## December 2021

Three events are described in this month's *Jaguar Tracks* that took place in late October and early November. The first was the *International Jaguar Festival* (IJF) at Sanibel Harbor Resort in Fort Myers, FL on October 20-24. Your peripatetic Membership Chair, Nedra Rummell, attended on behalf of SDJC. She provides her usual detailed and entertaining highlights on page 8. Based on the pictures alone, it looks like it was a great venue with a variety of activities. Another Jaguar event that extended beyond Southern California was the *CalClubs Meet 2021* event at Morro Bay on November 4-7. As in the past, this included members from SDJC, Jaguar Owners Club of Los Angeles (JOCLA), Inland Empire Jaguar Club (IEJC), and Jaguar Associate Group of the San Francisco Bay Area. A recap of the numerous activities is provided starting on page 11 by Mark Mayuga JOCLA Vice President and Jaguar Clubs of North America (JCNA) Southwest Region Director, with closing comments by Nedra Rummell. The third event was the combined SDJC Concours Afterglow and Election Luncheon at the Rancho Santa Fe Country Club on November 13. There was again a great turnout at the superb venue hosted by SDJC Director Dave Putnam and family. The details are provided on page 18, again by Nedra.

Upcoming events in 2022 are being developed based on evolving conditions. Options being considered for the first few months include a local drive followed by lunch, a visit to *Museum of Making Music* in Carlsbad followed by lunch, and a drive to and overnight stay in Borrego Springs. We are finding that planning of events is still a bit challenging as the effects of COVID continue to have an influence. Look for details via e-mail updates.

Over the years I have been an SDJC officer or Board member, I have received calls from people interested in buying a Jag, usually one in the San Diego area. The inquiries have sometimes been from SDJC members, but more often they are from someone that has spotted a car for sale in *Jaguar Tracks*, Autotrader, Hemmings, or other sources. Providing advice can be dicey for me. While I have experience owning Jaguars from the early 1980s and beyond, I am not a true expert on any, and certainly not the earlier models. Regardless, I enjoy chatting about the Jaguar of interest to potential buyers. This month I received two calls. The first was from an interested party who had spotted a 1967 340 Sedan offered for sale by Classic Showcase in Oceanside, owned by SDJC member Tom Krefetz. I told the caller that if Tom had the car for sale, he wouldn't be disappointed. I'll provide a recap of how this beautiful car ended up residing in New Hampshire with the new owner in a later edition of *Jaguar Tracks*. A couple of weeks later I received an e-mail from a Del Mar resident interested in a local XK150 FHC, asking if there was someone from the club that could provide an opinion as to how the car stacked up. I told him that it looked great in the photos (don't all used cars look great in photos?), but suggested a more informative opinion would be helpful. After agreeing to do so, Dick Cavicke, former Chief Judge of both JCNA and SDJC, offered to look at the car. As with the buyer of the 340, the potential buyer was very appreciative of the insight he received.

I want to wish you Happy Holidays and I look forward to meeting with many of you again in 2022.

# JCNA INTERNATIONAL JAGUAR FESTIVAL

Marriot Sanibel Harbour Resort and Spa, Fort Meyers, Florida

October 20<sup>th</sup>-24<sup>th</sup>

Recap and photos by Nedra Rummell

I had the pleasure to attend the IJF in Fort Meyers, Florida, waiting two years for this event due to the pandemic. The event was hosted by The Jaguar Club of Southwest Florida and Co-Hosts - Jaguar Club of Florida and Suncoast Jaguar Club.

On Wednesday morning we boarded charter buses, complete with picnic lunches, for a 45-minute drive to the Revs Institute for a private tour. Revs features the Miles Collier Collection of automobiles, which has been declared the finest sports collection in America by the New York Times. It was certainly worth the long drive, but allowed us little time to change for our sunset dinner cruise on Marriott's private yacht, the Marriott Princess. Mother nature cooperated, giving us a splendid sunset as we enjoyed dinner while IJF Chairman Phil Mannino made the rounds welcoming guests to IFJ.

On Wednesday, Rally drivers departed the hotel at 9:00 two minutes apart. Since my Jag was in Carlsbad, I had no wheels, giving me a free day until the cocktail reception and dinner that evening.

