## *Presidential Perspective*

With the COVID-19 pandemic running rampant across the globe, we are directly affected being a social club. Your Board of Directors and Functional Chairs are staying in constant contact with each other. We communicate mostly via email, writing each other about issues that affect the club. Decisions on how to proceed forward regarding club events are progressing. Decisions continually evolve based upon current situations and projected happenings. The decision to cancel the March 14 Drive to Julian and lunch at Jeremy's is a perfect example of this. We first kept the event open as registrations continued to pour in. As the pandemic grew, we decided to make the event optional with no penalty for those who cancelled after the cut-off date. As the situation worsened, we decided to cancel the event altogether. I feel we made the right decision because three days later on Tuesday, March 17, San Diego County's leading health officials, hospital executives, and county supervisors announced a series of mandatory and recommended health directives to combat the spread of COVID-19, the disease that causes the coronavirus. This means we were several days ahead of the curve.

Now, we look to the future. We look to the future for our personal lives and for the future of our club, which are intimately intertwined. As human beings, we adapt to changing situations and move on as best we can. The situation we find ourselves in is almost unprecedented. I have never seen so many empty store shelves in my life, but I have also never seen so many people coming together to help others in need. While I missed WWII by more than twenty years, and have no personal knowledge of how we adapted to that change, I equate this pandemic to wartime preparations. Companies are retooling to produce medical supplies; service organizations are working harder than ever to help those in need; and people are selflessly following government suggestions and directives by staying home and therefore limiting their exposure to others.

Your club leadership is very concerned for your safety and well-being. As of now, we have cancelled all club events for April, May, and June. I implore you not to lose interest during our down time. While I personally was not too concerned about my exposure to club members, I am concerned with our exposure to others we would come into contact with during club events. I have therefore directed club leaders to come up with activity ideas that limit, reduce, or eliminate the risk of exposure. We might come up with something; then again, we might not and just ride this thing out. There are many ways to keep in touch with each other without being physically present and I implore you to do as such. Please stay in touch with your club friends, even if it is a quick phone call or text. I am very proud of this club and am very proud of the people in this club. We are a great bunch of people and we will get through this. We might not get through this completely unscathed, but we will get through it.

On a more positive note, the 2020 JCNA Concours season is upon us. I just checked the JCNA calendar page and it looks like Concourses across North America are still on schedule. The Los Angeles Club's Concours is in May at the Muckenthaler Cultural Center as part of their annual car show and the Inland Empire Club's Concours is in October at the Idyllwild Inn. Registrations information and forms are on the Club Member's Page of our website.

Registration is also open for our SDJC Concours in July. I created a new 2020 Concours Page with all the info. Just look for it on the left menu bar. Due to popular demand, we are keeping the show at Cancer Survivor's Park on the east side of Spanish Landing. Registration is again electronic, using our FormBuilder Reservation System. As usual, payment will be by PayPal or by check. Unless things change for the worse, plan on our Concours to be business as usual. One great advantage to our location at Cancer Survivor's Park is the space. Last year I spaced the Jags farther apart than usual and this year I can space them even farther apart. We have more than enough room to leave plenty of space between the Jags, and therefore, between you all.

We will keep you informed as this situation develops. I am looking forward to seeing you all again once we get the 'all-clear' from the powers at be.

Until then, take care  
Mark

### **Editor's Reminders:**

**Reminder #1:** Remember when going out of town to print out a copy of the cover page of the most recent "Jaguar Tracks" and take it with you. When you find a good setting just snap a picture of yourselves holding up the cover page with a nice view of the scene behind you. And if you've got your Jag in the shot, even better. Then all you need to do when you get home is email the picture to [chuckleuthen@cox.net](mailto:chuckleuthen@cox.net) along with a description of your location and I'll do the rest to feature it in a "Where in the Word" article!

