday Market River Cruise featuring the most famous and delightful holiday markets in Central Europe. After a two day stay in Vienna, we embarked to the S. S. Beatrice for our cruise to Nuremberg. At each city market along the Danube, we enjoyed shopping at the wooden stalls displaying traditional crafts that range from quirky little characters made of fruit and dressed in Bavarian costume to beautifully carved and painted Nativity figures (usually while sipping on hot mulled wine). Each city featured exquisite ornaments and fine contemporary crafts, along with fairytale villages decked in holiday finery and holiday music. Our history lessons were enriched by our incredible tour leaders as they guided us through palaces, cathedrals and castles as we cruised through Germany. As a finale, we enjoyed a 3-day stay in Amsterdam before our long trip home - of course, with luggage over-stuffed with holiday gifts.

The picture with "enhanced" hot chocolate was in **Vienna** and the second was the largest Holiday Market in Europe – **Nuremberg**. (Actually, a little scary it was so crowded.)

Cheers, Nedra

Thanks, Nedra! Can I go next time? - Ed

Directions:

From North County: Take CA78 east to Main Street in Ramona, drive straight across Main Street at the traffic light and follow 10th St until it becomes San Vicente Road. Follow San Vicente Road past the San Vicente Golf Resort, turn left on Ramona Oaks Road, turn right on Abajo Road, turn left on Pappas Road, turn right onto Rainbird Road, and turn left on Rancho Barona Road. Our property is the tenth one on the right at the corner of Rancho Barona Road and Mesa Estates Road. Park on Mesa Estates Road in our paddock off of Mesa Estates Road.

From South County: Take Wildcat Canyon Road north past the Barona Casino all the way until it ends at San Vicente Road. Turn right on San Vicente Road, go past the San Vicente Golf Resort and then use the directions from this point in “From North County” above to our house.

From San Diego: Take I-15 to either Poway Road or Scripps Poway Parkway, drive “up the hill” to CA67. Turn left on CA67 and drive north, turn right on Dye Road (becomes Ramona St. and then Warnock Dr). Turn right at San Vicente Road, go past San Vicente Golf Resort and then follow the directions from this point in “From North County” above to our house.

We live in rural east San Diego County, but there are paved roads all the way to our house. If your GPS navigation system directs you onto a dirt road, just ignore it and give Paul a call at (858) 342-0445.