Thursday was the BIG challenging day, as I was judging. Judges and Concours workers were instructed to arrive at 5:30 AM on the Concours Green next to the water....in the dark....no lights! Finally, one judge showed up with a flashlight the main desk had given him with a warning "watch out for gators at this time in the morning!" Needless to say, I stayed near the judge with the flashlight and watched where I was walking. I'm still not sure why we needed to be there so early? IJF conducted Operational Verification as the Jaguars entered the field and I had the pleasure to work with JCNA Concours Chairman Jim Sambold's team. Chief Judge Craig Kerins gave final instructions to the 36 judges, which were divided into 12 teams. With a maximum limit of 15 minutes per car, we judged and scrutinized 65 near-perfect Jaguars in 3 ½ hours. I had an effective team, judging six Jaguars within the allotted time. Trophies and Awards were presented to the winners at a Banquet in the hotel that evening.

On Saturday, I hitched a ride with friends Kurt and Cheryl Jacobson from Washington to the Slalom Course a few miles from the hotel. I especially enjoyed JCNA President John Boswell, driving his 1938 SS DHC on the course, as well as Jaguar Tracks Editor Peter Crispin, with a remarkable run in his XJ. I was a little jealous when the F-Type drivers traversed the course. Someday I'll like to give it a try.... well maybe? Awards for the Rally and Slalom were presented at a poolside Southern BBQ dinner that evening. It was entertaining to be seated next to JCNA Secretary Bob Matejek, team winner for the Rally. Bob switched to his Corvette for the Slalom which he drove from Michigan to Florida, via Louisiana, as he marked more roads off his Special Roads Driven Bucket List.

In 2022 the IJF will be held in Dallas and in 2023 it will return to Santa Barbara. A few years ago, SDJC assisted JOCLA by hosting the Concours. I highly recommend attending this fun event with a beautiful array of Jaguars, opportunities to meet other Jaguar enthusiasts from across the country, exciting drives, delicious dinners and above all FUN!

Cheers, Nedra

## California Central Coast, November 4<sup>th</sup>-7<sup>th</sup>

Recap by Mark Mayuga and Nedra Rummell

Photos by Matt Allen and XKS Motorsports

The CalClubsReunion 2021 was a terrific success and if you missed it, well, you missed a great time with some wonderful people and terrific driving events. I want to firstly thank Clive Collins, owner of XKS MOTORSPORT, for being a generous event sponsor and providing food and drink for the Thursday Reception and the E-Type Anniversary Wine Glasses, Sherri who set-up the reception event at the La Serena Hotel and the Hemingway Vineyard, Bill Watson and his band appropriately named "LUCAS and the PRINCES of DARKNESS", for their musical entertainment at the HEMINGWAY VINEYARD luncheon.

What's great about the XKS MOTORSPORT Team is they pitched-in and did some of the heavy lifting for me. Clive ran check-out rides on the routes that I had selected. He also followed-up on the wineries to make sure their facilities were able to handle our large group. I have to say I was very impressed that XKS was more than just a money sponsor, they also got in there and interfaced with the vineyards, set up the food at the reception, and did some of the step-and-fetch for me in PASO ROBLES and MORRO BAY. A hearty well done to you all for your efforts and support!

The CalClubsReunion 2021 started out with a reception at the La Serena Inn outdoor patio and community room where there was lots of Mexican tasty mini burritos, taquitos, guacamole, and Agave Margarita's mixed by yours truly, all Treats, Wine and Beer provided by XKS MOTORSPORT and club members. It was a rousing event with old friends and new one's meeting after our COVID-19 challenges and you could tell that everyone was ready for a goodtime.

I reviewed the SCHEDULE OF EVENTS for the entire weekend and described some of the tasty choices of restaurants available just a few feet away from the hotel. We had over 45 JAGUARS in attendance with a few Austin Healey's, LAND ROVERS, and an ASTON MARTIN participating the weekend driving events. E-TYPES series 1, 2, and 3 were represented, F-Types, XKR/XK8's, a very rare XJ6C, XF, XJ8, XK-150, XK-120, D-TYPE replica, XJ350, and my XJS ROUGE rounding up the herd of Cats. Also, there was an Austin Healey BN1 (100), BJ8 Mk3, LAND ROVER, and ASTON MARTIN DB9 coupe were included.