**Reminder #2:** Don't forget about our "Getting to Know" feature! It's intended to help all of us get to know each of you just a little bit better. Tell us about yourselves. Tell us how you became enamored with Jaguars, how you came to be part of our great club and anything else you'd like to share. Don't be shy. If you don't tell us about yourselves we're just going to make stuff up. Might as well let the cat out of the bag and send me an email with a write-up and a picture to [chuckleuthen@cox.net](mailto:chuckleuthen@cox.net) and I'll run a feature!

# 2019 – What a Year!

Compilation by Chuck Leuthen

When our sole March event was appropriately cancelled due to the unforeseen Pandemic, along with our upcoming event schedule being in jeopardy, I thought I might just take a month off and not release an April issue of Jaguar Tracks. Then I got to thinking. .... Why not do a recap of all of the previous year's great SDJC events, just like last year, when February got washed out due to heavy rains? Besides, during this unprecedented time of self-isolation and social distancing, what better time than right now for me to spend in front of my keyboard. And perhaps this review of San Diego Jaguar Club's 2019 will provide you with some needed relief from just watching reruns of old Mary Tyler Moore episodes, or in my case, all of last year's PGA events.

So, without further ado, let's start out with some numbers relating to 2019.

- 21** SDJC sponsored and other major events last year.
- 9** Members who provided recaps to those events.
- 8** Members who provided photos documenting those events.
- 39** New 2019 members.

Let's begin.

ON JANUARY 19<sup>th</sup> DIANE BAUMAN HOSTED A **Poker Run, Scavenger Hunt & Bluewater Boathouse Lunch** event. We started our adventure at the Grossmont Shopping Center. Our route took us through the San Diego back country where we collected our poker cards and took pictures of our scavenger hunt targets. Our final destination was the Bluewater Boathouse next to the Hotel Del Coronado where we enjoyed lunch and libations.

March 10<sup>th</sup>

AFTER WHAT SEEMED LIKE AN ENDLESS monsoon-like season in Southern California, a picturesque blue sky was on full display as seventy-five SDJC members celebrated the **SDJC's 60<sup>th</sup> Birthday Celebration** at the Green Dragon Tavern in Carlsbad, hosted by Nedra Rummell. Mark Hodges gave a historical perspective of the club and introduced the twenty-five former and current elected officers and functional chairs in attendance.

**Ginny & Dick Cavicke, members since 1985**

On display was a historical review of SDJC, including a Union Jack which flew over Browns Lane on many historical events, the evolution of our Leaper Logo, various price/cost comparisons between 1959 and 2019 (gas was \$.31 a gallon, minimum wage was \$1.00 p/h, average price of new car was \$2,200).

As the meeting was adjourned, it's was interesting, as always, to observe the friendship, comradery, and love of Jaguars as our members lingered, chatting and admiring the beautiful cars we are privileged to own and drive.

March 28<sup>th</sup>

AS YOU'LL RECALL, FEBRUARY WAS LITERALLY a washout but resulted in an incredible show in the hills off of I15 near Lake Elsinore. Diane Bowman's suggestion for a **Super Bloom Drive to Lake Elsinore** to see the poppies was enjoyed by a small group. They drove up on Thursday March 28<sup>th</sup> and walked the hills to enjoy the blooms.

After the decent down to ground level, the group headed back down the freeway to Temecula for lunch. The Old Town Pub and Grub has a large outside patio area where they sat and enjoyed beer-battered fries and onion rings as sides with their sandwiches. Of course, it all tastes better with a choice of beer, wine or cocktails.

THERE'S A SAYING – “THE THIRD TIMES A charm”, and it happened on April 6<sup>th</sup>. After this being rescheduled two different times due to rainy weather, host Diane Bauman was finally able to call it a go for our **Drive Through Rainbow**.

We proceeded thru the streets of downtown Fallbrook, making our way to De Luz Rd. As we traveled towards Murrieta, the road has many low spots that dip where the creek runs through the properties. The last section of the drive was along the elevated hill ridges, with breathtaking views of Temecula seen down below, as we wound down the hills to the valley below. This is where the group split up, once we reached the I-15 freeway in downtown Temecula. The drive directions had options, either get onto the freeway and head for lunch in Escondido, or continue through Rainbow and the Lilac Road, destination varying. There were members that were able to join us for the hour and half drive, but had later engagements elsewhere, so the I-15 freeway was the perfect end of the drive for some. The group then drove to Marie Calendar's for lunch before calling it a day.

THIS YEAR'S APRIL 28<sup>th</sup> **ROLLING BRITISH CAR DAY** HAD A NORTH COUNTY AND SOUTH COUNTY starting point. The North starting point was Kelly's Pub in a small strip mall on Bernardo Center Drive. The South starting point was the Sprint Store on Fletcher Parkway in El Cajon. Dave Putnam, a member of the San Diego British Car Counsel, attended and provided a recap of the day's events.

Both groups departed at their designated time, with the plan that we would cross paths as we came into Ramona. During the route, one of the early mini's, owned by Nancy Homer, which is restored to look like a miniature police car was stopped by the Ramona Police. They accused Nancy of impersonating a Police Officer. After several minutes of discussion with the police, Nancy said she used her charm to convince them to let her go on her way.

Menghini Winery had plenty of wide-open space for our group of about 140 British cars. The Jaguar group found some shade under a tree, complete with a picnic table. There were plenty of picnic baskets full of sandwiches, crackers, cheese, and wine. Everyone seemed to have a good time and the weather was great for a drive in the country.

IT WAS A RAINY MORNING FOR OUR **ANNUAL NEW MEMBERS Appreciation Luncheon** hosted by Nedra Rummell on May 11<sup>th</sup>, but thankfully Mother Nature blessed us with sun for the remainder of the day! We had 74 attendees, 11 of them New Members.

As in the past, members were assigned seats by Jaguar model ownership, including E-Type, MK, XK, XJ-S, XJ, S-Type, XF, and F-Type. We are truly a club representing ownership from the classics to the newer models.... both the E-Type and F-Type had TWO tables each! As the luncheon service started, it was a pleasure to visit with each table and note the lively conversations, laughs and smiling faces.

This is a true celebration of our SDJC members, both old and new. It's an opportunity to highlight our new members, to show them what the club is all about, how much fun we have, and learn about the Jaguar marque at the same time.

IT WAS A DARK AND STORMY NIGHT WHICH then broke into a somewhat dull and soggy morning for **JOCLA's annual Concours d'Elegance** at the Muckenthaler Cultural Center in Fullerton on Sunday May 19<sup>th</sup>. However, a little damp weather didn't stop over 50 members of the Los Angeles, San Diego, and Inland Empire Jaguar clubs from showing off their Jaguars. Chuck Leuthen provided the event recap.

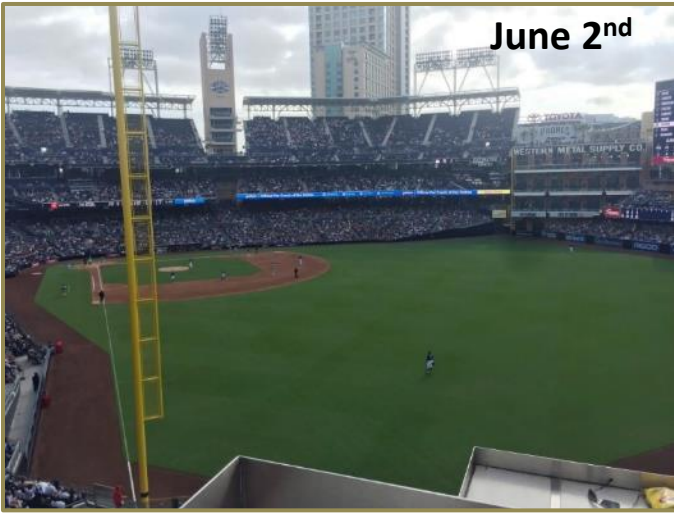

Present from the San Diego Jaguar Club were Mark Hodges, Nedra Rummell, Paul & Debby Novak and Chuck & Kathy Leuthen. Paul was also busy judging. We brought an umbrella that worked well in the morning keeping the rain at bay and well in the afternoon keeping us out of the sun.