The Rally and Tour to the HEMINGWAY VINEYARD included some wonderful driving roads, twisty bits, fast long straights, fast corners, high and low speed sections, all the while enjoying the countryside scenery of the California Central Coast and Wine Country of Paso Robles in Fall.

The HEMINGWAY VINEYARD was a wonderful choice for lunch. They provided a terrific menu of tasty Central Coast specialties, their tri-tip was perfect, and their pizzas were wonderful with a perfect thin crust, fresh ingredients grown in the winery vegetable garden. The cars were displayed around a green roundabout, and everyone was invited to vote for their favorite, Oldest, Middle-Aged, and Youngest car. The Winning cars were a XK-150 DHC, XJS ROUGE Coupe, and a F-TYPE Coupe. The "Band" played some familiar old tunes from the 60's, 70's with Bill Watson on Drums! That guy can really beat those skins!

Clive Collins organized a “Cricket Match” demonstration, which was fun, no one got terribly bored, lots of laughs and the girls really did a good job of beating the boys at bat! All in all, folks enjoyed the luncheon, the car display, music, the winery menu, and wine tastings. That evening we went to the “DOCKSIDE TOO” FISH and OYSTER BAR Market where we feasted on just caught seafood and locally grown oysters, tasty!

Saturday Morning found us once again gathered for a “drivers meeting.” We had to make few corrections on the route, minor changes caught by some of the more competitive drivers. Once again, the routes were laid out to feature the CENTRAL COAST terrain with lots of gentle curves, hills, straights, and oak trees abound between the vineyards. I took a special “speed group” of 5 cars through a fast route to the LONG BRANCH SALOON. We were the last to leave, the route was CA HWY 41, we average 85 MPH to CA HWY 229, arriving just as the first cars to leave arrived. Being naughty was fun and no one got caught by the SMOKEY BEAR! Tri-Tip Sandwich was on the menu with salad, homemade potato chips. We had a meeting to discuss the 2022 CalClubsReunion and Nedra Rummell got volunteered along with the San Diego Jaguar Club to stage the 2022 event. They were talking about SOLVANG and SANTA YNEZ Valley as the next location. Sounds like Nedra has taken charge as usual!

The gang hot-footed up to the ESTRELLA WAR BIRDS MUSEUM and WOODLAND CAR COLLECTION via another wonderful road that included those Whoopsie-Do's and long straights. The ESTRELLA was a fantastic collection of WW1, WW2, KOREAN, and Vietnam war memorabilia, model airplanes and ships, uniforms, rifles, and airplanes. There was also a collection of US ARMY armored vehicles, tanks, and a feature of the actual RED BALL EXPRESS trucks and history of those men who kept the 3<sup>RD</sup> ARMY supplied, heroes indeed. The WOODLAND CAR COLLECTION featured old dirt track racers, quarter midget race cars, NASCAR, Crosley, ALLARD, and other American Iron on four wheels.

We all returned to the La Serena hotel where the JAGUAR ASSOCIATE GROUP (NORTHERN CALIFORNIA JCNA members) hosted a lively and noisy reception. All attending were well lubricated with the days wine purchases and tasty nibbles. The party started at 5:00 and wrapped up around 7:30. Folks went to their favorite eatery to enjoy the last few hours of a very successful weekend of spirited driving, wine tastings, good conversations, new friends, lasting memories, and comradery.

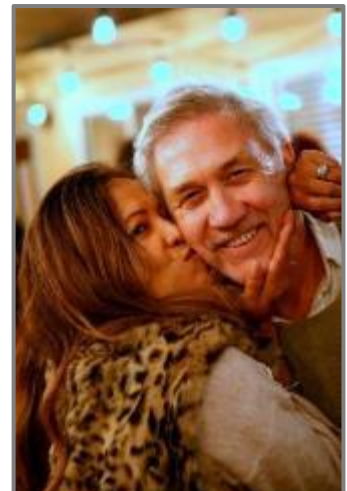

Nedra Rummell was heard saying “wait till next year! We’re going to blow the socks off you guys!” And she probably will, too! Thanks to all who attended, contributed, and enjoyed the Reunion. It would have not been so successful had you not come! And a Well Done to XKS MOTORSPORT for their sponsorship, help, and being part of this wonderful event, glade you do what you do!!! Real people for sure.

Cheers, Mark Mayuga SWRD, Chairman 2021 CalClubsReunion, MORRO BAY

*And a closing note from Nedra Rummell:*

Thank you Mark Mayuga and the Jaguar Owners Club of LA for hosting yet another successful CalClubsReunion in Morro Bay. SDJC was well represented by members: Dave, Marie, and Matt Allen; Martin and Diah Avery; Mark and Becky Bates; George Barry and Andrea Butler; Mike and Peggy Loper; Mary Lou Owen; Ann and Jay Stamets; James and Elizabeth Waite; and me.

Cheers, Nedra

# Concours Afterglow and Election Luncheon

Rancho Santa Fe Country Club, November 13<sup>th</sup>

Recap by Nedra Rummell

Photos by Matt Allen

The Concours Afterglows and Election Luncheon was once again held at the elegant Rancho Santa Fe Country Club. A special thank you to Dave and Windley Putnam's son-in-law, Danny Deutz, for sponsoring the event. In celebration of the 60<sup>th</sup> birthday of the E-Type, three stunning examples were allowed to park in the center of the entrance drive - Greg and Margie Millard's 1961 E-Type FHC Royal Maroon, Al and Kathleen Steele's 1967 E-Type OTS Silver Blue, and Jan and Valerie Zverina's 1967 E-Type FHC British Racing Green.

As is the usual scenario, upon arrival members enjoy chatting outside on a beautiful day while admiring the vast assortment of cats arriving (one exception, the Loper's incredible Morgan!). Making their way inside, members were greeted by Activities Chair, Diah Avery and helper Nedra for check-in. Before long, the room was buzzing with conversations and laughter until President Dan Jensen had to spoil the fun by announcing the food was ready and it was time to take our seats.

The Buffet included butternut squash soup, two salads, vegetables, salmon and Jidori chicken with lemon tarts and fresh fruit. The food was beautifully displayed and more importantly, delicious! Once again, Mark Hodges prepared a spectacular slide show of the Concours which played in the background during the event. As usual, Mark used the photos to capture the true essence of our Concours d'Elegance.

During dessert, Nedra and Marie conducted the raffle – it was great to see a number of new members winning prizes. Additionally, in celebration of the 60<sup>th</sup> Birthday of the E-Type, Diah had a drawing for winners of four E-Type Models and four celebratory green umbrellas. Job well done Diah!

President Dan Jensen conducted the business meeting, including the election of officers for 2022. Ballots were distributed and counted by Mark Hodges. Usually there are no big surprises since each officer is listed on the ballot with no opposition. However, much to our delight, the Secretary position was open for write-ins and Annie Howe generously volunteered to serve in that capacity. Thank you Annie, a great addition to the SDJC Board.

The 'newly' elected San Diego Jaguar Club officers for 2022 are:

- Dan Jensen – President
- Diah Avery – First Vice President, Activities
- Nedra Rummell – Second Vice President, Membership
- Dave Allen – Treasurer
- Annie Howe – Secretary
- Director – Al Steele
- Director – Dave Putnam

Diah and Nedra took the floor to talk about upcoming events, especially the Holiday Party to be held on December 4<sup>th</sup> at the Silver Gate Yacht Club, as well as opportunities for January and February. With no other business to be conducted the meeting was adjourned by Dan Jensen.

The 2021 Concours d'Elegance and Election are now memories for the archives. The weather and the venue were perfect, but most of all, the members of the San Diego Jaguar Club greatly enjoyed each other's company. We are fortunate to have good friends to share social events and our exciting love for Jaguars.

Cheers, Nedra

# Notes from the Concours Judge's Tent

December 2021

By Pete Rieth, Chief Judge, San Diego Jaguar Club

**HAPPY HOLIDAYS** to everyone and hearty congratulations to our newly elected Club Officers and Directors!

**First and Foremost** – As we close the 2021 competitive season, I want to offer my sincere thanks to all our Concours Judges and Scorekeepers – past, present and future - to those retired, those who have been on the team for years, and those who are recently certified. Concours forms a major part of SDJC's annual activities as well as a focal point for interaction with enthusiasts and friends from other clubs in the Southwest and well beyond. SDJC has a well-deserved reputation for maintaining a very high standard of technical proficiency and adherence to the JCNA Rule Book standards of impartiality and fairness. Our own Chief Judges Emeritus Dick Cavicke and Paul Novak deserve great credit for having made this happen over the years.