The day ended at "The Olde Ship" British Pub & Restaurant in Fullerton where a number of us went to wind after all the excitement of the day.

June 2<sup>nd</sup>

THE JUNE 2<sup>nd</sup> SPONTANEOUS EVENT AT PETCO Park was hosted by Diane Bauman and featured the **San Diego Padres vs. the Miami Marlins**. The Bud Patio area was reserved just for the San Diego Jaguar Club. It is a section for private parties that has bar-type seating, with ledges and bar-height seats instead of stadium seats. It also has the benefit of Budweiser beer sales right next to the private section, so minimal walking is required to get a cold one.

In May the Padres played 27 games, and they won 14 of them. This game was not one of them, as they lost 9 to 2. But the game did make the National News, but for a totally different reason. A swarm of bees took over the FOX Sports microphone near the dugouts, which caused a 30-minute delay in the second inning of the game.

A good time was had by all. Well, maybe not the bees who had to be removed by an exterminator before the game could proceed.

JUNE WAS A BUSY MONTH FOR THE SAN DIEGO Jaguar Club as we had yet another event at the **Deer Park Winery and Auto Museum** in Escondido, again hosted by Diane Bauman. We found that the Model A Club had also chosen to come the same day. There was a wide variety of Jaguars present and we filled the parking lot.

There were 3 buildings full of classic cars, motorcycles, and vintage appliances, radios, and even a large barbie doll collection. It sure brought back a lot of memories to see radios with tubes again, phones with dials, and 1950-era hair dryers you put your head under like you would at the salon.

After the tour we were able to enjoy the wine tasting, or a picnic lunch either in the grassy area or at picnic tables in the shade next to the building.

**Roger Blincow, Nedra Rummell, John Casey, Joe Harding, Diane Bauman, Marie Allen, Katie Blethen, Deborah Harding, Dave Allen and Matt Allen**

June 16<sup>th</sup>

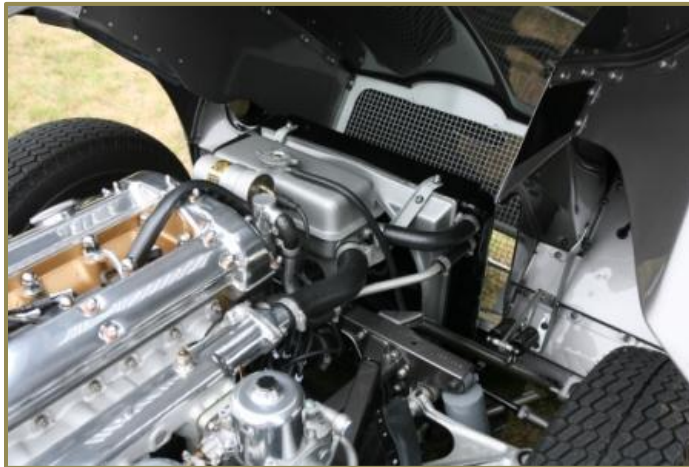

NESTLED IN THE FALLBROOK HILLS IS THE SIGHT of **English Motors at Fairbrook**. It's a unique gathering of fine English motor cars and motor bikes at Fairbrook Farms. The Allen's attended this June 16<sup>th</sup> event and provided a recap of the day's events.

On display was a mixture of Jaguars, Bentleys, Rolls Royces, Minis, MGs, Morgans and Triumphs. There were many awards handed out and the Best in Show was awarded to San Diego Jaguar Club member Craig Wright for his magnificent Series 1 E-Type.

There were several Jaguars in the judged part of the show, including a beautiful white XK140 (which won best Jaguar), and a spectacular black XKR. On display was a wide selection of Jaguars including a nitrous-oxide-equipped XJS convertible, two XKs and two XJ sedans.

There was an eclectic mix of cars, and stories, jokes, English food and restoration tales from Mike Haynes and Martin Avery.