## **Concours 2021 Results Declared Official**

With pleasure, I am now able to announce that the JCNA Concours Chair, Jim Sambold has reviewed our event results as posted to the JCNA website (this includes a listing of all Entrants and their scores, the listing of Display-Only participants and a listing of all participating Concours Judges with statistics of which classes they individually judged). Jim has declared the event results Official as of 23 November 2021. **Yay!**

## **Handing Over the Chief Judge's "Clipboard"**

This column is my final missal. As most readers will recall, 5 years ago this month, Paul Novak handed over the CJ duties to me. It has been a marvelous run, but now it is time to accomplish another handover. Dave Allen will be our new SDJC Chief Judge beginning with the arrival of the New Year. He is extremely well qualified, and you may have every confidence that our program will be in good hands. I intend to continue as a member of the SDJC Concours Judge cadre, with sure knowledge that we all will do our best to support Dave. As we know, and celebrated at the Afterglow and Election Luncheon, this is the 60<sup>th</sup> anniversary of the E-Type. As such, I thought it might be interesting to look back at our club just prior to the E-Type's debut. Take note at the interesting proposal to increase club member participation on the first page. Don't miss the Coming Events or the incredible XK deals on page 2. And, sure enough, page 3 talks about the rumored upcoming debut of a new Jaguar fast back coupe. Little did they know! Finally, you might want to save up for the Steak, Prime Rib or Lobster at the El Morocco.

Cheers, Chuck

### THE JAGUAR ROAR

JAGUAR AUTOMOBILE CLUB, INC.  
OF SAN DIEGO, CALIFORNIA

March 1961

Following the January 1961 dinner meeting, Gladys Hawkins, Dr. McPheron, Bill Walter and the Editor were appointed as a committee to establish a competition point program as an added inducement for more widespread participation in sports car activities in the San Diego area. It was, and still is, the opinion of Dr. McPheron, the guiding light of the point system, that in order to encourage more Jaguar owners to become JCNA members, a firm program of interesting and attractive events must be in operation.

Since the number of established sports car clubs in the area is about fifteen, and since there is seldom a week passes which contains less than two or three events of some nature, it was proposed by Dr. McPheron, and seconded by Gladys Hawkins, that rather than compete with these organizations for dates, the Jaguar Club members would join in the events as participants or workers. In this manner, the membership would be able to enjoy themselves without the necessary drudgery of planning anything more than gasoline and rest stops or help at check points, etc.

The point program will be as follows:

<u>IF YOU --</u>	<u>POINTS GAINED</u>
1. Attend a regular meeting	5
2. Attend a special meeting	4
3. Attend a Club or Council Event	3
4. Participate in a Council or Club Event	10
5. Work in a Council or Club Event	5
6. Extra or bonus points based upon order of finish same as FIA uses for figuring world championship 10-8-6-4-3-2. First place receives 10 bonus points, etc.	

One point should be made clear--the burden of work will fall to the contestants because it will be their duties to send a card to Editor Boyd Harford, 1819 Lyndon Road, San Diego 3, stating the event, placement, role as spectator, worker or competitor.

Particular emphasis this year will be upon team entries from the Jaguar Club. A team will consist of three autos. The more of these three-car teams, the merrier. It is hoped that more than just one team will form as it is anticipated this will stimulate a more competitive spirit within the club as well as give the club good publicity. Each driver and navigator will be provided with the Team patch as designed by Dr. McPheron. Incidentally, Commander Katcher is investigating having the item made in Japan, finished in silver thread to match our regular Club patch, which will fit in the designated area.

We are listing the events on the calendar so far. Additional entries will be added as they come in each month. Our faithful representative at the Council, Gladys Hawkins, will see to it you are informed through this column.

STATIC FROM HERE AND THERE

The rumor has had it for the last several weeks that Jaguar is concentrating upon the development of its fast back GT coupe, scheduled for its debut April 1. COMPETITION PRESS reports Briggs Cunningham will have three of these cars to share with Pabst and Hansgen at Le Mans this year. This machine will compete racewise with the Aston Martin GT, and Ferrari 250 GT, but will sell for considerable (?) less.