WITH NO REGARD FOR THE WEATHER, eight cats with 16 SDJC staff members attending them, arrived to fulfill their commitment to show off during the **SDJC 16<sup>th</sup> Annual Day at the Fair**. Kathleen Partain once again organized SDJC's attendance and provided a recap of the day's festivities.

We did the usual picturing taking, parking, completing & placing the display forms describing our cars under the front bumpers, before dispersing for the day.

**The Wicked Witch of the West fared no better at the hands of the Novak's than she did in the land of Oz.**

The Backwater Blues Band performed a Stevie Vaughn Tribute. They were one of five bands that played throughout the day during the Belly Up Tavern-sponsored Music Festival on the Coors Light Rock on Stage.

**The Pre-take-off meeting - group picture in the Gelson's grocery store parking lot. You can tell how close of attention everyone is paying to the camera.**

OUR LAST OF JUNE'S FOUR EVENTS was **Concours 201 Judging Practice** hosted by Pete & Christa Rieth at their home in Ramona. The training session was to bring Apprentice Judges and Judges whose certification had expired (or is about to) up to speed so that they could participate as Certified Judges at our 2019 Concours.

We were fortunate with moderate Ramona weather and for Christa's refreshments that kept us hydrated and powered for a busy morning of judging and training. Apprentice participants were Diane Bauman, Rudy Hradecky and John Balha. Judges included Dave Allen, Paul Novak, Nedra Rummell, and Pete Rieth.

SDJC CONCOURS CHAIR MARK HODGES organized and hosted the **2019 SDJC Concours d'Elegance** and once again, it was a great success!

A big thank you to the set-up crew, parking staff, hospitality staff, judges, and the many other members who volunteered their time and energy to make it all happen. Thanks also to the members of the Los Angeles, Inland Empire, and Virginia Clubs, who not only provided entrants, but also provided judges to help keep the judging schedule timely. While it was a lot of work to put on this show, it was very rewarding to see the results. There was a total of 69 entrants, 36 of them judged and 33 for display.

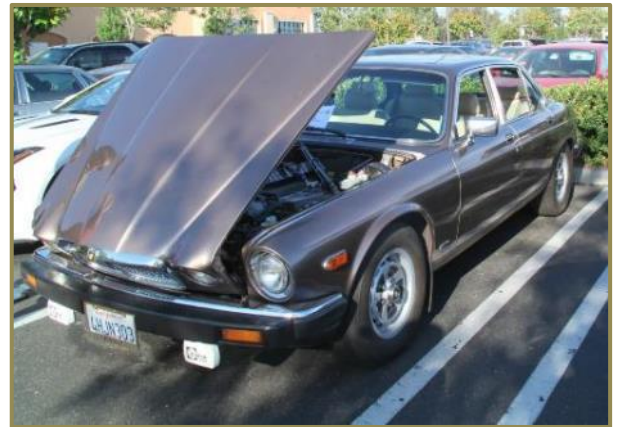

THE SAN DIEGO JAGUAR CLUB WAS INVITED to be a part of “**Summer Sundays at Eastlake Village Walk**” in Chula Vista. It’s a 6-week event, and each Sunday there was a different band and car club scheduled. Diane Bauman and Dave Allen each contributed to the recap.

Those that attended had a great time. The group included Ken Colby, Nedra Rummell, Paul Novak, Pete Reith, Richard Lawler & Radiance Bentley, Dave, Marie & Matt Allen, Terry & Mary Pat Tilton, and Diane Bauman.

August 18<sup>th</sup>

THE RANCHO SANTA FE GOLF CLUB WAS again the site of our **2019 Concours Afterglow**. Mark Hodges provided the event recap. The ambiance and service were superb. None of this could have been possible without the graciousness of Dave Putnam for hosting the event.

After a great lunch, Mark started the business portion of the meeting and thanked everyone who helped put on the Concours and Afterglow. It really was a team effort.

The Afterglow was a great conclusion to a great Concours season.