If you think the 1961 SCCA class breakdowns are rough, pity the poor Record Monza 1000 cc of Abarth. If it is declared production, and it is expected any time, it would be sent to either Class D or B depending upon how unpredictable Westport may be. If it goes D, the Alfas might not have it quite their own way, or if the coin flips toward B, well--first there will be Porsche Super 90, then Daimler SP 250, next Ferrari and the mighty, thundering, belching, bounding Corvette. Davis, shake hands with Goliaths and GOOD LUCK!

I read that the boys at Sebring need flagmen (experienced) and qualified telephone operators for the upcoming March meeting.

N O W   H E A R   T H I S !

I have received several fine letters from Mr. Vilem Haan, Southwest Regional Director, Los Angeles. The Los Angeles Club is holding speed trials sometime in April at an abandoned airstrip between Barstow and Victorville. They have extended an invitation to our club to join the events. You lads and lassies with a heavy foot should get fun out of these speed trials.

Ye president is planning on flying up to Search Light, Nevada, to make arrangements for our annual jaunt to that establishment of merriment, namely El Rey Resort.

Our good Veep, Bud Lundy, is making arrangements at Pine Valley Lodge for a breakfast caravan on March 19, 1961.

Good members and "memberesses" and guests and "guestesses"--this is your club. You drive the finest automobile built, you have the best club in San Diego--let the other clubs know that by participating in their events--attend your club meetings and events. Remember the larger the group attending a club overnite event, the better rates we can get.

The regular monthly meeting, the second Friday of this month, will be at El Morocco Restaurant, 8015 Broadway, Lemon Grove. Cocktails 1900 - 2000, dinner at 2000. BE ON TIME! The meetings will be held at this restaurant April 14, May 12, and June 9, 1961. You will find excellent New York cut steaks and lobster or delicious prime rib roast beef and lobster. The price--\$3.95 each. Members of other out of town Jaguar Clubs are welcome. Greetings to the Los Angeles, San Francisco, and New York Clubs!

# SDJC Board of Directors Meeting Minutes

November 10, 2020

The meeting was called to order at 6:31 pm via Zoom video conference by Dan Jensen, President. Officers present: Dave Allen, Diah Avery, Mark Hodges, Chuck Leuthen, and Nedra Rummell. Directors present: Tim Bennett, Dave Putnam, Liz Soens, and Al Steele. Functional Chairs present: Jim Hallameyer and Pete Rieth.

**Secretary's Report:** The minutes of the October 13, 2021, meeting were approved via e-mail.

**Treasurer's Report:** Dave reported that income for October was \$3,274.00 comprising \$200.00 Club Dues (five new members!), \$83.00 advertising ('94 XJS and '03 XJ8), \$53.00 Logo income, \$262.00 for the Concours d'Elegance and \$2,676.00 for the New Member Luncheon. Expenses for October were \$4,429.75 comprising Bank fees (\$57.63), JCNA Club Dues (\$90.00), Concours Expenses for the lunches, trophies, general supplies, judge material, coffee & donuts, and postage of results (\$4,133.13), monthly storage facility fees (\$132.00) and the monthly subscription for Zoom meetings (\$16.99). Overall, we had net expenses of \$1,155.75 for the month. Note that I have yet to collect the money from the day of sale items from the Concours d'Elegance (lunches and logo sales) which should be just over \$1,100. Our accounts continue to remain healthy.

**First Vice President Activities Report:** Diah reviewed prior and upcoming events, and provided a list of 2022 events:

- **November 13: SDJC Election Luncheon and Concourse Afterglow, Rancho Santa Fe Golf Club hosted by Dave Putnam** – Close to 70 attendees have signed up. In addition, there will be eight prizes given away for the E-Type 60<sup>th</sup> Anniversary celebration: four 1961 E-type 1:18-scale diecast replica models, and four anniversary umbrellas.
- **December 4: SDJC Holiday Party, Silver Gate Yacht Club, hosted by Celia Hunter** – Details of event planning were reviewed and are on course.
- **January event: Museum of Making Music and Karl Strauss Brewing, Carlsbad** – Nedra is working the details for this event, including the date.