SIXTY SDJC MEMBERS AND THEIR GUESTS joined together for a fabulous tour of the **Allen Airways Flying Museum** at Gillespie Field in El Cajon. Our sponsor was Jim Hallameyer, who also provided the event recap. Bill Allen, who established the museum, led our two-hour tour. The museum houses a diverse collection of items including beautifully restored antique aircraft, a significant library, aviation art and rare posters, and automobiles. The museum is located in a complex of hangars at the airfield.

Following the visit of the museum, our group headed north for a short 10-minute drive to Phil's BBQ in Santee for lunch and good conversation. Clearly, a return visit is in order.

THANKS TO MARK MAYUGA, JOCLA PRESIDENT and Southwest Regional Director, eight SDJC members had a grand opportunity during the **Cal Clubs Re-Union!** Nedra Rummell provided a recap of this four-day event.

After lunch in Ventura, several SDJC members convoyed to the hotel in Morro Bay and immediately were greeted by Jaguar enthusiasts from other California Jaguar Clubs. Thursday evening's event was a tour of Tom Meinhold's British Motor Sports restoration facility in San Louis Obispo, complete with cocktails!

Friday was yet another beautiful day for our drive to Hearst Castle, followed by a fun lunch at Ragged Point Inn. That evening we re-grouped at Tognazzini's Dockside Restaurant.

Options for Saturday were either a Rally or Scenic Tour. At the end of the day we returned to Morro Bay before meeting the group at Dom's Breakers Café for a delicious dinner. It was interesting to observe how so many people, who had not met prior to this event, were laughing, chatting, talking about Jags and honestly just having fun!

Everyone seemed to be up early Sunday morning, preparing for the drive home. Thanks again to Mark Mayuga for the countless hours of planning that made this such an outstanding

WE ALL LOOKED FORWARD TO OUR RETURN TO Idyllwild, California. The site of the **2019 IEJC Jagstravaganza** is a forested resort at the 5400-foot level located in the San Jacinto Mountains in Riverside County. The Inland Empire Jaguar Club hosted this exciting annual Concours event at the rustic Idyllwild Inn. Pete Rieth provided the recap.

The Friday afternoon Welcome Reception was very well attended and exuberant as good friends rejoined at sunset around bountiful hors d'oeuvres and beverages. Most of those already on scene then moved to the nearby Gastrognome Restaurant for a sumptuous dinner prior to retiring at the Inn and other lodgings.

**Mark Mayuga, Sara Harding, Marie Allen, Debby Novak and Nedra Rummell at the Welcome Reception**

Saturday morning dawned again clear and bright, though a tad chilly. "Rags Down" was announced punctually at 10 AM by IEJC President Mike Zavos and formal judging commenced under warming blue skies.

The awards banquet on Saturday night was very well attended, with participants bundled up against the evening chill, seats near the pizza oven in strong demand, and great fun had by all as the event results were announced and trophies awarded.

Sunday morning witnessed departure of the many participants as they broke camp and headed back 'down the hill' to their homes, bearing many fond memories of a convivial weekend among the pines.

SPANISH LANDING PARK EAST WAS THE SITE OF this year's **British Car Day**. Spanish Landing Park is a beautiful location on the bay with gorgeous views of the water and hundreds of expensive yachts in the marinas. Dave Putnam provided the event recap.

This year there were two featured Marques. We celebrated the 60<sup>th</sup> Anniversary of the Mini and the 70<sup>th</sup> Anniversary of Lotus. There were 215 British cars registered for the event, with 20 of them being Jaguars. We had 9 E-Types, 1 XK120, 2 XKR's and an XK8, 2 F-Types, 3 XJS, 1 S-type R and an XKSS.

Overall it was a beautiful day, and everyone seemed to enjoy the venue. Trophies were handed out at 2 PM and then cars started to depart. Two years ago, Ali and Bob Proctor's 69 E-Type didn't want to go home and had to be put on a flatbed truck. This year Malcolm Lloyd Smith's E-Type as well as Joanie Berkwicz's Mini went home on flatbeds.