**Second Vice President Membership Report:** Nedra reported there are five new memberships: Al & Morgan Janis, Bridget Malcolm, Jim Medina, Carol Sybrowsky, and Maggie Conway. On a motion by Chuck and a second by Diah, all were approved. We have exceeded our 2020 membership totals, with 170 members now. The E-Blast announcing it's time for everyone to renew their dues for 2022 will go out soon. A flyer will be provided to Chuck for publication in the next issue of *Jaguar Tracks* and for Mark to add to the SDJC website. The October update of the SDJC Directory and Ownership listing has been forwarded to Mark for inclusion on the website.

**Newsletter Editor Report:** Chuck reported that input is on track for the December issue. He also noted he found an error in the *Jaguar Tracks* distribution list that resulted in some members not receiving the monthly issues. This has since been corrected. Chuck will send an e-mail reminding the BOD of the need to use the most-recent version of the distribution list for club news sent via e-mail.

**Website Report:** Mark reported that he had archived additional back issues of *Jaguar Tracks on the website*, removed names of concours participants that were not club members, and uploaded the most-recent club directory. Chuck will add a note to the December *Jaguar Tracks* to remind members where to find the directory on the SDJC website. Dave Allen reported a member did not receive a reply to their offer to assist at the concours. An action was taken to update the means by which responses are provided to member requests and comments.

**Director Reports:** Al asked if his E-Type could be one of the three to be parked at the entrance to the Rancho Santa Fe Golf Club Election Luncheon. After brief discussion, the answer was "definitely."

## Functional Chair Reports:

**Advertising:** Dan stated that 2022 invoices will be sent out in November.

**Auto Museum Representative:** Pete Picksly reported that in 2022, the San Diego Automotive Museum will begin raising funds for an addition to the current building. Once completed, the transformed museum will be a 56,000 ft<sup>2</sup> facility. It will immediately place the museum among the most noteworthy presenters of automobiles and motorcycles in the nation and become a prime attraction in Balboa Park, including reimagining the library into the most extensive automotive libraries on the West Coast. Hall of Fame Driver Don "The Snake" Prudhomme has been brought on to partner with this new expansion drive. Something new has already been installed on the floor in the center of the museum - two turntables that rotate to display the current special exhibits, currently a 2020 Ford GT and an early '60s Chevrolet convertible with a full plastic see-through top.

**British Car Club Council Representative:** Nothing to report

**Concours:** Mark reported that the Port of San Diego is now taking reservations for events, and we will be holding our 2022 concours at Cancer Survivors Park at Spanish Landing East on July 9. Contacts with the food vendor and sound system provider have been made. The number of judged cars will again be held to 25 given limitations of JCNA-certified judges. The number of display entries will not be restricted given the large expanse available for the event. Chuck asked if a "Best of Display" trophy would be provided, as is done at other local Jaguar concours. While this has not been the case in the past at SDJC concours, Mark saw no reason why this couldn't be implemented.

**Property Manager:** Nothing to report.

**Chief Judge:** Pete said no concours protests had been submitted as of the day of the BOD meeting. He noted again that Dave Allen will take over as SDJC Chief Judge starting in 2022 and suggested that Process Notebook continue to be used in future years.

**Dealer Rep:** Jim left messages with David Drake, Jaguar San Diego General Manager, and Michael Hames, Sales Manager, about the desire for Jim, Nedra and Dan to meet with them to view their facility and provide complimentary SDJC memberships.

**Raffles / Roster / Awards:** Nedra reported she will need the Tuescher trophy plates for the end of the year engraving. Also, she will order a trophy for Member of the Year. Thanks to Pete Rieth for donating extra wine from the Concours and Marie Allen for her continued donations.

## Old Business:

- **Use of social media** – Liz volunteered to assist with this effort. Nedra stated she has selected photos from Matt's photos for all the events in the past six months to post to Facebook. She will forward these to Liz.
- **Bylaws change** – the BOD decided to table changes until next year since the proposed changes were generally minor edits. The only change of note will be deletion of the Logo Wear Functional Chair given that SDJC items are now purchased online from Land's End.
- **Meeting with Jaguar San Diego** – see Dealer Rep report above.

## New Business:

- **Absorption of missed dues** – after discussion, it was decided that information of the webpage was sufficiently clear in indicating that memberships lapse at the end of each calendar year, with the only exception being new memberships paid in November or December, which apply to the following year as well.
- **Member of the Year** – discussion was held, and a member selected.

With no further business, the meeting was adjourned at 7:59 pm by Dan. The next meeting will be January 12 at 6:30 pm by Zoom video meeting.