THE PARMA PAYNE GOODALL ALUMNI CENTER at San Diego State University was the site of our annual **SDJC Election Luncheon**. The event was hosted by Jim Hallameyer who also provided the recap. Fifty members partook in a Mexican buffet lunch, shared some beverages, and enjoyed each other's company.

President Mark Hodges took the podium to start the formalities and made general announcements including a preview of events planned for 2020. George Klein prepared the ballots and Ali Proctor conducted the election.

The luncheon concluded with a Raffle conducted by Diane McDonald with the assistance of Nedra Rummell who talked about her long-term friendship with the McDonalds and their pending move to Arizona. A loss for SDJC while a gain for Surprise, AZ.

An enjoyable day was had by all.

THE SAN DIEGO JAGUAR CLUB ENDED 2019 WITH its **Annual Holiday Party**, hosted by Jim Hallameyer at Silver Gate Yacht Club. Jim also provided the event recap.

Eighty-one SDJC members and their guests enjoyed cocktails before sitting down to an exquisitely prepared dinner. Many thanks to Ali and Bob Proctor who set out the table center pieces and provided a box of Belgian chocolates at each place setting as well as a bottle of fine wine that was taken home by one lucky winner at each table!

We celebrated service awards to deserving members and conducted an installation of officers for next year. President Mark Hodges presided.

The remainder of the evening saw our members dancing and enjoying each other's company. I was told by the staff of the yacht club that our group was the liveliest of the many parties held there throughout the year!

# Notes from the Concours Judges Tent

April 2020

By Pete Rieth, Chief Judge, San Diego Jaguar Club

This month, we'll first focus on some "Hot Wash-up" results of the JCNA Annual General Meeting (AGM) Special Sessions 21 & 22 March 2020 pertinent to concours judging. **Due to pervasive health concerns, the AGM essentials were conducted via teleconference rather than in person.** These comments are summarized for the sake of brevity. Since the JCNA Bylaws require the AGM to be in a physical venue, that event has been rescheduled to 21-23 AUG, 2020 in Columbia SC.

## **Rule Book Administrative Changes, Clarifications, Rewrites and Additions.**

There were multiple problems during the 2019 Concours Season requiring JCNA Concours Rules Committee (JCRC) attention. A total review of all the rules and protocols in the Judge's Guide, and an updating and modification of the Judge's Certification Process were in order. In most cases it was accomplished by simply replacing the words "will" or "shall" with the word "must" when describing a required action to be performed. **There will be no new Rule Book approval until the August 2020 AGM (For use in 2021). Thus, the existing 2019 version will be used for the 2020 Concours season.**

## **Judge's Test.**

As a result of the many modifications and additions to the Rule Book, an updated Judge's Test will be created and will be distributed to all the Chief Judges following the AGM in August 2020. After 2020, all Judges will be required to annually pass the test in order to retain their certification.

**2020 Concours Judges Training.** Provided below is a summary of the three types of Concours-related training that I had offered this year. **Please RSVP** to me (either directly or via our website) at least 3 days before the class whether you plan to attend so that there will be plenty of training materials available. **Note: These training sessions have been canceled or re-structured from our normal practice as a result of ongoing public health concerns.**

- **Concours 101.** **Cancelled** for this season due to continuing low demand and Member health considerations. One-on-One briefings for new Entrants by TELCON are available on request.
- **Concours 201.** **Cancelled** for this season for Member health considerations.
- **Concours 301.** The formal, annual Judges' Refresher Training is now required **each year** by JCNA to recertify Judges for the current concours year. It includes a briefing presentation, review of the more important aspects of the JCNA Concours Rule Book, and discussions of the Rule Book changes. The current written Judges' Test will be administered by Email. **One** weekend session is planned: jointly with IEJC and JOCLA Judges. Date and participant details to follow.

## **2020 JCNA Concours in the Southwest Region. (Subject to Postponement or Cancellation)**
